# MESSAGE

It gives me immense pleasure to welcome you to University of Rajasthan, the pioneering institute of higher education in Rajasthan that was established in 1947, the year India gained independence. The tradition of academic excellence was reinforced when the University was accorded the status of "University with Potential for Excellence" in 2011 by UGC, and accredited with A+ rating by NAAC. A number of grants received under the Rashtriya Uchchatar Shiksha Abhiyan (RUSA) are being used to further develop the infrastructure, strengthen research and initiate innovation. The University has entered into MoU with reputed foreign universities to facilitate academic exchange programmes and provide our students the opportunity of transnational exposure. A dedicated team of qualified faculty ensures excellence in academics and an efficient non-teaching staff caters to office related requirements. The inclusive and multicultural ethos of the institution is strengthened by the presence of students from different parts of Rajasthan, other States and abroad.

The University offers a wide range of courses keeping in view the aspirations of the students and contemporary job market. The Central Library provides round the clock access to e-journals along with a rich collection of literature pertaining to every field of study offered by the University, and more. The Placement Cell, Counseling Cell, Language Labs and Smart classrooms serve to reinforce student friendly and progressive environment. Hostels are there for students who are not residents of Jaipur. To ensure holistic development, due emphasis is laid on student participation in co curricular and cultural activities. Well equipped sports facilities and coaching is available for interested students. Over the years, our University has produced artists and sports persons of national and international repute.

Heritage building, picturesque backdrop of Aravalli hills, gardens and sports grounds enhance the ambience of University campus. Constituent Colleges with attractive independent campus and hostel facility play a significant role in contributing to the rich tradition of University of Rajasthan. The University promotes and upholds ethical value system and discipline. The vigilant Proctorial Board ensures decorum and congenial milieu within the campus. Immediate action is taken against Ragging and any other form of anti-social or illegal activity to safeguard the healthy atmosphere of academics and research.

The Prospectus and University website provide relevant information about the institution. Please feel free to visit the University website www.uniraj.ac.in and get in touch with the concerned College/Department for required details and guidance. As you undertake this academic journey, we will be there at every step facilitating and helping you achieve your goal.

I welcome you once again to the University of Rajasthan and wish you success in all your future endeavors.

## UNIVERSITY OF RAJASTHAN: At A GLANCE

The University of Rajasthan holds the distinction of being the oldest Institution of higher learning in Rajasthan. It was established as Rajputana University on 8 of January, 1947 and recognized from the time of its inception under sections 2f and 12B of UGC Act.

The main objective of the University has been the creation and dissemination of knowledge. It caters to the aspirations for higher education of students of Rajasthan and from other parts of the country The location of the University is Urban and its Central Campus is spread over 338.14 acres. The satellite campus, comprising the Constituent Colleges, is spread over 138.21 acres. In the beginning the University's jurisdiction encompassed the entire state. In the year 1956, the Rajputana University was renamed as the University of Rajasthan, keeping intact its enveloping jurisdiction. With the creation of other Universities, its affiliating jurisdiction was modified in geographical terms. However it has today UG and PG Colleges affiliated to it. The University is still the hub of Higher Education in Rajasthan and attracts students from all over Rajasthan and other parts of India and also from abroad. The University believes that in its journey of seven decades, it has brought about a transformation in Higher Education in Rajasthan and the country at large. Some of the distinctive features of the University are as follows:

★ 9 Faculties, 35 Departments and 18 Research Centers.

★ Now the Jurisdiction of the University has reduced to Jaipur and Dausa Districts. Earlier 1139 affiliating Colleges were spread in seven districts of Rajasthan. At present University has 534 affiliated colleges.

★ Four out of the six constituent Colleges have been accorded College with Potential Excellence (CPE) status.

★ Four PG Departments (Physics, Chemistry, Zoology, Philosophy) have been awarded UGC Centre for Advanced Studies status. Department of Physics and Economics have completed DSA Programmes and five Departments (Botany, Geology, Mathematics, Sociology and Home Science) are running DRS programmes.

★ Seven of the Science Departments are running DST-FIST programmes.

★ Faculty members receive research grant through research projects sanctioned by different agencies like UGC, DST, BRNS, CSIR, ICMR, ICSSR, ICHR and ICAR.

★ A large number of Research Papers and books are being published by the Faculty members regularly.

★ During last three years 7 international and 17 national conferences were organized by different departments. In addition to these 44 national seminars 4 international seminars One summer school, one national symposium and 45 workshops were also organized by different departments. Large number of participants and experts attended these conferences / seminars / workshops.

★ Faculty participates in prestigious International Collaborations such as large Hadron Collider at CERN (Geneva), nuclear reactor at Dubna (Russia), Synchrotron radiation sources in Italy and Chicago, nono-particle based drug delivery research in Roswell Park Cancer Institute, State University of New York, Buffalo etc. Former Prime Minister Dr. Manmohan Singh gave recognition to this fact in his address at the 91st Indian National Science Congress in Bhubaneswar, in which he said "The University of Rajasthan leads among the top.

★ The University has been accredited with Grade A by the National Assessment and Accreditation Council (an autonomous Institution of the University Grants Commission) on March 17, 2016.

**Global Demand**

★ Offering globally relevant PG and research courses. e.g. Computer Science, Management, Biotechnology, Microbiology, Converging Technologies, Social Sciences, Women's Studies, Arts, Geo-Informatics, Mineral Processing, Instrumentation Technology, Material Science, Pharmaceutical Chemistry, Journalism etc.
★ Provision for training and development on practical skills and human resource skills leading to global competencies.

The University aims to impart higher education with quality and social relevance. It provides academic and research facilities in various streams to the students studying in University Departments, Constituent Colleges and Affiliated Colleges/ Institutions. The University offers 46 Ph.D. Programmes, 25 M. Phil Programmes, 51 Masters degree programmes, and 18 Bachelors degree programmes. Besides focusing on dissemination of knowledge and search for excellence in teaching and research, the University prepares the students as good future citizens and endeavors to inculcate amongst them a sense of discipline and dedication. The University is transforming its curricular activities keeping in view the recent trends of development.

The University generates cost effective resources to achieve financial self-sufficiency. Self financing courses are offered both at U.G. and P.G. level. Being both teaching and affiliating University, it ensures equitable distribution of facilities for higher education in different parts of the state under its jurisdiction.

The University encourages its teachers to undertake research activities and gives financial support to attend seminars and workshops. Financial grants are also given for organizing conferences. Interdisciplinary approach and collaborative research are being encouraged to achieve excellence in education.

## Teaching Units

The University of Rajasthan consists of the following components:

(a) Constituent Colleges
(b) Post-graduate Teaching Departments / Centres
(c) Research Centres

**(a) Constituent Colleges**

Undergraduate teaching is imparted in seven constituent colleges of the University, while the teaching faculty appointed in the University Post Graduate Departments:

(i) University Commerce College (Commerce Faculty)
(ii) University Law College (Law Faculty)
(iii) University Law College II (Law Faculty Evening College)
(iv) University Maharani College (Multi-Faculty College for Women)
(v) University Maharaja College (Science Faculty)
(vi) University Rajasthan College (Arts and Social Sciences)

Looking to the needs and demands of students, the University started courses at Rajasthan College, Maharani, Maharaja and Commerce Colleges on self-financing basis.

All the constituent colleges provide library and sports facilities and motivate the students to join NCC and NSS programmes. Besides this, colleges also organize seminars, workshops, lectures and panel discussions to strengthen academics.

**(b) P.G. Departments**

Faculties of Arts, Science, Social Science, Commerce, Law, Management, Fine Arts, Education and Engineerring & Technology are running PG programmes. Except in some SFS programmes, Admission to the P.G. Courses are based on entrance tests or on merit basis. Some of the P.G. Departments also run need-based self-financing courses. Eminent scholars have been the faculty in this university including Professors Raja Chelliah, Raj Krishna, L.S. Ramaswami, C.V. Subramaniam, M.V. Mathur, P.N. Srivastava, R.K. Kaul, R.C. Mehrotra, Yogendra Singh, G. Ranganathan, Satish Chandra, Dayakrishna, Om Prakash, Iqbal Narain, G.C. Pande, B.L.Saraf, S.Loknathan, S.P.Verma, C.P.Bhambhri, V.R.Mehta, Y.K.Alagh, C.Rangarajan etc.

Research support and Special Assistance have been made available to many departments by the UGC. Several departments are actively engaged in innovative research, and have been recognized for the FIST, COSIST, CAS, SAP-DRS-I, II & III and DST DAAD programmes of the University Grants Commission. The research done by the faculty members have been reflected in publications of articles in peer-reviewed journals. Some teachers have been honoured with international and national awards and citations.

Depending upon the disciplinary advancement, needs of the students and the demands of society, syllabi have been upgraded time to time. The process of globalization has also prompted formulation of new courses which may go a long way in providing jobs to the students. Some of the courses started in recent times are as follows:

**Post-Graduate Courses:**

(i) Biotechnology
(ii) Microbiology
(iii) Information Technology
(iv) Journalism & Mass Communication
(v) Finance Control
(vi) Management
(vii) International Business
(viii) Environmental Science
(ix) European Studies

**The Under-Graduate Courses:**

(ii) Business Administration
(iii) Fine Arts
(iv) Music
(v) Library & Information Science
(vi) Physical Education

**The Five Year Integrated Courses:**

(i) Dual Degree B.Tech-M.Tech in Converging Technologies
(ii) B.A. LL.B. Hons.

**(c) Research Centres**

The University also provides opportunities to the deserving students and teachers to undertake research in the fields of their specialization. For this purpose, Research Centers have been established. These research Centres have strengthened research, and some of them offer M. Phil Programmes of study. The following Centres are in existence:

1. Centre for Jain Studies
2. Centre for Converging Technologies
3. Centre for Computer Science & Information Technologies
4. Centre for Development of Physics Education
5. Centre for Non-Conventional Energy Resources
6. Indira Gandhi Centre for Human Ecology, Environmental and Population Studies
7. Shri Guru Gobind Singh Chair for National Integration and Sikh Studies
8. Centre for Ambedkar Studies
9. Centre for Life Long Learning
10. Centre for Museology and Conservation

**University Science and Instrumentation Centre**

University Science and Instrumentation Centre (USIC) has endowed with advanced instruments as central facility like SQUID, SEM, TEM etc. catering to the need of University Science departments for research. These facilities information is available on uniraj.ac.in/usic/. The facility can also be accessed by other academic institution as per UOR rules and details are available on university website. Besides the above, mechanical (Lathe machines, Milling Machines etc.), glass blowing, electronics, welding, and gas filling are also available to those trained in and can do on their own.

**Infonet Centre**

Infonet Centre maintains university website (www.uniraj.ac.in ) and Web servers. The website information is updated by this Infonet Centre according to the request of the respective Academic unit, Administrative unit. Infonet Center caters Optical fiber Network in the University Campus. This connects all academic units, administrative offices, Guest House by using distribution switches and Access Switches. This Network is also supported by Optical Fiber backbone. This acts as an Internet gateway for the campus-wide university network. The campus-wide University network consists of state of the art networking equipment capable of providing high bandwidth with 1 Gbps fiber backbones at distribution level to provide connectivity to all Faculties, Departments and Centres. The National Knowledge Network (NKN) Govt. of India project Point of Presence (PoP) is commissioned in the Infonet Centre through which University students and staff are interconnected through Internet with up to 1 Gbps connectivity for resource sharing with all major educational and research institutions across the country.

**University Printing Press**

The University has it's own Printing Press, established 1962. It looks after the publication needs of the University, Departments, Colleges and University administration.

**Administrative Service Pre-Entry Training Centre (APTC)**

The Centre was set up by the University in 1978 and it has been given the status of an Independent Centre in 1999. The Centre has been organizing several pre-entry training courses for Indian Civil Services and Rajasthan Administrative and Sub-ordinate Services for over four decades on **Self-financing basis.**

The Centre is providing coaching for RAS, ICS, RJS, NET/SLET, Bank P.O., Spoken English, School Lecturer Grade-I, Junior Accountant and other competitive examinations. This Centre invites eminent academicians, bureaucrats, and experts in the respective fields, who impart incisive training to the students aspiring for various competitive examinations.

The Centre imparts rigorous training for competition examinations. The past performance in terms of selection of the students enrolled in this Centre has been very good as almost 1/3 of such students have been getting selected in the competitive examinations. The UPSC & RPSC results have rated the University of Rajasthan among top institutions, where from the candidates are selected.

## Academic Commitments of the University

- ★ National and International Seminars, Lectures and Workshops are organized regularly and faculty members are given all possible financial and academic support to participate in such events at National and International levels. Eminent scholars are also invited to the University as visiting faculty.
- ★ Statutory bodies like the Senate, the Syndicate, the Academic Council, the Faculties, the Research Board, the Boards of Studies and the Board of Inspectors are regular in their meetings and vibrant and vigilant in their deliberations.
- ★ The University examination system is fully computerised.
- ★ To provide financial assistance to the needy students, a University Corpus Fund has been created.
- ★ To ameliorate the grievance of every strata of University Community, a standing mechanism has been evolved wherein three separate Grievance Committees function on a continuous basis.
- ★ The University of Rajasthan has been striving with fullest commitment to uphold the Hand Book and to sincerely implement the rules and regulations provided therein.

## International Cooperation Cell

International Cooperation Cell established in 2007, works to facilitate cooperation between University of Rajasthan and International universities. It coordinates, negotiates and partners with International Universities to develop exchange programmes for faculty and students. From 2007 onwards, 57mobilities of students and Faculty have taken place. Out of these, 21 students and 08 faculty members have come from foreign Universities to the University of Rajasthan and 26students and 02 Faculty members have gone from University of Rajasthan toPaul Valery Montpellier-III, France; Jean Moulin Lyon-III,France; University of Montreal, Quebec, Canada, and Novosibirsk State Technical University, Russia.

In the last academic year, one student from ELLCS department is pursuing her one semester as exchange student in Jean Moulin Lyon 3, Lyon, France. ## DETAILED INFORMATION ABOUT ADMISSION IN POST GRADUATE PROGRAMMES

Due to COVID-19 Pandemic for admission to post graduate programmes, the candidates will be required to submit the online Application Form for Post Graduate Courses 2021-22 for which a separate notification will be issued by the University.

1. For students seeking admission to a second or subsequent post-graduate course, 60% marks in the aggregate at the qualifying Bachelor's degree examination or at the P.G. examination already passed by the candidate are required.
2. **Calculation of Merit :**
   (a) For calculating the merit of a candidate for admission to M.A./M.Sc./M.Com. courses, the merit list will be prepared by adding the marks obtained by him/her at the qualifying examination(Bachelor's Degree examination) to the marks obtained by him during the 3 year examination in the subject concerned in which he/she seeks admission to his/her post graduation course. This grand total will be converted into percentage.
   (b) For subjects where admission is by an entrance test, the merit list will be prepared in accordance with the rules approved for that test.
   (c) For Honours students, the percentage of marks obtained at the B.A./B.Sc./ B.Com. Honours Examination as a whole taking into account the marks obtained in the Honours subject as well as the subsidiary subject(s) will be taken into consideration.
   (d) 5% Weightage shall be given to the B.A., B.Sc., and B.Com. students seeking admission to the P.G. Course in their Honours subject. [This weightage will not be admissible to the students passing B.Sc., B.Ed., (Hons.) Examination].

