PREFACE

Guru Jambheshwar University of Science & Technology started its journey on 20th October, 1995 at Hisar, Haryana through an Act of State Legislature. In shorts span of time it has become a leading science and technology University that facilitates excellence in teaching and research in promising areas of higher education with focus on new frontiers of Science & Technology, Engineering Studies, Environmental Studies, Media Studies, Pharmaceutical Sciences, Management Studies, Yoga Science, Physiotherapy, Humanities and Social Sciences and also to achieve excellence in these related fields.

The University is duly recognized by the University Grants Commission (UGC) under Section 2(f) for recognition of degrees on 11.1.1996 and under Section 12(B) of the UGC Act was eligible for central assistance on 7.2.1997. Today, the University spreads over 372 acres of lush green land with 10 mammoth Teaching Blocks, 23 Teaching Departments classified under 10 Faculties which houses 61 regular programmes on campus along with Ph.D. degree programmes in all its departments, 8 programmes through Distance mode and 2 online programmes. These distance education programmes stand approved by Distance Education Bureau, UGC.

University is proud of its gigantic and rich infrastructure. It has prestigious Ch. Ranbir Singh Auditorium which is regarded as a technical jewel in this region of the country where Seminars, Workshops, Cultural programmes, etc. are conducted at both national and international levels. It has a spacious Library with around 2 Lakh Books, Research Journals, Periodicals, Magazines, Newspapers etc. in addition to its big reading rooms. University has spacious hostel facilities for boys, girls and working women. A huge sports Complex and two multipurpose halls for indoor games are very popular with students. It has well equipped Pandit Deendayal Upadhyay Computer and Informatics Centre and campus wide networking cell which provides Internet and Wi-Fi facility to the entire campus. Dr. A.P.J Abdul Kalam Central Instrumentation Laboratory is a well acclaimed center which not only provides facilities to researchers of the University but also caters to the research needs of other Institutions of the region. Students are progressively benefitting from its Training and Placement Cell. The University has well sought-after Pandit Deendayal Upadhyaya Incubation Center and Start Up Schemes to foster innovative ideas of its students. University Health Centre provides health facilities to all its students and employees. In addition, students of this University enjoy numerous facilities which include Open Air Theater, Cafeteria, Post Office, Bank, Shopping Complex, etc.

The National Assessment and Accreditation Council (NAAC), has accredited this University at 'A' Grade three times consecutively since 2002 and extended up to Dec. 2021. In addition to this, the University has been ranked 94th among the Universities/Institutes in India as per National Institute Ranking Framework (NIRF) in 2020. The University has secured 31st rank in Pharmacy category under NIRF 2020. The University has also been ranked in band 801-1000 in the Times Higher Education World University 2021 and in band 251-300 among ASIA University ranking 2021. The University has been granted graded Autonomy and UGC has placed it in Category-II University. It is one amongst the 21 State Universities of the Country to have achieved this position. This University has also been admitted for the 3rd time for Global Initiative Academic Network (GIAN) Phase-III Scheme, a prestigious scheme of MHRD. The University has received highest grants (50 Crore) in Haryana State from RUSA, MHRD. The University has received prestigious Indian Education Excellence award, 2018 by Berkshire Media Pvt. Ltd., LLC, USA and our University was the only University to pocket this accolade from North India under Engineering Science and Technology Category. The University has been ranked 321st World's Most Sustainable University in 2019 in UI Green Matric World University Rankings announced by University of Indonesia, Jakarta. The University has been awarded 1st Prize at State level for spreading awareness about "Prevention of Alcoholism and Substance Abuse". The efforts of the University are recognized by the Social Justice and Empowerment Department, Government of Haryana by rewarding it with a cash prize.

The University has constantly motivated and encouraged interdisciplinary collaboration and Research. Around 3000 research papers have been published by the faculty in peer reviewed journals of repute which are listed in SCOPUS with about 50000 citations. The h-index of the University has also gone up to 94. This is the highest h-index of any University in the State of Haryana. On the basis of h-index, the University has been sanctioned DST-PURSE grants of Rs. 10.25 Crores for research. Numerous research projects have been completed in different departments and there are several ongoing research projects being handled by our faculty. The University has been acquired FIST grant by the DST and grant under SAP programme by UGC.

The University, with its reputation at National and International front, is committed to advance its academic horizon. The University constantly endeavors to bring together academia and industry at a common platform in the form of MoUs signed time to time for the benefit of their students and provide impetus to entrepreneurship and innovation capabilities and thus participate in Nation Building efforts. The University provides a congenial academic atmosphere to nurture not only the varied interests of its aspiring students but also mentors the academic growth of its students which goes a long way in helping students to pursue their academic excellence on frontier areas of their academic programmes and achieve great professional roles in their life.

The admission to various academic courses and programmes of the University for the Session 2021-22 is now offered in the form of e-prospectus. This e-prospectus contained an overview of the

University, its affiliated institutions and colleges, its courses, intake capacity and rules and regulations regarding admissions etc.

I am of the firm belief that this e-prospectus will provide all necessary details to students desirous of seeking admission to different courses/programmes of the University. I am sure that the aspiring students who would successfully join the University shall get a great opportunity to materialize their dreams. I wish all the best to students for their successful endeavors for their bright future.

About Guru Jambheshwar Ji Maharaj

Guru Jambheshwar Ji Maharaj was a saint and great environmentalist of 15th century. Amongst all the saints of the 15th century, Guru Jambheshwar Ji was unique in preaching about the conservation of biodiversity to his followers. He also included the same in his 29 commandments. Thus, Guru Jambheshwar Ji was not only a religious `GURU' but a great ecologist and environmentalist, many centuries ahead of the scientists.

He was born in 1451 A.D. (Samvat 1508) on 8th day of dark half of the Lunar month Bhadrapad on Janamashtami, in a village Pipasar situated in the revenue jurisdiction of Nagur district of Rajasthan, India. He adopted the life of an ascetic teacher in 1484 AD and started living on the Samrathal, sand Dhora hill of Mukam village situated in Nokha tehsil of Bikaner district of Rajasthan. He enshrined in his followers' compassion towards nature and protection of life as the supreme religious goal.

He founded the Bishnoi sect in 1485 AD on eighth day of the black fortnight of the month of Kartika of the year 1542 of the Vikrami Era at Samrathal Dhora and prescribed 29 commandments dealing with various aspects of life. He spent the remaining 51 years of his life in spreading his great vision. He expounded his religious philosophy and the essence of these principles in the form of verses. These spiritual verses have a vigour of their own, vibrant, passionate and sincere. These are distinguished by their vivid and conversational style and moral exhortation. Guru ji achieved `Nirvana' in 1536 in village Lalasar District Bikaner, Rajasthan.

Among the 29 commandments laid down by Guru Jambheshwar Ji, eight commandments have been prescribed to preserve biodiversity and encourage good animal husbandry. Seven commandments provide directions for healthy social behavior. Ten Commandments are directed towards personal hygiene and maintaining good basic health. Four commandments provide guidelines for worshipping God daily and always remember that God is omnipresent. Guru Jambheshwar Ji had occupied a unique place in the Bhakti movement. Though his area of activity had been mainly the desert land of Thar, yet he had been touring other places too. During these extensive tours he has been spreading the message within and outside the country;

"Jeeya Nai Jugati or Mhan (Moova) naimugati".
(To live is a device and to die is salvation)

Dr. A.P.J. Abdul Kalam Central Instrumentation Laboratory

Dr. A.P.J. Abdul Kalam Central Instrumentation Laboratory (CIL) is established for the students, research scholars and teachers of the University who are actively engaged in R&D activities in the emerging areas of Science, Technology & Engineering. The CIL is presently having sophisticated instruments like-Nuclear Magnetic Resonance (NMR) Spectrometer (400 MHz), Atomic Absorption Spectrometer (AAS), UV-VIS-NIR Spectrophotometer, Fourier Transform Infrared (FTIR) Spectrometer, Differential Scanning Calorimeter (DSC), Microwave Plasma Atomic Emission Spectrometer (MP-AES). Microwave Synthesizer, Mass Spectrometer: Liquid Chromatography Mass Spectrometry (LC-MS/ MS QTOF), Ultra High Performance Liquid Chromatography (UHPLC), High Resolution Field Emission Scanning Electron Microscope with EDS (FE-SEM), Raman Spectrometer, Flash Chromatography and other sophisticated instruments are under purchase process e.g. Multipurpose Versatile XRD System (XRD) & Rheometer. The CIL cater to the needs of the students, research scholar and teachers of this university as well as other educational institute and industry in order to promote research activities.

Training & Placement

The Centralized Training & Placement Cell of the university works on dual fronts of enhancing employability of our budding professionals and offering maximum employment opportunities to them. Having been equipped with state of the art infrastructure in form of Seminar Hall, Group Discussion Room, Interview Room & WiFi facility, Training & Placement Cell facilities various campus placement drives through Pre-Placement talks, written tests, group discussions & personal interviews. The cell also facilitates the students to participate in off-campus or pool-campus placement drives held at various institutions/ industries. The cell also offers internship opportunities to the students by conducting Internship drives or In-house Internship cum Training programs.

For grooming the students, cell runs a wide spectrum of programs such as GJUS&T Weekly Online Aptitude Test (GWOAT), UDBHAVANA talk shows, Industry Interaction Programs (IIP), Industrial Visits, Various Speakathon Competitions through Speakathon Club, Coding Competitions through its coding club, Employability Assessment tests, In-house Training on trending technologies, GATE training and many more. The glimpses of all these programs are also regularly updated on all social media platforms as well as in form of its quarterly newsletter namely TPC-CHRONICLE. All these activities of T&P Cell are carried out by highly motivated team of students as activity coordinators, Department and Class placement Coordinators in able guidance of departmental teacher coordinators.

