Under-Graduate Admission Brochure

UG Entrance Examination-2022
(For the Academic Session 2022-2023

EMBLEM

The University emblem consisting of two concentric circles, with the inner circle divided into two halves, one half showing the rising sun the other depicting the waters and a hundred petalled lotus emanating there from symbolizes the biunity of knowledge and action, whole and part and time eternity. The Rigvedic hymn in the space between the upper circumferences of the two circles is a prayer all powers auspicious, and an invocation of all intentions noble, all actions good and all wisdom serene.

The circle, the sun, the waters and the lotus in the emblem are all archetypes of wholeness. The mandala is a familiar motive of Indian art and iconography. The Vedic supernal sun and the surface of the mythic lotus are circular in shape (mandalakara).

The supernal sun is verily the Person (Purusha) the Divine Being, the all-whole, divided into four parts, one representing the three worlds of earth, sky and space (bhutani) and the remaining three, that is the major part representing Heaven and Immortality (amritam divi). It is this all-whole (akhanda mandalakaram) that the part (ams'a), that is man, perennially craves to unite with, through right knowledge and right action (Karatub).

The Vedic hymn then expresses nothing more nor less than the universal human yearning for right knowledge, right intentions and right action (bhadrah kratavo) to come to him from all cosmic and supra cosmic corners. And it is this ideal of right intention that they seek to inculcate among their alumni. The lotus is again the seat and seed-bed, in Indian mythology, of the goddess of knowledge (Sarswati). The waters are the ultimate source from which all manifestations proceed and are appropriately depicted in myth and art as the residue (shesha), the irreducible unknown and unshown to which everything known and shown can be reduced. The residue (shesha) is analogically the non-residual (ashesha), the endless whole (ananta).

The traditional art motifs reproduced in the emblem only intend to express and reinforce the symbolism of the Vedic hymn which our founding fathers had rightly selected as our motto.

Message

Prof. Rajesh Singh
Vice Chancellor

It's through unstinting efforts and the grand vision of the founders and predecessors that Deen Dayal Upadhyaya Gorakhpur University, Gorakhpur has attained the hallowed heights in the academic arena and created a place of eminence as a premier academic institution of Uttar Pradesh, right from its inception, in 1956 as the first University under the State Legislature of Uttar Pradesh post Independence, it has attracted faculties from far off corners of the land who created their own spaces of the global level. The alumni thus produced earned laurels in diverse areas and distinguished themselves in various high positions.

The setting in the rich agricultural heartland, the spiritual and philosophic tradition and political alertness have combined to create a unique cultural perspective that has seamlessly traversed the old with new and local with global. To envision the University as a centre with International connections is just a corollary, an idea whose time has come, albeit amidst a global pandemic. These disruptions can be source of great change and scope of innovation as proven in the course of human history. I wish to bring the University prominently not only at the national map but it should also have global prominence. Various new short term and long term courses like B.Sc. (Ag.), Engineering, Centre of Startups and Entrepreneurship designed and started in current academic session keeping in view opportunities and of employment generation. Our continuous efforts towards new paradigms involves a commitment to ensuring excellence in research, among other measures, a fellowship programme with payment of stipend is enacted in this academic session. Earn while learn is perhaps the most revolutionary platform for work-based learning. The University is honoured to support this programme.

With best wishes,

Prof. Rajesh Singh

DDU GORAKHPUIR UNIVERSITY

ABOUT US

Deen Dayal Upadhyaya Gorakhpur University, established in 1957 by the Uttar Pradesh State Universities Act, in its long eventful journey has constantly striven to live up to its motto, "आ नो भद्राः क्रतवो यन्तु विश्वतः" (Let noble thoughts come to me from all directions) by assimilating diverse ideas, people and beliefs into its academic life. The geographical location of the University is 26.7480 degrees North (latitude), 83.3812 degrees East (longitude). The University, the first to be established in Uttar Pradesh after Independence and named after the great political thinker, Pandit Deen Dayal Upadhyaya is located in the holy city of Gorakhpur and inherits the spiritual and philosophical legacy of Buddha, Kabir and Guru Gorakshnath. Spread over 191.21 acres, including main campus and Maharana Pratap Campus. It has 6 faculties comprising of 29 departments offering 46 under graduate and post graduate programs and International research fellowships, sports fellowships, research fellowships that
have been playing a significant role in imparting holistic education to the people of the Eastern region since its inception. The university had total 12407 regular and 7305 private students enrolled in different programmes (2021-22). As the residential-cum-affiliating State University it can boast of a rich academic legacy, illustrious alumni, experienced, qualified and dedicated faculty members, transparent, effective and responsive administrative set up, state-of-the art library, Wi-Fi campus, ample career growth opportunities for its students, advanced research facilities and a vibrant and safe campus. With its cherished goal of nourishing creative talent and scientific temper among its students and sensitizing them to larger socio-economic and political realities, the University aspires to contribute meaningfully to regional and national development.

VISION

To be an institution of academic excellence, generate knowledge through research by integrating local wisdom with global expertise, nurture talent and promote intellectual growth in keeping with the University motto of "आ नो भद्राः क्रतवो यन्तु विश्वतः" (Let noble thoughts come to me from all directions) and serve humanity with a commitment towards social, economic, cultural and spiritual development of society and the nation.