3. Non-Subject Candidates who want to do their post-graduation in the subject which was not studied by them at their Bachelor's degree examination will be considered for admission provided (i) they have obtained at least 55% marks at the Bachelor's degree examination and (ii) the percentage of marks obtained by them at the Bachelor's degree examination is not less than that obtained by the last candidate admitted. The Department may, if necessary, conduct a qualifying test for such non-subject candidates. The merit list of the candidates, who qualify, will be prepared on the basis of their marks in the aggregate at the first degree examination.

For admission to M.A.(I Sem.) English, all nonsubject candidates will have to pass a Test of Proficiency in English before they can be considered for admission.

The number of non-subject students will not exceed 20% of the total strength admitted unless the students with a first degree in the subject concerned are not available.

Note:

i. Candidates with their first Bachelor's Degree in Commerce and Agriculture seeking admission to Post-graduate classes in Economics or Statistics will be considered as candidates of other subject.
ii. In the case of candidates possessing LL.B. degree of two or three year course and seeking admission to a Post-graduate Course, the percentage of marks of their first degree examination passed by them before joining the LL.B. course will be considered.
iii. For admission to M.A. Previous Anthropology a candidate having a Bachelor's Degree with 48% marks in the aggregate will be deemed eligible for admission.
iv. All B.A./ B.Sc. graduates are eligible for admission to M.A./M.Sc. Previous Psychology as non-subject candidates provided they have obtained 55% marks in their Bachelor's Degree Examination. However, the number of students from faculties other than Social Sciences will not exceed 20% of the total number of seats for admission.

In case of the Departments where a sufficient number of students with a Bachelor's Degree in that subject are not available, the above rules shall not apply provided that the candidate fulfils the minimum eligibility requirements as given in para 1 above.

## Students' Entitlement

**Guidelines for Students' Entitlement as per UGC Letter D.O. No.14-32/2011(CPP-II) Dated 25-04-2013**

These guidelines have been issued by the University Grants Commission (UGC) in order to help students, teachers, administrators and institutions understand what the minimum entitlements of the students are. These guidelines apply to all the colleges and universities in the country (this expression includes every institutions of higher education even if it is not called college/university) without any exception. It shall be mandatory for every college/university to publish the present Guidelines in full in its Prospectus and also post it on the homepage of its website. Fulfillment of these entitlements imposes obligations on educational institutions, administrators, policy makers, teachers and students themselves. If these obligations are not met, a student can approach the Grievance Redressal Authority or the Ombudsman. Any serious or persistent violation of these Guidelines can be brought to the notice of the University Grants Commission and can be the basis of punitive action against the offender. Some of the provisions stated here are already covered by existing laws or Rules and Regulations of the UGC. But the students shall continue to enjoy all the right under existing laws, rules and regulations which may not have been mentioned in these Guidelines.

**1. Admission**

1.1. An announcement or advertisement for any course of study must clearly specify whether the degree granted is notified by the UGC and other relevant statutory authorities [Under Section 22 c of the UGC Act, latest list available at the UGC website] and whether the university that awards the degree figures in the list of universities maintained by the UGC [available at the UGC website].

1.2. A student seeking admission is entitled to a document (usually called 'Prospectus') that specifies the curricula including syllabi, names and academic profile and status of the faculty, mode and frequency of evaluation, duration of the course, academic calendar, comprehensive information about fees or charges of any kind, and refund rules. The information given in the prospectus should not be changed to the disadvantage of the student during the course of study; any change if necessary must be communicated to each student individually spelling out reasons for such a change.

1.3. The Prospectus must spell out exactly the process and criteria for admissions. This includes weightage given to previous academic performance, entrance examination and interview. The syllabi and format of the entrance examination must be spelt out. The final scores of each candidate who appeared for entrance examination including all the components and the entire waiting list must be made public.

1.4. Information about any reservations or quota for any category, the eligibility criteria for these reservations/quotas, certificate required for seeking admission under these must be stated clearly in the Prospectus.

1.5. The student must not be asked to produce documents which have not been mentioned in the Prospectus. While the institution can ask the student to produce the original documents (such as School Leaving Certificate, Marksheet, Caste certificate) for verification, they cannot retain any original documents of any students. [As notified by UGC on 23rd April 2007, F. No. 1-3/2007 (CPP II)]

**2. Quality of teaching and learning**

2.1. It is the responsibility of the college/university to help the students develop their learning skills by facilitating the creation of learner centric environment conducive for quality education. The students are entitled to receiving instruction and reading material in all the languages allowed by the institution as medium of instruction or examination.

2.2. The students who begin with a difficulty due to social handicap or a shift in the medium of instruction are entitled to special support to bridge the gap.

2.3. The students are entitled to availability and presence of qualified teacher, fulfillment of the specified number of teaching days and contact hours for each course and completion of syllabus on time. [UGC Regulations on Minimum Qualification of Teachers... 2010]

2.4. The students are entitled to reasonable access to facilities, services and resources including library (that stocks textbooks, reference books, journals, e-resources), laboratories, and ICT facilities in the languages permitted as medium of instruction or examination.

2.5. The students are entitled to a copy of their answer scripts after the declaration of results.

2.6. The students are entitled to timely conduct of examination and declaration of results as specified in the academic calendar in the Prospectus. They shall be entitled to the award of degree within 180 days of the declaration of results.

2.7. The students are entitled to give regular feedback on the quality of teaching, students services and institutional infrastructure. The college/university shall establish mechanisms for seeking this feedback regularly and taking student feedback into account for review and improvement.

**3. Fee and financial aid**

3.1. The students are entitled to prior and full information about amount, components, frequency and mode of any kind of payment including fees or charges of any other kind and refund rules. If a student withdraws before the beginning of the course, the student should be

refunded the entire fee given to it with a maximum deduction of Rs. 1000. [As notified by UGC on 23rd April 2007, F. No. 1-3/2007 (CPP II)]

3.2. A college/university will make utmost effort to ensure that no student is deprived of opportunities of quality education for lack of sufficient financial resources. It is the responsibility of the policy makers to ensure that sufficient funds are made available to implement this principle. The Prospectus shall contain consolidated information about scholarship/fellowship/financial aid scheme of any type that that is available to the students. It shall bring to notice and assist the students in accessing such schemes. It shall ensure that the procedure for selection is fair and transparent.

**4. Infrastructure**

4.1. The students are entitled to access to appropriate resources including classrooms, libraries, laboratories and other academic facilities necessary for quality education. [UGC rules and regulations for fitness of universities and colleges for Grants under section 12 B of the UGC Act 1956, Private University Regulation, Deemed University Regulation].

4.2. The students are entitled to reasonable access to sports and recreation facilities, avenues for literary, aesthetic and other extra-curricular pursuits.

4.3. The student are entitled to reasonable attention to medical and heath requirements including free and periodic health check-up and treatment/ hospitalization in case of medical emergencies.

4.4. The students are entitled to a reasonable access to adequate, clean and hygienic hostel/residence accommodation that provides basic amenities including recreational facilities. Such accommodation should be affordable and must not be utilized by the institution for profit making. Accommodation meant for students must not be encroached upon by the institution for any other purpose.

4.5. Student with disability are entitled to access to all schemes, facilities and services in the university without discrimination. The college/university shall strive towards a universal design of learning based curriculum that can address the needs of the broadest possible range of students by minimizing barriers and maximizing learning for all students. The college/university shall provide barrier free access, special library resources (including Braille and ICT resources], provisions for sign language interpreter/transcriber, the required equipments and electronic resources and the required relaxation in examination to all students with disability. [Person with Disabilities (Equal Opportunity, Protection of Rights and Full Participation) Act, 1995; UGC D.O.No.F-6-1/2006(CPPII), F.No.6-1/2012(SCT)]

5. The students are entitled to non-discriminatory treatment (in the sense of absence of harassment, victimization or exclusion) in every aspect of institutional functioning. Any discrimination based on caste, gender, creed, colour, race, religion, place of birth, political conviction, language and disability shall be prohibited.

5.1. In particular, institutions shall not discriminate against students belonging to Scheduled Caste and Scheduled Tribes and racial profiling of students from any region or ethnic group. [UGC (Promotion of Equity in Higher Educational Institutions) Regulations, 2012]

5.2. The students are entitled to protection from sexual harassment by complaining to the Gender Sensitization Committees against Sexual Harassment. It is mandatory for each college/university to constitute and publicize this committee as per the Guidelines and norms laid down by the Hon'ble Supreme Court [Vishaka and Others Vs. State of Rajasthan and Others(JT 1997 (7) SC 384)]

5.3. All students are entitled to protection from ragging in any form [UGC (Curbing the Menace of Ragging) Regulation, 2009]

6. As democratic citizens, the students are entitled to freedom of thought and expression within and outside their institution. The college/university must allow space for free exchange of ideas and public debate so as to foster a culture of critical reasoning and questioning. College/university authorities must not impose unreasonable, partisan or arbitrary restrictions on organizing seminars, lecture and debates that do not otherwise violate any law.

7. The students are entitled to forming associations and unions, directly electing their representatives to Students Unions and having their representatives on the college/university decision making bodies including internal quality assessment, grievance committees, Gender Sensitization Committees against Sexual Harassment and the Academic/Executive council. University/colleges shall evolve mechanisms for adequate consultations with students' representatives before taking any major decision affecting the students.

8. The students are entitled to full and correct information about any institution of higher education in which they study or propose to study. Therefore, every college/university must disclose the following information on its website and Prospectus: status of the institution, its affiliation, accreditation rating, physical assets and amenities, membership of governing bodies and minutes of the meetings of bodies like Academic/Executive council, sources of income and the financial situation and any other information about its functioning necessary for a student to make a fully informed choice. [Section 4 (1) of Right to Information Act 2005].

9. The students are entitled to redressal of their grievance by the Grievance Redressal Committee of the institution within 10 days of making a representation. If they are not satisfied, they are also entitled to an appeal to the Ombudsman of the University concerned for redressal within 30 days. [UGC (Grievance Redressal) Regulations, 2012]

10. The UGC may issue instructions for proper implementation of these Guidelines.

# DEAN, STUDENTS' WELFARE & INTERNATIONAL STUDENTS' ADVISOR

**Introduction**

The office of the Dean, Students' Welfare & International Students' Advisor (DSW & ISA) helps the University students in the overall development. This office provides career counselling for the students to enable them to choose academic fields of their interest.

This office also monitors the 'Students' Group Insurance Scheme' for regular students of this University. Out of the Students Welfare Fund of the University, the office facilitates the University in providing "One time financial assistance" who belong to economically weaker sections with higher academic grades.

Under the administrative supervision of the DSW, there is Rajasthan University Students' Union (RUSU) which consists of four office bearers namely President, Vice-President, General Secretary and Joint Secretary who are elected directly by the regular UG and PG students of the University. One research scholars' representative is elected by the regular M.Phil and Ph.D. students.

The Dean Students' Welfare and the RUSU collectively organize numerous cultural and academic activities. Inter-College Youth Festival is organized in the month of September/October every year. This competition is among the Constituent Colleges, Departments, Centres of University and Affiliated Colleges. This helps the DSW to make a team for the International Youth Festival i.e. (Ghoomar) which is a prestigious cultural activity of our University.

Dr. Yash Jain

**About the Department**

On the auspicious occasion of Lord Mahaveer's 2500th Nirvan Mahotsava the Centre for Jain Studies was established in 1975 and a Chair founded for promoting research work in Jainism. The Centre has a missionary zeal to sponsor and promote research in Jain Studies and other aspects of Comparative Religions and Culture. With its longstanding and renowned status, the Centre is located in the Humanities Block, University of Rajasthan Campus, Jaipur.

At the time of establishment of the Centre the University had taken a decision that Jainology be treated more as an area of research and the main purpose for establishing the chair should be to encourage the study of Jain religion and ethics in the related departments i.e. Sanskrit, Hindi, Philosophy, Psychology, Sociology, Political Science, Public Administration and History, already existing in the University, and conduct and direct research in the field of Jainology.

In order to attract the diversified Jainological studies, the University also accommodated the study of source material, ideas, thoughts, literature and history of Jainism to be studied as special papers in the regular courses of the Department of the Sanskrit, Philosophy and History with the co-operation and guidance of the person occupying the chair in Jainology. In view of this decision the PG classes in Jain Studies are being taken with PG departments of History, Sanskrit and Philosophy of the University and the faculty of the Centre is associated with them ever since the establishment of the Centre.

It is one of the premier institutions of international repute for Jain Studies in India, engaged in research on various aspects of Jain Studies and Manuscriptology, committed for dissemination of knowledge on Prakrit, Apabharmsa language & Literature, Jain Philosophy & religion and Manuscriptology in a comparative, critical and historical perspective. The Centre awards every year various Fellowships and Scholarships.

It has so far organized more than 6 International, 10 regional and 30 National Seminars and held several extension Lecture-series, and published about 26 books on Jainology and Manuscriptology. It has its own Library and subscribes to a large number of Journals and Magazines, relevant to the Jain Studies and allied subjects.during the pandemic, an international webinar on "Anekantvad: The soul of Jain Metaphysics" was organized on 23rd March 2021 which was attended by more than 150 scholars from different part of the world.

Seminars, group discussions and special lectures are organised from time to time in the Department. Department has got two Project under RUSA 2.0 Programme under Component: 10 Research Innovation & Quality Improvement of Rs. 19.75 Lacs & 20.20 Lacs.

## Centre for Entrepreneurship Development

**About the Centre**

The Centre for Entrepreneurship Development (CED) has been established to develop entrepreneurial skills among youth in Rajasthan. To achieve this goal the CED proposes to start academic programmes, organize seminars & faculty interactions and discussions. The centre will also organize entrepreneurship camps, training programmes, EDPs/ FDPs and Short term courses for the benefit of students. The centre would be instrumental in creating and supporting an entrepreneurial climate in Rajasthan.

**Objectives**

To develop basic Understanding about Entrepreneurship
To develop basic Entrepreneurship Skills
To assist graduates for their own venture set-up
To boost start-ups

**Infrastructural Facilities**

The centre is presently working in the P.G. School of Commerce and Department of Business Administration, University of Rajasthan, Jaipur. The Department has its own seminar hall, Internet and LCD projector facilities. The centre would be shifted in a well-furnished and fully equipped building in near future.

**Director**

Sharma, Anurag

**Programmes**

1. Certificate in Entrepreneurship
   Seats : 50 (SFS) , Duration : 6 Months
2. Diploma in Entrepreneurship
   Seats : 50 (SFS) , Duration : Two Semesters (1 Year)
   **Eligibility**: Graduation
   **Procedure for Admission**: Percentage in Graduation + Interview
   **Fee**: Rs. 15,000 per Semester

## Department of Economic Administration & Financial Management

**About the Department**

The Department started functioning in the year 1969 as a strong and pioneering centre for studies in Economic Administration and Financial Management.