Ch. Ranbir Singh Auditorium

Ch. Ranbir Singh Auditorium forms the main component of architectural composition of the Central core of University Campus. The main hall is large enough for an audience of over 1800 persons and additional facilities of three Seminar Halls on the ground floor, one with a capacity of 250 persons and other two with a capacity of 125 persons each. This building is intended for convocations, conferences, seminars, workshops, concerts, ballets, film shows, plays and other stage performances etc. of national & international level. Ch. Ranbir Singh Auditorium

building is one of the beautiful and State-of-the-Art Auditoriums in India and it has been awarded by National Planning Commission of India (Construction Industry Development Council Vishwakarma Awards 2014) under best construction project at National level. This Auditorium building has also recently been awarded by National Planning Commission of India (Construction Industry Development Council Vishwakarma Awards 2015) under best maintained structures at National level.

Credit Based System of Examinations

For the purpose of evaluation of student's performance in the examinations, the University has switched over to Credit Based System of examinations for all programmes w.e.f. 2006-07. The prominent features of the Credit Based System are the process of continuous evaluation of a student's performance and flexibility to allow the students to progress at an optimum pace suited to individual's ability and convenience, subject to fulfilling minimum requirements for continuation. The scheme and syllabi are being revised as per Choice Based Credit System of UGC.

Besides this all the hospitals empaneled with Govt. of Haryana http://haryanahealth.nic.in/Empanelment.html are also on our panel. The list of approved hospitals with University is regularly updated on university website.

Research Programmes

Research scholarship and creative work differentiate Universities from all other educational institutions. The ideas, discoveries and innovations emanating from Universities profoundly affect the social, cultural and economic well-being of our society. The University offers intensified research programmes leading to award of the degree of Doctor of Philosophy in different disciplines of various Departments under seven faculties. The details are available in Information Brochure of Ph.D. which can be had from Registration Branch or university website www.gjust.ac.in .

SC/ST Cell and Scholarship

SC/ST Cell has been set up in the University to ensure proper implementation of various schemes of the UGC, the Government of India and the State Govt. concerning scholarships, stipends etc. for welfare of reserved categories students. The guidelines, for various types of scholarship/stipends as revised from time to time by the Central and State Governments, are notified to all departments which are got displayed on the Notice Boards of the concerned departments and website of the University. This Cell ensures that these guidelines are strictly adhered to. The reservation to SC, BC etc. and other categories will be admissible as per reservation policy of the State Govt. The following type of scholarships are granted to the SC and BC candidates under the Schemes of Govt. of India/State Govt.

(i) Post Matric Scholarship to SC/ST students, Govt. of India Scheme.

(ii) Stipend to BC students under Post Matric Scholarship Scheme.

(iii) Financial help from District Welfare Office as per their guidelines for purchase of books etc.

Promotion of Science Education (POSE) Scholarship Scheme for Students of UG and PG Science Courses

In order to encourage meritorious students towards science education and to support them for continuation of their science education up to higher level, Department of Science & Technology has started a scholarship scheme for the Under Graduate B.Sc. (General) and Postgraduate students opting for basic science subjects viz Physics, Chemistry, Botany, Zoology, Mathematics and Geology. Every year 100 students each of B.Sc. 1st year and M.Sc. (Previous) are selected on merit basis. Scholarship of Rs. 4,000/- per month + contingency stipend of Rs. 4,000/- once in a year to B.Sc. students & Scholarship of Rs. 6,000/- per month + contingency stipend of Rs. 5,000/- once in a year is provided to M.Sc. students. The details of the scheme are available on official website dstharyana.org.

Note: The above said scholarship will be advertised and released by the office of concerned society as per their terms and conditions.

Education Loan Scheme

National Backward Classes Finance and Development Corporation provides financial assistance for the members of Backward Classes through nominated State Channelizing Agency. The Corporation provides loan at concessional rate of interest to the students belonging to Backward Classes having family income less than 98000/- in rural areas and 120000/- in urban areas pursuing higher professional courses in Universities/ Colleges duly approved by competent authority such as UGC/ AICTE. Medical Council of India, Indian Nursing Council, Ministry of Tourism etc. Details of the scheme are available at www.nbcfdc.gov.in & www.mhrd.gov.in

HARSAC Merit cum Means Scholarship (For M.Tech. (Geo-Informatics) only)

Top 5 (Five) students in each semester of M.Tech. (Geo-Informatics) will be provided by the HARSAC merit-cum-means scholarships of Rs. 5000/- per month (Rs. Five Thousand). Guidelines of above scholarship is available on University website.

Human Resource Development Centre

The UGC-Human Resource Development Centre (HRDC) of the University was established during the 11th Plan (2009) in accordance with the National Policy of Education (NPE-1986) with a vision 'To Facilitate Human Development and Professional Excellence in Academics' and a mission 'To equip and enrich the participants with requisite professional and personal skills to make them grow as excellent human beings for their best possible contribution in personal, professional and societal domain.

The objectives of HRDC are to enhance the participants' motivation, skills and knowledge through systematic orientation in specific subjects, techniques and methodologies, and thereby inculcate the right kind of values that would in turn encourage them to take initiatives for innovative and creative work. The functions of HRDC in the university are to plan, organize, implement, monitor and evaluate a variety of programmes for diverse stakeholders. Orientation Programmes are organized for newly appointed Universities and Colleges teachers to acquire and improve art of teaching, to understand the linkages between education and economic, socio-economic and cultural development, to utilize opportunities for development of personality, initiative and creativity, and to promote computer literacy as well use of ICT in teaching and learning process. Refresher courses are organized for corporately senior Universities and Colleges teachers to keep abreast of the latest developments in their specific subjects, and also to understand the organization and management of a college/ university and to perceive the role of teachers in the total system.

Interaction programme-cum-workshop for the Ph.D. Scholars is also organized on the theme of `Research Methodology' to sharpen their research skills and facilitate their research work. Short-term courses ranging from 2-3 days to one week are also organized for academic staff, non-academic staff, and Ph.D. scholars on need based themes. Programmes for Heads of departments, Principals, Deans, Officers, etc. are organized with a view to acquaint and sharpen the top-level administration skills which is helpful for effective decision making and its implementation to achieve the excellence in the connected fields. While following the UGC instructions, the HRDC also organizes Summer/Winter School for universities and colleges teachers to sensitize them in key areas like 'Disaster Management', Values and Spiritualism etc. In addition to UGC sponsored programmes the HRDC also organized the need based programmes on Faculty Development, Staff Development, Capacity Building, and Research Methodology for Ph.D. scholars funded by other national and international agencies like World Bank and Indian Council for Social Science Research (ICSSR), MHRD etc.

The HRDC of University was selected among the ten HRDCs under RUSA Scheme of MHRD, Govt. of India and sanctioned a grant of Rs. 1.00 Crore. This grant will be used for Faculty Quality Improvement Programmes and for Infrastructure Development. Recently HRDC has been recognized as National Resource Centre by MHRD, Govt. of India for conduct of ARPIT programmes and till date two ARPIT- 18 and ARPIT-19 have been successfully conducted through SWAYAM Portal. As a whole the HRDC endeavors to cater to training and development needs of teachers, academic administrators, researchers and non-academic staff. The prospective plans are to make this HRDC as a full-fledged "Training Centre for Academia and Administration:, and to transform it into "Knowledge Disseminating and Resource Generation Centre" for the university by way of providing Training, Development and Consultancy facilities. The National Assessment and Accreditation Council (NAAC) has judged the HRDC of the University as First out of 66 Human Resource Development Centres in the country and put it in the front-seat.

Centre for Behavioral Research and Intervention

The basic aim of the Centre for Behavioral Research and Intervention (CBRI) is to take care of psychological wellbeing of students and to develop the positive attitude among youth particularly the students. The CBRI has been involved in providing psychological counseling to students and patients. Career counseling, personality development, awareness programme, community intervention programme, conducting workshops and seminars on psycho-social problems are some of the major objectives of the Centre. The Centre is also working on sponsored research projects in the field of behaviour modification, HIV /AIDS, Violence etc.

Students' Welfare

The office of the Dean Students' Welfare looks after Students' Welfare in numerous ways and also monitors various cultural activities. Some important facilities provided by this office are as follows:

- **"Earn While You Learn" Scheme.**

  The spirit of the scheme is based on the idea of enabling needy students to meet some Educational expenses with dignity. This scheme provides support to some needy students for Department/ office related

work for some fixed hours in a week with remuneration @80/- per hour subject to maximum of Rs. 2400/- per month.

- **Financial Assistance to the Needy Students.**

  Dean Students Welfare office provides financial assistance every year to the needy students of various Departments.

- **Funding of Educational & Industrial Tours.**

  Office of Dean Students Welfare bears 50% of expenditure incurred on Educational & Industrial Tours for regular students of the University. The University also provides to the students free of cost participation in various sports tournaments, inter-university youth festival and industrial visits, if they are part of course curriculum etc. Bus services are also provided in the campus for commuting from city gate to TB-VII during morning and evening hours. Thirty Four (2019-20) and three (2020-21) Educational/ Industrial/ Cultural/ Sports tours were arranged for the students of different departments of the university.

- **Students Insurance Safety Policy.**

  The regular students of the University Teaching Departments are insured for Rs. 1,00,000/- (One Lac.) for a token premium of Rs. 61/- per student. It also covers Medical Expenses under accidental cases up to Rs. 25000/-. During the year (2020-21) 4500 students were insured under **"Students Insurance Safety Policy"** with The Oriental Insurance Company Limited, Hisar.

- **Railway Concession Vouchers Facility.**

  The students from far off places are provided Railway concession vouchers for visiting their homes during vacations and attending academic activities at far off places.

- **Financial help for various Functions.**

  This office extends financial help for organization of students functions by various University Teaching Departments.