MISSION

- To provide the students with an academically congenial and safe environment conducive to their holistic development.
- To achieve and ensure intellectual excellence through effective teaching, latest research and relevant co-curricular activities.
- To equip the students with academic and professional skills, ethical values and leadership qualities to enable them to contribute towards social, regional and national development.
- To sensitize the University fraternity to the needs of the region through knowledge-transfer and outreach programmes.
- To strive towards the optimum use of available resources in making the campus sustainable, clean, green and eco-friendly.
- To promote the principles of social, cultural and religious co-existence among the students, faculty members, administrative officers and ministerial staff of the University.

CORE VALUE

Academic Excellence: The University constantly endeavours to achieve the highest standard of excellence in research, teaching and learning across disciplines.

Intellectual Growth: The University aspires to encourage the growth of the intellect by continual scholarship, debate, discussion and innovation.

Commitment towards Holistic Development: The University is committed to the social, economic, cultural and spiritual development of its students and faculty members by fostering in them a sense of social responsibility.

Accountability: The University is committed to promote accountability among its stakeholders by nurturing transparency, respect and tolerance.

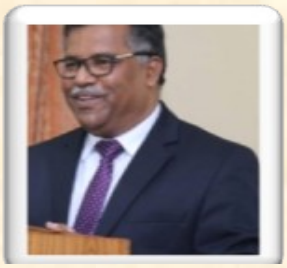

Environmental Awareness and Sustainability: The University actively promotes environmental consciousness among its members by adopting environmentally sustainable practices.

Service to the Nation: The University is committed to national development by cultivating the virtues of social inclusiveness, communal harmony, national integration, economic development.

DEEN DAYAL UPADHYAYA GORAKHPUR UNIVERSITY

Deen Dayal Upadhyaya Gorakhpur University, Gorakhpur hereby invites online applications for admission to various undergraduate programmes (excluding B.A./ B.Sc. (Biology)/ B.Sc. (Maths), B.Com. and B. Tech.) in the residential campus and affiliated colleges from eligible candidates for the academic session 2021-22. Details related to admission, programmes, Undergraduate Entrance Test schedule and qualification are available on the website **www.ddugu.ac.in.** Candidates desirous of admission are advised to keep checking the above mentioned website regularly for authentic information related to admission. In the following programmes, the Undergraduate Entrance Test-2021 will be conducted jointly for admission to the University Campus, and Affiliated Government/ Aided/ Self-Financed Colleges.

Under Graduate Programmes

S.N.	Faculty	Courses Offered	Available Subjects
1	Agriculture	B.Sc. (Ag.)	Agriculture Science. 20% seats for students may enrolled from B.Sc. (Maths/Bio).
2	Arts	B.A.*	Ancient History, History, Economics, Political Science, Hindi, English, Sanskrit, Urdu, Philosophy, Education, Psychology, Visual Arts, Mathematics, Statistics, Defence & Strategic Studies, Performing Arts, Geography, Home Science, Physical Education, Sociology, Pali
		B.J.	Bachelor of Journalism (Three Years course)
3	Commerce	B. Com.*	Commerce
		BBA	Bachelor of Business Administration
4	Engineering	B. Tech.* 20% seats for students may enrolled from B.Sc. (Maths/Bio).	Computer Science Engineering Electronics and Communication Engineering IT and Communication Engineering Mechanical Engineering
5	Science	B.Sc.* (Maths Group)	Mathematics, Physics, Chemistry Mathematics, Physics, Electronic Mathematics, Physics, Statistics Mathematics, Physics, Computer Science Mathematics, Statistics, Computer Science Mathematics, Physics, Defence & Strategic Studies Mathematics, Statistics, Defence & Strategic Studies Mathematics, Physics, Industrial Chemistry Mathematics, Chemistry, Industrial Chemistry
		B. Sc.* (Bio Group)	Botany, Zoology, Chemistry Botany, Zoology, Defence & Strategic Studies Botany, Chemistry, Industrial Microbiology Zoology, Chemistry, Industrial Microbiology Botany, Zoology, Industrial Microbiology
		B. Sc. (Home Science)	Bachelor of Home Science
		B.C.A.	Bachelor of Computer Application
		B. Sc. (BPT)	Bachelor of Physiotherapy
6.	Medicine	B. Sc. (MLT)	Bachelor of Medical Laboratory Technology
7.	Law	LL.B.	Bachelor of Law (Three Years)
		B.A. LL.B.	Five years integrated course
8.	Education	B.P.Ed.	Bachelor of Physical education

*For these courses, Entrance Test will be conducted only for admission to the Residential Campus of the University. Admission to affiliated Colleges will be done by the concerned College as per provisions.

International students Super Hundred Sportspersons shall be exempted from entrance examination.

Note: -

- Other details regarding the availability of programmes /Subjects /Seats for admission through the Entrance examination in the University Campus and affiliated Government / Aided/ Self-financed Colleges are described in **Appendix-A**. Admissions will be made in institutions relative to the seats available in the courses detailed in Appendix-A.
- Programmes B. Sc. (MLT); B. Sc. (BPT) are available in Colleges only.
- B.P.Ed. is available in Colleges only.

