DDU KAUSHAL Kendra

Realizing the need to boost vocational education on a larger scale, the University Grant Commission(UGC) proposes to establish 'Deen Dayal Upadhyaya Centres' for Knowledge Acquisition and Up-gradation of Skilled Human Abilities and Livelihood (KAUSHAL)' during the XII plan period. These centres would take-up the vocational education to new levels and offer industry and skill oriented B.Voc degree programmes. The UGC offered the scheme to University of Kashmir to take on the vocational education to new level in Jammu and Kashmir. The Directorate has been given the significant responsibility to start B.Voc undergraduate Degree Courses under UGC sponsored scheme DDU KAUSHAL Kendra with the aim to create skilled man-power for industry requirements at various levels. Accordingly, the B.Voc degree programmes in Automotive Technology and Electronic Media has been started from 2019 by DDU KAUSHAL Kendra, University of Kashmir. Besides frequent industry exposure visits, the students get opportunity to interact and learn from professionals and experts from the field.

EDUCATIONAL MULTIMEDIA RESEARCH CENTRE (EMRC)

Year of Establishment **1986**

Faculty

a) Dr. Salima Jan Director/Research Scientist
b) Shafqut Habib Producer
c) Ajaz-ul-Haque Producer
d) Tariq Abdullah Producer
e) Er. Muzaffar Ahmad Assistant Engineer

EMRC is all about what its first three letters stand for. Education, Multimedia and Research. That is the bottom-line, the rest are details.

We digitize education and that is what the demand of the modern age is. We produce educational television programmes, make documentaries on a wide range of subjects, develop the digital educational content known as e-content and offer the latest global format of teaching and learning Massive Open Online Courses – MOOC for short.

The Centre also carries out research to assess the popularity and utility of ETV (Education Television) programmes. It also evaluates the use of communication technologies for teaching and learning. We organize awareness programme in different colleges of J&K to make students and teachers aware about the development and utilization of e-resources and the use of Information Communication Technology (ICT) in education.

EMRC has produced around 2350 ETV programmes, over 1500 multimedia/e-content modules and 1000 Learning objects in the subjects of Botany, Education, Law, Bio-Medical Science, Urdu, English, Philosophy, Psychology, Medical Science, Art and Culture. The Centre has bagged 18 National Awards. The Centre completed e-Content development in Botany in 1st Phase and in the 2nd phase B.A (Hons) Urdu, B.Sc (Hons) Food Technology, B.A, LLB, B.A (Hons) Education and B.Sc Hons Bio-Medical Science were completed.

EMRC-made MOOCs are available on the web portal called SWAYAM (Study Web of Active Learning by Young and Aspiring Minds). SWAYAM is an e-learning initiative by the Ministry of Human Resources Development (MHRD) established with an aim to reach a wider audience. Under this project, various Universities in India have been assigned to develop MOOCs and we are one such institution. So far 40 MOOC courses have been developed, 03 have been re-run and offered to the undergraduate students and 03 courses are under production.

Under the Swayam Prabha, EMRC University of Kashmir has also been allotted one DTH (direct-to-home) Life Science channel named Spandan which covers subjects like Zoology, Life Science, Bio-Informatics, Bio-Chemistry, Microbiology, Botany and Bio-Med. The channel started off from 15 August 2016 and is running smoothly. It can be watched on Doordarshan DTH Channel No.105 and also on Dish TV Channel No.2009. For programme schedule visit http://www.swayamprabha.gov.in/index.php/feedback.

Equipped with the latest gadgetry of TV & film production, the Centre has shifted from Standard Definition to High Definition technology.

To make learning a hassle-free process, we have created a tapeless workflow. Our aim is to have a complete digitization of the content. Keeping pace with the ever-changing trends in the video production technology, EMRC has procured a high-end multimedia lab with Mac workflows.

The Centre has been upgraded to High Definition with automation of its production workflow by establishing Central Apparatus Room (CAR).

To get University closer to society, the Centre produces a weekly television programme, Quest and a weekly radio programme, 'Kashmir University Radio Digest', Srinagar which highlights the academic activities of the University. During Covid times we made use of social media to reach people at large. These programmes are uploaded on the university's official Facebook page.

The Centre has the expertise to provide consultancy to various agencies for producing documentaries and conducting research in various aspects of media.