- Students Council Election of GJUS&T are conducted by this office.

Directorate of Youth Welfare

The Directorate of Youth Welfare provides a platform to students to explore their talent at utmost level and foster the feelings of Nationalism, enrich Indian Culture and Art. The Directorate of Youth Welfare infuses not only new energy among the students to relax themselves from the pressure of the studies but also to instill in them the confidence to present the talent which otherwise might remain hibernated in them. The organization of University Youth Festival is a regular feature in addition to cultural and literary activities.

Enforcement of Students Discipline, Good Behaviour, Residence and Health

For dealing with day-to-day disciplinary matters concerning students a Committee on Students Discipline and Welfare (Proctorial Committee) has been constituted to monitor the disciplinary climate prevailing in the student community and to maintain the Law and Order situation on the University Campus. The Proctor is responsible for the enforcement of the condition relating to Residence, Health and Discipline as laid down in the concerned ordinance.

University Women's Cell

Women Cell in the university has been established to develop and maintain an environment for women's safety, dignity and equality in the campus so that she can avail equal opportunities and takes all the steps required in this direction. The Women Cell consists of 5 members including senior persons from teaching and non-teaching staff.

Gender is a major concern in the policies of government and UGC. Women Cell aims at to create awareness and to

make the staff and students familiar with woman's issues and their rights and to enable the students to critically analyse the women's issues to form right perspectives. Contributing to the visibility of gender issues, the Cell opens a genuine dialogue among scholars, faculty, staff and students through talks and discussions.

Women Cell follows a strategy that involves the personality development of women in divergent fields. The Cell has been very active in working towards women empowerment and gender sensitization of our young women. This Cell aims to provide a platform to young women to voice their thoughts and opinions and to share their experiences. The Women Cell organizes workshops and lectures on all issues concerning women.

National Service Scheme

The motto of the National Service Scheme (NSS) is "Not Me, But You". This expresses the essence of democratic living and upholds the need for selfless services to appreciate the other person's point of view. It shows consideration for fellow human being. It underlines that the welfare of an individual is ultimately dependent on the welfare of the society as a whole. The NSS units of Guru Jambheshwar University of Science & Technology are involved in inculcating the feelings of empathy and self-extension among students. The units work with the objectives to uphold and promote the values of communal harmony, patriotism and National Integration among students as well as community members through various NSS activities. Seven days camps, State Level NSS Camp, National Integration camps are the integral part of the NSS in the University. The NSS units have been actively involved in organizing community service, awareness programme related to prevention of HIV/ AIDS, female feticide and drug addiction, cashless India etc. NSS volunteers are also involved in the activities related to women empowerment, literacy and personality development of students, plantation, cleanliness, pulse polio, blood donation and digital India etc.

National Cadets Corps (NCC)

NCC in India was conceptualized and raised before independence, mainly with an aim to groom the youth, boys and girls both, nurture them and channelize their energy towards nation building by making them responsible citizens of the country. After independence, the present day NCC came into existence on 16 Apr 1948, through XXXI Act of Parliament. NCC is a voluntary organization which is administered through the Ministry of Defence. NCC was established in the GJUS&T during session 2018-19. There are three subunits of NCC in the university i.e.

- Senior Division; Army under the control of 3 Haryana Battalion NCC Hisar.
- Senior Wing; Army under the control of 3 Haryana Girls Battalion NCC Hisar.
- Senior Division/Senior Wing; Air Wing under the control of 1 Haryana Air Squadran NCC Hisar.

The Motto of NCC is **"Unity and Discipline"**. The main objective of NCC is to develop a highly motivated, patriotic, selfless, disciplined and enterprising youth - who is capable of providing leadership in any walk of life for the betterment of the nation. NCC activities are based on certain core values to prove it a responsive, learning and continuously evolving organization. NCC training philosophy is based on the concept **"Empowerment of Youth"** to earn the **"Right to Lead"**. Training methodology consist of Institutional Training, Camp Training, Social Service and Community Development, Personality Development, Competence Assessment/Certificate Examination.
Currently NCC training is imparted as extra-curricular activity to volunteer students of university who enrol as cadets. **NCC as a general elective credit course** is designed by Hqs DG NCC with an intent to transform NCC training into a curricular activity from an extra-curricular thereby providing academic credits to students undergoing NCC training along with other attended advantages to the cadets in the university. UGC has sent the guidelines to university to implement NCC as a general elective credit course.

Foreign Students Cell

The foreign students desirous of seeking admission in Guru Jambheshwar University of Science & Technology, Hisar may apply by simply sending an email mentioning the name of programme. The student will attach all scanned copies of documents related to his/her qualification and nationality. The request thus received will be

examined and processed by the concerned Department & office regarding eligibility for the admission. Once the process is completed and candidate is found eligible, he/she will be given an offer letter for admission through e-mail. The student will have to report for admission in the University during admission period which is usually from June to mid-August alongwith the requisite fee of USD $2000 per year and all the original documents. Once the documents are verified, the student will be asked to deposit the fee and get final admission. The fee will be deposited through bank draft or online transaction.

Alumni Relations

Department of Alumni Relations was established to promote bonding between the University and Alumni. The vision of the Department is to honour distinguished Alumni of the University, who have brought national and global acclaim in their respective domains. With the wide experience and expertise of the Alumni, Department looks towards the Alumni for suggestions, for the development of the University. The Department provides an interactive platform so as to establish a link between Alumni and the students of the University. For this, Department of Alumni Relations organizes Alumni meet once a year. The Department encourages and motivates the capable alumni of the University to raise various endowment funds and award stipends, freeships, scholarships, fellowships, medals etc. for the benefit of the deserving students of their alma mater. The Department welcomes all Diploma/ Degree holders of the University, members of the teaching faculty of the University and affiliated Colleges to enroll themselves as members of the Alumni Association.

Psychological Guidance & Counseling Cell

With the vision and mission to enhance the overall well-being of the students and other stakeholders by addressing their emotional, personal, interpersonal and social needs Psychological Guidance & Counselling Cell is providing services to the students since its inception. The psychologists attend to the concerns of the stakeholders and provide them with the necessary support.
With the objective to facilitate personal and professional excellence and new perspective towards the challenges of life, the Cell provides comprehensive guidance and counselling services that will equip students and other stakeholders with necessary knowledge, attitude and life skills enabling them to become mature, socially responsible, happy and successful individuals.

CHAPTER–3

ABOUT THE DEPARTMENTS AND PROGRAMMES OFFERED

3.1 FACULTY OF ENGINEERING & TECHNOLOGY

1. Department of Computer Science & Engineering

Programme(s) offered:

(a) M.Tech. (Computer Science and Engineering) (2-year, Semester System)
(b) Master of Computer Applications (MCA) (2 -year, Semester System)
(c) B.Tech. (Computer Science and Engineering) (4-year, Semester System)
(d) B.Tech. (Information Technology) (4-year, Semester System)
(e) B.Tech. Computer Science & Engineering (Artificial Intelligence & Machine Learning) (4-year, Semester System)

The vision of the Department is to become a centre of excellence for education in Computer Science and Engineering, Information Technology and Computer Applications. The department nurtures young minds into leaders of tomorrow in the field of higher education, research & development, and corporate world and aim to produce creators and innovators who will work towards the overall well-being of the society. The mission of the Department is to impart state-of-the-art knowledge in Computer Science and Information Technology, to foster linkages between the Department and public and private sectors, traversing research establishments as well as information technology industry and to promote ethical research of high quality. Further, the Department strives to adopt the best pedagogical methods in order to maximize knowledge transfer, to inculcate a culture of free and open discussions in the Department and to engage students in learning, understanding and applying novel ideas. The other priorities of the Department are to infuse professionalism, enthusiasm, team spirit and a zest for lifelong learning into students.

(a) M.Tech. (Computer Science and Engineering)

The M.Tech. Programme has produced many post-graduates who are now working in the institutions of national and international repute. The objectives of the M.Tech. Programme are:

- To set high academic goals for the graduating students and to train them in applying and extending the knowledge to the benefit of the society.
- To produce Post-graduates with a sound theoretical and practical knowledge in the discipline of Computing Science and Engineering.
- To create knowledgeable and enthusiastic teaching professionals for Institutions of higher education.
- To craft technically competent, proficient and responsible professionals for Information Technology sector and its related industries.
- To establish a research tradition that supports our post-graduates for pursuing research careers in premier universities and research institutes/organisations in India and abroad.

(b) Master of Computer Applications (MCA)

The objective of the MCA Programme is to provide a modern, industry-oriented education in applied computer science. The Programme focuses on providing a strong theoretical background as well as a comprehensive practical exposure to students. Its design lays more emphasis on latest programming frameworks and tools for developing better and faster applications. The aim of the Programme is to train students to meet the demands of professionals in a wide spectrum of application areas like education, research, software development, system analytics and design, web design, healthcare, banking, insurance, marketing and management etc.

(c) B.Tech. (Computer Science and Engineering)
(d) B.Tech. (Information Technology)
(e) B.Tech. Computer Science & Engineering (Artificial Intelligence & Machine Learning)

The objectives of the B.Tech. Programmes in CSE and IT are to mould the graduating students into high quality technical force to take up jobs in the industries related to Computer Science and Engineering and Information Technology, and to prepare them to take up higher studies in institutions of national and international repute. The graduates in Computer Science/Information Technology will be able to establish themselves as dexterous professionals capable of solving real world problems by applying innovative methods, communicating effectively and showing an individual confidence as well as a team spirit.

