MESSAGE FROM THE VICE-CHANCELLOR

I welcome all students who wish to be a part of the intellectual fraternity of Khwaja Moinuddin Chishti Language University and contribute to its endeavour towards academic excellence. We are constantly striving towards carving a niche in higher education by offering multidisciplinary learning opportunities and instilling the students with core competencies of the 21st century.

The University, now entering in the ninth year of its academic journey, has achieved several milestones. The language courses of the University in Urdu, Arabic, Persian, Hindi, English, Sanskrit and French enrich the cultural milieu of the country and promote intercultural research and learning. Apart from languages, we offer plethora of learning opportunities to our students ranging from high demand courses in arts and humanities to highly skilled and professional ones in science, commerce, management, education, legal studies, media, engineering and technology. Keeping skill acquisition at the core of its teaching learning pedagogy, the University offers a variety of certificate and value added courses focussing on skill development, problem solving and employability. To enhance our placement and training initiatives we have also established ***'Awadh Incubation Foundation'*** in the University to encourage entrepreneurship and innovation initiatives of the students. The worldwide pandemic brought a massive transition from classroom teaching to integrated, ICT enabled teaching learning through digital platforms and innovative pedagogies were used by the teachers to make learning engaging for the students. During the pandemic, the University teachers contributed massive e - content to the U.P Higher Education Digital Library and also launched a YouTube channel which hosts video lectures on diverse subjects for the students. The University continues to offer blended learning opportunities with seamless navigation between online and offline mode. The University has also launched its Learning Management System (LMS) named ***'KOPAL'*** to facilitate and streamline online academic activities.

The University aims at establishing a transparent, fair, responsive and efficient academic environment that fosters accountability among all stakeholders. Several sustainability and social outreach activities are organised on regular basis to enable students use their learning into productive solutions for socio–economic problems. The NSS and NCC wings of the University coupled with the cultural committee also organise programs and activities that harness the feeling of harmony, community connect, ethical values and citizenship among the students.

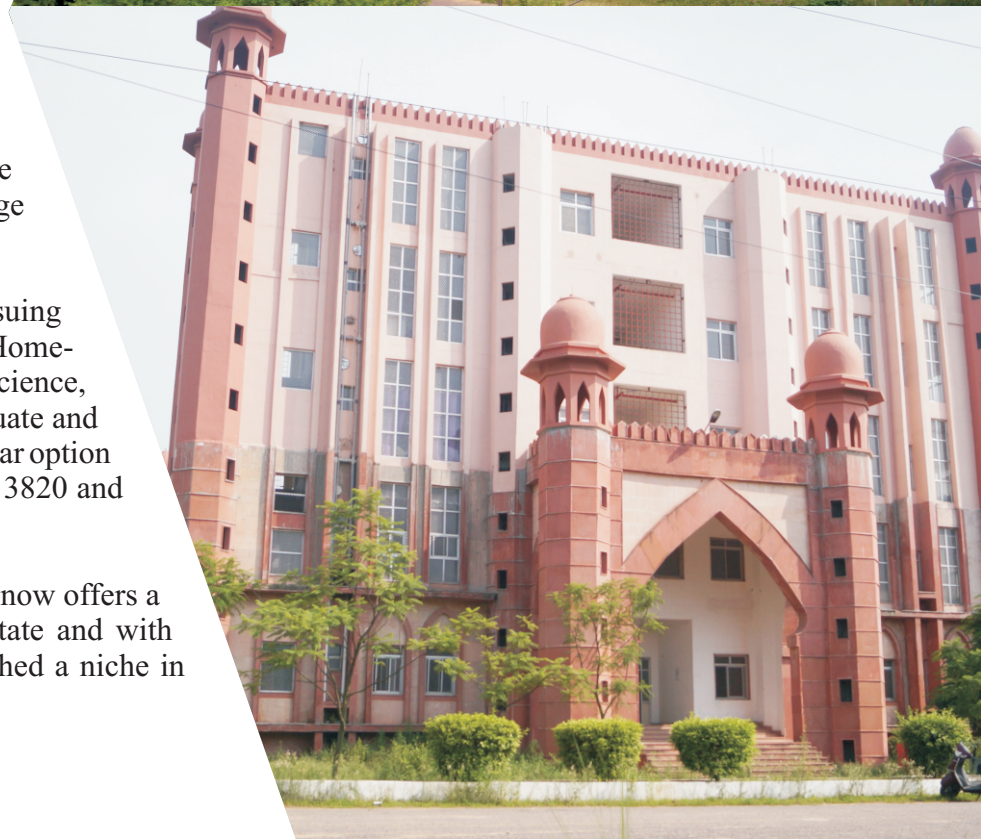

All activities of the University are aimed towards facilitating and empowering the future generations by supporting collaborative initiatives, promoting multidisciplinary research and strengthening their technical competence.