Schedule of the Application for the EntranceTest-2021*

S.No.	Description	Dates
1.	Online application commencement date	**01.04.2022**
2.	Last date for online application process	**31.05.2022**
3.	Entrance Date	**26.06.2022 onwards**
4.	Declaration of Results	**Soon after the exam is over**

***In view of Covid-19, as per the instructions of the Government of Uttar Pradesh the dates of conducting the Entrance Exam will be announced later on the University website www.ddugu.ac.in.**

Registration Fees

S.No.	Category	Fees (Rs)
1.	**General and OBC**	**800=00**

CAMPUS

The abundance of greenery in and around the campus is the most striking feature of the University's landscape. The University makes great efforts to maintain and preserve its greenery and therefore, encourages and promotes green practices within the campus. The University has a parking space for two-wheeler vehicles of students near the entrance gate of the University that necessitates most students to go walking to their respective departments. Moreover, the location of the different faculties within easy walking distance from the main entrance gate does not cause much inconvenience to the students. As the entry of vehicles is restricted in the premises, the entire campus becomes pedestrian friendly. The University is committed in its goal of making the campus a Plastic–free Zone.

CENTRAL LIBRARY

The Central Library of Deen Dayal Upadhyaya, Gorakhpur University was instituted in the very first year of establishment of the university. This library building is set up in about four thousand square meters area where approximately four lakhs of text material is stored. It works for the services of more than fifteen thousand students of the six faculties of the University, teachers, employees and researchers coming here for their research work.

There is a huge reference room on the first floor which is also known as Gandhi Hall. Excellent reference books like dictionaries, Encyclopedias, Directories, Bibliographies, Year-Books, Almanacs, Gazetteers, guide-books, maps, atlases, Handbooks, manuals and statistical sources etc are placed here. There is also a research Journal Section on this floor. Internet-equipped computers for teachers and researchers and special Braille enabled computers have also been installed for visually impaired people in the library.

GREEN CAMPUS

Our University has Ex-situ conservation of plants in the forms of botanical garden called Educational Research Botanical Garden (ERBG). It is spread in in 4.5 hectare land area. It has a pond containing aquatic flora, one green-house and one glass house. A Navgrah vatika and medicinal plant garden is also maintained in it. It has bambusetum, having different varieties of bamboos. It boosts of rare and endangered plants maintained in it like: *Gloriosa*, *Elaeocarpus* (Rudraksh), *Zamia*, sandal, *Ophioglossum*, rare turns, palms etc. It has many gymnosperms, pteridophytes and bryophytes in it along with angiosperms. It has 120 years old banyan tree, decorating the garden with its magnanimous presence.

COMPUTER CENTRE

Computer Policy which seeks to regulate the Computer related Institutions and Industries have certain determinants. The department of regular structure embodied in the Computer Policy in the role that Government envisages for Computerization. In, this Continuation, The UGC has been helping Universities and Colleges through several general as well as specific schemes to keep pace with the developments, it has been assisting the Universities for setting up Computer Centres since 1970 for Research and Training, applications of Computers in every fields/subjects and supporting the development of PGDCA, M.Sc.(Computer Science) and other programmes & computer application papers in several disciplines. University Grant Commission (UGC) given important direction and permission to established the Computer Centre.

DIKSHA BHAWA

There is a big auditorium housed in this building. All the major events including convocation, Literary meets and various seminars/conferences of this University are conducted in this building. It consists of 30 rooms, 3 big halls and one auditorium. All the main examinations including entrance tests are conducted in Deeksha Bhawan. It boasts approximately 750 people sitting capacity and a large spacious stage. The examination building constructed to complete the university examinations is enlarged and beautified as the 'Deeksha Bhavan'. In this building the classes of the undergraduate (women) are also conducted.

THE ART GALLERY

The first art gallery established in 1994 in Purvanchal region, which is named after '16 Amrita Kalas' of Purnima (full moon). Co-incidentally, a world-class artist Amrita Shergill belongs to this place. Amrita Kala Vithika situated in the campus of Deen Dayal Upadhyaya Gorakhpur University, Gorakhpur is identified as one of the state-level art galleries. In this art gallery various performances including musical and dance performances, solo and group exhibitions of local, national and international artists have organized. Annual regional art exhibitions are conducted in Amrita Kala Veethika (Art Gallery).

THE EXAMINATION & EVALUATION CENTRE

The Examination and evaluation centre of the University contains twelve big halls from ground to second floor. This building caters need of evaluation of different University examinations. Keeping in view, the large affiliation of colleges, this building is quite useful because evaluation of large number of regular and private students of different classes can take place simultaneously therefore total time taken in evaluation has reduced sharply. So, now results are out in short span of time. The building is also used for pre and post activities of examination.

SAMVAD BHAWAN

Cultural activities are an intrinsic part of University life of the students of the University. The concerned authorities always endeavour to provide a platform for enhancing the creativity and grooming the personality of the students. University has a fully air-conditioned auditorium, Samvad Bhawan, with a seating capacity of 250, equipped with modern amenities. It is used for various cultural and academic activities of the University and its Departments.

MUSEUM ANCIENT HISTORY

The Department of Ancient History, Archaeology and Culture houses Arts Museum (Acharya Vishwambar Saran Pathak Museum) of the University that contains a rich collection of lower Palaeolithic, middle Palaeolithic and upper Palaeolithic tools, Mesolithic and Neolithic tools, rare gold, silver and bronze coins of the earliest period, the Gupta and Kushan periods and many objects of archaeological importance acquired through excavations in nearby places.

HOSTEL

The University provides hostel facility for boys (Sant Kabir, Gautam Buddh, Swami Vivekanand and Nath Chandrawat hostels) and girls (Maharani Luxmibai and Alaknanda hostels). The hostels are equipped with facilities like internet, common rooms, separate TV and visitor's room, playground, etc.

HEALTH CENTRE

In 1966, the foundation stone of the present Health Centre building was laid. The aim and objective of this centre is to provide the proper medical facilities to the students and staff members of the University. Health centre functions under Dean Student Welfare (DSW).

