Normalization of Marks

As per Tamil Nadu Act No. 3 of 2007 dated 05.03.2007, the marks obtained by the students in the relevant subjects in the qualifying examination conducted by various Boards or Authorities shall be equated with the marks obtained by them in the same subjects in the qualifying examination conducted by the State Board of Tamil Nadu by adopting the method of normalization.

For example, if the highest mark secured by the student of State Board of Tamil Nadu in Physics is 100% and the highest mark secured by a student of a Board other than Tamil Nadu State Board in the same subject is 90%, both the highest marks will be considered to be equal to 100%. If a student of the other Board secures 60 marks in Physics when the first mark in Physics in the same Board is 90, then the 60 marks of the Board will be considered to be equal to 66.66 marks of the Tamil Nadu State Board, as computed below:

$$\frac{60}{90} \times 100 = 66.67\%$$

After normalization of marks in the relevant subjects in the qualifying examination conducted by the other Board, the qualified students of different Boards shall be ranked in a common merit list. The common merit list will be prepared on the total marks of 200.
