UNIT-II

2. (A) Read the following passage carefully and answer the questions given below : [05]

Travels are good means of education. The end of our education is the formation of character and conduct in such a way that we may live our life happily in the society. Travels help us considerably in this direction.

When we travel, we have to buy our tickets and take care of ourselves. At home there are no such botherations. No doubt, rich man has not to bother for such things because they have servants. But India is a poor country and most of the passengers have to learn how to travel without dependence on others.

They have also to learn the art of adjusting with strangers. Besides, the visit to new place is great education in itself. No wonder in Europe, education in thought incomplete without the experience of travels.

Questions:

(i) Give suitable title to the passage.