The Centre is equipped with a team of full time and visiting Medical Professionals. The Centre facility has a waiting hall with chairs, public utilities like drinking water and toilets. Wheel chairs and attendant are there to help sick patients. The University also has an ambulance stationed at the university campus.

SCIENCE MUSEUM

The Science Museum in Department of Zoology, Pant Block, D.D.U. Gorakhpur University, Gorakhpur is one of the major attractions among students of University, affiliated colleges and schools of Gorakhpur. It showcases the diversity of animals from Protozoa to Mammals. These rich collections of rare animal specimens in the museum are laid out in a taxanomic fashion. The museum was established with inception of the department in the year 1958 for student teaching and education. The collections are result of over 62 years of teaching and research activities of students and staff. The museum's huge collection contains about 10000 specimens as various skeletons of Mammals, Aves, Reptiles, Amphibians, Fishes, stuffed body of various birds and preserved specimen collection of poisonous and non-poisonous snakes, marine and fresh water fishes, mollusks, corals and other rare animals offering an insight into the biological diversity. The museum houses a life size, complete stuffed body of ostrich and a rich collection of insects as its pride possession. The museum with collection of an extensive range of specimens aims to preserve and showcase the diversity in animal kingdom with a display about evolutionary biology.

POORVANCHAL MUSEUM (MOHAN SINGH BHAWAN)

Symbols of history and culture are the pioneers of living societies. Museums are not just the buildings but also for important communication between past and present. In the same spirit, the concept of Purvanchal Museum was conceived in the year 2012 at Deen Dayal Upadhyaya Gorakhpur University to keep the regional culture and heritage memorable. The brilliant thinker and the then Rajya Sabha M.P. Late Mohan Singh, through M.P. fund, made a special contribution of Rupees 2 crores to make the museum tangible. After this, the exercise of informing the museum and opening for culture lovers started. It was duly started by Vice Chancellor Prof. Vijay Krishna Singh on 23rd May, 2018. In the coming days, the museum will include the folk culture and equipment of this region and there are plans to showcase short films on various occasions.

NATIONAL CADET CORPS (NCC)

The main objective of NCC is to communicate companionship, discipline, leadership, secularism, thrill and selfless service among the youth of the country and to provide appropriate environment to the youth to pursue a career in the armed forces. With the establishment of Deen Dayal Upadhyaya Gorakhpur University in 1957, the National Cadet Corps was established in the university to serve the above objectives. 254 cadets of army of 44 UP battalions are attached and getting trained in the university.100 women cadets of 15 battalion are also under trained in the University. At present a total of 354 NCC Cadets are undergoing training at the University. NCC group of the University actively participates in socio-environmental activities and situations of natural disaster.

ROVERS & RANGERS

DDU Gorakhpur University, Gorakhpur conducts Roving & Ranging activities for its students studying in its campus and affiliated colleges. Through scouting activities, Rovers & Rangers are made aware of such skills which are useful for life. A skilled Rovers & Rangers are able to lead a joyful life using the least resources in odd circumstances and inspire others to do the same. These activities develops the ability for leadership, general guidance and self-control among the youth. At the same time, living in a group, working together, learning from each other and collaborating with each other becomes a natural quality of the Rovers and Rangers, which keeps them motivated to serve society and the nation.

NATIONAL SERVICE SCHEME (NSS)

NSS at DDU Gorakhpur University is striving to achieve the objective of developing the personality and character of the student through voluntary community service. The university has 11 units out of which 7 units are for boys and 4 units are for girls. Various activities have been carried out under the scheme such as: Awareness program on Education, Health, Social issues, Plantation of tree, Voting awareness programme, various welfare drives in rural areas, etc. These activities help in development of a sense of social responsibilities in youth.

CITY DELEGACY

In accordance with the provision of Section (19) of the Universities Act and according to Act (8), Delegacy was established in July 1958, in which rights and duties under the Act were vested at various levels. Delegacy is the medium for physical, mental and cultural development of students studying in the university who do not live in university hostels. Delegacy is a powerful means of improving the hidden talents of students and exposing it at university level.

SPORTS FACILITIES

The university promotes multi-dimensional growth with emphasis on an integrated physical and intellectual learning and training. The Athletic Association and Sport Complex at DDU Gorakhpur University is devoted to the practice and training of indoor sports for example Judo, Yoga, Taekwondo and Table Tennis. The academic activities of physical education are also included in the sports complex. Practice of Basketball, Judo, Athletics and football are regularly conducted. The University has produced a few players of international repute in Judo, Athletics and Taekwondo who have represented India in reputed International competitions and brought laurels for the University and the Nation.

IGNOU STUDY CENTRE

The Indira Gandhi National Open University (IGNOU), New Delhi, has opened a study centre at DDU Gorakhpur University in 1987. The study centre is offering courses of UG and PG level, a dozen of diploma courses and more than three dozen of certificate courses. This study centre would provide alternative education system for the ever changing need of ambient of learning in adjoining areas of varsity.

UGC-HUMAN RESOURCE DEVELOPMENT CENTRE

The UGC-Human Resource Development Centre, DDU Gorakhpur University, Gorakhpur earlier known as Academic Staff College was established in 1988 by the UGC. The Centre organizes orientation programmes, refresher courses and short term courses for the University/ College teachers.

