Message from the Chancellor

Greetings!

The ICFAI University, Dehradun established in 2003, has evolved as a University that grooms its students into innovative and ethically grounded individuals, capable of managing change and transformation in a globally competitive environment. It has a vibrant 25 acres campus at the foothills of the Himalayas and aims to excel as a premier University for students who seek knowledge and wisdom.

The University provides relevant applied learning experiences to its students through research, internships and community outreach projects.

The University believes in providing equality of opportunities which is the essence of participatory democracy, to help not only to remove the sense of alienation and neglect in the backward regions but also prevent migration from Uttarakhand. The University campus is emerging as a potential hub to impart education, training and entrepreneurship development skills, to the youth, women and marginalized sections of society.

The ICFAI University, Dehradun; with an aim to align itself to the knowledge based economy, has been working in close association with the industry. This will help our students to move up the value chain. We will continue our pursuit of excellence in our academic offerings, through cooperation and commitments of all our stakeholders.

In addition to its curricular activities, the University provides a campus life that is rich in extracurricular activities, clubs and sports that not only helps its students to lead a balanced life style but also attracts its alumni to return to the campus.

> “
>
> **The University, since last seventeen years, is diligently working on its mission of providing professional postgraduate and undergraduate programs that are of high level, innovative and career oriented.**

Prof. Uday B. Desai, Chancellor,
The ICFAI University, Dehradun
Founding Director of IIT Hyderabad
Professor Emeritus at IITH

Message from the Vice Chancellor

The emergence of new intelligent technologies in latest thrust areas and new business models will bring large number of sustaining opportunities for growth, both for our country and for its young population, despite the current challenges due to the pandemic. We at ICFAI system and ICFAI University, Dehradun (IUD) believe that it is knowledge and discipline that will give you required competence to harness these opportunities and scale the system to greater heights. The culture at IBS Dehradun, a constituent of the ICFAI University, Dehradun stands for meritocracy with strong ethical foundations. The University provides quality education to its students both in classroom and through its rigorous internship program in the organisations. The innovative pedagogy is a blend of case-based methodology, latest methods and technology with a focus on imparting the right knowledge, skills and attitude to our students for their holistic growth. The curriculum which is upgraded on real time scale in the departmental Board of studies is kept contemporary and innovative with inputs from leading industry professional, researchers and academicians, giving an edge to our students when they progress into their professional work environment.

The students are imparted a holistic view of life with a 'can-do attitude' by the faculty having rich experience in industry and academics. The class room learning supplemented with industry visits, guest lectures, sports, cultural festivals and other co-curricular and extracurricular activities help in an all-round development of our students.

> "The University provides diversity of learning experiences that equips them with competencies to have their rightful place in the world. Our energetic and growing alumni network is a testimony to it.

Prof. Ram Karan Singh
Vice Chancellor,
The ICFAI University, Dehradun

The ICFAI Group

Pioneering professional education for over 35 years

ICFAI was established in 1984 as a not-for-profit society with the broad objective of empowering citizens through world class quality education. The Institute announced its arrival into the Indian education fora by launching a high end, innovative professional program in financial analysis in 1985. The Program was first-of-its-kind in India, aimed at equipping students and working professionals with cutting-edge knowledge in contemporary areas of finance. Since its establishment, ICFAI Group has made a significant mark in the Indian educational field with a pan-Indian network and presence.

Innovation has been the mainstay of ICFAI Group with innovation prevalent in its programs and even its culture. Subsequently, there was a big leap when ICFAI Group started its chain of business schools (IBS) across India in 1995 to offer management program. Since its inception, IBS has been consistently ranked among the top ranked B-Schools of India providing excellent academic delivery and infrastructure to its students and transforming them into leaders for the future.

Another example that is a testimony to the culture of innovation is the introduction of Case Study methodology at IBS. The Case Research Center at IBS has become a center of excellence and has won several accolades across the world.

ICFAI Group has 2 Strategic Institutional Units, the ICFAI Universities and the ICFAI Business Schools. In all the programs offered across these units, the emphasis is on adherence to academic rigor and differentiated curriculum that bridges the industry-academia gap.

ICFAI Group focuses on learning rather than instruction. In addition, the institute is engaged in important areas of research covering environmental sustainability, agricultural economics, health policy, financial economics, banking, intellectual property rights etc. There have been path-breaking research and good quality publications in these areas.

Flexible and tech enabled learning also plays an important role in ICFAI's teaching methodology. The delivery takes place with the use of hi-tech learning management system at campus programs and content delivery for distance learning through online medium.

ICFAI Group practices the value of academic integrity at all levels. As a policy, admissions are purely based on merit and there is nothing like capitation fee et al. The fee payable is published in the application material and that remains unchanged.

The ICFAI Group's culture of teaching and learning supports and fosters intellectual and personality development among its graduating students. They carry an attitude of ownership of their work. ICFAI Group strives to make the students - DOERS. The programs are designed such that the students & professionals graduating from the institution have the ability to take risks, make decisions and own the work. ICFAI Group system, strongly believes in developing an 'entrepreneurial mindset' among its graduating students.

At ICFAI, students inculcate research and analytical orientation due to its institutional strength and support for the research and development activities. Holistically, the student undergoes a transformative change.

