MBA PROGRAMME

Chancellor's Message

Dear Students,

It gives me immense pleasure to interact with you through this Brochure. In today's competitive world, good education is not only a must but also an opportunity to excel in different spheres of life. In my belief, education along with a sharp mind capable of understanding and possessing a sense of being a responsible individual is an antidote to ignorance. Keeping with these objectives, Dr. D. Y. Patil Vidyapeeth, Pune offers a range of professional programmes in an environment that is conducive to the all round development of youth.

The institute possesses state-of-the-art infrastructure, highly qualified and dedicated faculty. We ensure high quality of education relevant to the needs of society. As a result of this, the Vidyapeeth has been Re-accredited **(3rd Cycle)** by the National Assessment and Accreditation Council **(NAAC)** with **'A++'** Grade.

I have traveled all over the globe, visited a number of institutes imparting professional education, including Management Institutes, Business Schools and I am happy to say that we, at the Global Business School & Research Centre, have adopted excellent educational practices and teaching methodologies, which are comparable to the best available in those places. The ambience at the Institute is student-friendly and our students have always been my first priority. I believe that you will enjoy your stay at our institution and leave fully empowered for a successful professional career, with confidence about the future.

I welcome you to our world class Business School and wish you the best of luck for your education and career in the vastly expanding management arena.

Dr. P. D. Patil
Chancellor

Pro Chancellor's Message

Dear Students,

It is my privilege to share my views through this brochure, the best media to connect the young minds of the Nation. As aptly said by Robert Maynard Hutchins, "The objective of education is to prepare the young to educate themselves throughout their lives".

In keeping with its mission of academic excellence, Dr. D. Y. Patil Vidyapeeth, Pune, (DPU) is always continuing its inexorable developmental activities, in all fronts, in a bid to create a world class university. This is reflected by the consistent expansion of infrastructure, faculty, research contributions and national and international linkages & collaborative initiatives, signaling out globally that DPU is focused in its activities with its thrust being on developmental activities.

Visualizing an enlightened, cultured and economically vibrant India, developed through education in diverse disciplines, we at DPU always keep in mind the commitment to contribute towards the growth of our nation, the purpose of our Vidyapeeth and also our dream to make DPU a global hub for academic excellence in the field of higher education.

Dr. (Mrs.) Bhagyashree P. Patil
Pro Chancellor

Vice Chancellor's Message

Dear Students,

I am extremely happy to interact with you through this brochure. Dr. D. Y. Patil Vidyapeeth has been recognized as an institution that has been delivering a very high-quality education with emphasis on interactive teaching methods and focused research in diverse fields. DPU is known for Academic Heritage, World Class Faculty, State-of-the-art Infrastructure, International Teaching Pedagogies, Excellent Learning Environment, Dynamic Research Culture and Emphasis on Overall Personality Development. Our curriculum innovations include enhancement of integrated modules, case based & rapid cycle learning methods, inclusion of patient safety & health care quality concepts at all levels, to name a few.

At our colleges, we provide opportunities for involvement in innovative research projects and life enhancing community service thriving on our campuses. We believe that complete education is what makes a student self-educated. To ensure this, greater emphasis is given on what students have learned and not necessarily what they were taught.

With these commendable achievements, I believe that there is still scope for us to become the best and to reach higher levels of academic excellence. I have no doubt that we will be able to achieve these objectives with cooperation from our faculties of various institutions, which include experienced, knowledgeable and caring mentors.

I assure to all Parents & Students that we will continue to strive hard to provide quality education to the youth and live through the processes and systems that are of global standards.

Lastly, I congratulate you for having chosen Dr. D. Y. Patil Vidyapeeth, Pune to pursue and attain your future dreams and professional objectives in the area of health sciences and wish to extend my heartiest welcome on behalf of the entire Vidyapeeth fraternity. I wish you all the best.

Dr. N. J. Pawar
Vice Chancellor

Executive Director and Trustee

Dear Students,

'Education is the most powerful Weapon which you can use to change the world'

– Dr. A. P. J. Abdul Kalam

In the wake of unprecedented Covid 19, education today has undergone tremendous change. Physical barriers have dismantled and technology has made it possible to teach from 'anytime anywhere'. Education means to go beyond the degrees and continue to achieve and innovate by acquiring knowledge.

GBSRC, established in 2006, imparts management education for aspiring leaders. 'Being students for life' is our guiding motto. We are dedicated to the mission of nurturing management professionals who remain lifelong learners. We are continuously evolving with our teaching pedagogy and student engagement to ensure conducive learning environment. The MBA programme is designed to meet the industry requirements. Students have the flexibility to "learn what they love to learn" as we offer Choice Based Credit System (CBCS).