**Infrastructural Facilities**

The Department has a support system of Computers, Photostat Machine, Internet, LCD Projector which are accessible both to the teachers and students. The Department also has a well-maintained library for post graduate students. Several academic journals of repute and newspapers are also being subscribed in the Department.

**Ph.D. Programme**

- The department organizes seminar to give exposure to the students along with training part.
- Research scholars of the subject have availed research scholarship

## Department of Library & Information Science

**About the Department**

The Department was established in the year 1960. It is the oldest Department of Library & Information Science in the state of Rajasthan and one of the few in the country to have started Masters' and Doctoral Degree programmes. It started Masters' and Doctoral degree programmes in the subject as early as 1974 and 1975 respectively. The Department has already produced more than 60 Ph.Ds and many students are pursuing the research degree. A Number of ex-students of this department are serving in senior positions in the country and abroad in premier and prestigious institutions. In view of the changing scenario due to rapid development in ICT, the syllabi for both MLIS & BLIS have been revised to include ICT based curriculum as per U.G.C. model.

**Infrastructural Facilities**

The Department has a well equipped modern ICT laboratory, with state-of-the-art facilities.

## Department of Life Long Learning

**(Formerly Deptt. of Adult and Continuing Education)**

**Director**

Singh, Jayant

Lifelong education is the cherished goal of an ideal educational process. In a technology-driven, knowledge-based competitive economy, the landscape of learning is changing. Keeping in view the socio-economic changes taking place in the country, the acquisition of relevant skills and regular upgrading of skills implies the need for creating a variety of training and learning opportunities. The Department of Lifelong Learning (DLL), University of Rajasthan, caters to this critical development issue of continuous development of quality and quantity human resources and up-gradation of skills.

The responsibility of the University to discharge its responsibilities adequately to the entire education system and the society as a whole has been assumed by the Department of Lifelong Learning in the manifestation of extension activities for various target groups ranging from illiterates, semi-literate to experts, professionals, and elite groups.

With the purported aim of expanding the frontiers of knowledge and extending the institutional resources to the community, DLL conducts short-term training courses, workshops, seminars, summer schools, capacity building, skill development programs, etc., throughout the year. The department organizes need-based, flexible programs, catering to the diverse needs of small and large segments of people.

DLL has successfully reached out to large sections of society, especially the marginalized and disadvantaged, through varied interventions and capacity enhancement endeavours. It has been instrumental in conducting sensitization and awareness programs regarding universal literacy, gender justice, etc. As per the directions by the Governor under the Mission Antyodaya, the department has adopted a village - Siroli (Tehsil- Sanganer) and two another villages- Sewapura & Tatiyawas (Tehsil- Amer) under Smart Village Scheme, to extend its services towards the upliftment of society on behalf of UOR. The department has been successful in organizing and implementing various programs to bring these sections into the mainstream.

HIV/AIDS, environment conservation, e-learning, sanitation, entrepreneurship development, etc. Special thrust remains on capacity building, leadership skills, personality development, stress management, career counselling, and guidance program for youth. DLL also develops teaching-learning, instructional, training, and promotional material to provide academic/technical support to different programs. DLL has engaged in conducting English language teaching classes in rural areas, government schools, and urban slums for the needy and poor and e-learning for senior citizens and deprived sections of society. Collaboration and support for various activities and programs are solicited from university departments, colleges, NGOs, and resource centres of the National Literacy Mission Authority.

The aims and objectives of the department are to promote a meaningful, sustained and stimulating relationship between the University and the community. The impetus is to provide opportunities for a learning society, facilitate people's overall development, and meaningfully help improve the overall quality of life.

## Department of Physical Education

The Department was established in 1947 with its Physical Education programme including Courses like Bachelor of Physical Education (B.P.Ed.) from 1994-95 and Master of Physical Education (M.P.Ed.) from 1995-96. The Department intruduced Yoga Certificate & Yoga Diploma Courses in the Session 2003-04. M.Phil in Physical Education was introduced in 2007-08. The Department has ample facilities for research work, enabling the post graduates to pursue their Ph.D. in Physical Education. Till date 78 Students have been awarded Ph.D. in Physical Education.

## Centre for Converging Technologies

**Convergence an adumbration**

"***Converging technologies*** for improving human performance" (M.C. Roco and W.S. Bainbridge)

Humans have been trying to bargain existential risks. The science of converging technologies will reinvent every aspect of human lives, taking humanity into uncharted territories and reimagining the world as they know it.

The expression ***converging technologies*** refers to the synergistic combination of four major "NBIC"(Nano-Bio-Info-Cogno) streams of science and technology, each of which is currently progressing as a pivot on its own: (a) nanoscience and nanotechnology; (b) biotechnology and biomedicine, including genetic engineering; (c) information technology, including advanced computing, IOT, AI and communications; and, (d) cognitive science, including cognitive neuroscience. Rapid advances in converging technologies have the potential to payoffs will include improving work efficiency and learning, enhancing individual sensory and cognitive capabilities, revolutionary changes in healthcare, improving both individual and group efficiency, highly effective communication techniques including brain to brain interaction, perfecting human-machine interfaces including neuromorphic engineering for industrial and personal use, enhancing human capabilities for defense purposes, reaching sustainable development using NBIC tools, and make better the physical and cognitive decline that is common to the aging mind.

**About the Centre:**

The Centre for Converging Technologies (CCT) at the University of Rajasthan is conceptualized as a centre to strengthen quality education and to pursue high standard research in the frontier areas of Nanotechnology, Biotechnology and Bioinformatics, Information & Communication Technology and Cognitive & Neuroscience (NBIC) technologies so as to accelerate techno-economic development of the country.

**The Centre is pursuing the following activities:**

- Creating and maintaining a critical mass of Converging Technologies research specialists who can effectively contribute to the need of the industry and society.
- Focusing on interdisciplinary research in areas like Nanotechnology, Bioinformatics, Biotechnology, Information and Communication Technology, Cognitive and Neuroscience.
- Founding a strong training and research base in academia to make an attractive international training ground for Converging Technologies; Generating, designing, and applying NBIC technologies in an innovative way.

- Developing laboratories and facilities to efficiently engineer and design new products.
- Promoting research in allied theoretical science, Systems Biology and Metabolomics.
- Encouraging post-doctoral students in Converging Technologies to boost the capacity for research.
- Imparting postgraduate education in Converging Technologies.
- Collaborating with Industry, National and International Institutes/Universities to augment NBIC research so as to accelerate techno-economic development.

**Infrastructure Facilities:**

The University has received financial support under Member of Parliament Local Area Development Scheme for creation of the centre on recommendations of Hon'ble Ex-Member of Parliament Late Shri R.P. Goenka. The first phase of Centre's new building has been completed in 2009. It has specifically been designed to meet the requirements of Converging Technologies research and education activities. It has fully networked, well-furnished, air-conditioned, dust and germ free research labs and class rooms. A State of the Art

research infrastructure is being created with assistance from various funding agencies and through public private partnership. The government of Rajasthan has announced in budget in 2011 (State Budget Announcement No. 155) a Rs. 13 Crore budgetary support to setup a "Centre of Excellence for Nanotechnologies" at Centre for Converging Technologies.

In 2014, under the Scheme "National Initiative for setting up of Design Innovation Centers", DIC Ministry of Human Resource Development, Government of India, has approved the establishment of DIC at Centre for Converging Technologies, University of Rajasthan. The DIC will receive a total financial support of Ten Crore rupees from Department of Higher Education, MHRD, GOI and has three spokes namely, Birla Institute of Scientific Research, Jaipur, RK Patni Govt. College Kishangarh, and Lachoo Memorial College of Science and Technology, Jodhpur.

In 2014, CCT was awarded a grant of 222 Lacs by Biotechnology Industry Research Assistant Council (BIRAC) to establish University Innovation Cluster in Biotechnology (UIC-B). This is a unique platform acting as the nodal center for budding student entrepreneurs and innovators with industry academia collaboration. The UIC-B has been upgraded to E-Yuva Centre (EYC) in 2021.

CCT has been selected as nodal centre for the DBT-supported IPLS programme under which a grant of Rs. 10 Crores has been sanctioned by Govt. of India. Sixteen students awarded fellowship under the programme. The phase 2 of CCT building construction has been completed with support under IPLS and from Centre's own fund as it runs under SFS. It was inaugurated by Hon'ble Chief Minister Shri Ashok Gehlot on 24th January, 2013. Research equipments have been housed at CCT under IPLS program too.

The Centre plans to collaborate with leading International Universities and Research Institutes to foster research in Converging Technologies. Students of CCT have received financial support under Student Project scheme of Department of Science and Technology, Government of Rajasthan. The centre has also achieved a distinction with a few students publishing papers in peer reviewed journals during master course. Students have undertaken training in X Semester at premiere research institutes like BARC, IISc, IITs, IIITs, CSIO, DRDO, NPL, NCL, NBRC, NIMHANS, INMAS, CEERI, SAMEER, DIAT, IGCAR, CGCRI. The students have undertaken training at R&D units of leading companies like Reliance Life Science, Reliance Textile, Shalimar Paints, ARCI. Several students have qualified NET, GATE, JEST and GRE.

**Ph.D. Programme:**

The primary aim of establishing the Centre for Converging Technologies (CCT) is to produce high quality research in the four streams of Nanotechnology, Biotechnology and Bioinformatics, Information and Communication Technology, Cognitive & Neuroscience. The research scholars are working mainly on the following areas. The admission will be through Uniraj- MPAT.

**Thrust Areas:**

a. Nanotechnology
b. Biotechnology and Bioinformatics
c. Information and Communication Technology
d. Cognitive and Neuroscience

**Master's Programme**

(1) **Ten Semesters (Five year) Integrated** Dual degree Master of Technology (M. Tech.) course in the four streams of Converging Technologies. The course is of non-affiliating nature and available on the campus only. The Course has been cited as "This new technology education program (of University of Rajasthan) may become a pattern for other universities" at the Portland International Conference on Management of Engineering and Technology 2007(PICMET-07), Portland, USA.

The Master's programme includes two years of common curriculum in all fields of basic science and engineering. The third year course involves training in all streams of converging technologies. The last two years of programme is fully customizable in specialized domains in the streams of converging technologies.

All courses of First to Fourth Semesters are assigned credits as General. On successful passing of all papers of First to Tenth Semesters the candidate will be awarded dual degree B. Tech. and M. Tech. in a particular stream of Converging Technologies. M. Tech. Degree will be awarded on the basis of performance in all ten semesters and in the stream in which he/she has obtained maximum credits. B. Tech. degree will be awarded on the basis of performance in first to eighth semesters and in the stream in which he/she has obtained maximum credits in these semesters. The training will include multidisciplinary perspective necessary for rapid progress of the new technologies and create a synergistic view for potential application in various areas of relevance.

Medium of Instruction and Examination is ENGLISH only.

The students of Centre for Converging Technologies enjoy an active campus life with several invited talks, seminars and interactive sessions by eminent experts. The annual cultural and sports event has been a very attractive feature providing a week long celebrations and opportunities to showcase talent.

**Fee: See SFS Fee Schedule (**Tuition fee for the session2021-22 will be around Rs. 46170 with Tuition fee: 40000, Caution Money (refundable): 3000, University fees: 1895 and local fund CCT: 1275).

**Eligibility:**

Admissions will be made purely on the basis of merit in international / national level entrance exams like SAT, JEE (Advanced), JEE (Main), NEET, AIIMS, BITSAT, RPMT etc or XII Board Examination. The candidate should have passed the XII (10+2) with science subjects (both Mathematics and Biology group students are eligible). Minimum eligibility shall be 55% score or equivalent grade in the Senior Secondary Examination of RBSE or CBSE or equivalent. Reservation of seats will be as per University and Government of Rajasthan policy. The

minimum eligibility criterion for SC/ST category will be reduced to minimum pass marks if required to fill the seats of these categories. The number of seats may be increased from present 120 on approval of the Vice-Chancellor to accommodate more talented students as course is run under SFS and facilities created may be optimally used. Students who are appearing for XII examination in 2020 are also eligible to apply, however, their eligibility for admission is subjected to fulfilling the requirement of passing XII examination. To attract talented students from foreign countries and NRI/PIO students, the fee of NRI/PIO/Foreign students will be at par with other local students.

(2) **Six Semesters (Three year) Master** of Technology course in the four streams of Converging Technologies. The course is of non-affiliating nature and available on the campus only.

The Master's programme will have common curriculum with last six semesters of Ten Semester M. Tech. in Converging Technologies course. Thus students admitted in this programme will be laterally entered in the Fifth Semester of students of batch admitted in academic session 2019-20. The first year course involves training in all streams of converging technologies. The last two years of education will be fully customizable in specialized domains in the streams of converging technologies.

On successful passing of all papers of First to Sixth Semesters (i.e. Fifth to Tenth Semesters of Ten Semester M. Tech. Programme) the candidate will be awarded M. Tech. degree in the stream in which he/she has obtained maximum credits.

## University Innovation Cluster In Biotechnology (UIC-B)

**Chief Coordinator**

Patni, Vidya

**Deputy Chief Coordinator**

John, P. J.

The E-Yuva scheme funded by BIRAC aims to promote a culture of applied research and need-oriented (societal or industry) entrepreneurial innovation among young students and researchers.

The scheme is implemented through E-YUVA Centre (EYC) at University of Rajasthan to inculcate entrepreneurial culture through fellowship, pre-incubation and mentoring support. EYC ishoused within the University and mentored by a BIRAC BioNEST supported bio-incubator.

The scheme provides support for students under following two categories:

- BIRAC's Innovation Fellows (for post graduates and above)
- BIRAC's E-Yuva Fellows (for under graduate students)

The scheme provides:

- Funding support through fellowships and research grants
- Technical and business mentoring
- Exposure to bio-incubation model
- Orientation to Entrepreneurial culture

The aim of the Centre is to play the role of a facilitator to stimulate entrepreneurial activities within the Universities & Academic Institutions and linkages with the industry.

- To develop area specific technologies for the industries through R&D projects of student entrepreneur.
- To develop and strengthen the Industry-Academia partnership for research sponsorships development and effective transfer of know-how from the University to the entrepreneurs and industry.
- To provide Intellectual Property protection and management services and facilitate the technology transfer and commercialization.

The current project aims towards establishment of a platform for increased participation, interaction and mutual co-operation between academia and industry. The project aspires to evolve new strategies, products and services which can be commercialized and can be later taken up for university spin-off and start-ups.The output/outcome of the project would be utilized for an industrial application project and also the potential to develop into a technology or prototype with through academic and industrial mentoring. The initiative would aim towards self-sustainability through endowments, royalty, financial support from government funding agencies and industries, consultancy charges and extension services.

## Rajasthan University Biotechnology Incubation Centre (RUBIC)

**Coordinator**
Patni, Vidya

RUBIC is a non-profit biotech business incubator facility established with the help of State DST Government of Rajasthan and formalities are undergoing to launch in the next few months. Our***mission*** is to facilitate and assist the creation, growth, and success of the next generation of biotech companies in state of Rajasthan to nurture entrepreneurial and economic development in the community. We aim to do this by maintaining affordable lab and office space and making progressive technology, services, training, mentoring, and a network of professional advisors available to small biotechnology companies and healthcare-related start-ups.