With above words, we again welcome you and wish you all a bright future ahead!

Prof. N.B. Singh
Vice Chancellor

1. ABOUT THE UNIVERSITY

Language establishes identity of a nation. Language is also the means of identification, creation, preservation and extension of knowledge. It helps individuals and communities to connect with the world. As a subject, Language attracts many scholars and thinkers to explore its various unexplored dimensions. Many efforts are being made by the government to connect language with the country's heritage and also promote quality research in the area. The National Education Policy (NEP 2020) also emphasizes on promoting multilingualism and using the power of language in teaching and learning. Supporting these initiatives, the University too is attempting to contribute extensively towards promotion of languages.

Established under the Uttar Pradesh Arabi Farsi Universities Act 2009 (U.P. Act No. 12 of 2009) this University got its name as 'Khwaja Moinuddin Chishti Urdu, Arabi-Farsi University' by an Amendment in the year 2012 in the name of well acclaimed Sufi Saint Khwaja Moinuddin Chishti of Ajmer whose simplicity and generosity have inspired people across the globe. It also holds the status of 12B and 2f of University Grants Commission. In the month of February, 2020, the State Cabinet, passed the proposal to rename the University as 'Khwaja Moinuddin Chishti Language University.'

Situated on Sitapur-Hardoi Bypass Road, the University aims to equip its students with quality education along with a deep understanding of the cultural fabric of the country and inspires them to contribute progressively towards building a knowledge society.

The University started its first academic session in August 2013 with students pursuing studies in Urdu, Arabic, Persian, English, Hindi, Geography, History, Economics, Home-Science, Physical Education, Political Science, Education, Commerce, Computer Science, Business Administration and Journalism and Mass Communication under its Graduate and Postgraduate programmes. Apart from these, Diploma courses have also been a popular option among students enrolling in the University. At present this strength has gone upto 3820 and number of programmes offered by this university has also increased significantly.

Since its inception the University has grown considerably in its scale and scope. It now offers a plethora of learning opportunities to the students from within and outside the state and with a rich blend of professionalism and tradition, this University has already established a niche in the academic circle of Uttar Pradesh.

Professional courses such as Engineering and Technology have always been popular among the students. Therefore, the University has also introduced AICTE approved B.Tech. Programme in Civil Engineering, Mechanical Engineering, Computer Science, Fashion Technology and Computer Science and Engineering with Artificial Intelligence and Machine Learning in the University since 2019. The University has also launched LL.M. programme and is striving to start LL.B. programme under the faculty of legal studies from the current session. The University is constantly making new endeavors to establish its identity as a Language University. Thus, apart from offering courses in Hindi, English, Sanskrit, Urdu, Arabic and Persian the University is also in the process of introducing specialized courses in other Indian and Foreign Languages to help the students learn a new language in addition to their regular academic programmes. University has also decided to offer courses pertaining to History and Culture of Language. in addition, Value Added Courses have been initiated by almost every department of the university to match the expectations of NEP 2020 guidelines. Looking at the importance of sports and physical activities along with studies, the University offers curriculum for Physical Education at Undergraduate level and sports events are organized in the University campus on a regular basis.

Besides taking care of physical security, efforts have been made to secure the premises digitally and for this purpose CCTV cameras have been installed throughout the campus. The University also provides free Wi-Fi facility to all students, faculty members and non-teaching staff.

INFRASTRUCTURE & SERVICES

The University has in its offing several infrastructural amenities to cater to the academic needs of the students.

ACADEMIC BUILDING

The Academic Building of the University boasts of air conditioned, projector assisted classrooms for audio-visual teaching and learning as well as an auditorium, faculty rooms for teachers and seminar/conference halls for debates, discussions and other academic activities.

LABS

For the convenience of the students and the teachers, each floor of the academic building has a separate reading room to provide a congenial environment of learning for the students and scholars.

The Academic Building also has a Geography Lab for the students and a separate SPSS lab for research scholars where they learn the techniques of operating the software and use the same to analyze data for their research.