Till date various such consultancy programmes have been undertaken. The Centre also intends to launch B.Sc Electronic Media and M.Sc Electronic Media and M.Phil and Ph.D programme in Media Studies. Besides EMRC plans to launch a course in Creative Writing.

In a line EMRC is committed to offer education in all its brevity, beauty and depth.

CENTRE FOR CAREER PLANNING AND COUNSELLING (CCPC)

Year of Establishment **2004**

Faculty

Dr. Mohammad Ishaq Geer	I/C Director

The University of Kashmir established the Centre for Career Planning and Counseling in 2004 with an aim to help students to attain academic and Career goals. The basic purpose of the Centre has been to provide the students with the opportunity to realize their career potential by exposing them to career planning, career options, decision making skills, occupational information, reinforcement of appropriate work skills and attitudes, to prepare them for various competitive examinations and to provide them a platform for training and placements. To attain the basic purpose the Centre has been working towards the following objectives:

- To provide the services and resources to the students that are essential in their career and educational planning as well as in their job search,
- To provide an integrated platform for the youth to enhance their employability and to provide them placement services;
- To advise any members of academic, administrative or supporting staff on how to help a student who appears to have any problem that has become a constraint for him/her to achieve academic and career goals; and
- To provide information and training for the faculty and administrative staff through staff development programme that will help them to act as academic counselors in different departments/ Units of the university.

Trainings/ Placements: The Centre for Career Planning and Counseling, University of Kashmir has also evolved as a centre for providing comprehensive training and placement support to the students of various streams. within and outside the university. The centre has developed a close liaison with the corporate sector for training and placement of the students. The centre also works in close collaboration with major chambers of trade and industry including Confederation of Indian Industries (CII) and PHD chamber of

commerce. Leading public sector companies have visited the centre for training of students from various disciplines. These companies include Tata Consultancy Services (TCS), Oil & Natural Gas Corporation (ONGC), NTPC, BHEL, IYOGI, HCL Info systems., Ligare etc. The objective of these training programmes is to provide comprehensive training to the students and to equip them with necessary skill sets required for their productive employment.

In addition to these training programmes the Centre for Career Planning and Counseling, University of Kashmir has attracted leading business houses of the country for the recruitment of educated youth form the UT of Jammu and Kashmir. The main objective of these efforts is to provide a platform to the educated youth wherein they are exposed to the opportunities in corporate India within & outside the UT. These efforts also help the centre showcase the talent pool of the UT to the corporate India. Some of the leading companies that have visited the centre in recent months include Godrej & Boyce India Ltd; HDFC Bank Ltd; Standard Chartered Bank; Infosys Technologies; Hindustan Unilever Ltd; Yogi (India), Yes Bank; Tata Consultancy Services (TCS), Ligare; Axis Bank; Saint Gobain; HCL Technologies, iQuasar Sysytems Ltd (TASL), IQVIA Biostatisticians etc. More than 1650 educated youth from the University have been recruited as a result of these placement drives.

Coaching for competitive exams.: The Centre has been providing coaching & counseling services not only for the registered students of the University but also to such potential candidates who desire to appear for various competitive examinations like Civil Services, Defence Services, NET/SLET, NEET/JEE, JK-CET. The Centre has conducted 39 Coaching Programmes for Centre and State Civil Services Examinations which were attended by more than 3000 students during the last few years.

As a result of these efforts few students of the Central qualified Centre Civil Service Examinations like IAS and IPS and large number of students qualified Kashmir Administrative services (KAS). In addition to this the Centre conducted a number of workshops and orientation programmes during the period where the participants were educated about various dimensions of civil Service Examinations.

Centre for Career Planning and Counselling (CCPC) has recently signed Memorandum of Understanding (MoUs) with TATA Advanced Systems Ltd. (TASL), Hyderabad and TATA Consultancy Services (TCS), Mumbai for joint collaboration in youth empowerment, Computational Thinking Skill Development, Communications skills development, Adult Literacy Programme, Innovation-Incubation and Entrepreneurship Development and Bridge IT Programme cuvated on Tourism Development, Centre has also signed agreement with Central Wakf Council (CWC), New Delhi imparting free coaching for Civil Services Examinations to 50 meritorious muslim students through New Delhi based coaching academy namely M/s Dhyeya Educational Services Pvt. Ltd and the same is going on at present in full swing. CCPC has also appointed, trained and certified 66 career counselors and placement officers from various Departments and Centres of the University and its satellite campuses who are providing Career Counselling and Placement services to the students of the University.