## Design Innovation Centre

Under the scheme National Initiative for setting up of Design Innovation Centre, Ministry of Human Resource Development, Government of India, has approved the establishment of DIC at Centre for Converging Technologies, University of Rajasthan, Jaipur. The DIC has three spokes namely, Birla Institute of Scientific Research, Jaipur, RK Patni Govt. College Kishangarh and Lachoo Memorial College of Science and Technology, Jodhpur. The Project aims towards establishment of a platform for increased participation, Interaction and mutual co-operation between academia and industry for design innovation. The focus of the proposal is converging technologies. The project aspires to develop a continuously evolving curriculum for innovation in process, product and system design aligned to meet the needs of the industries in the milieu and society at large.

The major objectives of DIC are to spread Design Education, thereby creating Design Culture and Design thinking and to promote innovation among the students. DIC will integrate various resources to develop a larger platform for the university and industry partnership by constructing a platform by bringing industry and university together to foster development of design innovation network that nurtures pioneering ideas and translates them into commercially viable initiatives.

Presently six major thrust areas have been identified for DIC in accordance with the industrial requirements in the surrounding region and the existing strengths and assets of the centre.

**Training programs:**

a) Food Design Coordinator- Dr. Mukta Agrawal
b) Computer Aided Drug Design (CADD) in association with Birla Scientific Industrial Research (BISR)- Coordinators: Dr. Neelima Gupta (UOR) and Dr. M. Krishna Mohan (BISR)
c) Inclusive Development in Materials Science- Coordinator- Dr. Alka Sharma

**Programme Coordinator**

**Director, CCT**

DIC Course Coordinators

Saxena, V.K.

Gupta, Nilima

Agrawal, Mukta

Sharma, Alka

d) Clinical Medical Informatics - in association with SMS Medical College and BISR Coordinators: Prof. Sandeep K Mathur, Dr. Krishna Mohan and Director, CCT.
e) Instrumentation Techniques in Science and Technology-; Coordinators: Dr. Amanpal Singh and Dr. Mamraj Singh
f) Intellectual Property Rights/Patents- Coordinators: Dr. Vidya Patni and Dr. P.J. John

All the above programs will be offered free of charge to already admitted PG students of Faculty of Science and Faculty of Engineering and Technology of University of Rajasthan. Besides this, SMS Medical, Rajasthan University of Health Sciences, Colleges within the District of Jaipur wherever PG courses in Science are running.The timing of the courses will be between 3 PM-6 PM to avoid clash with the regular timing of the courses.Upper limit for intake of students in each stream is 40 students only subjected to a minimum of 5 students to start the course. Admission will be offered based on the applications received with merit determined from the last examination/semester passed and if necessary, first come first basis.

The admission notification, educational qualification and all other requirements for these programmes for the session 2021-22 will be given separately in news papers and on university website: www.uniraj.ac.in/cct.

# Department of Visual Arts

## About the Department

Department of Visual Arts started teaching the professional degree course BVA in three disciplines such as Painting Sculpture and Applied Arts in the year 1988. We have been able to orient a good number of professionals in the subject of Visual Arts, and some of our scholars have been contributing significantly to the discipline.

The faculty members have been regularly participating in National and International Exhibitions, Art, Education camps and seminars and have received various National awards. Many of them are also members of BoS bodies of various Universities. We are delighted that a number of our former students have also been appointed Head of Departments and faculties in various teaching Institutes of India and abroad.

After about 14 years of path breaking hard work by the academic community, the faculty started the Masters degree MFA under the Self Financing Scheme (SFS) in the year 2000. Our clear education vision and well defined goals are being achieved and we are confident that our reputation as an institution, dedicated, and committed to excellence is resulting in graduates showing excellent promise in Visual Arts.

The faculty today has proven its competence not only in providing the excellent education but has also grown its sphere of activity, in spite of enormous constraints. We are proud that our courses of Masters in Visual Arts have been so designed that a student is given sufficient freedom of expression. Students are allowed to innovate and explore a style of their own which we consider essential in order for our graduates to establish a distinct identity in the visual art scenario.

## Department Facilities

The Department has large studios for each discipline apart from separate studios for the elective subjects such as Photography, Print Making, and ceramic.

Apart from regular studio practices, the Department holds separate workshop for the students to explore their abilities in the areas of their specialization.

The Department utilizes its large seminar hall, fully equipped with all the latest communication and presentation equipment for Lectures, Seminars, Presentations, and Discussions organized as part of the regular curriculum activity.

## Faculty

**Head & Associate Professor**

Pandel, Rajat

**Associate Professor**

Sen, Sumit

**Assistant Professors**

Kovoor, Thomas John

Vyas, Kamlesh

From time to time the Department invites eminent people from various walks of life for the academic benefit of the students. The interaction with artists highly motivate our students..

The use of computer as an essential tool for design is no longer questioned in this Department. Modern graphic studios equipped with computers with multimedia capacities are being used by the students thus provide them a workplace of the 21st Century.

Study Tours are organized every year to the major Art centers and places relevant to the subjects. This enriches the students and helps them to have wider knowledge base.

About the Department

Established in 1960 at the Jaswant College, Jodhpur, the Department was shifted to Rajasthan College, Jaipur in July 1963 and to its present building in August 1974. It is one of the largest and oldest department of Botany in the country, known for its pioneering work in the fields of Mycology, Plant Pathology, Biosystematics, Morpholgy and Embryology. Now it has established itself as a research centre in Experimental Morphogenesis, Plant Biotechnology, Nematology, Seed Pathology, Biosystematics, Nano Science, Ethnobotany, Phytochemistry, Plant Ecology, Cytogenetics and Developmental Botany. The Department has 16 different laboratories where basic and applied research is conducted. The Department has received generous financial support from RUSA 1.0, 2.0 UGC (DRS), and DST (FIST), in addition to support from UGC, CSIR, DST, DBT, ICAR, ICMR, Rockefeller Foundation, DAAD and other funding agencies. The faculty has been awarded prestigious fellowships including Fulbright, Rockefeller, European Commission, DAAD, AV Humboldt, DANIDA, DFG, National overseas Commonwealth, INSA, etc.

Research students include NET qualified various fellowship holders, Post-Doctoral fellows, Research Associates and Women Scientist awardees.

Infrastructural Facilities

The Department has well-equipped research laboratories, growth chambers, one central instrument room, seminar hall, four teaching labs, two major and six small class rooms for elective papers, one internationally recognised herbarium containing more than 20,000 preserved specimens and a Botanical garden. With heavy economically important specious Department learning recourses like charts, slides, museum, apeciueas , and facilities like computers, internet, LCD for independent learning.

Botanical excursions are organized to study local flora and plant diversity of the desert and mountain ecosystems . Department has support from the forest department and students are encouraged to attend their trainings and

## Department of Chemistry

**About the Department**

The Department of Chemistry came into existence in July 1960 and ever since its inception has been at the forefront of higher education and research in Rajasthan. It is the largest Department in the University of Rajasthan providing a platform with an enriching academic atmosphere to students for realizing the goals of quality enhancement and diverse opportunities in cutting-edge sustainable research. With Dr.(Mrs.) Asha Jain as present Head of the Department, current faculty strength includes eleven Associate Professors and thirty -seven Assistant Professors, who strive to foster an academic environment that provides holistic and value-based quality education leading to the overall development of the students.

Department offers M.Sc. (Chemistry) and Ph.D. courses at University campus. In addition, Chemistry is offered as one of the major elective subjects in B.Sc. Pass and B.Sc. Honors courses at Universities' two constituent Colleges. Majority of PG students qualify NET/GATE examination and successfully compete in national level tests for placement in ONGC, NTPC, GSI, BARC, ISRO, DRDO, Forensic Research Laboratories, CSIR Laboratories, Petroleum companies, Pharmaceutical R&D sector, etc. After the successful implementation of six phases of UGC's DSA-SAP program for 33 years, the Department was recognized as the Centre for Advanced Studies in Chemistry in 2005. Under UGC (SAP)-CAS program a large number of academic activities such as Seminars, Workshops, Conferences, and Extension Lectures by Eminent Scientists/Academicians have been organized regularly. The Department has been a recipient of the major equipment grants under FIST program of the Department of Science and Technology, Government of

The department focuses on providing a choice of elective courses as per the updated teaching curriculum. It provides an opportunity to undertake research projects to PG students and advanced research facilities to researchers for working in the frontier areas of chemistry and its interface with allied disciplines. Majority of research and PG laboratories have been renovated with modern infrastructure. The Department is well equipped for research facilities that include sophisticated instruments, viz., FT-IR Spectrometer, UV-Visible Spectrometer, Electrochemical Analyzer, Semi-preparative HPLC, Fluorescence spectrometer, Microwave Synthesizer, Surface Area and Porosity Analyzer, Benchtop NMR, ICP-OES, Digital Spectrophotometer, Polarograph, Rotavapor, Basic Electrochemical System, Polarimeter, COD Digestion Apparatus, Incubator, Autoclave, etc. Many Faculty members receive financial support for research from various Government funding agencies including SERB-DST, CSIR, UGC, DAE, ICMR, etc. Collaborative interdisciplinary research projects are also being carried out simultaneously. Research accomplishments of the Department are reflected by an impressive publications record and a significant number of completed and ongoing projects. Most of the research work has been published in refereed journals of international repute having high impact factor. The Department is acknowledged for high-quality research at National as well as international level.

**Major Thrust Areas available in the Department forPh.D. Programme are -**

- Biologically Important Heterocycles
- Biochemistry, Biomedicine, and Biomaterials
- Coordination and Bio-inorganic Chemistry
- Corrosion Science and Electronics
- Computational Chemistry and Molecular Modeling
- Green Chemistry and Environmental Science
- Material Science and Nanotechnology
- Natural Products and Pharmaceutical Chemistry
- New Synthetic Approaches, Reagents, and Catalysis
- Organometallic and metalloorganic Chemistry
- Polymer Chemistry and Macromolecules
- Photo and Electrochemistry
- Reaction Dynamics and Electrochemistry
- Renewable Energy and Energy Storage

Several faculty members have earned Awards, Honours, and Recognitions at National/International level and are invited to deliver Plenary/Keynote/Invited lectures at International conferences in India and abroad. Department is proud to have a record of its Faculty members and research students being selected for prestigious research awards &fellowships.They have been invited by International research organizations to carry out interdisciplinary research in collaboration with Institutes and Universities in Germany, UK, USA, Australia, Japan, etc. Faculty members of the Department are not only life-members of important professional and academic societies but also hold positions of office-bearers in several prestigious societies. Local Chapters of the prestigious Chemical Research Society of India, Bengaluru, and Indian Society for Chemists & Biologists, Lucknow also function from the Department and organize various academic and student-recharging activities under their banners. International reputed Institutes and Universities are also regularly organized for the exposure of the research students to current advancements in contemporary research. The Department is also actively engaged in organizing the faculty recharging programs of UGC-HRDC. NSS unit of science faculty is functional in the Department of Chemistry with its main objective to orient and ignite an urge for self-less service among the youth and to develop among themselves a sense of social and civic responsibility for the welfare of society.

The Departmental Library has over 4000 textbooks, 5000 reference books, and a large number of print volumes of many Journals along with hard copies of Chemical Abstract, Vol. 1 to 141 (1907-2004). Some E-Journals are available online through the Central Library of the University. The Department has Wi-Fi and LAN facilities for all faculty members, research scholars, and PG students through the University INFONET center. Meritorious students of M.Sc. are encouraged with the following awards and need cum merit scholarships

1. Prof. R.C.Mehrotra Memorial Gold Medal
2. Prof. B.C.Joshi Gold Medal

## Department of Geography

**About the Department**

The Department of Geography established in 1962 at University Rajasthan College, Jaipur for undergraduate level under Arts Faculty. Thereafter, from 1974 and 1987 undergraduate teaching began in Science faculty in University Maharaja's College and in Science/Arts Faculty at University Maharani College respectively. The Post Graduate Department was established in 1967. The faculty is also actively engaged in research programmes. The Post Graduate Department later shifted to the University campus in 2002.

**Infrastructural Facilities**

The Department of Geography has a well equipped Remote Sensing and Geographical Information System laboratory named as (Late) Shri Rajesh Pilot Memorial Laboratory. It has been established under the FIST program of the Department of Science & Technology, Govt. of India, New Delhi.

Edusat program is being run in the Department relayed by IIRS, Dehradun. Automatic Weather Station (AWS) has also been installed in Department since 2012.

**Ph. D. Programme**

**Thrust Areas**

- Sustainable Development
- Political Issues
- Tourism Development
- Global Issues
- Change in Settlement Pattern
- Concept of Smart Cities
- Desertification Monitoring
- Watershed Management
- Agricultural Geography
- Resource Geography
- Industrial Geography
- Crime Geography
- Urban Geography
- Transport Geography
- Medical Geography
- Remote Sensing & GIS Applications
- Bio Diversity
- Disaster Management
- Geomorphology
- Environmental Geomorphology
- Land Use/Land Cover Mapping

## Department of Geology

**About the Department**

The Department of Geology was established in 1985 when postgraduate teaching was initiated at the Maharaja's College Campus. The Department shifted to its own building in the University Campus in 1989. At present, the Department runs M.Sc. and Ph.D. Programmes with the following objectives.

- Creating and effectively disseminating comprehensive knowledge about the Earth, its resources and the internal and external processes that bring about changes in the Earth's surface as development of landforms.

- Educatingand preparing students to take up responsibility as professional geologists in exploration, mining sector and other relevant organizations as well as research scientists and academicians in research and academic institutions.
- Integrating scientific knowledge from geosciences andallied fields for application in solving issues of societal relevance, such as natural resource management, natural hazard evaluation and mitigation, environmental management, etc.
- Providing basic infra structural facilities to carry out research in specified fields of geosciences.

To achieve the above goals, the Department offers a very congenial academic atmosphere based on regular student-teacher interaction. Field trips are conducted as a part of the M.Sc. curricula that allow the students to learn the practical aspects and develop a better understanding of the subject in the field. It also helps in making students confident and self motivated to work as a team. The Department regularly organizes training programmes and special lectures to benefit both the students and the faculty.

**Infrastructural Facilities:**

The Department has facilities for teaching and research and boasts of the following technical facilities:

**Geochemical Lab:** Double Beam Atomic Absorption Spectrophotometer (GBS); UV-VIS Spectrophotometer, Analytical Balance, Jaw Crusher, TC Ball Mill.

**Gemmology Lab:** Refractometer, Spectroscopes, Dichroscopes, Ruby, Chelsea and Jadeite filters and loupes.

**Petrological Lab:** Petrological Microscopes, Automatic thin section preparation unit, rock-cutting machines.

**Palaeontology Lab:** Binocular microscopes, High resolution Zoom Stereomicroscopes with photographic attachment and Tracing Tube. In addition, it has a large collection of fossils collected from Rajasthan and Kachchh.