2. Department of Printing Technology

Programme(s) offered:

a) M.Tech. (Printing Technology) (2-year, Semester System)
b) B.Tech. (Printing Technology) (4-year, Semester System)
c) B.Tech. (Packaging Technology) (4-year, Semester System)

The Department of Printing Technology is one of the premier departments in the field of Printing Technology which was established with a motive to impart high quality teaching & practical exposure to the prospective students. Printing Technology is matured field, whereas Packaging Technology is relatively a new concept and it is growing at 15% per annum in India, it is also projected to grow even more in coming years. State of art facilities are created in the department to provide complete practical exposure to the students along with regular summer Industrial trainings, industrial visits, live project work, seminar, workshops, conferences and expert lectures are conducted at a regular interval of time. Placement of the students is one of the major plus point of the Department and continuous efforts are carried out so that each student gets proper care and attention during the study tenure and even after completion of the programme also.
It's not a dictum that the world of Packaging is expanding day-by-day. In packaging industry sector, the lack of trained manpower is one of the biggest concerns. The Department of Printing Technology has revived B.Tech. programme in Packaging Technology from 2016-17 session. The students will get acquainted with the theory aspects as well as with the practical & routine problems related with Packaging field.

3. Department of Electronics & Communication Engineering

Programme(s) offered:

(a) M.Tech. (Electronics & Communication Engineering) (2-year, Semester System)
(b) B.Tech. (Electronics & Communication Engineering) (4-year, Semester System)

(a) M.Tech. (Electronics & Communication Engineering)

In today's global economic environment, engineers are required to play a vital role in bringing the prosperity to the nation. In this era of global village, the convergence of Electronics and Communication Technology is opening endless and exciting possibilities in almost every sphere of human activity. The wireless mobile phone along with High Speed Internet has brought the world of information into a small pocket. Further, VLSI technology has miniaturized the world and empowered the human beings with latest technology at the most competitive prices.
The M.Tech programme in Electronics & Communication will cater the growing demands of technocrats in industry not only locally but also globally. There is huge potential for PG students in getting placements and to grow themselves in the diverse field of Electronics & Communication which includes Microelectronics, VLSI design, Wireless & Optical Communication, Advanced Digital Signal Processing, Embedded Systems, etc.

(b) B.Tech. (Electronics and Communication Engineering)

The importance of Electronics & Communication Engineering has already been recognized by the entire world. It has revolutionized the life of human beings. There is no other field of knowledge, which has affected our life so much as Electronics, in such a short period of time. It has created so many comforts, which nobody could have imagined till a few years ago. The rate of growth in the field of electronics and communication engineering has been unprecedented and likely to grow more & more. Being an evergreen field, this has great potential to create technocrats to cater not only locally but globally.

4. Department of Electrical Engineering

Programme offered:
B.Tech. (Electrical Engineering) (4-year, Semester System)

B.Tech. (Electrical Engineering)

Electrical Engineering Electrical is a broad field that encompasses many sub-fields including those that deal with electrical power generation and transmission, automatic control system, electronics and telecommunication. The world is moving towards the renewable source of energy including hydel, solar and wind power, and multi-national corporations are searching for power generation experts Electrical Engineers apply the theories of electricity, electronics and electromagnetics to design, develop and operate these systems. This field has created so many benefits, which nobody could have imagined till a few years ago. The rate of growth in the field of electrical engineering has been unprecedented and likely to grow more & more. Being an evergreen field, this has great potential to create technocrats to cater not only locally but globally.

5. Department of Mechanical Engineering

Programme(s) offered:

(a) M.Tech. (Mechanical Engineering) (2-year, Semester System)
(b) B.Tech. (Mechanical Engineering) (4-year, Semester System)

The Mechanical Engineering Department seeks to combine excellence in education and research with service to society. The goal of our academic programme(s) in Mechanical Engineering is to provide students with a balance of intellectual and practical experiences that enable them to address a variety of societal needs. We seek to produce future leaders for industry, academia, government, and society- leaders whose vision is founded upon fundamental knowledge, analytical skills, creativity, perspective and ethics. The M.Tech. programme caters the need of various industries particularly aerospace, defence and scientific industries. With the introduction of this course, we can create the centre of excellence in the field of Mechanical Engineering. Students trained under this programme will be capable enough to take over the challenges related to the design and manufacturing of the sophisticated components required in aerospace, auto industry, defence etc.

6. Department of Civil Engineering

Programme offered:

B.Tech. (Civil Engineering) (4-year, Semester System)

The four year B.Tech. programme in Civil Engineering assign with the design, construction, plan, management and maintenance of the Civil engineering system and natural environment built such as bridges, roads, canals, dams, and buildings. The department provides resourceful faculties which inculcates strong links with the infrastructural industry and academic research institutions both within and outside the country. Except from the various government departments, construction industry and eminent academicians are also invited for guest

lectures on current technical development in the civil engineering field for student interaction. Department offers well equipped labs to facilitate practical knowledge, skills and using up-to-date techniques among students. Programme offers benefits to the students of providing them professional, legal, ethical, social issues and responsibility.

7. Department of Emerging Technology

Programme offered:

B.Tech. (Electronics and Biomedical Engineering) (4-year, Semester System)

Department of Emerging Technology is started with the focus on specialized course in emerging areas like Internet of Things (IoT), Artificial Intelligence (AI), Cyber Security (CS) and other future technologies. Initially department has started B.Tech. in Electronics and Biomedical Engineering from the session 2021-22 with an intake of 30 seats. The aim of the Department is to equip students and research scholars with the skills to develop new technologies like IoT, Artifice Intelligence, Machine Learning, Robotics and Automation, MEMS and Virtual Instrumentation and to promote global health through education & research that bridges gap between medicine and engineering. The Department intends to provide best professionals in field of Electronics and Biomedical Engineering health services by training the coming generation with cultivation of leadership abilities and nurturing the integration of Science, Engineering and Health Care.

B.Tech. (Electronics and Biomedical Engineering) (4-year, Semester System)
B.Tech in Electronics and Biomedical Engineering with Specialization in Internet of Things(IoT) is an interdisciplinary programme that combines Electronics Engineering and Biomedical Engineering to solve medical problems in living systems. The course was aimed with an objective to enable the students to acquire technical skills for becoming expert in the field of electronics, circuit, embedded system, biomedical instrumentation, biomedical and biomechanism with the applications of latest emerging technologies. The strong collaborative connection with academic, industry and clinical research offers a prospective environment for professional development and experience in the related field.

3.2 FACULTY OF MEDIA STUDIES

Department of Communication Management & Technology

Programme(s) offered:

(a) M.A. (Mass Communication) (2-year, Semester System)
(b) B.A. (Mass Communication) (4-year, Semester System)

The department of Communication Management & Technology is a premier and flagship department of the prestigious Guru Jambheshwar University of Science & Technology, a TIMES world ranking university. Presently the department is mended with four professors, one associate professor and one assistant professor who have long and excellent teaching experience in the communication and media studies with alumni who made remarkable presence in the national news media and even settled with high ranked jobs in universities, media and other government and private sector media as public relations and advertising professionals. The department has excellent support staff and equipped with a production studio with news reading and editing facilities. The Department offers other programmes like M.A. in Mass Communication.

B.A. (Mass Communication)
The Four-Year course in Bachelor of Arts in Mass Communication is a pioneer course in undergraduate studies of Mass Communication education under the New Education Policy 2020 proposed to run by the flagship department of Communication Management & Technology. The course will fill up the gap in

professional education of Mass Communication. The course is proposed with the futuristic vision of New Education Policy 2020 in which a graduate learns the art and craft of communication and mass communication in three years and obtains bachelor's degree and join the profession of media and communication. Those who plan to go for higher studies may continue with one more year to obtain a research degree. The M. A. in Mass Communication course, in the years to come, under the provisions of the New Education Policy would be a one-year duration course.

The course will be covered in eight semesters of six months each with a total 208 credits. The first year of the course with 52 credits (26+26) will have basic and fundamental knowledge of communication, journalism etc. The second year will have discourses on various media set ups like electronic and print media, advertising, public relations, new media etc. The third and fourth year will be progressed with various facets of communication and media, media writing, communication and media research etc. The course content is supported with productions, internship and other required skills of communication and media industry.

3.3 FACULTY OF ENVIRONMENTAL AND BIO SCIENCES & TECHNOLOGY

1. Department of Environmental Science & Engineering

Programme(s) offered:

(a) M.Tech. (Environmental Science & Engineering) (2-year, Semester System)
(b) M.Tech. (Geo-Informatics) (2-year, Semester System)
(c) M.Sc. (Environmental Sciences) (2-year, Semester System)

Establishment of the Department of Environmental Science and Engineering is in line with one of the objectives of the university enshrined in its preamble to facilitate and promote studies and research in the field of Environmental Studies and Non-Conventional Energy sources. The department has innovative, dynamic and flexible course curricula in which students have choice to select the courses of their interest and undertake research projects. We strive to fulfill our vision, "Pursuance for excellence to achieve sustainable development", our mission "To impart training for capacity building to tackle various environmental challenges in an eco-friendly manner", and our objectives "To offer professional and job oriented course curricula to strengthen R&D activities and to offer consultancy and extension activities to stake holders". The faculty members are engaged in research in the frontier areas of science and technology. There are a number of R & D projects supported by various government agencies being implemented in the department. The laboratories are equipped with "State-of-the-Art" facilities. Students are provided with enabling ambience that promotes culture, sports, societal contributions, art, self-governance and human values. After successful completion of Phase-II, the department has again been inducted in the Technical Education Quality Improvement Programme-III (TEQIP-III) of the World Bank and Special Assistance Programme-III (SAP-III) of the University Grants Commission (UGC), New Delhi. The department has received FIST Grant from DST for infrastructure development.