Dean Students Welfare

Professor Raies Ahmad DSW

Department of Students Welfare functions for the overall benefit and welfare of the student community of the University. It works with a vision, being obsessed with an overwhelming desire to chalk out the issues and remove all the impediments that confront students on their way to their respective developments and success. The Department addresses the social and academic concerns of the students by organizing a wide spectrum of activities and by engaging the student community in positive, meaningful and constructive endeavors. The Department also takes care of the problems, be it curricular, co-curricular & extra-curricular, faced by, and queries and complaints made by the students from time to time.

Student Amenities:

The department works as a backend support for the student welfare activities. Some of the main domains are:

- **Provision of Character Certificate.**
- **Provision of Identity Cards.**
- **Provision of Bus Facility for Female Students.**
- **Provision of Railway Concession Forms.**
- **Educational Tour**

In order to acquaint the university students with the required capabilities to face the world outside, and to inculcate in them the skill of learning by experiencing, the department of students welfare organizes educational tours for the students to visit various educational institutions/ universities outside the valley, thereby helping in their up gradation and the reaching out to the horizons.

CAREER COUNSELLING

Keeping in view the problems confronted by the students while opting for their respective carriers, the department has come up with an initiative of helping the students choose productive and prospective career. The goal of Career Counseling is to not only help you make the decisions one need to make now, but to give you the knowledge and skills one needs to make future career and life decisions. Career development is more than just deciding on a major and what job you want to get when you graduate.

ANNUAL STUDENTS MAGAZINE

Department of students welfare publishes an annual periodical magazine with the name ***"GULALA"*** __ "*the budding flower"*. Gulala contains various literary and research articles written by students, teachers and research scholars. As the name indicates, it helps the students to inculcate among themselves the qualities of writing and gives their creativity-an expression of thought, directly or indirectly contributing towards their literary development.

EDUCATIONAL TOUR

In order to acquaint the university students with the required capabilities to face the world outside, and to inculcate in them the skill of learning by experiencing, the department of students welfare organizes educational tours for the students to visit various educational institutions/ universities outside the valley, thereby helping in their up gradation by reaching out to the horizons.

SCHOLARSHIPS

The department also facilitates the students belonging to weaker sections of society by assisting them regarding the scholarships provided by the university which includes:

Scholarship for Specially Abled Students
Orphans belonging to AAY Category.
Orphans belonging to BPL Category.
Candidates belonging to AAY Category
Candidates belonging to BPL Category
Candidates belonging to abandoned/ broken family Category

Students Grievance Cell:

The origin of the cell dates back to the inception of the department. This cell works for the redressal of the grievances put forth by the student community in general and that of Kashmir University students in particular. The cell helps the students by acting as a bridge between the university authorities and the students and thereby putting in all the genuine efforts to solve the matters.

Division of Youth Affairs:

The Division of Youth Affairs is responsible for stimulating intellectual discussions among the students by organizing seminars, extension lectures, workshops, youth festivals, film festivals and group discussions. The Division of Youth Affairs is actively engaging the students in promoting the values of fraternity, tolerance and social harmony, so as to uphold the vibrant social fabric of our mother earth.

Various Components are:

- **KU Literary Club**

- **KU Debating Club**
- **Music Club**
- **Drama Club**
- **Art Club**
- **Film Club**
- **KU RED RIBBON CLUB**
- **RED CROSS UNIT**

Disability Resource Centre:

Department of Students Welfare, University of Kashmir established centre for specially abled students in February, 2009.Keeping in view the needs and requirements of differently abled students, the centre provides various facilities for specially challenged students within and outside the university system, and thereby helping them to earn a dignified and respectable status and career after the completion of their studies. Special programme like marathons for specially abled, workshops, seminars etc are also being conducted and successfully organized by the centre. Physical & financial Assistance is also provided by the centre.

Equal Opportunity Cell:

This cell owes its presence to the students belonging to schedule tribes, schedule castes, OBC and persons with disabilities. Scholarships and other fellowships are also provided for these students. The main focus behind its establishment is to solve the problems confronted by the students of the minorities
