UNIT-II

2. (a) Read the following passage carefully and answer the questions given at the end: [5]

Education is the best gift we can give to the uneducated. A material gift can give joy only for sometime, but education can change the whole life into a better direction. Education includes skills. Through it we can learn and teach several sets

of skills which will make our and other lives beautiful and easy. Through skills we can learn to make various kinds of tools and goods. These can make us financially richer because of their commercial value. Education makes us morally sensitive to other person's rights. It gives us lessons in all aspects of civic life. We become informed citizens through education. Education should be accessible to all people of society.

Questions :

(i) What is the best gift for the uneducated?

(ii) Which thing can turn life into a better direction?