PLACEMENT & TRAINING CELL

DDU Gorakhpur University takes up it as a challenge to develop essential skills and help our students have a job for livelihood. We take it as one of the primary objectives of the Higher Educational Institution to equip the students and achieve a respectful employment. Keeping in line with this, we continuously strive to: Extend guidance for a planned and satisfactory job and career, Sensitizing the students to changing job demands and the essential skills accordingly, Motivating and educating students towards new job opportunities, Guiding the students for selecting the job and career in a scientific manner by using socio-psychological techniques and models, Helping the students organize career, competitions and job-related programs for the wider benefit of the students as a whole, Sensitizing students to the entrepreneurship and self-employment, Introducing extraordinarily successful in careerists and entrepreneurs as role models to motivate for higher goals and extraordinary achievements, Promoting Campus Placement through concrete plans and strategy and Helping local business, industries and entrepreneurial activities by developing essential job skills as per their specific needs.

EMPLOYMENT OFFICE

Employment offices at DDU Gorakhpur University run under the Department of Training and Employment are provided with employment opportunities to the registered unemployed candidates in the office relative to the vacancies notified by the planners. As well as unemployed candidates are given employment opportunities through career counselling. Inviting private sector planners to organise employment fairs is also done by the Department to provide more employment opportunities to the unemployed.

INTERNATIONAL CELL

International Cell welcomes the International students wishing to join different programmes of the University for higher studies. The Cell look after the matter related to admissions of International Students in terms of procedure, process, admission, and related administration. The Cell also advises students on the matters related to application, admission, fees, arrival services and orientation.. The International Cell is responsible to provide all necessary help to International students regarding: How to choose course of study, How to fill in the application form for admission, Course information, academic qualifications, Orientation, Visa formalities, Accommodation/Hostels, Fees and any other issues. The Cell coordinates with Ministry of External Affairs, different embassies and consulates for various purposes including the scholarships on behalf of the students. The Cell also conduct student exchange program and provide fellowship to international students.

INTERNATIONAL STUDENTS

In the age of globalization, the University has set out to make its presence felt globally through internationalization of its programmes and opening new avenues of association for international student community. The International Students registered in this University since its inception, belong to following countries: Nepal, Thailand, Nigeria and various other countries. The University plans to provide fellowship to International students who joins its programme under Student exchange program.

INCUBATION & ENTREPRENEURSHIP CELL

The Incubation and Entrepreneurship Cell at DDU Gorakhpur University aims at manifesting the latent entrepreneurial spirit of the students. The Cell is keen to host various workshops, speaker session, and seminar for aspiring entrepreneurs and support them by providing necessary resources such as funding, mentoring, consultancy and networking. The Cell targets to help in the development of India's entrepreneurial ecosystem by enabling easy and efficient interaction between its major components spanning students, working professionals and existing entrepreneurs. The Cell aims to support start-ups in the area of Agri-business, Food Processing, IT services, Waste Management, etc. The Cell has already launched Zero Waste Campus start-up under which the waste of the campus is converted into the Organic fertilizers and various other start-ups are in pipeline.

DEAN STUDENT WELFARE OFFICE

Office of Dean Students' Welfare functions as a nodal centre to promote cooperation and fellowship among students on campus. It is actively involved in coordinating activities for the welfare of students. It aims at social harmony and campus peace. The students are encouraged to give expression to their talents to enrich our social fabric and improve campus life besides pursuing their academic targets. This aims at shaping students into social assets, making them complete citizens alongside their academic accomplishments. This office coordinates scholarships of Central and State government and different programme for Students e.g. Cultural, Sports, Health awareness camp, Literary activities, Youth Festival, Educational and Cultural tour, etc. This office also runs Information Centre to address the doubts and problems of students studying in the university. Office also runs the **EARN WHILE LEARN SCHEME** which was launched by Hon'ble Chief Minister of UP and Hon'ble Chairman of UGC. Under this scheme the students are engaged for work in various offices of university for two hours per day for maximum 15 days in a month. The students are paid Rs. 100 per hour. Through this scheme student can earn money while studying in the university.

COURSES OFFERED BY DDU GORAKHPUR UNIVERSITY

DDU Gorakhpur University offers a wide range of courses to its students. It has strived to establish itself as a successful institution in every stream of education. The DDUGU has innumerable courses and subjects of specializations that students can choose from depending upon their preferences and aptitude. DDU Gorakhpur University also offers B.Sc. (Ag.) and engineering programmes. DDU Gorakhpur University has also entered a Memorandum of Understanding (MoU) with the Other Institutions/University of India and abroad for providing its students with National/Global level training, research, and academics. There are different eligibility criteria for different disciplines that are provided by the DDU Gorakhpur University. Students can pursue Arts, Science, Agriculture, Engineering, Management, Humanities, etc. from this versatile university and its courses.

FACULTY OF ARTS

The study of the arts in recent years has been enriched by methods and insights from many fields, such as sociology, psychology, history, linguistics, cultural studies, political science, economic history, Fine arts and physical education studies. The University outlook has been formulated in response to new ways of thinking about culture using a wide array of critical and theoretical approaches. During the course of their studies, students are introduced to a range of research methods that combine archival, ethnographic, theoretical and cultural approaches and are encouraged to create theory-practice interface. The faculty also encourages students to visit museums, exhibitions, and monuments. The University frequently hosts interactive sessions with eminent scholars and practitioners from within the country as well as from overseas.

LAW FACULTY

DDU Gorakhpur University is a premiere University of legal studies in the country which imparts quality legal education. The University's goal is to create a set of socially responsible legal professionals who possess the skills that the industry and profession expects of them. DDU Gorakhpur University curriculum of Law has been designed by eminent academicians and professionals with extensive care to cater to the upcoming needs of the legal arena. DDU Gorakhpur University is offer a wide range of specialisations enabling students to realise their full potential.