(a) M.Tech. (Environmental Science & Engineering)

The programmes has been approved by AICTE and accredited by NBA. The programme has been inducted under Technical Education Quality Improvement Programme-III (TEQIP-III) of the World Bank and provides enormous opportunities to the students for achieving technical and practical excellence through academic networking with reputed institutes, regular workshops, seminars, industry visits and collaborative research. This programme has specially been designed with an integrated approach involving the latest advances in Physical and Biological Sciences, Engineering to deal with environmental problems and their remediation. **The student after completing M.Tech. have carrier option in University and Engineering colleges, Industry, Environmental Consultancy Firms, Pollution Control Board, Centre and State Govt. Department , Environment, Health and Safety office, Environment Auditing etc.**

(b) M. Tech. (Geo-Informatics)

The fast emerging technologies of Remote Sensing (RS), Geographic Information System (GIS), Global Positioning System (GPS) and Information and Communication Technologies (ICT) have converged into a discipline with its own research base known as Geo-Informatics. The technology helps in acquiring information about the earth and its resources in spatial format and help in analyzing large datasets. To cater to the fast increasing demand for the trained manpower in the field of Geo-Informatics, both for public and private sectors, the Department of Environmental Science & Engineering has started a two years M.Tech. programe in Geo-Informatics in collaboration with Haryana Space Application Centre (HARSAC), Department of Science & Technology, Government of Haryana, Panchkula. Under this programme, GJUS&T, Hisar makes admissions, conducts examinations and awards degrees. Top 5 (Five) students in each semester of M.Tech. (Geo-Informatics) is provided the HARSAC merit-cum-means Scholarships of Rs. 5000/- per month (Rupees Five Thousand only) subject to grant received from HARSAC. The Guidelines of above scholarship is available on University website.

(c) M.Sc. (Environmental Sciences)

The two years M.Sc. programme in Environmental Sciences is aimed at building a strong theoretical base in every aspect of environment, providing intensive practical training on modern instrumentation and analytical techniques and developing problem-solving and research skill in the students. The programme is designed in such a way that the students get in-depth knowledge of scientific, technical, economic, legal as well as social aspects of environment. Short term in-plant training and practical exposure equip them well to take up challenging jobs in the field as well as industry besides academic and research organizations. Regular seminars, workshops, extension lectures, quiz, industry visits, educational tours, competitions and awareness campaigns expand the horizon of knowledge and skill of the students. The students after completing the m have career options in industry, Pollution Control Boards, National and State Govt. Departments concerned with Forestry, Wild Life, Atmospheric and Oceanic Sciences, Remote Sensing & GIS and Environmental auditing besides academics research.

2. Department of Bio & Nano Technology

Programme(s) offered:

(a) M.Tech. (Nano Science & Technology) (2-year, Semester System)
(b) M.Sc. (Biotechnology) (2-year, Semester System)
(c) M.Sc. (Microbiology) (2-year, Semester System)
(d) Dual Degree B.Sc. (Hons.) Biotechnology- M.Sc. (Biotechnology) (3+2=5-year, Semester System)

The Department aims to generate trained manpower in the areas of Biotechnology, Microbiology and Nano Science & Technology and attempts to integrate research and teaching to harness maximum potential. The department has emerged as a centre of excellence in imparting quality teaching and training at post-graduate level and propagating research activities in diverse fields of this important science. Such programmes will not only equip the students with sound knowledge and expertise but will also create avenues for research and job opportunities in future and for self-employment. Department is equipped with ultra-modern equipments with state of the art laboratory facilities and has dedicated faculty engaged in the genetic improvement of industrially, agriculturally and medicinally important plants and microbes through advanced techniques in biotechnology as well as genetic studies on domestic animals. Development of nano sensors and synthesis, application and toxicological studies of nano materials is being rigorously pursued. Department has excellent Bioinformatics facility with financial assistance under BIF Program from the Department of Biotechnology,

Department of Science & Technology, Ministry of Science & Technology, Govt. of India, New Delhi. Department has been supported under SAP/DRS-II Program from UGC, New Delhi , FIST-II from DST, Ministry of Science & Technology Govt. of India, New Delhi and TEQIP-World Bank Assisted Project,

The M.Sc. (Biotechnology) programme is supported by the Department of Biotechnology, Ministry of Science and Technology, Govt. of India, New Delhi. Students have to undergo a 14 to 16 weeks of Investigation Problem during the 4th semester which forms an integral part of the programme, major thrust being on research areas pertinent to plant biotechnology, animal biotechnology, microbial biotechnology and nano biotechnology. Each of the enrolled students under DBT sponsored seat is eligible for monthly stipend as per DBT guidelines. The M.Sc. (Microbiology) programme is offered for imparting quality education for commercial exploitation of microorganisms for the production of value added products and services. The M.Tech. (Nano Science & Technology) programme is specially designed to impart quality teaching and consultative research in Nano Science & Technology.

3. Department of Food Technology

Programme(s) offered:

(a) M.Tech. (Food Technology) (2-year, Semester System)
(b) M.Sc. (Food Technology) (2-year, Semester System)
(c) B.Tech. (Food Technology) (4-year, Semester System)
(d) B.Voc. (Food Processing and Engineering)

(a) M.Tech. (Food Technology)

There is a vast opportunity ahead in food processing sector in the country. To meet the growing demands of food processing industry for technical personnel the Department has started M.Tech. Food Engineering programme from the academic session 2007-08 and the nomenclature of the said programme has been changed to M.Tech. (Food Technology). The objective of this programme is to train the best talents of the nation in order to provide a support base for the country's food safety and security. The syllabus is so framed as to enable the students to comprehend the whole gamut of the fast changing food science scenario of the world.

(b) M.Sc. (Food Technology)

The Department offers M.Sc. Food Technology programme to support the growing demand of food industries for qualified human resources. A background in the science is a prerequisite to seek admission to the post-graduate programme. During the programme, the students learn about the different aspects of food in the field of food engineering, food packaging, cereals, pulses, oilseeds technology, fruit & vegetable technology, animal product technology, food biochemistry, nutritional evaluation, microbiology, quality control & safety. In-plant training of about 6 weeks is an integral part of the course curriculum. During training, the students are exposed to real business environment by making them proficient in communication, computer & managerial skills.

(c) B.Tech. (Food Technology)

B.Tech. (Food Technology) programme offers a unique education that blends engineering analysis with knowledge of food material characteristics for the design and development of processes and equipment to produce safe, nutritious, and wholesome foods. Food Technology is a multidisciplinary programme which combines science, microbiology, and engineering education to prepare students for exciting careers in food and related industries. Food Technologists are involved in production of value-added food products and in the research and development of new products and processes. The B.Tech Food Technology programme is designed to train the students to cater to the need of food industry sector. The students trained under this programme will be competent to manage effectively and efficiently any challenge linked to design, development and manufacturing of processes and equipment related to production of safe, delicious & nutritious food.

(d) B.Voc (Food Processing & Engineering)

Bachelor of Vocation programme i.e. B.Voc. (Food Processing & Engineering) programme offers skill based education to cater to the needs of food industries. The students will be skilled for various sectors of food processing industry with special emphasis on milling, baking, post-harvest processing of horticulture products, design & development of new products food safety and management. The students will be acquainted with management skills, data analysis & entrepreneurship. The hands-on training, industrial visits & trainings are the essential components of this programme.

3.4 FACULTY OF PHYSICAL SCIENCES & TECHNOLOGY

1. Department of Chemistry

Programme(s) offered:

(a) M.Sc. (Chemistry) (2-year, Semester System)
(b) Dual Degree B.Sc. (Hons.) Chemistry- M.Sc. Chemistry (3+2=5 years, Semester System)

The Department of Chemistry is the oldest department of university, established in 1994 with M.Sc. and Ph.D. programme. Dual Degree B.Sc. (Hons.) Chemistry-M.Sc. Chemistry came into existence from the session 2016-17. The Department of Chemistry is devoted to academics and research in subject areas like organic synthesis, organometallics, heterocyclic chemistry, catalysis, polymer chemistry, flame retardancy, medicinal chemistry etc. The laboratories of the department and Central Instrumentation Laboratory (CIL) are well equipped with modern and sophisticated equipments like NMR, LC-MS/MS, UHPLC, GC, UV, AAS, FTIR, UV-VIS-NIR, DSC, MPAES, FESEM with EDX, Raman Spectrometer, Flash Chromatograph etc. to provide exposure and first hand working experience to the students. The student's intake in M.Sc. programme is 50+ and in Dual Degree B.Sc. (Hons.) Chemistry-M.Sc. Chemistry intake is 45+. The M.Sc. programme is of two years duration which is divided into four semesters and Dual Degree B.Sc. (Hons.) Chemistry-M.Sc. Chemistry is of five years duration. Apart from the course curriculum, annual science quiz, extension lecturers, industrial visit, workshop and interaction with industry people are other important activities of the department. More than 100 students of this Department have so far cleared the NET/JRF/GATE examination and faculty members of the department have published more than 100 research papers in good impact journals of repute during the last 5 years. The alumni of this Department are serving in leading academic and research institutes as well as industries, e.g. IIT, BARC, CSIR, DRDO, IISER, AICTE, DST, Universities, Engineering and Degree Colleges, Huntsman, ICI Paints, Sun Pharma, etc. in India as well as abroad and some are having their own establishment. The Department has successfully completed FIST (Level 1) programme and is getting support from PURSE programme of DST, New Delhi.

(a) M.Sc. (Chemistry) (2-year, Semester System)

The M.Sc. Chemistry course has been designed with the aim of fulfilling the demands of trained human resources to give thrust to the ever-increasing chemical industry and related fields. The department has adopted the UGC Model Curriculum for this course, to enable its students to be engrossed in various institutions in the country and abroad. The Department offers three Specializations in M.Sc. programme i.e. Inorganic, Organic and Physical Chemistry. The group discussion, seminar etc. are essential components of this course to enhance understanding of the subject in depth to tackle problems independently and to adapt them to accept the new challenges in the thrust area in the present scenario. Successful students become professionally skilled and capable of being absorbed in academics, R&D, chemical industry, research institutions etc.

