3. Answer in brief.**Question 1.**

Differentiate between religious and cultural tourism.

Answer:

<https://www.indcareer.com/schools/maharashtra-board-solutions-for-class-9-geography-chapter-12-tourism/>

Religious tourism

(i) religious tourism is a type of tourism in which tourists travel for pilgrimage.

(ii) In religious tourism various religious places, temples, churches, etc. are visited for performing religious activities and gaining spiritual peace.

(iii) For example, a visit to Shirdi, Haji Ali, Mount Mary Church, etc.

Cultural tourism

Cultural tourism refers to a type of tourism in which tourists travel to cultural attractions away from residence to gather new information and experience.

In cultural tourism art, architecture, religion, customs, traditions, lifestyle, etc. of a particular region are experienced and studied.

For example, Portuguese tourists participating in Goa carnival.

Question 2.

What are the objectives of tourism?

Answer:

Following are the objectives of tourism:

- Getting joy
- Getting entertained
- Trading
- Staying
- Availing health facilities
- Getting a glimpse of agricultural life
- Performing religious activities, etc.

Question 3.

Explain the environmental effects of tourism.

Answer:

Following are the environmental effects of tourism:

<https://www.indcareer.com/schools/maharashtra-board-solutions-for-class-9-geography-chapter-12-tourism/>

- Sometimes, tourists damage tourist place and degrade the environment. Some tourists throw litter and pollute the tourist place.
- Therefore, all tourists must follow the concept of eco-tourism. Eco-tourism includes taking precautions of not degrading and polluting the environment as well as not damaging tourist places.
- Tourism is good for environmental development as the government makes economic investment in developing sanctuaries and national parks for the sake of the tourism industry.
- In eco-friendly tourism, factors like designing houses, resorts, traffic routes are designed in an eco-friendly manner in which electricity and water are used judiciously.
- The concept of recycling and reuse is also applied in eco-friendly tourism.

Question 4.

What opportunities develop with the development of tourism?

Answer:

- Tourism and Economic Development: The development of infrastructural facilities generates employment on an large scale. Eg. transportation, banking, restaurants, shops, resorts, medical services etc.
- Tourism and Environmental development: Due to the Eco-friendly tourism concept, tourist places are developed while caring for the environment. Eg. Eco-tourism.
- Tourism and' Health: Opportunities to avail health facilities develop with tourism. Eg. Indian Ayurveda, Yoga, Pranayam.
- Tourism and Social Developments: Tourism creates social consciousness among tourists which helps in the development of neglected components of the society. For eg. Visit to Anandwan village.

Question 5.

Suggest measures after explaining the problems arising at the tourist places.

Answer:

(i) The problems that may arise at the tourist places:

- Lack of basic facilities.
- Lack of frequency of means of transportation.
- Lack of medical facilities.
- Lack of communication facilities.

<https://www.indcareer.com/schools/maharashtra-board-solutions-for-class-9-geography-chapter-12-tourism/>

- Petty crimes and security issues.

(ii) Measures to minimize the problems arising at the tourist places:

- Government can provide lodges, eateries, clean drinking water and good sanitation facilities.
- All tourist places can be connected by speedy means of transportation.
- Government can open dispensaries and arrange ambulance facilities.
- Communication facilities can be developed at every tourist place.
- Installation of CCTVs in public places and prompt action by the law and order forces can help tourist immensely.

Question 6.

Explain with the reason the places of interest that can be developed as tourist centers in your district.

Answer:

- In the district of Mumbai, there are many tourists destinations which fascinate the tourists.
- But there are few places which can be developed as tourist centres, which are currently neglected.
- To name a few, there are some small forts on the beaches of Mumbai and some caves in the suburbs of Mumbai.
- The Sion fort and the fort of Mahim are currently in a bad state and need urgent restoration.
- The Mahakali caves situated in western suburbs of Mumbai need to be developed in order to preserve cultural heritage which can attract many tourists.

(Disclaimer: The students can write answer of this above question in their own words as per the district they belong to.)

Question 7.

Local people get employment due to tourism. Give reasons.

Answer:

- Tourism is an important tertiary occupation through which many tourists visit places of interest.
- Many job opportunities are created to serve the tourists.

<https://www.indcareer.com/schools/maharashtra-board-solutions-for-class-9-geography-chapter-12-tourism/>

- When basic infrastructure improves, it leads to generation of employment.
- Many local people get job opportunities from various restaurants, transportation systems and recreational places.