It provides theoretical knowledge with practical sessions in law through moot courtroom sessions, counselling sessions, and guest lectures. DDU Gorakhpur University presents a five year integrated B.A.LL.B, LL.B degree (Three Years) and a two year Master's LL.M. program. The main goal is to groom a set of socially committed legal professionals who stand for justice under all circumstances. The skills our students learn at Department of Law are bound to set them apart from the crowd. We provide our students with a unique academic learning ambience through modern pedagogical tools of legal education.

SCIENCE FACULTY

India's policy-making bodies and science academies express that the country needs to produce young scientists in sufficient quality and numbers as well. Something that is only possible when schools come up with science curriculums less burdened with theories and more organically linked to students' experiences with opportunities to do things "hands-on". Science studies and degrees in India must emerge as something alive, fallible and therefore exciting.

DDU Gorakhpur University is one of the best science faculties in India one should meet the broader aims of science education and encourage potential students to be eager to study science. We also provide distinctive learning and research opportunities - both inside and outside the classroom. The dynamic, personalised education system of DDU Gorakhpur University includes hands-on learning in the laboratory, close interaction with faculty and staff, and internship opportunities. DDU Gorakhpur University brings innovative pedagogy with a course structure balanced between theoretical knowledge and its real-life application with ample practical subjects distributed throughout the syllabus. Students can pursue postgraduate courses after graduating in the relevant field. There are plenty of career options.

COMMERCE FACULTY

As trade and industries expand, become more complex, government regulations turn more pervasive, national and international firms compete for markets – the principles and techniques of doing business become more critical for success. Irrespective of the private or public sector, all businesses and economic activities use the functions to plan, organise, administer, control, produce market and distribute goods or services.

DDU Gorakhpur University for Commerce & Management Sciences offers programmes that are specifically designed to give a sound understanding of business, economics, their methods and functionalities and also their inter-relationships. In addition to this, we inculcate in students an understanding of modern business and commerce which helps to create awareness about emerging new business opportunities plus ways of harnessing them, understanding the constraints and developing analytical, business skills to overcome them in a real business situation.

Career prospects

Right from employment to entrepreneurship, the opportunities are in plenty with vacancies in private and public sectors, various industries, banking and financial institutions including the retail market.

Job areas are Accountancy, General Business Management, Finance and Financial Consulting, Business Analysis, Strategic Management and Planning to name a few.

B. Sc. (Agriculture)

B.Sc. Agriculture is a degree course in the field of agriculture and its applications. The study of this course consists of agricultural science and the effective implementation of modern agricultural techniques and equipment in practical applications. As India's economy mainly relies on agriculture aspirants can understand the importance of this course at a professional level. The government has recognized this course as a professional degree course to be studied on a large scale. Students willing to take admission for this course should have a basic understanding of this field and a creative attitude towards it.

There are more modern aspects to be studied during this course. Students can gain some in-depth knowledge of soil science, water resources and its management, animal husbandry management, land surveying, and few aspects of biotechnology. The basic methodology behind the course curriculum is to teach students to create a modern and effective ways of agriculture in order to improve overall productivity. Students can learn all these basic aspects and implement them while performing practical in the field. Agricultural science also has disciplines such as agronomy, horticulture, plant pathology, entomology, soil science, food technology, agricultural economics, home science, fisheries, forestry, and veterinary science. Students can study these subjects as specialization during their master's degree course.

Engineering Course (B. Tech.)

Engineering is one of the oldest professions in the world. Since the advent of time there has been a need for innovative thinkers who can provide scientific solutions for complex problems. DDU Gorakhpur University understands the sanctity of the engineering profession To keep up with the ever changing demands of the engineering industry, DDU Gorakhpur University offers students an industry-compliant curriculum and placement assistance to all students through a massive annual recruitment drive. The core branches are-

Computer Science and Engineering
Electronics and Communication Engineering
Information Technology Engineering

Fellowship at DDU Gorakhpur University

DDU Gorakhpur University offers several fellowship schemes to its students. The fellowships at DDU Gorakhpur University are given mostly on merit basis. These are-

A. Maha Yogi Shri Guru Gorakshnath International Fellowship

It is offering numerous grants and projects in the University. Creating high end relations with top Universities of world and obtaining a name for it in education platforms. It has been identifying Global Experts to support various academic activities and encourage excellence and research collaboration. All the programmes of study are open for international students.

B. Maha Yogi Shri Guru Gorakshnath Fellowship for Super Hundred Sportspersons

The main objective of this Fellowship is to prepare and nurture selected players/students of different sports for high performance at National and International level.

This Fellowship will provide free meal, free hostel, free education and free coaching to the selected sportspersons/students to be admitted in the following programs:

- Bachelor of Arts / Bachelor of Science/ Bachelor of Commerce/ Bachelor of Computer Application/ Bachelor of Agriculture/ Bachelor in Business Administration/ B.A. LL.B.
- The number of seats will be 100 per year (20% reserved for female candidates).
- The eligibility of the candidates for this Fellowship will be as per the courses offered.

In addition, the candidates should have National level sports participation, in a tournament duly recognized by the respective Sports Federation/ Indian Olympic Association/ State or Central Government.