**Computer and GIS Lab:** Ten computers, GIS and image processing software, Satellite data and topo sheets.

**Museum:** The departmental museum has an impressive collection of rocks, minerals and fossils including representative lithounits of major stratigraphic units and a range of metallic and non-metallic ore minerals.

**Other Facilities: Departmental Library,**LCD projector, Field Camera, Survey equipment, Mirror Stereoscopes, etc.

**Ph.D. Programme and Thrust Areas**

- Hard Rock Geology (Geochemistry, Petrology, Constraining Ancient Geodynamic Settings, Rock Magnetism)
- Paleontology and Soft Rock Geology (Paleoecology, Sequence Stratigraphy )
- Environmental Geology
- Hydrogeology
- Economic Geology

**Master's Programme**

MASTER OF SCIENCE (GEOLOGY)

Seats: 10 Duration: Four Semesters (Two Years)

**Other highlights**:

The Department of Geology has a unique distinction of being recognized by the Oil and Natural Gas Corporation (ONGC) of India as one of the premier departments of geology for partnership under the Industry- Academia interfaces. The ONGC grants a one-year scholarship of Rs. 5000/- permonth to the student who obtains the highest marks in M.Sc. first year examinations. The Department, during its very short span of existence, has been identified under the DRS-SAP of UGC and FIST Program of DST. A large number of international collaborative research programmes are being undertaken. The Department has been very active in dissemination of scientific research and has hosted national and international, Seminars/conference. A software" Virtual Petrological Microscopes" developed by the faculty member of the department is being used by number of geology departments all over the country as a useful teaching aid.

## Department of Home Science

**About the Department**

The Department of Home Science was established in 1985. The Department offers post-graduation in 3 subjects *i.e.,* Foods and Human Nutrition, Human Development and Family and Development Communication and Extension and Ph.D. programmes in five disciplines, namely, Foods and Human Nutrition, Human Development and Family, Development Communication and Extension, Clothing and Textiles and Family Resource Management. The undergraduate courses include BSc Home Science and a B.A. Home Science as a subject are offered at University Maharani College. The Department also offers a Certificate Course in Public Health Nutrition (SFS).

The admission in M.Sc. as well as in Ph.D. programmes takes place through the entrance examinations conducted centrally by the University of Rajasthan, Jaipur.

The Department has received UGC SAP DRS I

from 2010-2015 and UGC SAP DRS II from 2016 to 2021. UN agencies like UNICEF support the Department of Home Science as one of its close and active partners to provide technical support to developmental programmes. UNICEF, Rajasthan has recognized the Department as State Centre of Excellence (SCoE) for Nutrition in July 2019. The Department has received three major research projects Under RUSA 2.0 worth Rs. 3.6 crores.

The Department is engaged in community outreach projects in collaboration with various Government Departments, Non-Government organizations and International Agencies such as UNICEF, UNFPA, DWCD, NHM, CARE, DST, Prayas in the area of nutrition and health of women, children adolescents, adults and elderly, clinical nutrition, waste management, human development, exceptional children, apparel designing for special needs, innovative textile designing etc.

The Department has an Alumni Association which was established in the Department in 2000. The alumni have been working as dietitians, consultants and counselors in various government and non-government organizations (NGOs), as teachers and entrepreneurs.

**Infrastructural Facilities**

- Lecture theatres
- Well-equipped Laboratories
- Departmental Library
- Smart Classroom
- Audio Visual laboratory with LCD projector
- Computers with Internet access

**Ph.D. Programme**

The majority of the faculty members of the Department are recognized as Ph.D. guides.

**Thrust Areas**

- Foods and Human Nutrition
- Public Health Nutrition
- Clinical Nutrition and Dietetics
- Food Safety
- Development and Health
- Child, Women and Family
- Human Development and Family
- Development Communication and Extension Education
- Waste management
- Evaluation of Community Development Programmes
- Family Resource Management
- Media and Development
- Clothing and Textiles
- Socio Techno-Economic Studies
- Child, Parenting and Personality Development
- Under Privileged Segments of Society Community Outreach
- Rural Mapping for need Assessment

**Proposed Activities for 2021-22**

- Publication of e-journal
- Celebration of breastfeeding week in the first week of August.
- Celebration of Nutrition week in the first week of September.
- Celebration of SwachhataPakhwada in September-October.

- Training of students in household waste management.
- Organizing Awareness generation programme on Health and Nutritional concerns of adolescents.

**Master of Science (Home Science)**

The Department of Home Science offers M.Sc. in three specializations which are as follows:

**Foods and Human Nutrition**:
Seats: 15, Duration: Four Semesters

**Human Development and Family:**
Seats: 15, Duration: Four Semesters

**Development Communication and Extension**:
Seats: 15, Duration: Four Semesters

"The Admissions for M.Sc. Home Science is only for girls".

**Certificate Course in Public Health Nutrition(SFS)**

**Total Seats: 20**

**Overview**

Public health nutrition is on the application of Public Health Nutrition Sciences for formulating strategies and actions for preventing and solving the serious problem of malnutrition in our country. This course provides an integrated program covering dietary, epidemiological, public health, program planning, implementation, communication, monitoring and evaluation.

**Objectives**

This course will enable the students to:

1. Gain insight into national nutritional problems, and national and international contribution towards nutrition improvement in India.
2. Development of skills in organizing and evaluating nutrition projects in the community.
3. To be familiar with various approaches to public health nutrition programs and policies.

**Course design**

This six-month certificate course focuses on the fundamentals of food science and nutrition, epidemiological methods of research, and community nutrition. The course will be delivered through multi-media, interactive sessions, field visits and guest lectures.

**Eligibility criteria**

Graduates i.e., (10+2+3) of any stream from any recognized university, with a minimum of 50% of aggregate marks. Admission will be given purely on a Merit basis. The best of the percentage obtained at the last qualifying exam will be considered for admission..

## Department of Mathematics

**About the Department**

The University Department of Mathematics was established in August 1960 at Maharaja's College after the amalgamation of its Post-graduate wing. The Department got its permanent abode at the second floor of the Vigyan Bhawan in the University Campus in 1964. Various National and International honours have been conferred upon some faculty members of the Department. The M.Sc., M. Phil. and Pre-Ph. D. course work classes are held in the main campus and the under-graduate teaching takes place in the three constituent Colleges of the University. A good number of students of the Mathematics Department have made a mark in different walks of life e.g. Research, Teaching, Civil Services, Defence, MNC's, etc. The Department provides learning friendly environment enabling students to meet global requirement. Prof. P.D. Verma Memorial Lecture Series, initiated in 1997, has been widely acclaimed activity in which eminent scholars of Mathematics are invited to deliver memorial lecture.

**Infrastructural Facilities**

The Department has four classrooms with one of them having ICT facility. The Department has its own Library with quality reference books, two Computer Labs having robust MATLAB, MAPLE, MATHEMATICA software and high speed internet support.

The Department has received UGC DRS-II under SAP, DST sponsored FIST Programme and NBHM grant for purchase of books in the Departmental Library.

The Department has active programmes of research in a number of different areas in Mathematics. Emphasis is laid equally on Pure and Applied Mathematics. The following are the thrust areas of research :

**Ph. D. Programme**

**Thrust Areas of Research**

(i) Fluid Dynamics (Porous Medium, Heat Transfer, Non-Newtonian Fluids, MHD, Boundary Layer Theory)
(ii) Bio-Fluid Dynamics
(iii) Operations Research
(iv) Integral Transforms and Special Functions
(v) Fractional Calculus
(vi) Geometric Function Theory
(vii) General Relativity and Cosmology
(viii) Numerical Methods
(ix) Graph Theory

## Department of Physics

**About the Department**

Department of Physics was established in the year 1960. The Department has been given status of "Centre for Advanced Studies" (CAS) by University Grants Commission for (2015-20). The Department offers M.Sc. (Physics) four semester program and Ph.D. program in different experimental and theoretical fields. The Department received support under FIST Phase-III Level-2 from DST, Govt. of India. The Department is also beneficiary in RUSA programme supported by MHRD to university, PURSE support granted by DST to the university and UPE status granted by UGC to the university. In addition, research groups of the Department have received financial support from several funding agencies like UGC, DEIT, DST, BRNS, DRDO, CSIR, MNES, UGCDAE CSR, IUAC and ISRO

M.Sc. and research laboratories of this Department are well equipped. Some of the major equipments and facilities available in the Department include:

- X-ray diffractometer for study of powder and thin film materials and also SAXS facility.
- Scanning Probe Microscope (STM & AFM)
- Low energy electron accelerator
- Vibrating sample magnetometer (20 K-1000 K)
- Mossbauer spectrometers with temperature variation (80K- 1000 K) and high pressures up to 10 GPa, resistivity measurement.
- High field Magnet Facility (8T)
- Low temperature transport measurement set-up
- 2.5 m long neutron time of flight facility
- Thermal Measurement System
- Impedance analyzer
- Vector network analyzer and Spectrum Analyzer
- Microwave signal generators
- EM simulation software

Facilities available at USIC and CCT are also accessible to the faculty members of this Department.

**Ph.D. Programme**

**Thrust Areas**

- Condensed Matter Physics
- Theoretical High Energy Physics & Cosmology
- High Energy Nuclear Physics (ADS Prog.)
- Plasma Physics
- Atomic Physics
- Microwave Electronics
- Hydrogen Energy
- Solar Energy

Research groups of this Department have active collaborations with BARC and TIFR (Mumbai), PRL (Ahmedabad), ISRO (Bangalore), IUAC (New Delhi), UGC-DAE CSR (Kolkata, Indore, Mumbai), University of Munich (Germany), Synchrotron Radiation Centers (Italy, Japan), ICTP (Italy), JINR (Russia), Postech (Korea) and Czech Institute of Physics (Czech), International Collaboration experiment ALICE (CERN, Geneva).

**MASTER OF SCIENCE (PHYSICS)**

Seats: 35 Duration: Four Semesters (Two Years)

Four semesters M.Sc. Physics course is governed by ordinance 199F. Elective Core Courses are offered in following clusters:

a. Reactor Physics
b. Condensed Matter Physics
c. High Energy Physics
d. Electronics and Communication
e. Energy Studies
f. Lasers

Graduates from our department have been selected in past in prestigious scientific institutes including IPR, IUAC, BARC, NPL, TIFR, IISc, IISERs for pursuing research. Several students qualify in examinations like NET and GATE every year.

**Other Highlights**

Department has organized a National Conference in the area of Material Science and Technology during 2019-20. Eminent speakers from other Institutes have come to our department to deliver seminars for the benefit of students and faculty. Several of its faculty members have memberships of different prestigious organizations. They are also attending international and national conferences and delivering invited talks in these conferences.

## Department of Psychology

**About the Department**

The Department of Psychology was established in the Year 1971. The Department is well known for its excellence in academic and research programs in various areas of Psychology. Activities of the Department have reflected a marked growth over the last few decades.

The Department has been updating curriculum that allows students to pursue the extensive breadth of psychology in terms of behavioural phenomena studied, the variety of methods and theoretical approaches employed. The curriculum also provides excellent opportunities for research experience in the form of practicum and by participation in a wide variety of research projects. Throughout the curriculum, the Department emphasizes empirical basis of interventions and assessment methods for an all-round development of the students.

Also the Department is devoted to train students to advance theory and create knowledge that helps to address the real world problems. The Department provides an internship program to bridge academic learning of theory with community application of knowledge.

Beyond the academics the Department also conducts seminars, workshops, academic field tours and talks with eminent personalities. The main objective of organizing different activities is to promote and develop the scientific outlook and professionalism in the discipline of psychology and more importantly to exchange views, experiences and mutual consultation amongst all stakeholders.

One of the most important feature of the Department is community services through its Psychological Counselling Cell. The counselling services aim at helping students reach personal, learning and career concerns and promote success and wellness. The Cell offers free counselling to students and employees of University departments as well as of constituent colleges. The Cell is well equipped with relaxation room and psychometric testing laboratory.

# Department of Statistics

**About the Department**

The University Department of Statistics was established in 1962.Department has been shifted in the new premises i.e. Vigyan Bhawan (IInd floor). The Department is engaged in teaching U.G., P.G , M. Phil. classes and Research work. The Undergraduate courses, in Statistics Subject, are held in three constituent colleges of University of Rajasthan, Jaipur namely University Rajasthan College, University Maharaja College and University Maharani College under the faculties of Science and Arts.

A large number of students have completed their M. Phil. & awarded Ph.D. degree from the department in various areas of Statistics. The research thrust areas of the department are Design of Experiments, Statistical Inference, Distribution Theory, Applied Statistics, Statistical Computing, Sampling Theory etc.. Department of Statistics is well equipped with one computer lab and licensed statistical software like SPSS, MINITAB and STATA. Some freeware software are available in Computer Lab.

The department has been granted a financial assistance of Rs. 47 lakhs from Department of Science and Technology under the DST-FIST Programme in 2015. Department of Statistics has also been granted a financial assistance of Rs. 57 lakhs from DST-PURSE (Phase II).

**Infrastructural Facilities**

1. More than 1000 books of National & International publications in the Departmental Library.
2. Department is well equipped with 9 rooms consisting of two class-rooms, one large Computer Lab, Office rooms, Library-cum-Common room for students, Staffrooms.
3. 42 PC's & 3 Leptops (with pre installed O5), Audio/Visual facilities.
4. Following Software are available :
   (i) MS Window-7 (ii) Turbo-C/ C++ (IDE version) (iii) IBM SPSS 19 (iv) STATA/SE14 (v) MINITAB
   5. INTERNET facility,

**Ph.D. Programme :**

**Other Highlights & Achievements**

1. The subject has application in many fields such as Actuarial, Agriculture, Business, Management, Pharmaceutical & Medical sectors etc.
2. Governments jobs like Indian Statistical Services (ISS), Research officer in RBI & other UPSC, SSC, GIC, RPSC & Bank jobs.
3. National / International Research projects as Statistician/Statistical consultant after getting knowledge of Statistical Software.
4. Faculty members in different institutions.
5. More than 50 students selected in UPSC, ISS, DRDO exams during 2009 -2020.
6. During 2015-2020 more than 90 students have been selected in various students like ISSE of UPSC, Research Officer in RBI, Statistical Officer in PNB, RPSC, Investigators in UPSC, Manager in GIC, Research Assistants in Planning Commission. In addition to this students of the department have been selected in various jobs in Pharmaceutical Industries and other Private Ltds., as Statisticians, Data Analytics, Research Officers etc.

**Future Plans:**

1. Effort will be made for "Statistical Consultancy Cell" &Campus placement.
2. To invite eminent scholars in different discipline to deliver popular lectures for the benefit of students.
3. Organizing National/International Conferences/ Seminars/Symposia/Workshops in the various dimensions of Statistics for sustainable growth.

## Department of Zoology

### About the Department

The Department was established in the year 1960 at the Jaswant College, Jodhpur. In 1963 it was shifted to Jaipur in the Vigyan Bhawan of the University of Rajasthan, and finally to its newly constructed building in October 1966.