The Department of Computer Science maintains an internet supported Computer Lab which can be used by the

faculty members and students for research and academic purposes. All other Departments have also been equipped with computer labs to make the students adept at using ICT in their respective subjects.

In order to enhance language proficiency of the students as per global standards, the University has set up state-of-the-art language labs. The Departments of Arabic, Persian, English and Urdu have their own language labs where students are trained to hone up their skills of language proficiency.

ADMINISTRATIVE BUILDING

The beautiful Administrative Building of the University is a landmark that greets all students and visitors as they enter the University campus. This Block buzzes with activity throughout the day catering to a diverse range of student affairs and financial activities. The office of the Vice Chancellor, Finance Officer, Controller of Examinations and Registrar are also located in this building.

VIDEO CONFERENCING HALL

One of the major attractions of this building is the multipurpose conference room equipped with latest tools of communication including facilities of video conferencing.

STUDENTS' FACILITY CENTRE (SFC)

The SFC started functioning from the last academic session. The Centre is equipped with several student amenities like canteen, print and photocopy shop and stationary shop. A girl's common and hobby room equipped with indoor games has also been constructed in this building to provide avenues of recreation to girl students of the University. Apart from this, the building also has NCC and NSS offices which undertake several social welfare activities in and around the University.

STUDY CENTRE

The study Centre of the University is the latest addition to its already existing magnificent infrastructure. This Centre has been developed with an aim to promote learning and research activities of the University. The Study Centre houses Deen Dayal Upadhyay Shodhpeeth, Department of Home Science, Department of Journalism and Mass Communication and Centre for Modern European and Asian Languages.

PANDIT DEEN DAYAL UPADHYAY SHODHPEETH

The University also holds the distinction of being a pioneer in establishing Pt. Deen Dayal Upadhyay Shodhpeeth. Uttar Pradesh State Government established the Shodhpeeth in the year 2017 at this University. The aim of this Shodhpeeth is to assimilate knowledge related to life, thought and philosophy of Pt. Deen Dayal Upadhyay and promote dialogue and research in the area. An International online research journal

promoting research on the ideology of Pt. Deen Dayal is also being published by the Shodhpeeth. Besides other regular research and academic activities, various seminars are organized by the Shodhpeeth from time to time, to familiarize the students with the thoughts and vision of the great leader.

MEDICAL CENTRE

The Medical Centre of the University caters to the medical needs of students and staff. The Centre offers 24-hour OPD facility and is equipped to deal with any emergency situation. A nurse is available in the Centre round the clock and a doctor is available for consultation in the Centre for four hours everyday. The University has also signed an MoU with Career Institute of Medical/Dental Sciences and Hospital situated at IIM road. Under this MoU, all students, teachers and employees of the University can avail OPD, Dental and Hospital facilities of Career Hospital at a nominal fee. The hospital also provides ambulance facility to the University in case of any emergency.

BANK

An exclusive branch of Canara Bank with ATM facility is also operative within the campus to facilitate financial transactions for the University community, especially the students. The students can also open zero balance accounts in this branch to avail the benefits of the government scholarship schemes.

E-LEARNING

The expansion of digital technologies has embodied the concept of global village. In the pandemic era terms like e – learning, virtual classrooms, web-based learning, LMS and virtual labs have become a reality. Thus, to provide the students with seamless learning opportunities, the University has the provision to conduct both online and offline classes. A vast e – content resource has been created by the University teachers and is available on different online platforms for the ease of the students. To promote audio – visual learning, the University also has an official YouTube Channel that hosts more than 500 video lectures prepared by the teachers on a variety of subjects.

INDOOR THEATRE

For students interested in performing arts and theatre there is a provision of Indoor Theatre inside the Student Facility Centre (SFC) where cultural events are organized on a regular basis.

UNIVERSITY GUEST HOUSE

Besides academic engagements, extra-curricular activities are a regular phenomenon at this University wherein guests from across the country and abroad keep taking part. As a host, the University has made provision for their comfortable stay at its Guest House which is equipped with state-of-the-art facilities.

MEDIA STUDIO

A futuristic Media Studio has been established in the University under the Department of Journalism and Mass Communication with the aim of imparting practical training to the students of the Department. The studio is equipped with a high definition indoor outdoor camera, teleprompter, interactive screen and high end editing

system. The studio is well equipped to support recordings of video lectures as well as production of high-quality films. The studio also has separate audio section for voice over, recording and radio training. Various workshops related to shooting, audio recording and editing are organized for the students inthe studio.