(b) Dual Degree B.Sc. (Hons.) Chemistry- M.Sc. Chemistry (3+2=5-year, Semester System)

The Department has also started a Dual degree programme of B.Sc.(Hons.) Chemistry- M.Sc. Chemistry from the session 2016-17 to attract meritorious and talented young bright candidates for furthering in chemical sciences and to inculcate the culture of research and development. The scheme and syllabi of the UG programme is designed with an aim to produce a skilled manpower for conducting high impact research in the academic & industrial organizations including national research laboratories. Students passing out this five-year programme are expected to serve as scientists at national research laboratories and other institutes of importance including industries. The key feature of this programme is that the courses are taught on Choice Based Credit System as per UGC Model Curriculum and three specializations are offered in Inorganic chemistry, Organic chemistry and Physical chemistry in 5th year.

2. Department of Mathematics

Programme(s) offered:

(a) M.Sc. (Mathematics) (2-year, Semester System)
(b) Dual Degree B.Sc. (Hons.) Mathematics- M.Sc. Mathematics (3+2-year, Semester System)

Mathematics is a pioneer subject which finds applications in all fields of Science and Technology. The Department offers M.Sc. Mathematics, Dual Degree B.Sc. (Hons.) Mathematics-M.Sc. Mathematics and Ph.D. programme. The courses taught in M.Sc. Programme include Algebra, Functional Analysis, Complex Analysis, Topology, Differential Equations, Mechanics, Measure & Integration Theory, Integral Equations, Differential Geometry, Discrete Mathematics, Mathematical Methods, Fluid Dynamics, Mechanics of Solids and Computer Programming etc. The department is having a well-equipped Computing Lab. with Matlab software. On the research outcomes and academic progress, Department of Science & Technology (DST), Govt. of India has identified this department under DST-FIST Program-2017, Level-I for five years.

Dual Degree B.Sc. (Hons.) Mathematics- M.Sc. Mathematics (3+2=5 years, Semester System)

The application of Mathematics to all branches of science is well known and it has increased many-fold during the last few decades. Knowledge of Mathematics is, therefore, imperative for carrying out research and it forms a necessary input for industrial & technological development of the country. With an aim to attract young bright students and to inculcate the culture of research and development in the areas of Mathematical science, the Department of Mathematics has started a dual degree programme of B.Sc. (Hons.) Mathematics- M.Sc. Mathematics from the session 2016-17. This programme of B.Sc. (Hons.) Mathematics- M.Sc. (Mathematics) is designed to provide in-depth understanding of the subject with special focus on the applied aspects in the field. The students of this course have the opportunities of being absorbed in teaching & research programmes in educational institutions and also in R&D wings of Industrial Establishments. The key feature of this programme is that the courses are taught on Choice Based Credit System as per UGC Model Curriculum.

3. Department of Data Science

Programme offered:
B.Sc. (Hons.)-Computer (Data Science) (3 years, Semester System) programme
(Department of Mathematics being Mentor Department).

The University has started B.Sc. (Hons.)-Computer (Data Science) from the session 2019-2020 with Department of Mathematics as the Mentor Department. Data Science is a rapidly growing academic discipline

fueled by the proliferation of rich and complex data emerging from activities in science, industry and governments. As a result, there is very high demand for data science professionals across the nation and globe and this market is expected to continue to grow it the next decade. The courses in the data science program are designed to provide students with the requisite background that would enable them to take jobs with significant data science components e.g. establishing and operating data analysis pipelines.

4. Department of Physics

Programme(s) Offered
(a) M.Sc. (Physics) (2-Year, Semester System)
(b) Dual Degree B.Sc.(Hons.)-M.Sc. Physics (3+2-Year, Semester System)

In the present scenario, when the students are gyrating towards professional job oriented courses, the Department of Physics is working actively to attract young minds towards Physics that is research and career oriented. The department offers a dynamic mixture of pure and applied Physics with research orientation at UG and PG level. Established in 1996, with the aim to cater laser and optics industry; Master's program in Physics was started with thrust areas in Laser Technology, Fiber Optics & Optical Communications and Materials Science. At present the department is offering Dual Degree B.Sc. (Hons.) Physics-M.Sc. (Physics) (3+2 Years) as well as post graduate M.Sc. (Physics) (2 Years) courses with specializations in Condensed Matter Physics, Photonics, Materials Science and Nuclear Physics. The department has adopted UGC Model Curriculum and the courses are innovatively designed and structured in a manner to provide basic knowledge in Physics and offer options of specialization. The group discussion, seminars and minor /major research projects are integral components of these courses to enhance depth knowledge of the subject. Most of the current fields are covered by dedicated and dynamic faculty, viz. Photonics, Optical communication, Laser physics, Non-linear optics, Physics of nano-materials, Thin films, Glass and ceramics, Solar cell and renewable energy, Radiation physics, Nuclear physics and Theoretical physics etc. Apart from course curriculum, the extension/special lectures, workshops, interaction with industry persons and academic visits of the students are other important activities of the department to strengthen students' knowledge. The dynamic and vibrant ambiance of the department is further enriched by round the year activities of Physics Association of the department. Presently housed in a new four storey building, the department has good infrastructure with well-furnished laboratories for under-graduate, post-graduate and Ph.D. students. The department has received major research grants under UGC-SAP, DST-FIST and DRDO schemes etc.

(a) M.Sc. (Physics) Programme

The Department offers M.Sc. Physics programme which caters to the needs of application-oriented world. The programme comprises of Condensed Matter Physics, Materials Science and Laser Physics that forms a major tool for studying ceramics, polymers, ferrites, glass, biomolecules, nonlinear optical materials etc. Photonics and Optical Communication are also recurring themes of the present course. The course on computational physics enables the students for computer simulations in research. Optional courses on Physics of Nano-Materials, Spectroscopy, and Radiation Physics are being offered to the students so that they can pursue career in their preferred field of interest. Laboratories are equipped with the modern experimental set up. Optional one semester project work is included in the curriculum for M.Sc. Physics students. The courses are taught on Choice Based Credit System as per UGC Model Curriculum. The programme is under revision/designed as per UGC Learning Outcome Based Curriculum Framework.

(b) Dual Degree B.Sc.(Hons.)-M.Sc. Physics Programme

B.Sc. (Hons.)-M.Sc. Dual Degree programme in Physics has been started in the year 2016 to attract young bright students to inculcate the culture of research and development in the areas of physical sciences. The

scheme and syllabi of the programme is designed with an aim to produce a skilled manpower for conducting high impact research in the academic & industrial organizations, including national research laboratories. Students passing out this 5 years programme are expected to serve as scientists at national research laboratories. The key feature of this programme is that the courses are taught on Choice Based Credit System as per the UGC module for CBCS system and specializations are offered in Materials Science, Photonics, Condensed Matter Physics and Nuclear Physics. One semester minor project is an essential component of curriculum for students. Optional one semester Major Project work has been introduced in this course to provide research platform to enter in various scientific laboratories. The programme is under revision/designed as per UGC Learning Outcome Based Curriculum Framework.

3.5 FACULTY OF MEDICAL SCIENCES

1. Department of Physiotherapy

Programme(s) offered:

(a) Master of Physiotherapy (Musculoskeletal Disorders) (2-year, Semester System)
(b) Master of Physiotherapy (Sports Physiotherapy) (2-year, Semester System)
(c) Master of Physiotherapy (Neurological Disorders) (2-year, Semester System)
(d) Master of Physiotherapy (Cardiothoracic & Pulmonary Disorders) (2-year, Semester System)
(e) Bachelor of Physiotherapy (4-year + 6-month compulsory internship, Semester System)
(f) M.Sc. (Yoga Science & Therapy) (2-year, Semester System)
(g) Postgraduate Diploma in Yoga Science & Therapy (PGDYST) (1-year, Semester System)

The Department of Physiotherapy is committed to provide quality education, training and professional consultation services in the field of physiotherapy. Physiotherapy being an integral part of healthcare system is a much sought after profession and the demand of trained as well as specialized Physiotherapists has grown exponentially in recent years. Bachelor of Physiotherapy course covers medical subjects like Anatomy & Physiology, General Medicine etc. as well as core Physiotherapy subjects like Physiotherapy in orthopedic conditions, Electrotherapy, Biomechanics and Kinesiology etc. The Students undergo clinical training from Department O.P.D. and other multi-specialty hospitals from 3rd year onwards. Students are required to complete six months compulsory rotatory Internship after completion of four years course work. During the program students are trained to assess, diagnose and provide necessary treatment and rehabilitation to the patients. The Master of Physiotherapy course curriculum has been designed to give highly specialized training to the students in their respective fields of specialization along with Clinical Postings and Dissertation work.

M.Sc. (Yoga Science & Therapy)

Objective of the Programme:

- To cater professional, therapeutic and imparting higher education in Yoga.
- To understand the origin and historical development of yoga in modern perspectives.
- To impart practical training and teaching with respect to holistic development of human personality.
- To prepare Yoga therapists/ instructor/ coaches for getting job in different fields like Education departments (school, colleges, universities, institutions), sports departments, hospitals, health centers and clubs etc.
- To train students in Yoga therapy so as to enable them to become well versed in therapeutic yoga.
- To impart training and teaching to students, so that they can plan and design a Yoga module
- along with alternative therapies for positive health and curing disease.
- To produce individual of great caliber who can work as researchers.

Postgraduate Diploma in Yoga Science & Therapy (PGDYST)

Objective of the Programme:

- To cater professional, therapeutic and imparting higher education in Yoga.
- To understand the origin and historical development of Yoga in modern perspectives.
- To impart practical training and teaching with respect to holistic development of human personality.
- To develop human resource with specialization in Yoga who can cater the society as Yoga instructor/ Yoga therapist/ Yoga coach.
- Candidate with PGDYST can serve in different fields like education department (school, colleges and institution), sports departments, hospitals, health centers and clubs etc.