5. Make a notice board containing instructions for the tourists at a tourist place.

Answer:

6. Explain how relevant is the concept of “Atithi Devo Bha va” (Guest is our God) with respect to tourism.

Answer:

1. In Sanskrit “Atithi Devo Bhava” means “Guest is our God”. This is a tag line of India’s, Ministry of Tourism’s campaign to improve the treatment of tourists in India.
2. India attracts millions of tourists every year but it still lags far behind compared to other destinations.
3. With an attempt to improve the number of tourists travelling to India, the Tourism Department of India started this social awareness campaign which provides training and orientation to taxi drivers, guides, immigration officers, police and other personnel who interact directly with the tourists.
4. This campaign educates the citizens of our country about the importance of our cultural heritage, benefits of cleanliness, importance of foreign tourists and maintaining our historical monuments.
5. All these efforts will lead to the economic development of our country.

7. The tourism map of Maharashtra is given. Answer the following questions based on the map.

<https://www.indcareer.com/schools/maharashtra-board-solutions-for-class-9-geography-chapter-12-tourism/>

Question 1.

Make a list of places having hot springs. What are the reasons for these being located here?

Answer:

Say, Vajreshwari, Kapeswar, Unakeswar, linhavare, Unapdev are the places that have hot springs.

Reason of hot water springs because geothermally heated ground water rises from the Earth's crust.

Question 2.

<https://www.indcareer.com/schools/maharashtra-board-solutions-for-class-9-geography-chapter-12-tourism/>

At what places do you find the correlation between transportation routes and the development of tourism?

Answer:

- Aurangabad: The national highway and the airport is located in Aurangabad which facilitates the tourists to visit Ajanta and Ellora caves.
- Shirdi: Since Shirdi has got a railway station, more devotees will visit the temple every year.

Questions and Answers

Can you tell?

(I) Dear Students, imagine that you have to go on a vacation with your family. Make a list of 15 favourite places in Maharashtra.

After the list is prepared, put your places in the relevant classification.

- Places near the sea
- Historical places
- National parks and sanctuaries
- Hill stations
- Religious places

Select one place from each group which you would like to visit.

Discuss the reasons of your choice in the class.

Answer:

(A) A list of 15 favourite places in Maharashtra

- Mumbai
- Pune
- Nashik
- Alibaug
- Guhagar
- Malvan
- Shirdi
- Shegaon
- Chandoli

<https://www.indcareer.com/schools/maharashtra-board-solutions-for-class-9-geography-chapter-12-tourism/>

- Pench
- Kamala
- Matheran
- Mahabaleshwar
- Jawhar
- Parli Vaijanath.

(B) A relevant classification of 15 favourite places is as follows:

(1) Places near the sea :

- Alibaug
- Guhagar
- Malvan.

(2) Historical places :

- Pune
- Mumbai
- Nashik.

(3) National parks and sanctuaries :

- Chandoli
- Pench
- Kamala.

(4) Hill stations:

- Matheran
- Mahabaleshwar
- Jawhar.

(5) Religious places :

- Parli Vaijanath
- Shirdi
- Shegaon.

(C) Name of a place from each group which we would like to visit with reason :

(1) Name of a place near the sea which we would like to visit: Guhagar.

<https://www.indcareer.com/schools/maharashtra-board-solutions-for-class-9-geography-chapter-12-tourism/>

About About Maharashtra State Board (MSBSHSE)

The Maharashtra State Board of Secondary and Higher Secondary Education or MSBSHSE (Marathi: महाराष्ट्र राज्य माध्यमिक आणि उच्च माध्यमिक शिक्षण मंडळ), is an **autonomous and statutory body established in 1965**. The board was amended in the year 1977 under the provisions of the Maharashtra Act No. 41 of 1965.

The Maharashtra State Board of Secondary & Higher Secondary Education (MSBSHSE), Pune is an independent body of the Maharashtra Government. There are more than 1.4 million students that appear in the examination every year. The Maha State Board conducts the board examination twice a year. This board conducts the examination for SSC and HSC.

The Maharashtra government established the Maharashtra State Bureau of Textbook Production and Curriculum Research, also commonly referred to as Ebalbharati, in 1967 to take up the responsibility of providing quality textbooks to students from all classes studying under the Maharashtra State Board. MSBHSE prepares and updates the curriculum to provide holistic development for students. It is designed to tackle the difficulty in understanding the concepts with simple language with simple illustrations. Every year around 10 lakh students are enrolled in schools that are affiliated with the Maharashtra State Board.