Earlier, the Department had received generous financial support from Ford Foundation (USA), Rockefeller Foundation (USA), National Institute of Health (USA), United States Department of Agriculture, PL480 (USA), UGC-ULP, DRS, COSIST, SAP, DST- FIST (Phase I). The Department was recognized as the Centre for Advanced Studies (CAS Phase-I) in Zoology in the year 2005. The Department has completed CAS (Phase II) under UGC and DST-FIST program (Phase II) under DST in subsequent years. Besides the major funding, several faculty members have received financial support from the different funding agencies like UGC, CSIR, BRNS, ICMR, DST, DBT and MHFW. Research scholars include NET (UGC & CSIR) JRF, ICMR-JRF, DST-INSPIRE Fellows, Rajiv Gandhi Fellows, Post Doctoral Fellows, Research Associates and Women Scientist awardees.

The Department is known for its pioneering research in the fields of Radiation Biology, Reproductive Biology, Cancer Biology, Environmental Biology & Toxicology, Entomology, Microbiology and Development Biology. The faculty has been awarded prestigious fellowships including DAAD, AvHumboldt, Full Bright, Smithsonian etc. The Department has been regularly organizing International & National Conferences, 'Ramaswami Memorial Lectures' and invited talks by Eminent Scientist in the different areas. The Department has celebrated its Golden Jubilee in the year 2010. The alumni hold various important positions in teaching, research and administrative services in India and abroad. An Alumni Meet held in year 2018 & 2019 with good participation from the alumni.

### Infrastructural Facilities

The Department has a whole range of sophisticated instruments to facilitate quality research. A Central Instruments Facility is available for the use by all research Scholars. The Department has procured sophisticated instruments viz; includes Atomic Absorption Spectrophotometer, RT- PCR, HPLC, Autoanalyser, Fluorescent Microscope with Digital Microphotography, Refrigerated Micro-Centrifuge, ELISA Reader, Deep Freezer, Refrigerated High Speed Centrifuge. $C0_2$ Incubator, Blood Analyzer, Chemiluminscent Analyzer, 2 D Electrophoresis system, UV Transilluminator, Lyophiliser, Gel Doc System, Horizontal Gel Electrophoresis with power supply, Rotatory Microtome, Tissue Homogenizer, GM Counter, Minus 80 Degree Deep Freezer, Water Purification System, Biosafety Cabinet, Probe Sonicator with Probes, Vacuum Dryer, Nanospectrophotometer, Multi color Flowcytometer as well as facility for neuro behavioral studies. In addition, it has developed recently Tissue Culture Laboratory. The Department has 18 different laboratories where basic and applied researches are being conducted. Adjacent to the main building

of the Department, the Animal House is there for the experimental animals.

There is Central Computer Facility with internet connectivity for the PG Students, Smart Classroom, excellent Museum, L. S. Ramaswami Seminar Hall with the capacity of 200 persons and a rich library with a large collection of reference/text books and journals.

Study of various herbs for the evaluation of anti oxidants, anti cancer, and radiation anti fertility, anti diabetic and anti atherosclerotic properties, toxicity of environmental pollutants and bioremediation are also being carried out.

Besides teaching and research, the department also organizes enthusiastically many extracurricular activities for the holistic development of the students.

Recently the Department has also started publishing its annual magazine highlighting all academic, research and extracurricular activities.

## Centre for Computer Science & Information Technology

**About the Centre**

The Centre was reported to have started in year 1986 offering initially certificate courses in Computer Applications (Computer Languages like BASIC, C, FORTRAN, Lotus 123, Dbase etc.) at University Science and Instrumentation Centre (USIC). The Centre started one year PG DCA in 1989 & three years MCA course in 1990. The Centre shifted to its own building in 1996 and the Centre merged with USIC with the name Institute of Informatics and Instrumentation (III) in the year 2002 and the same time the Centre also started two years M.Sc. ( IT) course. The Centre is renamed University Centre for Computer Science & Information Technology (UCCS & IT) in the year 2007. Presently the Centre, is running 2 years (4 semesters) MCA and 2 years (Four Semesters) M.Sc.(IT) courses under Self Financing Scheme (SFS). The Centre has earned the status one of the most exciting and innovative in the Computer Science and Information Technology in the state of Rajasthan. The students of the Centre enjoy an active campus life with several invited talks, seminars and interactive sessions by Eminent Experts. A good number of students of MCA and M.Sc.(IT) have made a mark in different walks of life e.g. Government Sectors, Research, Teaching, Civil Services, Defense, MNC's, etc. The Department provides learning friendly environment for enabling students to meet global requirement.

**1. Infrastructural Facilities**

The Students have access to excellent infrastructural facilities. These facilities are augmented by the addition of hardware/ software, library and space facilities. The Centre has 4 class rooms with

**Director**

Gupta, Krishna

**Deputy Director**

Jain, Asha

**Course Coordinator**

Garg, Pravin

LCD Projector & Internet facilities, a Seminar Hall, Reading Room, 4 Computer Laboratories with latest technologies and the students will enable to have access to international technologies as a part of their course work from several internationally reputed multinational companies and organizations during their final semester.

**(i) Internet Connectivity**

The Centre has Internet connectivity through the University Leased line. The entire building has CAT 5/CAT6 cabling so that the Internet can be accessed from almost any location in the building.

**(ii) Computer Labs**

The computer labs are well equipped with multiple number of computers, servers, printers & other peripheral devices which are well connected through LAN and support diverse operating systems like MS DOS, Windows Vista, Windows 8.1 and Linux. The labs are equipped with wide ranging development tools and platforms such as C, C++, Visual Basic, MS Office, Visual Studio, .Net, Java, R, Python, Cloud Computing, Data Science Analytics, Oracle DB2, SQL Server, My SQL, Apache Tomcat, Eclipse, Dream viewer and many more. The students are allowed to work even during off hours. The high-tech laboratory having 60 Pentium i7, 30 Pentium Core 2 Duo, 30

Pentium computers & 2 Servers have been established in the Centre to fulfill requirement of the courses to support latest technology and environment.

**(iii) Library**

The students have access to an in house library, which has more than 11500 books related to Computer Applications and Information Technology. The Centre's Library is computerized and transactions of books through computer. In addition, the students have access to On-line resources, News papers, Magazines & Journals.

**2. Masters' Programme**

The Centre is running two Years (4- Semesters) MCA and two years(4-Semesters) M.Sc.(IT) Post Graduate Professional degree programmes. These Post Graduate Professional degree programmes are as per recommendations of the Department of Electronics, Government of India and aims to provide the students with necessary computer science and software development expertise so that they can be absorbed as System Analysts/ Information System Specialists/ Database Administrators/ Data Science Analyst/ IT Experts etc. Admissions in the courses MCA & M.Sc.(IT) are made through URATPG Admission Test conducted by the University of Rajasthan every year.

**MCA-MASTER OF COMPUTER APPLICATIONS SFS Course**
**Seats:** 60 **Duration:** 4 Semesters (Two years)

**M.Sc. (IT)- MASTER OF SCIENCE (INFORMATION TECHNOLOGY)**
**SFS Course** **Seats:** 40

## Centre for Development of Physics Education

**About the Centre**

The Centre for Development of Physics Education was established in year 1978 by University Grants Commission. This was a sequel to excellent developmental work done by the Department of Physics during the University Leadership Programme (1971-78).

The activities of the CDPE are:

(i) Development of new Physics experiments and literature for under-graduate and post-graduatestudents as well as research scholars for Univ. of Rajasthan and other institutes. The Institutes such as IIT Bombay; IIT Jammu, BARC Bombay; BITS Pilani, and other prestigious institutes have been using experiments developed at CDPE and representatives from various institutes also get training in CDPE.

(ii) Design, fabrication and supply of equipment to academic/research institutions on no-profit and no loss basis

(iii) Providing prompt technical support to the experiments running in different laboratories of Physics Department of University of Rajasthan and also providing technical assistance to other institutions under contact programme. Many of the equipment fabricated in CDPE are a part of syllabus in under-graduate and post-graduate laboratories in this University as well as in others.

(iv) Development of teaching aids in the form of Computer and Audio Visual Programmes.

(v) The Centre has also been regularly supporting the research groups in Department of Physics for fabrication of equipment and extending IT expertise for examination reforms and academic development.

The CDPE has developed more than 100 experiments in different areas of physics. These equipment can serve both for demonstration purpose as well as measurements of physical quantities. These have been supplied to many Universities and Institutions in India and abroad.

**Director**
Saxena, Virender Kumar

**Director**
Jakhar, Narendra

The equipment developed in CDPE are also being used in training programmes sponsored by ICTP, Italy, at the University of Dar-es-salam, Tanzania, University of Maidugur, Nigeria, and the University of Zimbabwe, Harare. The Coupled Oscillator was awarded First Prize at an International Competition.

The Centre has been supportingvarious research groups in Physics Department for fabrication of equipment and extending IT expertise for examination reforms and academic development.

The Centre conducts workshops, exhibitions and training programmes for college teachers and also school children through INSPIRE Programme of DST, Govt. of India.

**Infrastructural Facilities**

The CDPE is equipped with:

(i) Mechanical Workshop which is equipped with a Lathe Machine and a Milling Machine

(ii) Electronic Workshop which is equipped with measuring, testing and assembling equipment for electronic circuits.

(iii) Computer Lab equipped with five computers with online support.

There is a Museum that houses equipment developed by CDPE, is a major attraction for visitors and students of Physics.

## Centre for Non-Conventional Energy Resources (CNCER)

**About the Centre**

Reliable supply of energy is a key issue of this century. With the aim to achieve this need of human life, Centre for Non-Conventional Energy Resources was established in the year 2000. The aim of the centre is to work for Green power.

The UGC has sanctioned an innovative one year M.Phil. degree course in Energy. This course deals with the issues of alternative energy sources and sustainable development. The aim is to perform an objective cost-benefit analysis on each form of alternative energy to determine large and small scale application. Particular attention is on the efficiency and limitations in terms of usable energy. This course provides a chance to students to work for energy problems of our country by providing them training in both theoretical and experimental aspects.

**Infrastructural Facilities**

The Centre has a research laboratory equipped with sophisticated equipments. Following are the available facilities at this centre:

1. UHV ($10^{-9}$ Torr) E-gun evaporation technique
2. HV ($10^{-9}$ Torr) E-gun evaporation technique
3. HV ($10^{-9}$ Torr) Thermal evaporation technique
4. High Energy Ball Milling for nanomaterials
5. Glove Box (Home made)
6. Furnace (Temperature upto ~1000 $^{0}$C)
7. UV-Vis Spectro-photometer
8. Dynamic type P-C-T setup (Home made)
9. Thin film Hydrogenation Setup
10. Keithley Electrometer for electronic properties.

**Director**

Dolia, S. N.

**Ph.D. Programme**

**Thrust Area**

- Hydrogen Energy: Storage and Applications.
- Solar Energy: Materials and Devices.
- Thin Films, Surfaces and Interfaces
- Amorphous Semiconductors

# Indira Gandhi Centre for Human Ecology, Environmental & Population Studies

**Director**

Chauhan, Surendra Singh

**Assistant Professors**

Jain, Pankaj Kr.

Soloman, Prama Esther

**About the Department**

The Indira Gandhi Centre for Human Ecology, Environmental and Population Studies was established in the year 1984. The Indira Gandhi Centre was granted the status of a Department of the University of Rajasthan on December 31, 1997. The Department, under the COSIST programme with financial and other support from the UGC, has introduced a two-year Master's degree course (M.Sc.) in Environmental Science since July 1997. One Year P.G. Diploma courses in Human Ecology, Environmental Studies and Population Studies were introduced since 1984-85.

**Infrastructural Facilities**

A well-equipped research laboratory with latest equipments (like UV-Spectrophotometer, Atomic Absorption Spectrophotometer, B.O.D. Incubator, Sound Level Meter, Ovens, Water Testing kits) is available in this Department. The Department has a rich library with 5000 books and subscription of several journals. There is a Computer Lab with internet facility and Wi-Fi connection in the department.

**Ph.D. Programme:-**

**Thrust Areas**

- Desertification Process and its control
- Municipal Solid Waste Management
- Fluoride in drinking water and fluorosis problems in Rajasthan
- Nitrates in drinking water and health problems
- Textile waste water and adverse effects
- Biodiversity conservation in Sanctuaries, National Parks and Tiger Reserves
- Organic Farming
- Wildlife Habitat Utilization
- Effect of Industrial Wastes on Morphology, Anatomy, and Cytology of plants
- Textile Waste Water and Effects on Vegetables grown in the area
- Impacts of heavy metals on Morphology and Cytology of Vegetables

**Master's Programme:-**

**M. Sc. ENVIRONMENTAL SCIENCE**

Seats: 20 Duration: Four Semesters (Two years)

**Post P.G. Diploma Programme:-**

**POST P.G. DIPLOMA IN HUMAN ECOLOGY**

Seats: 15 Duration: Two Semesters (One year)

**POST P.G. DIPLOMA IN ENVIRONMENTAL STUDIES**

Seats: 15 Duration: Two Semesters (One year)

## Department of Anthropology

**About the Department**

Anthropology is the study of man from biological and socio-cultural perspective. The unique feature of Anthropology is the method of study which involves living with the people in their natural setting. Its major areas of study are culture, biology, material remains and language, as they have originated and evolved over thousands of years of human evolution.

This single department of Anthropology teaching and research in Rajasthan was established in 1991 as a response to undertake studies to bridge the gap between perception of people and the agencies of development.

Anthropology helps in understanding the challenges faced by humanity and provides solutions to overcome them by learning from our past and "others". Anthropology has an important role in policy making for development and social justice by exploring new possibilities in a changing world. The department offers the following courses

I. Post Graduate
II. Doctoral

## Department of Public Administration

**About the Department**

Public Administration as a discipline began its journey in association with Economics at the University of Rajasthan in the year 1957 as Department of Economics and Public Administration. In 1965, an independent Department of Public Administration was established by carving out from the economics discipline in the school of social sciences. Since its inception, the Department in the University of Rajasthan has significant faculty strength, good infrastructure facilities and rich in academic potential, The Department was sanctioned Special Assistance Programme (SAP) by University Grants Commission in 2008.

Significant academic contribution by our faculty has brought rewards in achieving Fulbright, Indo-Canada Shastri and Commonwealth Fellowships. It is a matter of pride that the faculty of the department was awarded a patent for the concept of Governometrics. Within the organisation, to promote democratic leadership, the department takes the distinction of sending our faculty as an elected member-syndicate, which is the highest decision making body of the university.

Commemorating the Golden Jubilee year of its establishment during academic session 2015-16, the department organized lecture series delivered by distinguished academicians, scholars and administrators. During this session, a syllabi review workshop was conducted to review the curriculum. Notable academic scholars attended and added valuable inputs to our educational programme. Golden Jubilee year took initiative to inculcate competitive spirit among the students by conducting debates on socially relevant topics, essay competition and extra-curricular activities. The department also hosted two International seminars in the year 2017 and 2018 attended by scholars from within and abroad.

Several of our students attained dizzy heights by becoming academicians, administrators and researchers, bringing laurels to the department. A few of them were associated to build their career in politics investing faith in democratic mechanism. The Department is running M.A., M.Phil and Ph.D. Programmes.