TRANSPORTATION FACILITY

Since the University is located at the outskirts of Lucknow, transportation has been a challenge, and hence to facilitate students with ease of commuting, University has started its own bus service. Several other modes of transport are also available for the students to commute from the University to the city.

LIBRARY

The University library offers a congenial study environment for students, staff and visitors and provides a wealth of knowledge through its vast collection of books and online resources. It houses a rich resource of books, relating to different subjects. It also subscribes to a variety of periodicals, magazines and journals to keep the students abreast of the contemporary scenario in their areas of study.

CCTV CAMERA AND WI-FI FACILTY

In compliance with the directives of UP State Government, all examinations of the University are conducted under CCTV surveillance. Besides this the class rooms, labs, reading rooms, lobbies and all other important sections of the University campus have also been secured through CCTV cameras. The University also provides free Wi-Fi facility to all students, faculty members and non-teaching staff.

UNIVERSITY GYMNASIUM AND CLUB

Good health is the key to a successful life. Thus, keeping in view the overall well being of its staff and students, the University has opened a Gymnasium and Club that provides a wide array of health and recreational facilities under one roof. The gymnasium offers the latest and best exercise equipment along with indoor table tennis and badminton courts aimed at promoting health awareness in the campus. Apart from this, the Gymnasium is also aimed at providing intense training to sportspersons of the University.

BASKET BALL COURT AND NET-PRACTICE FACILITY

To train the students in outdoor activities and prepare them for Intra College and Inter college competitions the University also has a Basket Ball court and a Cricket net practice pitch.

HOSTEL FACILITY

The University is fast expanding both in terms of facilities and students enrolled. The University has separate boys' and girls' hostels that provide convenient accommodation for the students with in house mess facility. The boys' hostel has a capacity of around 300 students, and the girls' hostel also offers an accommodation for 300 students. To make the stay of the students pleasant and enjoyable, various activities, events and celebrations are organized within the hostels on a regular basis. Both the hostels are enabled with free wi-fi services and indoor games. CCTV cameras have also been installed to maintain safety and security. The

allotment of rooms is made as per the rules, guidelines and relevant regulations of the University. The Hostel facility is available at quite an affordable cost, i.e. INR 9025/- (Annual) for single occupancy and INR 7525/- for double occupancy. An amount of INR 3000/- will be deposited at the time of allotment as Security Money (Refundable). The facility of single occupancy is available only for Ph.D. students. Besides this, students will have to pay the mess charges for availing the mess facility, that is compulsory for every resident.

19 BODIES/COMMITTEES OF THE UNIVERSITY*

19.1 PROCTORIAL BOARD

The Proctorial Board of the University headed by Proctor and supported by Assistant Proctors, ensures that the students of the University abide by the rules and regulations framed by the University. It works towards maintaining a harmonious atmosphere in the campus and ensures smooth functioning of the campus activities. The board also resolves students' grievances and works progressively towards safeguarding their interest.

19.2 NATIONAL SERVICE SCHEME (NSS)

The National Service Scheme has been initiated in the University with the aim to develop overall personality of the students through community service. The students enrolled under the scheme take part in a variety of developmental activities like tree plantation, creating awareness among students on relevant social issues, conducting cleanliness drives and several other activities aiming towards the betterment of the community. The ultimate goal of the scheme is to inculcate and strengthen the feelings of patriotism, national integration, brotherhood and communal harmony among the volunteers and through them, in the society. Presently, the University has four separate NSS units.

19.3 INTERNAL COMPLAINTS COMMITTEE (ICC)

Gender equality, including protection from sexual harassment at workplace and right to work with dignity is a universally recognized human right. In compliance with the instructions of National Commission for Women and guidelines issued in implementation of the directives of Hon'ble Supreme Court Judgement dated 13th August, 1997 in the case of Visakha and others vs. State of Rajasthan and Others on the subject of sexual harassment of women at workplace, this University had duly constituted a Complaint Committee for considering complaints of sexual harassment of women working at University. This cell is dedicated towards creating a congenial environment in the campus where every woman feels safe and confident. The members of the cell also conduct regular meetings and organize activities to create awareness towards prevention of harassment and violence against women and gender sensitization.