2. Department of Pharmaceutical Sciences

Programme(s) Offered:-

a) M.Pharm. (Pharmaceutical Chemistry) (2-year, Semester system)
b) M.Pharm. (Pharmaceutics) (2-year, Semester system)
c) M.Pharm. (Pharmacology) (2-year, Semester system)
d) M.Pharm. (Pharmacognosy) (2-year, Semester system)
e) Bachelor of Pharmacy (4-year, Semester system)

The Department of Pharmaceutical Sciences is one of the pioneer institutions offering pharmacy education in the state. The department offers graduate, post graduate and doctoral programmes in pharmacy. The Bachelor of Pharmacy and Master of Pharmacy programmes offered by the department are approved by the Pharmacy Council of India, and the All India Council of Technical Education. The department has well qualified faculty members with vast experience in teaching and research. The department has well equipped laboratories with the state of the art equipments.

The Master of Pharmacy degree is a four semester programme. The Pharmacy Council of India prescribed curriculum is followed by the Department. The first two semesters, of the program are designed to orient the students towards research by offering the subjects of industrial and scientific importance and the students are required to study all the papers prescribed, while the last two semesters are devoted to research work. The department works towards promoting a multidisciplinary, team-based approach to drug delivery. The Pharmaceutical chemistry discipline is engaged in *In silico* design, synthesis (conventional, microwave, development of combinatorial solution phase synthetic techniques) and evaluation of novel candidate compounds with special reference to heterocyclic moieties and small peptides in the field of antimicrobial, anticancer, analgesic, antihistaminic, anticonvulsant, cardiovascular, anti-diabetic and other activities; molecular modelling, docking, QSAR studies using CADD and analytical and bio-anlaytical chemistry. The Pharmaceutics discipline focuses on nanomedicine, transdermal drug delivery, ocular drug delivery, development of novel excipients from natural polymers. The research activities of pharmacology discipline include; general pharmacological screening of new bioactive molecules from synthetic and natural sources. Neuropharmacological studies of bioactive molecules with special reference to cognitive functions; studies of bioactive molecules on experimentally induced diabetes, and its implications in animal models. The Pharmacognosy discipline is engaged in exploring natural resources for novel drug delivery systems through isolation and characterization of phytoconstituents and development of new herbal formulations and standardization of traditional drugs and polyherbal formulations.

The Bachelor of Pharmacy degree is an eight semesters (Four year) program and the syllabus prescribed by PCI is followed with an aim to provide students with both theoretical and practical training, in order to produce human resources for pharmaceutical industry and health care system. The department imparts quality pharmacy education to the students and to produce competent and employable professionals to work effectively in academia, pharmaceutical industries and research centre and meet the growing global opportunities in Pharmaceutical and Health Care Sector. Ample employment opportunities exist in the fields of Drug industry, Research & Development, Drug control department, Academics, Marketing and sales, etc.

3.6 HARYANA SCHOOL OF BUSINESS

Programme (s) offered at HSB:
(a) Master of Business Administration (MBA) (2-year, Semester System)
(b) MBA (Finance) (2-year, Semester System)
(c) MBA (Marketing) (2-year, Semester System)
(d) MBA (International Business) (2-year, Semester System)
(e) MBA (Business Analytics) (2-year, Semester System)
(f) MBA Part-Time (Evening) (3-year) (Zero Session)
(g) M. Com. (2-year, Semester System)

Haryana School of Business has its origin in the year 1994 with Faculty of Management having the Department of Business Management with sixty seats and Department of Business Economics with 30 seats as part of the regional centre to promote study and research in emerging areas of business education. The regional centre grew into a full-fledged University-Guru Jambheshwar University of Science & Technology, Hisar on 1st November 1995. The Department of Business Management was pioneer in starting the super specialized programme like MBA (Finance), MBA (Marketing), MBA (International Business) apart from the popular MBA with dual specialization. To enable the practicing professionals in Hisar and adjoining area to acquire quality higher education an MBA (evening) programme was also started in the academic year 1997-98. The department also started offering Ph.D. programme in management. The department of Business Economics offered the PG degree leading to Master of Business economics (MBE) as well as Ph.D. Both the departments were very active in organization of seminar, workshops, faculty development programme for university and college teachers, lecture series inviting prominent industrialists, businesses professionals and academicians. The good response shown by the corporate sector in placing the department's students added another feather to their cap. Innovative curricula, vibrant teaching and research environment, interaction with corporate world prompted the state government of Haryana to combine both the departments and elevate them into a B-School within university as Haryana School of Business. At present the HSB boast of an ideal mix of senior, middle and young academicians with 27 regular and 12 contractual teachers. It is further reinforced by visiting Professors from diverse academic and professional world. The School is actively engaged into various calendar-based academic and research activities including annual national conference and its own bi-annual research journal. Majority of the teachers are engaged in research activities and have attained enough national and international recognition through consultancy to government and corporates, publication of research papers and books, and participation in national and international seminars and conferences.

(a) **Master of Business Administration (MBA) :** Master of Business Administration (MBA) is a two year (4-semester) programme. The students admitted in this programme are offered common courses in the first and second semester. They choose their areas of specialization in the beginning of the third semester. A student can opt for dual specialisation in the area of marketing, finance, international business, information technology, business analytics, and production and operations management. The students of the programme can choose the major and minor areas of specialization. The students are required to undergo summer training internship at the end of second semester to get the practical work experience. The programme is suitably equipped to prepare the students to pursue careers in managerial and executive positions in private and public sector organisations.

(b) **MBA (Finance) :** MBA (Finance) is a two year (4-semester) programme with super-specialization in the area of finance. Student taking admission in MBA (Finance) is offered the core finance courses from the first semester itself along with the common management courses. The courses offered under the programme are designed with the purpose of creating specialists in the area of finance. Throughout the duration of the programme, students learn the basic and advanced practical as well as theoretical course contents specially related to the domain knowledge of finance. The students are required to undergo summer training internship at the end of second semester to get the practical work experience. The programme is well designed to prepare the students to work in managerial and executive positions in private and public sector organisations.

(c) **MBA (Marketing) :** MBA (Marketing) is a two year (4-semester) programme with super-specialization in the area of marketing. A student enrolled in the programme is sensitized to the core marketing courses from the first semester itself along with the common management courses. The courses offered under the programme are designed with the

purpose of creating specialists in the area of marketing. The students learn the basic and advanced practical as well as theoretical course contents specially related to the domain knowledge of marketing. The students are required to undergo summer training internship at the end of second semester to get the practical work experience. The programme is designed to impart the managerial and analytical skills expected by the business organisations from the prospective students.

(d) **MBA (International Business) :** MBA (International Business) is a two year (4-semester) programme with super-specialization in the area of international business. A student enrolled in the programme is introduced to the core international business courses from the first semester itself along with the common management courses. The courses offered under the programme are designed with the purpose of creating specialists in the area of international business. The students learn the practical as well as theoretical aspects specially related to the domain knowledge of international business. The students are required to undergo summer training internship at the end of second semester to get the practical work experience. The programme is well designed to impart the necessary skills expected from the students to work successfully in a highly turbulent business environment.

(e) **MBA (Business Analytics):** MBA ((Business Analytics) is a two year (4-semester) programme with super-specialization in the area of Business Analytics. The Business Analysts (BAs) are responsible for bridging the gap between IT and the business management using data analytics to assess processes, determine requirements and deliver data-driven recommendations and reports to executives and stakeholders. As engage with business leaders and users to understand how data-driven changes to process, products, services, software and hardware can improve efficiencies and add value for stakeholders. It not only articulates those ideas but also balance them against what is technologically feasible and financially and functionally reasonable. Depending on the role, BAs might work with data sets to improve products, hardware, tools, software, services or process. The students are required to undergo summer training internship at the end of second semester to get the practical work experience.

(f) **M. Com:** M.Com. is a two year (4-semester) programme is designed to impart the commerce education to the students. The course contents of the programmes cover all the relevant aspects of commerce, business and industry. The programme familiarizes students to understand the problems faced by the traders, businesspersons, and industrialist with a view to suggest alternative solutions. The students are trained to pursue careers in teaching, research and consultancy assignments. The programme lays special focus on academic and professional growth of the students.

3.7 FACULTY OF HUMANITIES AND SOCIAL SCIENCES

1. Department of Economics

Programme (s) offered:

(a) M. Sc. (Economics) (2-year, Semester System)
(b) B.Sc. (Hons.)-Economics (3-year, Semester System)

M. Sc. (Economics)

M.Sc. (Economics) is a two year (4-semester) programme with a special focus to groom the students to pursue careers in teaching, research and consultancy assignments. The course contents help in preparing the students to understand the trends and pattern of the financial and economic data. The programme mainly concentrates on imparting the essential knowledge and analytical skills required for conducting the analysis of economic, financial, health, and population and demographic data. The students are trained to prepare and write scientific reports, articles and policy documents.

B.Sc. (Hons.)-Economics

The objective of B.Sc. (Hons.)-Economics is to provide with a theoretical and practical understanding of economics decisions faced by individuals, business and its mangers and government. It also equips with the ability to analyses the economic and social environment in which these decisions are taken.

Specific objective:

- To understand how prices are determined in a market economy.
- To understand the necessary conditions for market economics to function well.
- To understand the decision making process in a business firm, NGOs and Government.
- To understand of the economic role of Government Policy and the Reserve Bank.
- To understand the role and process of regulatory mechanism in an economy.