Deen Dayal Upadhyaya Gorakhpur University, Gorakhpur

General Rules for Admission to Various Undergraduate Courses

- The instructions related to the admissions given here are as per the Act, Ordinances, Rules & Regulations of the University.
- Candidates need to apply separately for each Undergraduate programme except for B.Sc. (Maths/Home Science/) and for B.Sc. (Bio/Home Science).
- In various programmes, the number of seats for admission in University Campus and affiliated Government/ Self-financed Colleges through the Joint Entrance Test being conducted by the University is predetermined. **See Appendix 'A' for a detailed description.**
- **Admissions to Minority Colleges will be in accordance with Government Order No-2651 / Sattar-2-2003-16 I92I /2002 Dated 02 July, 2003.**
- **Reservation will be subject to the latest provisions of the government (Only for University Campus and affiliated Government /Aided Colleges).**
- Order of Merit will be determined as follow -

If two or more candidates have secured equivalent marks/rank in the merit index, then the merit for admission will be determined as-

1. The candidate who has secured higher percentage of marks at 10+2 or equivalent examination will be given preference.
2. If the marks secured in class 10+2 or equivalent examination are the same in such cases then in that cases the older candidate will be given priority.

- As directed by the Hon'ble Supreme Court, action will be taken against the students who indulge in incidence like ragging during studentship.

	A. Vertical Reservation: For Domicile of UP only	
1	Scheduled Caste	21 Percent
2	Scheduled Tribe	02 Percent
3	Other Backward Caste (Non-Creamy layer)	27 Percent

(B) EWS **10 Percent**

As per the Government order no. Personnel Section- 2 number-3 / 2019 / 4 / 12002 / P-2 / 19T.C.-II, dated 14 March 2019, reservation will be provided to the Economically Weaker Section (EWS).

To get the benefit of reservation, candidates will have to produce the latest certificate issued by the competent authority of their district i.e. District Magistrate / Additional District Magistrate/Tehsildar, at the time of admission; otherwise claims on reservation may be rejected. Candidates belonging to Other Backward Classes are required to produce their latest Caste Certificate issued by the competent authority which clearly mentions that they do not fall under the Creamy Layer as per the State Government's latest provision.

It is to be informed that government's latest reservation related mandates will be followed.

(C) Horizontal Reservation	
Specially Abled (Divyang)	5 Percent
Dependants of freedom fighters (son / daughter / grandson / granddaughter / great-granddaughter)	2 Percent

(a) Travel Grant at actual up to a maximum of Rs.1,00,000/-
(b) Sustenance fund @ $1000/- per month for a maximum duration of six months.
(c) Contingency $1000/- for 3 months stay and $2000/- for full 6 month stay.

- **Maha Yogi Shri Guru Gorakshnath Fellowship for Super Hundred Sportspersons**

The selection procedure for this Fellowship will be as follows:

The shortlisted candidates will have to go through a selection process of physical fitness test and specific sports skill/performance test to be conducted in front of competent commitee.

- Physical Test
- Sport Specific Skill
- A write up on Maha Yogi Guru Gorakhnath
- Merit for admission will be made on the basis of this selection process and their last three year's achievements in sports.

The Games/sports offered for this Fellowship will be as follows:

Athletics, Archery, Hockey, Football, Judo, Taekwondo, Basketball, Badminton, Tennis, Cricket, Volleyball, Kho-Kho, Kabaddi and Wrestling.

The selected candidates are required to fulfill minimum 85% of ground attendance. The period of participation in sports tournaments/ coaching camps will be treated as attendance. The attendance in academic classes will be as per University norms.

The selected students will be annually evaluated through their yearly sports performance in Inter-University/ State/ National/ International level competitions and testing procedure as decided by the committee constituted by the Vice-Chancellor.

- In the Undergraduate programmes of the University campus, seats are earmarked for the candidates who have participated in the State / National / International sports. Admission under this will be given as per the criteria set through the competent committee nominated by the Vice Chancellor. **Candidates have to necessarily indicate it at the place specified in the application form**. If the admission of a candidate with such option is not done on merit basis, then the person will be issued information for admission in sports quota through proper channel. Applicants shall have to appear with a State / National /International level Sports Certificate. Under the sports quota, admission will be possible relative to the faculty-wise allocated seats. This facility is available for the University Campus only.

Faculty of Arts	10 Seats

Admission Procedure

After the Entrance Test, candidates need not fill choice of institution for B.A, B.Sc. (Biology), B.Sc. (Mathematics), B.Com and B. Tech, as admissions to these programmes is restricted to the University campus only.

Candidates need not fill the choice of institutions for B.Sc. (M.L.T), B.Sc. (Physiotherapy) as these programmes are available in only one affiliated College.

For admission to B.B.A, B.C.A, B. Sc. (Agriculture), B.Sc. (Home Science) and BA. LL.B programmes, according to availability in the Colleges, applicants will print the hard copy of their application for the chosen programme and thereafter make the maximum possible options online (choice filling) according to the opted programme.

Applicants can fill the choice of the Colleges in order to preference within three days of the declaration of the results of Entrance Test. The choice of the preference of Colleges has to be done separately for different programmes.

Candidates found eligible shall be given provisional admission based on their choice of programme, Entrance Test score and permissible weightage. Admission shall be given strictly according to the order of merit and the availability of seats.

Keeping the reservation rules in mind, the admission process shall be conducted in the following manner

- University Campus
- Government and Aided Colleges
- Self-funded Colleges

The list of students allotted to the University/Colleges will be made available on the website in accordance with the respective programmes.