19.4 ANTI – RAGGING COMMITTEE

Anti-Ragging Committee of the University is an advisory and supervisory body that works towards providing a ragging free environment in the campus. Its primary aim is to keep a vigil and put a tab on the incidents of ragging. The members of the committee conduct regular inspections of classrooms, canteen and other places of student assembly for any incidence of Ragging. The committee also holds orientation sessions with the students to educate them on the menace of ragging and related punishment provisions.

19.5 GENDER SENSITIZATION COMMITTEE

As gender sensitization is a process of behavioral change by instilling empathy into the views that people hold about their own and other sex. The constitution of India provides for equality of status and opportunity to all the citizens. It is imperative for the students to be aware of the issues related to gender. The university has constituted a committee to sensitize all stakeholders with regards to equality in law, social systema and democratic activities.

19.6 NATIONAL CADET CORPS (NCC)

The National Cadet Corps (NCC) is the youth wing of the Indian Armed Forces with its headquarters in New Delhi, India. It is open to school and college students on voluntary basis as a Tri-Services Organization, comprising the Army, the Navy and the Air Wing, engaged in developing the youth of the country into disciplined and patriotic citizens. The soldier youth foundation in India is a voluntary organization which recruits cadets from high schools, higher secondary, colleges and universities all over India. The Cadets are given basic military training in small arms and drill. The University has a unit of girls' battalion comprising of 80 female students.

19.7 ROVERS-RANGERS

In the previous academic year, KMCLU added another feather to its cap as it proudly established its first Rovers and Rangers unit in the university. With the aim of holistic development and spiritual growth, KMCLU is relentlessly striving to hone the skills and talents of students in producing the leaders of the future. An orientation programme was organized to familiarize students with its numerous activities and opportunities.

19.8 SCHOLARSHIP COMMITTEE

The University has a scholarship committee that helps the students in availing benefits of U.P State Government scholarships. This scholarship is accessible to the students belonging to all categories namely SC, ST, OBC, Minority and General hailing from economically weaker sections of the society. It aims to instill confidence among these students, motivate them for higher education and bring them in the mainstream of education system.

The Committee also provides assistance to the Minority students for availing the benefits of Minority Welfare Scholarship System/Scheme. Under this scheme, scholarship is provided to the meritorious students of these communities. It is aimed towards preserving their right to education, providing them with greater opportunities in higher education and enhancing their chances of employability.

The Committee also provides guidelines to the students regarding other scholarship schemes of the government.

19.9 CULTURAL COMMITTEE

The Cultural Committee works for interpersonal learning of various arts and creative skills by conducting various events and activities. The Cultural

Committee shall be responsible for all intra and inter collegiate cultural events in the University. The Committee makes plan and schedule of all the cultural events for the academic year. Various National festivals and other occasions such as Gandhi Jayanti, Sardar Vallabh Bhai Patel Jayanti, Valmiki Jayanti, Atal Bihari Vajpayee Jayanti are celebrated with great zeal and enthusiasm.

19.10 PLACEMENT CELL

In the present contemporary and competitive environment, education is not only a mode of transmitting knowledge but also a tool that equips the students with requisite professional skills that prepare them for the upcoming job opportunities. The Placement Cell of the University helps the students to identify organizations suited for training and future placement. It is dedicated to support the students in their pursuit to get jobs in various reputed organizations. In addition to this, the placement cell also conducts special lectures and workshops to update the students on current job opportunities and trends in their chosen area of study.

19.11 CAREER COUNSELLING CELL

Knowledge is power but what makes knowledge even more powerful is how a student utilizes it. With the growing challenges of the job market and the increasingly changing skill sets required by the recruiters, students often face challenges in selecting the right career for themselves. To help the students and to guide them in making this important decision, the University has a dedicated Career Counseling Cell. The cell undertakes several measures like organizing seminars, mock interviews, soft skills and communicative skills training, personality development, corporate culture/etiquette and leadership skills enhancement so that the students may be able to undergo a process of self-introspection, which in turn, helps them to make more rational career choices.

19.12 INTERNAL QUALITY ASSURANCE CELL (IQAC)

The best path towards success is regular self-monitoring and upgradation. Thus, in pursuance of the recommendations of National Assessment and Accreditation Council (NAAC), the University has established an Internal Quality Assurance Cell (IQAC). The Cell regularly accesses the academic facilities and suggests measures to upgrade the quality of overall performance of the University. The Cell comprises of different committees to assess, monitor and advise on the best practices to improve and enhance the overall functioning of the University. It is committed towards enabling this University to achieve academic excellence.