2. Department of Applied Psychology

Programme(s) offered:

(a) M.Sc. (Psychology) (2-year, Semester System)
(b) Postgraduate Diploma in Guidance & Counseling (1-year, Semester System)
(c) B.Sc. (Hons.) Psychology - (3-year, Semester System)

In recent years, Psychology has emerged as one of the most important and leading discipline and is expanding its horizon rapidly. Diversified challenges and opportunities in the emerging world have caused a new shift in the field of Psychology which is full of promises and ample possibilities for exploration and innovation to better understand the mind-body, society-culture, interpersonal and intrapersonal transactions with the help of scientific methodology and training. Psychologists are innovators who evolved number of approaches to meet the changing demand of society by incorporating advanced technology. M.Sc. Psychology is a Master's degree programme of professional nature oriented towards opening the new vistas of career in diverse fields. The Department started Postgraduate Diploma in Guidance & Counseling from the session 2017-18. The objective of the programme is to provide professionally competent counselors who can be helpful in resolving the various psychological and behavioural problems with the help of counseling techniques among different sections of society.

B.Sc. (Hons.) Psychology

Department of Applied Psychology has started a B.Sc. (Hons.)-Psychology programme from the academic session 2019-20. Psychology, in simple terms, is the study of human mind and human behavior. A student of psychology has to study how a human mind works in different situations, how it develops perception, what are the various circumstances and how they affect the development of human behavior. The programme of B.Sc. (Hons.)-Psychology is designed to provide in-depth understanding of the subject with special impetus on the applied aspects in the field through the programme all the core areas of psychology are covered to provide the students with the foundation skills for further study and research. This programme is an effort to give the students of graduation, a thorough knowledge of different core and applied areas of psychology.

3. Department of English

Programme offered:
M.A. (English) (2-year, Semester System) under CBCS

Initially, the Department of English was opened by the University under the mentorship of Department of Communication Management & Technology. Now, the Department of English has been assigned to Faculty of Humanities and Social Sciences.

4. Department of Hindi

Programme offered:

M.A. (Hindi) (2-year, Semester System)

Initially, the Department of Hindi was opened by the University under the mentorship of Guru Jambheshwar Ji Maharaj Institute of Religious Studies. Now, the Department of Hindi has been assigned to Faculty of Humanities and Social Sciences.

हिंदी विभाग एक अवलोकन

गुरु जंभेश्वर विज्ञान एवं प्रौद्योगिकी विश्वविद्यालय, हिसार में स्थापित हिंदी विभाग का शुभारंभ प्रोफेसर किशनाराम विश्नोई की अध्यक्षता में वर्ष 2019 में किया गया। हिंदी भाषा की उन्नति एवं विकास के मद्देनजर यह विभाग हिंदी के व्यापक प्रचार और प्रसार में निरंतर गतिमान है। हिंदी साहित्य से विद्यार्थियों को जोड़ते हुए, साहित्य के अध्ययन और अध्यापन के साथ-साथ हिंदी के क्षेत्र में नए प्रतिमान स्थापित करने के लिए विभाग प्रतिबद्ध है। विभाग ने 2019 से हिंदी स्नातकोत्तर पाठ्यक्रम का अध्ययन प्रारंभ किया, जिसके अंतर्गत प्रति वर्ष स्नातकोत्तर की 45 सीटें सुनिश्चित की गई हैं। हिंदी का पाठ्यक्रम विश्वविद्यालय अनुदान आयोग के नियमानुसार निर्धारित किया गया है। इस विभाग में सुयोग्य, विद्वान, शिक्षकों की नियुक्ति के साथ विभिन्न प्रसिद्ध विद्वानों की पुस्तकों से सुसज्जित पुस्तकालय की भी व्यवस्था की गई है, ताकि विद्यार्थी अध्ययन की दिशा में नए प्रतिमान स्थापित कर सकें और साहित्य को आत्मसात करते हुए उच्च विचारों से समाज और राष्ट्र की उन्नति में सकारात्मक योगदान दे सकें।

3.8 FACULTY OF RELIGIOUS STUDIES

Guru Jambheshwar Ji Maharaj Institute of Religious Studies conducts research and comparative study of various religions Hinduism, Jainism, Buddhism, Christianity, Islam and Sikhism, Indian Culture with special reference to teachings of Guru Jambheshwar Ji Maharaj.

In India, religion is a way of life. It is an integral part of the entire Indian tradition. For the majority of Indians; religion permeates every aspect of life from common-place daily chores to education. Secular India is home to Hinduism, Jainism, Buddhism, Christianity, Islam, Sikhism, Indian Culture and other innumerable religious tradions.

1. Hinduism- The underlying tenets of Hinduism cannot be easily defined. There is no unique philosophy that forms the basis of the faith of the majority of Inseams population. Hinduism is perhaps the only religious tradition that is so diversified on its theoretical premised and practical expressions as to be called a “museum of religions”. This religion cannot be traced to a specific founder nor does it have a “Holy Book” as a basic scriptural guide. The Rig Veda, Upanishads and the Bhagwad Gita can all be described as the sacred text of the Hindus.
2. Sikhism- The Sikh religion emerged during the early 16th century in the state of Punjab in North India. The founder of this faith was Guru Nanak, who from his childhood was attracted to both Hindu and Muslim saints. Born a Hindu, but also inspired by the teachings of Islam, he began to preach the message of unity of both religions. According to him, the basic teachings of both faiths were essentially the same. Nanak attracted many followers and came to be known as a Guru or a teacher. His disciples came together to form a new religions tradition called Sikhism.

3. Buddhism- Buddhism originated as an offshoot of Hinduism in India, but eventually it became popular all over Asia. The personality and teachings of Gautama Buddha, the founder of this faith, have illumined the lives of millions of people in Japan, China and Southeast Asia. Buddhism is based on the principle of the law of impermanence.
4. Islam – The Arab traders brought Islam to India in the early 8th century, but it was not until the 12th century that it became a force to reckon with in the Indian sub-continent. Unlike Buddhism, Jainism and Sikhism which emerged as offshoots of Hinduism, the concept customs and religious practices of Islam were unique to this faith which professed universal brotherhood and submission to Allah-The God Almighty. The mystics of Islam, or the Sufi saints, helped in spreading the message of peace and universal love.
5. Jainism – Jainism as a religious tradition was established in India about the same time as Buddhism. Mahaira, one of the jinas (conquerors) preached the Jain philosophy around the same time that Buddhism began.

3.9 FACULTY OF EDUCATION

With the affiliation of all degree colleges of district Hisar with this university by the State Government in 2017, the Faculty of Education came into functional existence. The Faculty aims at preparing dedicated, skilled, knowledgeable and creative quality teachers to meet and enrich the evolving demands of the educational system and the society at large. The Faculty also aims at preparing quality teacher educators who perform complex duties ranging from effective classroom teaching to moulding the value system of pupils and undertaking administrative responsibilities. It thus prepares teacher educators and researchers to play a leading role in their profession through various educational programmes in affiliated educational colleges.

PROGRAMMES OFFERED BY THE AFFILIATED EDUCATIONAL COLLEGES

1. Master of Education (M.Ed)-Two Year (Regular)
2. B.Ed.-M.Ed. – Three Years Integrated (Annual System)
3. Bachelor of Education (B.Ed.) -Two year (Regular)
4. B.Ed. (Shiksha Shastri) Two Year (Regular)
5. Bachelor of Elementary Education (B.El.Ed.) - Four year (Annual System)
6. Bachelor of Education (B.Ed.) –Three years (Part-time)
7. B.A.-B.Ed.- Four year
8. Diploma in Physical Education (D.P.Ed.) Two Year (Regular)

3.10 FACULTY OF LAW

Law education in the India generally refers to the education of legal profession for creating profound professional in the field. Law education is offered through Faculty of Law at our affiliating college namely, C.R. Law College, Hisar, which is a leading self-financing law college imparting education in the State of Haryana. This Law College is committed to impart outstanding quality legal education at par with the premier Law institutions in India. This College, which was established in 2003 to conduct 3 years post-graduation Professional Law Course, is also conducting B.A.LL.B (5 Year) Integrated Professional Law Course since 2009 and also started LL.M. programme. This College ensures the vibrancy and youthful outlook, which is reflected in its updated course curriculum that may be dedicated to create a new breed of dynamic and future

ready Law Graduates who will be in a position to use the knowledge acquired here towards the creation of a better law abiding society vis-a-vis for the brighter future law education in the country.

DIRECTORATE OF DISTANCE EDUCATION

The University offers the following UGC Entitled programmes through Distance Education mode.

OPEN AND DISTANCE LEARNING MODE

Postgraduate Programmes

1. M.A. (Mass Communication)
2. M.Sc. (Mathematics)
3. Master of Business Administration (MBA)
4. Master of Commerce (M.Com.)
5. Master of Computer Applications (MCA)

Graduate Programmes

1. B.A. (Mass Communication)
2. B.A. (Bachelor of Arts)
3. B.Com. (Bachelor of Commerce)

25% concession of total fees of distance learning programmes will be allowed to the students pursuing regular courses in GJUS&T, Hisar or any other recognized University/ College, who are interested to simultaneously join a distance learning programme. The candidate claiming this concession will be required to produce a certificate of bonafide student from the head of the institution concerned.

8. The Chief Secretary to Govt. Haryana, Chandigarh conveyed the instructions vide letter No. 22/129/2013-1GS III dated 16.07.2014 regarding prescribing minimum eligibility qualification for the various courses/programme for reserved category candidates as per the procedure in the compliance of the judgement of Hon'ble Supreme Court passed in CWP No. 7084/2011 for e.g.

   "A General candidate requires to have 50% marks, then as per Govt. instructions by giving 5% relaxation the minimum eligibility marks for a reserved category candidate should be calculated as under:-

   Out of 100 marks needs to less = 5
   Out of 1 Marks needs to less = 5/100
   Out of 50 marks needs to less = 5/100 x50 = 2.50

   This way minimum less marks where general category candidates are required to have 50% in a prescribed qualification, the total required marks for a reserved candidate will be 50 – 2.50 = 47.50 and not 45."