A business will evolve so will the business education. Education will evolve, so will the education techniques and methods. The techniques will evolve and so is the need for an individual to up skill themselves. At GBSRC we are confident to up skill students and make them industry ready.

I wish you all the very best and look forward to meeting you in campus.

Dr. D. Y. Patil Vidyapeeth, Pune

Dr. D. Y. Patil Vidyapeeth, Pune was established in 2003. It is situated in Pimpri, in the city of Pune.

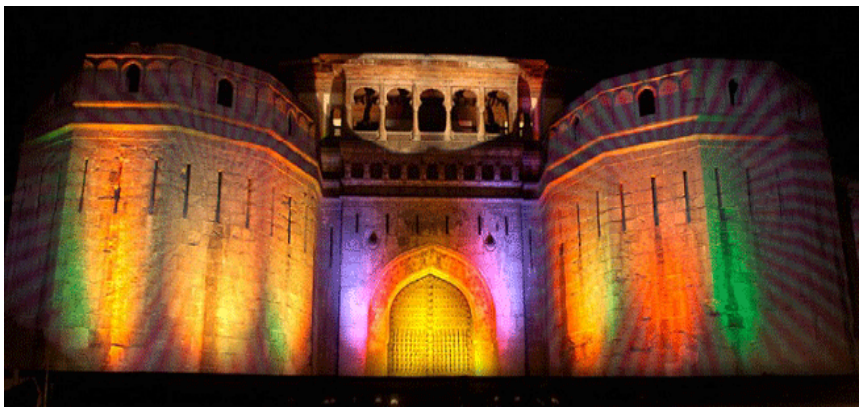

The city is steeped in cultural, educational and political history. Pune was the cultural capital of the Marathas and rightly it has earned the sobriquet as the 'Queen of the Deccan'. It is situated at the height of 575 meters above the sea level, on the Deccan plateau in the Sahyadri ranges. The city is surrounded by verdant hills and the pristine lakes. Due to the picturesque setting of the city coupled with its salubrious climate, it has become a home for many after their retirement! That is why the city is also known as the 'Pensioner's Paradise.'

The city has a rich legacy in education. It is called the "Oxford of the East," as it has the highest number of Colleges and Universities compared to any other city in India. About 25,000 foreign students from over 99 countries are pursuing their education in Pune.

It has a large number of reputed educational and research institutes, such as Savitribai Phule Pune University, Pune, Deccan College, College of Military Engineering (CME), Armed Forces Medical College (AFMC), Bhandarkar Oriental Research Institute, National Chemical Laboratory (NCL), National Defence Academy (NDA) National Center for Cell science (NCCS), National Institute of Virology (NIV), National AIDS Research Institute (NARI) and Information Technology park at Hinjewadi, etc.

Dr. D. Y. Patil Vidyapeeth, Pune is located at a distance of 13 km. from the Pune Railway Station and the Airport. The city is well connected to Mumbai and the entire country through rail, air and by roads. The city also has an International airport!

The Infrastructure

Computer Lab:

GBSRC has been a strong believer in modern technology. Hence it houses Computer laboratory with the latest hardware & software packages, with high end PC network and twenty four hours broadband internet connectivity

Library:

The Institute has a spacious library with more than thirteen thousand books & dozens of periodicals including the latest publications in Management, International Business, Information Technology, E-commerce, etc. which always benefit the students. Silence is the key word here; hence students can concentrate fully on studies.

Seminar Hall:

GBSRC has a well-equipped seminar hall. It is acoustically and aesthetically well-designed and fitted with in-built Audio, LCD and Video Systems conducive for effective learning. It is best suited for guest lectures, seminars, workshops, symposia, etc.

Board Room:

GBSRC has a uniquely designed Board Room. The sitting arrangement has been done in a circular shape. Important meetings, debates, group discussions are organized here.

Spacious Lecture Rooms:

A classroom is the place where students and teachers interact with each other. The Institute has taken every care to provide comfort to its students. GBSRC has spacious, well-illuminated, ventilated and elegantly designed lecture halls. These lecture rooms are well- equipped to make use of the modern technology in the best possible ways.

Cafeteria:

The Institute has a Cafeteria, which is uniquely designed. Cleanliness and hygiene are given immense importance here. Canteen authorities always make it a point to provide the best quality food to the students. Students relish on some delicious dishes ,here, while having a chat with their friends.

Hostel:

GBSRC provides hostel facility to girl students within its campus itself. The hostel is nothing but "a home away from home for the girls" & is also safeguarded by the warden & security guards round the clock.
Hostel accommodation to boys students are is also available on demand at University Campus.