**About the Centre**

The Centre for Gandhian Studies is an institution where various Academic Researches, Social Services and Collaborative Activities are performed. Formerly it was known as Gandhi Bhawan that established long back in 1965.

In 1985, the Academic Council of University of Rajasthan raised the status of the Gandhi Bhawan and transformed it into the 'Centre for Gandhian Studies' and also approved an M. Phil. Programme in Gandhian Studies that further led to Doctoral and Post-Doctoral Degrees. The academic programme of the Centre for Gandhian Studies is supported and adopted by other subjects of Social Sciences that have provisions of papers/ topics based on the themes of our programme at their Under Graduate and Post Graduate level.

**The Centre for Gandhian Studies mainly focuses on:**

(i) The Study of Gandhi, Gandhian Literature and other relevant Gandhian thinkers with their theoretical as well as practical aspects.
(ii) Understanding peaceful methods and techniques of conflict- resolution.
(iii) Formulating Gandhian principles at local, national, and international levels.
(iv) Determining appropriate and intermediate technologies for developing societies.
(v) Experiments of Gandhian techniques applied in India as well as various other parts of the world.
(vi) Organizing Conferences and Symposia, Providing Library Visits, Publishing Surveys based on Gandhian Constructive Programmes and others Organizations.
(vii) Operating an academic link between University Fraternity (teachers and students) and other Gandhian Organizations, Government and people supporting Gandhian Perspective.

**Structure:**

The Centre is situated in the midst of the University Campus. It started with two small rooms in 1965, but now possesses one big Class Room, one Director's Chamber, one Office-cum-Library, one Prayer Hall, and a beautifully cultivated Lawn. Its calm and serene atmosphere is quite congenial for study, academic discussion and analysis that propagates Gandhi & Gandhian ideas.

The library has about 4000 books, some records of speeches of Mahatma Gandhi, Several Reports and many M. Phil. Dissertations submitted by the scholars.

**Director**

Sharma, Rajesh Kumar

Prof. V.R. Mehta, eminent political theorist and former Vice-Chancellor, Delhi University was the founder Director of the Centre. In later years the Centre received the leadership of so many eminent Gandhian Scholars. Presently the Director of this Centre is Dr. Rajesh Kumar Sharma, Associate Professor, Department of Political Science who has had a long association with this Centre since his student life and served the Centre as a regular teaching faculty. Dr. Sharma has revived the Centre completely. He not only updated the library but also his assiduous efforts had credited the Centre with so many Journals. Nowadays the *Priya Bhajans* of Gandhi Ji are being played throughout the day that fills the hearts of visitors with solace and positivity. The centre has organised many activities.

## Centre for Museology and Conservation

**About the Centre**

Centre for Museology & Conservation, University of Rajasthan, Jaipur (CMC-UOR) was established in July, 2006 with a view to promote studies on museology and generate awareness about the conservation of museum objects. Museology as a discipline explores the history of museums and their role in society, as well as the activities they engage in, including curating, preservation, public programming, and education.

New perspectives of museology are emerging as a way to revitalise the educational role of museums. The inherent trend of New Museology is that it involves some form of radical reassessment of the roles of museums within society. A discourse of critical museology also emerged, intensifying around the turn of the 21st century. Critical museology extend its fold beyond the traditional museum to include cultural centres, heritage sites, memorials, art galleries, etc. In the context of India and other colonial countries, critical museology also attempts to address the problematic colonial pasts of museums through the decolonization and indigenization of museums.

The latest movements in museology tend to focus on museums being interdisciplinary, multi-vocal, accessible, and open to criticism. While these critical discourses dominate contemporary museology, there are many different kinds of museums that exist today, some of which are engaged in new and innovative practices, and others that are more traditional and less critical.

Centre for Museology & Conservation, University of Rajasthan, Jaipur runs an innovatively designed post-graduate course - M.A. in Museology and Conservation, a four semester course with a duration of two years. The centre is first of its kind in Rajasthan to have a conservation laboratory of its own. The centre has witnessed a remarkable growth during the last decade. It has organised a series of lectures, workshops, and seminars by inviting renowned experts from India and abroad. The centre has also brought out some important publications and has worked in collaboration with external bodies like INTACH, ASI, IGNCA, NMI& University of Leicester, UK. The Centre also possesses a library.

**Director**
Poonia, Pramila
**Dy. Director**
Aaniket, Anil
**Assistant Director**
Panwar, Tamegh

The Centre also runs a Ph.D. programme in Museology and Conservation under supervision of teachers in the subject of history.

The Centre for Museology and Conservation is steadfastly committed to enriching its quality of education and to achieve internationalization of Higher Education. In pursuance of these goals, the Centre organized a special lecture and symposium on the topic "Comparative Perspective of Megalithic Structures of India and Europe and its Linkages with Vedic-Puranic Religion" on November 30th 2018. Professor Serge Le Guirriec, an expert archaeologist from France, delivered the lecture.

The Centre also organized an international conference on the theme, "New Trends in Museological and Historical Research" on February 15th-16th, 2019. The keynote address of the conference was delivered by Dr. James H. Barrett, Associate Professor, Department of Archaeology, University of Cambridge, United Kingdom. Dr. Barrett is an expert in Glacial Archaeology and Environmental History. The conference saw active participation from illustrious institutions such as National Museum, New Delhi, National Museum Institute, New Delhi, Archaeological Survey of India, Department of Museums and Heritage, Government of Rajasthan, City Palace Museum, Jaipur, City Palace Museum, Udaipur to name a few. 278 delegates registered for the conference and the paper presentations were spread over 5 technical sessions in parallel venues.

## INTRODUCTION

University Maharaja College, one of the oldest and most reputed colleges of India, was established in the year 1844 by Sawai Ram Singh as Maharaja's School, at that time located at ManakChowk close to Hawamahal with about 40 students to impart education mainly in Hindi, Persian, English, Sanskrit and Urdu. In 1873, the College was upgraded to intermediate level and got affiliated to Calcutta University. Later in 1890, it was affiliated to Allahabad University for Bachelor of Arts (B.A.) degree and subsequently raised to post graduate status in 1896. In 1897, Bachelor of Science (B.Sc.) all major subjects and M.A. in English were also introduced. History, Philosophy and Mathematics were introduced at Post Graduate level in 1927. In 1933 The College was shifted to the present building which was constructed at a cost of Rs. 8.5 Lakhs at that time. Commerce was introduced in the curriculum in 1940 and Faculty of Law was set up in 1947. Before the establishment of University Maharani College in 1944, the college was imparting education to both boys and girls. The College became a constituent college of the University of Rajasthan in 1962 and since then it is offering under-graduate science courses to boys.

The College was granted status of "College with Potential for Excellence (CPE)" by the UGC in 2011 and the status of "Star College" by the Department of Biotechnology, Govt. of India in the year 2016. The College campus has a total land area of 19.47 acres with built-in-area of 1,20,000 square feet. The college has Heritage building with huge lush green sports ground.The IT building spread over 5000 square feet area has also been constructed in the college premises. College has well equipped modern science and computer labs with total area of nearly 65,000 square feet.Many of these labs have been recently renovated under RUSA program.

A part from imparting education in B.Sc. Pass and Honours courses, the college also offers self-finance BCA course. More than 2600 students are getting education in this college. The College campus has its own boys hostel with a capacity of nearly 200 students. College library houses more than 1 lakh books and magazines. The books have been updated on digital library automation software IMS and the students are able to get the books issued through online registered accounts. Sports facilities available in college include three Volleyball courts, two Tennis Courts and one Basketball Court. Gymnasium and facilities for indoor sports are also available in the college for students. Sport ground of college has witnessed several Ranji Trophy Cricket matches in past.

All-round development of students is ensured by organizing talks of eminent Guest Speakers, seminars, Career counseling sessions, poster making competitions, annual quiz and cultural events throughout the year. During past years, several placement camps have been organized by national and multinational companies for the students in College campus.

Three units of NCC (1 Raj BN, 7 Raj (I) Coy, 3 Raj NAVAL) are functioning in the college. Almost every year, the NCC Cadets participate in the National Integration Camps and the Republic Day Parade at Rajpath, New Delhi. During 2020-21, one cadet of 3 Raj NAVAL participated in Republic Day camp 2021 at New Delhi. Ek Bharat Shresth Bharat Camp organized online and several cadets across the country participated. First time in Rajasthan NCC job fair 2020 was organized was 7 Raj (I) Coy to provide placement to our NCC candidates in various reputed companies.One online seminar was organized on Kargil Vijay Divas by NCC unit of college.

The University Maharaja College has four units of NSS which celebrated Netaji S.C. Bose Jayanti in the College Campus. Special Camps series of activities such as Sports, Yoga, Campus cleanliness drive, tree plantation, Clean & Green Environment & Pollution Prevention Rally, Poster making Competition, NukkadNatak on Girl Child Education, Awareness visit of volunteers to KacchiBasti for social service, workshops on time management, Road Safety, Primary treatment after road accident, Guest Lecture on Green Fluorescent Proteins, etc. were organized.

## OTHER FACILITIES

**Co-curricular Activities:**

In order to ensure all-round development of students, the college organizes seminars, cultural programmes, competitions and excursions every year. NSS and N.C.C. (Air Wing, Navy Wing and Army Wing) programmes as well as Sports and Games for students are a regular feature of the college.

Students hone their talent through various activity clubs. There are 7 activity clubs like Dance society (Nartana), Dramatics society (Rangsheel), Photography society (Oh! Snap), Music society (Naad), Fine Arts society (Art attackers), Hindi Literature (Tehreer), English Literature (Eclectics) in the college which are run by the students only. In order to hone the organizational skills, develop leadership qualities and inculcate the spirit of team work, the students are encouraged to organize the annual youth fest- Veethika under the guidance of teachers. During this fest, the students of not only Maharani College but also from other colleges participate and get an opportunity to showcase their talent in cultural and academic activities. A college exhibition called Synergia is also held every year to help students translate abstract ideas into concrete form.

**Library:**

The college has a rich, well equipped library consisting of more than one lakh books, Encyclopedias, and latest publications, journals, CDs, VCDs etc. which are available to all the students. The College also runs a Book Bank for providing books on loan for needy students. The graduating students are encouraged to donate books for the book bank.

**Laboratories:**

The college has laboratories with all modern equipments

and latest facilities for experimentation for Life Sciences, Chemistry, Computers, Drawing and Painting, Music, Home Science, Physics, Psychology, Statistics and Geography.

**Counseling Cell:**

A counseling cell has been set up to provide counseling services to college students to help them to deal with emotional and social problems and also to ensure healthy personality development.

**Canteen**:

Canteen is a very popular corner for students serving delicious and hygienic and wholesome food.

**Campus**

The college is housed in a huge campus. Facilities for both indoor and outdoor games are available in the campus. There is a badminton court, basketball court, cricket field, volley ball court in the college. The college has lush green lawns with ample plantation in the campus. On the occasion of Foundation day of the college, faculty and students undertake plantation drive every year.

**Auditorium**:

Savitri Bhartiya Hall is a grand auditorium that has hosted a large number of memorable functions over the years and is yet to witness many more to come.

**Hostel**:

There are two hostels, Annie Besant hostel and Mother Teresa hostel within the college campus that strive to provide comfortable accommodation for students. Admission in the hostels is given on merit basis. Two more hostels have been constructed under MADA and will be available for housing students in the new academic session.

A college which began with only 11 students and 3 teachers has now grown into one of the most popular and a populous institute with around seven thousand registered students, 177 faculty members and 65 Supporting staff has become a 'guild of quality' and a family of 'intelligentsia'.

**Candidates seeking admission to the college are welcome. They have to apply separately for the four streams- Science, Arts, Commerce and Home Science offered by the college. They are required to fill up separate application forms for the Honours and Pass courses respectively with subject combinations and code numbers. Students are also required to fill up separate application forms for each Honours subject they are seeking admission to**

## B.A. (Bachelor of Arts)-Self-Financing Scheme (Evening College) — Seats: 480

महाविद्यालय मे प्रवेश हेतु इच्छुक छात्रों की बढ़ती हुई संख्या एवं सीमित स्थानों को देखते हुए स्ववित्त पोषित पाठ्यक्रम योजना वर्ष 1995 से प्रारम्भ की गई है। इन पाठ्यक्रमो का अध्यापन अपराह्न (Evening shift) में महाविद्यालय परिसर में सम्पन्न किया जाता है। इसमें प्रवेश लेने वाले छात्रों को नियमित छात्रों के रुप मे सुविधाएँ दिये जाने का प्रावधान है। इस पाठ्यक्रम मे छात्रों की प्रवेश–पात्रता एवं विषय–संयोजन पूर्व वर्णितानुसार है जो कला स्नातक के लिए पूर्व मे दिया गया है। इस योजना के अन्तर्गत किसी भी विषय में अध्यापन उसी स्थिति में किया जाता है जबकि उस विषय मे कम से कम 15 छात्रों ने प्रवेश लिया हो। महाविद्यालय मे स्ववित्त पोषित पारी (Evening shift) मे किसी भी विषय मे विद्यार्थियों को उसी स्थिति में प्रवेश दिया जाएगा, जब प्रातःकालीन पारी (Day shift) मे उस विषय के लिए निर्धारित सीटों पर प्रवेश पूर्ण हो जाएगा।

सांयकालीन पारी में उपलब्ध विषयः– राजनीति विज्ञान, लोक प्रशासन, इतिहास, भूगोल, समाजशास्त्र, हिन्दी साहित्य, अंग्रेजी साहित्य, अर्थशास्त्र

**नोटः– विश्वविद्यालय राजस्थान महाविद्यालय में प्रातःकालीन एवं सायंकालीन (स्ववित्तपोषित) बी.ए. पाठ्यक्रम में प्रवेश हेतु एक ही आवेदन पत्र भरने की आवश्यकता है। ऑनर्स पाठ्यक्रम में प्रवेश हेतु पृथक् से आवेदन भरना आवश्यक है।**

## UNIVERSITY CENTRAL LIBRARY

The Central Library building is located near the main gate of the University. It has a sitting capacity of about 750 students. It has collection of more than 5 lac books, bound periodicals, etc. The Library subscribes to a plethora of current journals in physical form relating to various subjects. In addition, about 7500+ e-journals are available for online access under e-Shodh Sindhu Consortium. RFID system has been installed for in house operations of the Central Library.

A new building of the University Central Library has been constructed with a financial assistance of nearly 12 crore rupees from UGC under UPE grant. This building will be soon made operational.

In addition to book lending, the Library provides the following services:

- ★ Reference Service
- ★ Reprographic service
- ★ E-journals on-line accessibility
- ★ Internet and e-mail facility
- ★ CD ROM Database Search services offline
- ★ Research Reference Guidance Service
- ★ Braille Section for visually impaired persons
- ★ OPAC service
- ★ RFID facility

The books of library are classified in different categories, such as general books, text books, reference books, theses, reports. The periodicals are segregated into two groups: pre-1975 and the rest.