Admission to the Undergraduate programmes available in the University campus shall be done through **online counselling** in the following manner –

Applicants selected in the list for the University campus shall appear for the counselling and verification of their documents at the time and place decided by the University. The information regarding this shall be available on **www.ddugu.ac.in.**

After the verification of the documents, the subject combinations allotted to the candidates on the basis of merit shall be uploaded on the University website.

Note:

- Only those candidates can opt for Home Science who have studied Home Science at the 10+2 or have qualified Intermediate Test in the Science stream.
- Only those candidates can opt for Geography who have studied Geography at the 10+2 or have qualified Intermediate Test in the Science or Agriculture stream.
- It shall be compulsory to opt for Mathematics along with Statistics.
- **Every subject has of fixed number of seats. Change of subject shall not be entertained after the admission.**

Note: Industrial Chemistry and Industrial Microbiology subjects are being run under the self-finance scheme.

(iii) Candidates will have to deposit their prescribed fees online (through Net Banking/Debit card /Credit Card etc.) within the prescribed time and date (maximum 03 days) and ensure admission. In case the selected candidate fails to deposit his/her fees by the due date, the seat shall be considered vacant and offered to other candidates in order of merit.

(A) Admission will be done on the basis of the list according to the syllabus of the State / Aided College (under the relevant rules). On the basis of the issued list, the candidate will have to go to the respective College with all the original certificates and complete the admission process by the due date.

(B) For admission in Self-Finance Colleges the admission will be done on the basis of the declared merit list (except those mentioned in 4b of page 4). The candidates must appear in the allotted College along with all the original certificates and complete the admission process. At the time of admission, the candidate has to present all the original certificates along with their self-attested photo copies (Aadhaar card, mark sheet, Caste Certificate, Over -representation certificate, Disability/Ex-serviceman/dependent of freedom fighter/ Kashmir displaced/Kashmiri Pandits residing in Kashmir valley/Ward of Kashmiri Hindu family/Kargil martyrs, Divyang certificate, Transfer Certificate/Character Certificate provided by the Principal of the institution last attended, etc.) to the Admission Committee. Candidates who have passed from other boards / institutions (like CBSE, ICSE and other boards) besides Uttar Pradesh Secondary Education Council will also have to bring a Migration Certificate

9. It will be mandatory to register the name of the selected candidates after submission of required fee in the concerned Faculty Office/College; otherwise their admission is liable to be cancelled.
10. Original Certificates regarding details of any Category, Sub category or Weightage filled in by the candidates in the application form shall have to be produced at the time of admission. In case of the candidate not being able to produce the original certificates, he/she shall be deprived of the benefit and the merit list is liable to be changed.
11. The candidate will have to declare to the effect that there is no criminal suit against her/him and in future if any FIR is registered, her/his admission shall be liable to be cancelled.
12. The University reserves the right to deny admission to any candidate without assigning any reason.
13. **The candidates shall compulsory by have to produce their admit cards at the time of admission and so they are advised to keep them safe.**
14. Entrance test dates for various programmes shall be available on the University website.
15. All the forms / records related to the Entrance Test will be preserved only for six months from the date of completion of the Entrance Test.
16. Candidates who have passed the qualifying Test before the year 2020 will have to produce **an affidavit certified by the notary at the time of counseling for clarification of the above mentioned interval.**
17. The candidate shall be considered a regular student of the University/College from the date of payment of his/her fees and registration at the concerned department.
18. Admission related rules are as per the University Act, Statutes & Ordinances. The Admission Committee may cancel the admission of any candidate without assigning any reason.
19. In case of discrepancy in relation to admission, decision of the Admission Committee shall prevail.
20. Once admitted and having appeared/failed in the examination of a particular class in the University/College, a student shall not be readmitted in the same class but can appear as an Ex-student in the Test.
21. There will be no admission in any class of the University on the basis of transfer from any College or other University.

Important and relevant instructions for Entrance Test:

1. The OMR answer sheet will be given along with the question booklet, on which the answer will have to be marked. Only the answer sheet will be evaluated.
2. Each question will have four alternative answers, out of which candidates have to choose the correct answer by shading the circle of the choice with black/blue ball pen against that question number.

कुलगीत

दिव्य सुन्दर परम पावन।
सकल विद्या केन्द्र तप-धन।।
नाथ गुरु गोरक्ष की यह साधना की भूमि,
संत-प्रवर कबीर की आराधना की भूमि,
दिव्य सुन्दर परम पावन
सतोमय आनन्द चिद् घन।।

बुद्ध ने पाया महत्तम काम्य पद निर्वाण,
अमर बिस्मिल ने दिया निज देशहित बलिदान,
दिव्य सुन्दर परम पावन
सिद्धियों का शुभ निकेतन।।
ज्ञान और विज्ञान का यह सततू जाग्रत केन्द्र,
कला और साहित्य का यह चिर समादृत केन्द्र,
दिव्य सुन्दर परम पावन।
योग-क्षेम-समृद्ध नन्दन।।

अहर्निशि चलते यहाँ है अमृत ऋत सन्धान,
गुरुकुलों सा सदा कुलगुरु को मिले सम्मान,
दिव्य सुन्दर परम पावन।
स्वर्ग संस्कृति का चिरंतन।।

सूर्य की पहली किरण देती इसे वरदान,
कर्म-कौशल का जगत में गूँजता मधुगान,
दिव्य सुन्दर परम पावन।
नमन सौ सौ बार वन्दन।।

– जगदीश प्रसाद श्रीवास्तव