Co-Curricular & Extra-Curricular Activities

Communication Workshop:

Effective Communication has become the keyword these days. Hence, the Institute organizes a lot of workshops on communication skills to make the students fully aware of effective public speaking, presentation skills, writing skills, debates, and group discussions.

Industry Interface:

The Institute remains in continuous touch with the industry for overall development of the management students. The students are made to interact with the corporate world at frequent intervals so that they can imbibe corporate culture and norms followed over there.

Industry Visits:

As a part of Industry-Institute interaction programme, students and faculty members visit various industries, giving the students a clear insight about the expectations of the industry from the fresh management graduates.

Parakram:

GBSRC takes pride in organizing its prestigious annual management event- Parakram. It is an opportunity for the management students to show their managerial skills. There are seminars, sports, debates, quiz competitions & cultural programmes during this event.

Inter-collegiate Events:

GBSRC always encourages its students to participate in various inter collegiate events organized by different institutes in Pune.

Parent - Teacher Interaction:

It is a unique feature of our institute. Parents & teachers interact with each other regularly to ensure the well-being of the students. This is another step towards helping the students adjust to a new environment and plan for their careers properly.

General Awareness:

To keep students abreast with the current affairs, market news, and world economy business newspapers are made available to them. Important news items are analysed in class and doubts resolved. Students are encouraged to read the newspaper daily and make notes of major happenings round the world.

Co-Curricular & Extra-Curricular Activities

In order to achieve wholesome development of the students and to groom them for global careers, the Institute always encourages students to take part in various activities conducted on campus. These activities develop their skills and prepare them to stand firmly in the corporate world.

Induction Programme:

It is conducted every year to welcome MBA freshers. Faculty, together with senior students, make sure that the freshers are welcomed with warmth. Eminent personalities having corporate exposure interact with the students and share their experiences. The main intention behind organizing this programme is to get the students acquainted with the Institute campus, faculty & staff. Various management games and activities help the freshers to build their outlook towards management course.

Outdoor Management Activities:

Classroom teaching has always some limitations. Hence Outdoor activities are organized to break the monotony of the classroom. It not only rejuvenates students but inculcates some qualities into them like discipline, team-work etc. and GBSRC always makes it sure to organize such outdoor activities camp at least once a year.

Sports:

To build the stamina, sports are must. Keeping this intention in mind, GBSRC conducts some indoor as well as outdoor sports activities. In today's competitive age, to fulfill the responsibility of any difficult task assigned in corporates, one needs to be physically fit to actually achieve that.

Student Counseling:

Students admitted to the 1st year of MBA Programme are generally from different parts of our country and at the same time, from different streams. So to integrate them and to make them feel comfortable, GBSRC arranges counseling sessions for the students.

Personality Development Programme:

GBSRC strongly believes that one must be a good human being first, a complete professional next and finally a contributor to the society. And to follow this philosophy, various activities, workshops and seminars are conducted. The concepts like Time Management, Kaizen, Problem Solving methods, Creativity, Transactional Analysis, Team work, Business Etiquette, Leadership, Change management, Interview and Group Discussion Techniques are covered.

Yoga:

From ancient times, we have been practicing 'Yoga.' We, as Indians, should be proud of ourselves to have such heritage of 'Ayurveda' with us. In modern times also, to accept global challenges, one needs to be fit not only physically but also mentally. GBSRC organise Yoga Sessions' by Yoga experts.

International Conference:

MBA Programme

MBA is a AICTE approved 2 years full time career oriented Masters degree programme in management. The programme is spread over 4 semesters and the curriculum gets revised regularly in view of the evolving expectations of the industry.

The programme is completely application oriented and designed keeping in view the changing mindset of the learner.

The objectives of the MBA programme is to prepare students to opt for a career in various industries, domestically and globally. More specifically the programme would also help students to get equipped with right kind of knowledge, skills, and attitude which are essential ingredients for a management professional. Another salient feature of this MBA programme is that it offers single as well as dual specialisation. Lastly there is Summer Internship Program spread over two months in which a student has to undertake a project work in an industry preferably in the area of specialisation.

Choice Based Credit System (CBCS)

We offered Choice Based Credit System (CBCS) for the MBA programme at GBSRC, Which not only provides opportunities and channels to learn essential courses, but also allows students to explore extra paths of learning beyond core subjects for holistic growth.

The CBCS provides an opportunity for the students to choose courses from prescribed curriculum comprising of core, elective/minor or skill based courses. The courses can be evaluated by a Grading System, which is considered to be better than the conventional marking system. Thus a uniform Grading System has become a necessity in the entire Higher Education field in India. This will benefit the students to move across institutions within India and across countries. This uniform grading system will also enable the potential employers to assess the performance of the candidates.