**THE ABU COLLECTION:**

The library has a rich collection of old documents, including the collection of erstwhile British Resident at Mount Abu, which is popularly known as 'The Abu Collection'. This includes Government reports, gazetteers, and other publications dating back to early 19th Century. These are of enormous value for historians, economists and sociologists and researchers of allied disciplines.

ABU collection is now available on Digital India in digitalised format.

## UNIVERSITY HOSTELS

The University and its constituents colleges have well facilitated hostel accommodation for the students. Hostels are earmarked for particular courses/streams. At present University is running 19 Hostels, out of which 14 are in the main campus and remaining are situated in the constituents colleges.

Every hostel has its own unique tradition and culture. Hostel life is a union of diverse cultures and different upbringings which blends into harmony for a rich and memorable experience. We not only take efforts to provide the neat and clean environment and a comfortable place to live in but encourage them to live in discipline. We understand discipline is the key to success and career building. Youth Festival is organised in each hostel every year. This festival leaves memorable imprints on hostel inmates. Inter hostel Youth Festival "Basant" is also organised to provide competitive platform for the manifestation of cultural talents of the hostel inmates.

**Note** Students who are admitted in the University departments and colleges will be eligible for admission to the University hostels. If any students fails in the main examination or do not appear in examination/ compartment/back/due, even in compulsory subject, he/she will not be eligible for admission/readmission in the hostel. Admission forms for hostels will be filled up online and hard copy of these forms duly signed by HOD/Principal are to be deposited at Chief Wardens Office and respective colleges. Students who are taking admission in SFS courses would be considered for hostel admission if the seats are vacant in the respective hostels.

Admission to these hostels is subject to applicants standing in the merit list and availability of seats.

# RAJASTHAN UNIVERSITY NETWORK (RUN)

## RAJASTHAN UNIVERSITY NETWORK

The University of Rajasthan has created the Campus Wide Area Network (CWAN) named RUN (Rajasthan University Network RUN is based on Gigabit Ethernet Technology with Optical Fiber Backbone. The core switch [Cisco 6513] is located in the Infonet Center. The Zonal switch [Cisco 4507] is located in Vigyan Bhawan which caters to the nearby buildings, University Commerce College and University Rajasthan College. University Maharaja's and Maharani's Colleges are linked through BSNL leased line.

The buildings of the University main campus are connected to Core/Zonal Switch through Optical Fiber Backbone. Layer 3 Managed switch are being used to distribute and control connectivity to each room in the main campus buildings wherever RUN is operational. Each port can be controlled through Core Switch and the network is fully manageable.

**Director**
Gupta, Shailendra Kumar

**Dy. Director**
Meena, Dalpat

### NATIONAL KNOWLEDGE NETWORK

The NKN comprises of an ultra-high-speed CORE (multiples of 10 Gbps), complimented with a distribution layer at appropriate speeds. Participating institutions at the Edge will connect to the National Knowledge Network seamlessly at speeds of 1 Gbps or higher. The network is designed to support Overlay Networks, Dedicated Networks, and Virtual Networks. Advanced applications in areas such as Health, Education, Science & Technology, Grid Computing, Bio informatics, Agriculture, and Governance will be an integral part of NKN. The entire network will seamlessly integrate with the global scientific community at multiple gigabits per second speed. The purpose of such a knowledge network goes to the very core of the country's quest to build quality institutions with requisite research facilities and create a pool of highly trained persons. The NKN while impacting the existing academic and student community will also alter the R&D landscape for future generations. The Rajasthan University Network is part of the National Knowledge Network (NKN). NKN is providing 1Gbps internet bandwidth and IP space. NKN has all IITs, TIFR, BARC, SINP, IISc, HRI, COAC, IMT, VECC, Institute of Mathematical Sciences and other premier institutions. Access of any system on NKN will utilize Intranet bandwidth. Every registered system on RUN has a unique NKN IP address. University is complying with IP Usage policy, Operations policy and Security policy of NKN. The purpose for usage of NKN network a) higher knowledge/advanced studies b) regular studies c) research development. The average usage level in a month and in a year in term of Gbps/Mbps is as 50 Gbps and 1000 Mbps. The NKN connectivity is available on 24x7 basis without any restrictions and all the telecommunications are sufficiently reliable

## OPEN SOURCE INITIATIVE

The University subscribes to the philosophy of Open Source Initiative and has adopted a policy of optimum utilization of freeware. Linux-Apache-Mysql/Perl/PHP (LAMP) platform is employed for all applications

## UNIVERSITY SERVERS

University provides many online services. The URL of University services are:
Main Web Server http://www.uniraj.ac.in
Mail & Personal Information Management Server http://daak.uniraj.ernet. in
Research Server http://www.uniraj.res.in Student Portal http://www.uniraj.edu.in Result Server http://result.uniraj.ac.in

**The University may take phase wise initiative to achieve goals like:**

- Student Server: providing mail service and web space to students (II Phase)
+ Intranet for Examination Databases (II phase)
+ Video Conferencing (II phase)
+ VoIP based Solutions for Communication facilities in all rooms (II phase)
+ Internet Banking Operations for all banking transactions (Implemented partly)
+ Intranet for paperless administration (II phase)
+ ERP for University (III Phase)
+ Virtual Classrooms and Online Multimedia based).
+ Educational Services (III phase).
± Extranet for affiliated institutions (III phase)
+ Online Library Catalogue (III phase) + Online Examination (III phase)
+ Video Conferencing with affiliated Institutions (III phase)
+ Classroom Monitoring System (III phase)

Please go through the disclaimer before viewing contents on University websites. The HoDs', Director', DR of concerned units are responsible for information on University website which is technically managed by Infonet Center

## INFONET CENTRE

The technical responsibilities assigned to the Centre are (I) to coordinate all activities pertaining to UGC Infonet project at the University end, (ii) to technically maintain access to e-journals available under Infonet project or subscribed by the University Central Library, (iii) to maintain University Websites, (iv) to maintain University Mail Server, (v) to maintain University Result Server, (vi) to maintain University Research Server, (vii) to maintain the Open Archive Repository, (viii) to manage hosting of e-content on University Server and promote e-content development, (ix) to maintain Rajasthan University Network and coordinate with the NKN

## UNIVERSITY WEBSITE

Almost all syllabi are available through the link - Syllabi on the main page of htt D://www.unirai.ac.in University prospectus and information about University, Jaipur and Rajasthan are available at a click. Several university circulars, advertisements, tender notices are made available through respective pages on Administration tab. Each PG Department has its own page. Contact details of all members of the Syndicate, Senate, Academic Council, and all faculty members are made available. E-journal access is made easy through e-journal access page.

E-contents developed by some faculty members can be accessed. The main page also provides a link to other servers viz. daak server, result server, research server and earxiv server. Students may ask the faculty members about online resources provided by them on the University website.

University website was also integrated to integrated portal on higher education website of Rajasthan State

## EXAMINATION TIME-TABLE ON WEBSITE

Examination time-table would also be made available on the university website.

## CURRENT STUDENTS TAB ON UNIVERSITY WEBSITE

Students can access information relevant to them through the "Current Students" tab available on the main page

## UNIVERSITY RESULT SERVER

A milestone achievement of the Infonet Center is the University Result Server, which was fully developed and designed on Fedora linux platform using PHP as front-end interface and MySql database at back-end by the Infonet team. With this achievement, now the University is fully enabled to keep online all the results of University examinations. Computer firms processing the University examination work are allowed to upload the result data files directly to University servers. A system for universal mark-sheet format is being evolved for quick and easy printing of mark sheets by the Examination Section.

## BLADE SERVER AND SAN SOLUTION

University has acquired new Blade Server and SAN solution because of the following reasons:

The demand for greater data centre capacity in further and higher education is rising rapidly, for reasons which include:

1. The growing use of internet media and online learning, and demands for faster connectivity from users.
2. A move to web based interfaces which are more compute intensive to deliver.
3. Introduction of comprehensive enterprise resource planning (ERP) software solutions which are much more compute intensive than earlier software;
4. Increasing requirements for comprehensive business continuity and disaster recovery arrangements which results in duplication of facilities;
5. Increasing digitization of data; and
6. Rapidly expanding data storage requirements.

Blade servers pack more computing power into a smaller physical footprint. Going a step beyond rack servers, blade systems offer the Educational institutions have some characteristics in attitude that result in special requirements for the underlying technical infrastructure used for the education process. Those requirements are quite different from those of operational businesses: Unlike enterprise systems used in their intended context within companies, educationally dedicated systems have to bear the peculiarity of the educators' usage patterns. There are three main characteristics that can be identified: long-term discontinuity, short-term discontinuity and atypical workload.

For infrastructures with multiple backup solutions, SAN allows for the consolidation of your backup and recovery process to one centrally managed software package. SAN provides the ability to backup files, physical servers, and virtual servers, among other key business applications like SQL. Not only did this prove to be an overhead cost on training of IT staff, but complicated their backup and recovery process.

## Students' Advisory Bureau

**Director**
Saxena, Deepak

Student Advisory Bureau, established in the year 1962, aims to provide information on courses and combinations available in different Universities and Institutors of India and abroad. We enhance the reach and scope of available opportunities for the students and prepare them for furure challenges. The Bureau helps the students with appropriate guidance to establish linkages with the world of work and locate career opportunities vis-avis the realities and job profiles, in the context of highly competitive occupational patterns. There is a vast gap between perception about the market demands and individual expectations. We bridge Students' Advisory Bureau them through psychological and confidence-building measures. The Bureau supports the students in the development of soft skills and develops the ability to challenge the rigors of competitive tests and on job training. It is a centre of information, guidance and counseling with free accessibility and internet based global connectivity for exchange of information on professional placements.

## UGC-Human Resource Development Centre

**Director**
Kateja, Alpana
**Dy. Director**
Singh, Nidhi

The UGC Human Resource Development Centre (known as Academic Staff College prior to April 1, 2015) of University of Rajasthan, Jaipur was established on May 11, 1988 under UGC's scheme for setting up Academic Staff Colleges (ASCs) in suitable universities across India in the wake of National Policy on Education (NPE), 1986. It was ranked as the second best performer amongst 66 HRDCs in India in the year 2012 by the NAAC peer review committee.

The Human Resource Development Centre conducts Faculty Induction Programmes/ Orientation Programmes (for newly-appointed teachers); Refresher Courses (for in-service teachers); Short Term Courses (on themes of multidisciplinary significance) Summer/Winter Schools (on a specific thrust area, open for all teachers). It also has provisions for holding special Programmes like Academic Administrators' Workshops, Principals' Meet, Interaction Programmes for Ph.D. Scholars, Non-Teaching Staff Training Programmes etc.

Since its inception to date, the HRDC has organized 113 Orientation Programmes, 362 Refresher Courses, 28 Short Term Courses, 02 Workshops, 3 Summer Schools, 2 Winter Schools. A number of Special Programmes held include a Principal's Meet, an Academic Administrator's Workshop, a Workshop on Examination Work for newly established Universities in Rajasthan, and an Interaction Programme for Ph.D Scholars. 03 online Faculty Induction Programmes under the newly introduced GURU-DAKSHATA scheme of UGC were successfully completed. 06 Faculty Induction Programmes sponsored under RUSA scheme of Ministry of Education, Government of India too were organised. So far, approximately 20,000 participants have benefitted from the various courses organized under the aegis of HRDC, University of Rajasthan.

During the financial year 2020-21, (till 31st March, 2021) the HRDC successfully organized 16 courses: 05 online Faculty Induction Programmes (GURU-DAKSHATA), 07 Refresher Courses, 01 Winter School, 02 Short Term Courses and 01 Workshop. The Refresher Courses, and Short Term Courses conceptualized by the course coordinators and subsequently approved by the UGC for the session 2020-21 were relevant and innovatively designed e.g. Refresher Course in Library & Information Sciences, Globalization and Emerging Socio-Economic Challenges (Multidisciplinary); Methodology in Social Sciences and Humanities, Environment and Sustainable Development (Multidisciplinary); Teacher Education: Learning Outcomes and Educational Reforms-Pedagogy, Assessment and Quality Assurance (Multidisciplinary); Sciences: Organic Electronics (Interdisciplinary); Visual & Performing Arts. Winter School: Quantitative Biology (Interdisciplinary), Short Term Course in Foreign Languages, Tool for Constructivist Learning and Disaster Management, and Workshop on MOOCs, e-content Development and Open Educational Resources too were held. The Schedule of Faculty Induction Programme, Refresher Courses, Winter School, Short Term Course and Workshop for the year 2021-22 sanctioned by the UGC and RUSA are displayed on University website.

HRDC is a hub of academic activities of national level. Among the resource persons invited are eminent educationists, academicians, scientists, jurists, artists, literary luminaries, social activists, journalists, critics and area experts of other fields from across India. Besides Rajasthan, the participants hail from all across India including far flung states and Union Territories like Puducherry, Mizoram and Nagaland, Andaman Nicobar, Sikkim etc.

The centre has two well-equipped AC Seminar Halls with Digital Podium, WIFI High Definition Projector with motorized screen and audio-visual aids. There is a state-of-art Computer Lab with latest version Computers and software. The HRDC computer lab, office and library have internet connectivity and WIFI made available through INFONET. The HRDC Library, with computerised catalogue facility, has a rich collection of 5769 books anda range of regularly subscribed newspapers, magazines as well as reputed journals. The building is monitored by CCT Camera system for the safety and security of the participants. From the grant of 7 crore under RUSA scheme the construction work of new HRDC Academic & Administrative Building consisting of two big seminar halls, one library, 5 office rooms, reception facilities has been completed. The HRDC has its own Guest House with well furnished 32 twin-bed occupancy rooms. The Guest House, situated behind the new HRDC building in the University campus near Gandhi circle, has all the basic facilities to make the stay of the participants comfortable. A big dining hall, modern kitchen and reception facilities have also been added recently. There is a common room for recreation of the participants.

The main philosophy of HRDC is holistic development of teachers. The concept of Orientation and Refresher programmes focus on teachers as agents of socio-economic change and national development, underlining the need to make the teachers skill-oriented. The programmes of HRDC aim to empower teachers to discover their hidden potential, hone their teaching and research skills through a positive and holistic understanding of their role in the social, intellectual and moral universe within which they function. It motivates the teachers not to be confined to the role of transmitting information but also to mentor and orient the students to meet the challenges of life: to become not merely trained professionals, but also responsible citizens with an ethical value system.

From the initial elitist and exclusivist approach, higher education system in India has become progressively inclusive. This places greater responsibility on teachers. Innovations in teaching and educational systems along with developments in Information Technology have made the work of a teacher more challenging. At the same time, a College/University teacher has to continuously update the chosen field of expertise to avoid becoming outdated and irrelevant. Essential components of the programmes run by HRDC address these issues. Especially designed Orientation Programmes/ Refresher Courses in IT and pedagogy are conducted by HRDC at regular intervals. Subject-specific refresher courses are organised to update the knowledge of the teachers in related subjects. It is also envisaged that the programmes run by the Centre must engender in the teachers awareness of and sensitivity to the problems that Indian society faces. Subject-knowledge and pedagogy would be meaningful when understood within the context of national development in totality.

## College Development Council (CDC)