Specializations Offered at GBSRC

Others specialisation like Operations and Supply Chain Management, Pharmaceutical Management, International Business Management, Business Analytic, Biotechnology and Bioinformatic Management and IT and Systems Management will be offered if as far as possible minimum number of students as per institute norms register / OPT for each specialisation.

In the last two batches, various companies from Manufacturing, FMCG/ Retail sector, IT, Consulting, Bio-technology, Pharmaceutical industry & Core Finance sectors visited the campus.

A committed team of specialists train & guide the students through intensive classroom demonstrations, mock group discussions & personal interviews. Students are grouped into various committees who assist the placement cell in evolving a broad policy framework & also to identify & design strategies to approach & invite different corporate groups & companies for campus interviews at our state of- the-art campus.

Pre-Placement Talk :

The Pre-Placement Talk offers the corporate world an opportunity to interact with the students and get to know their prospective recruits better both for the summer and final placements.

Organizations make presentation which are vital in providing the students with the information about the organization and career prospects in which typical students concerns like job description, selection criteria, industry culture, remuneration package, scope for growth and cross functional exposure are clarified.

Summer Internship Programme :

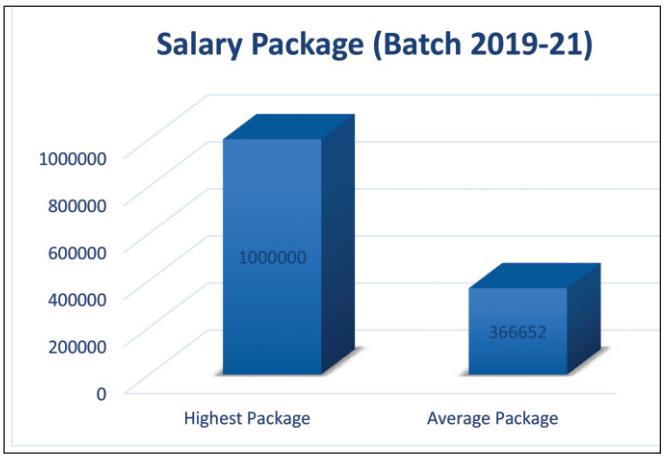

Summer Internship constitutes an integral part of the MBA program and is valued for its relevance in management education. Summer Internship is positioned between the first and second year of the MBA program.

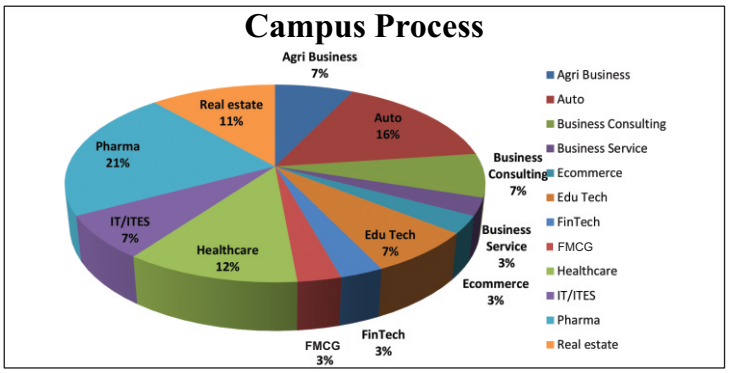

The Students are placed in different organizations for a period of 2 months on a specific assignment with their preferred areas of specialization.

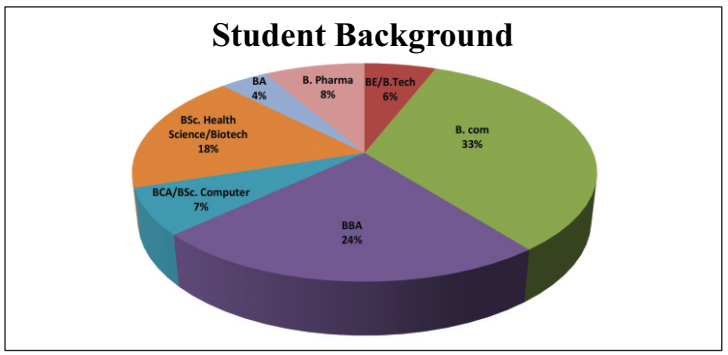

As a part of the assignment, students are required to submit the project report. The presentation, made by the students, to the organization and the faculty, forms the basis for the evaluation of the project work.

Final Placement Process:

Placement process commences from the month of September every academic year for MBA second year students. The industry has sought and utilized the intellectual capital of GBSRC by participating in the final placement process. The real proof of the quality and effectiveness of any Business School lies in the acceptance of its graduates in the industry. The budding managers are absorbed by the MNC's Indian Giants and Public Sector firms, from this Campus.