The alumni of ICFAI Group are working in renowned companies world-wide. Collectively, ICFAI Group alumni contribute significantly to the growth story of India.

Awards won by The ICFAI Group

The ICFAI Universities

ICFAI has established 11 Universities across India. The ICFAI Universities are located at Hyderabad [The ICFAI Foundation for Higher Education (IFHE), which is a Deemed-to-be University], Himachal Pradesh (Baddi), Dehradun, Jaipur, Jharkhand, Meghalaya, Mizoram, Nagaland, Raipur, Sikkim and Tripura.

N J Yasaswy
(1950-2011)

Founder's Profile

Mr. N. J. Yasaswy (1950-2011), founder of the ICFAI Group of educational institutions and a pioneer in promoting higher education in the private sector had a brilliant academic career: B.Com (Andhra University 1969 – First Rank), CA Inter (May 1971 – First Rank), CA Final (May 1973 – First Rank), ICWA Inter (July 1970 – First Rank) and ICWA Final (July 1972 – First Rank). He was the recipient of the Basu Foundation Award for the Best Student of the Year from both – The Institute of Cost and Works Accountants of India (in 1972) and The Institute of Chartered Accountants of India (in 1973).

During 1974-1980, Mr. Yasaswy was associated with the Administrative Staff College of India as a Faculty Member. In 1981, he started his consultancy firm, Yasaswy Management Associates Private Limited. Hyderabad.

Mr. Yasaswy was appointed by the Government of Andhra Pradesh as Chairman, Andhra Pradesh State Trading Corporation (1985–88), and Vice-Chairman, Public Enterprises Management Board (1986–88). He was a visiting faculty member at the Indian Institute of Management-Ahmedabad (1986-88) and was nominated as a Member on the SEBI Committee on Accounting Standards. He was a member of the Board of Directors of the Association of Certified International Investment Analysts (ACIIA), Switzerland. He authored several books on finance and investments.

Mr. Yasaswy set up the ICFAI as a single institute in 1985 without governmental sops or institutional funding, in an era where government support was the norm. He chose to spend all his energy on the fledgling institution which over the years grew to become a monument to what ambition can deliver. He was instrumental in building several business schools and universities in the developing states of India, particularly in the North-East region. He stood for professional management, excellence in the quality of education offered in the ICFAI institutions, and absolute discipline.

He was charismatic, a great teacher, an institution builder, a visionary and a genius who was years ahead of his time. His vision will continue to guide ICFAI forever.

The ICFAI University, Dehradun

Board Members Meeting at The ICFAI University, Dehradun

The ICFAI University, Dehradun is established under the provisions of The ICFAI University Act 2003 (Act 16 of 2003) enacted by the State of Uttarakhand.

- The University is recognized by the University Grants Commission under Section 2(f) of UGC Act, 1956.

The University is the member of:

- The Association of Commonwealth Universities (ACU), London.
- The Association of Indian Universities (AIU), New Delhi.

The University is located at Selaqui, Dehradun (Uttarakhand) with a lush green campus of 25 acres equipped with 2.5 lacs sq. ft. of built-up area having academic blocks, workshops, laboratories, library, auditorium, seminar halls, computer labs, moot court halls, legal aid clinics, faculty rooms, canteen, sports, recreation facilities and girls and boys common rooms. The campus is Wi-Fi enabled and widely known for its quality research and strong industry interface.

Domicile Fee Concession: Domicile fee concession is applicable for students domiciled in the State of Uttarakhand. Other students will be treated as non-domicile and will pay the fee as indicated in the Application Material.

Year I	▸ Law and Social Transformation in India ▸ Indian Constitutional Law: New Challenges ▸ Judicial Process ▸ Law of Writs and Service Laws ▸ General Principles of Administrative Law	▸ Research Methodology and Legal Writing ▸ Comparative Public Law ▸ Law and Justice in the Globalising World ▸ Mass Media Law ▸ Administrative Process and Judicial Control
	Legal Internship Program (8 Weeks)	
	Semester - III	**Semester - IV**
Year II	▸ Public Policy and Development ▸ Comparative Constitutionalism ▸ Comparative Administrative Law ▸ National Security, Public Order and Rule of Law	▸ Dissertation ▸ Lecture Assignment ▸ Research Publication

LL.M. (Corporate and Commercial Law Specialization)

	Semester - I	Semester - II
Year I	▸ Law and Social Transformation ▸ Indian Constitutional Law: New Challenges ▸ Judicial Process ▸ Bankruptcy and Insolvency Laws ▸ International Commercial Arbitration	▸ Research Methodology and Legal Writing ▸ Comparative Public Law ▸ Law and Justice in the Globalising World ▸ Comparative Competition Law ▸ Law of Corporate Finance
	Legal Internship Program (8 Weeks)	
	Semester - III	**Semester - IV**
Year II	▸ Commercial Banking and Insurance Law ▸ Mergers and Acquisition ▸ E- Commerce and E-Governance ▸ Corporate Taxation	▸ Dissertation ▸ Lecture Assignment ▸ Research Publication

Note:

The Program shall be offered subject to the guidelines of BCI.

The Program structure is tentative, subject to any change (if required).

Learning @ ICFAI Law School

"The people you sit with defines what you will become"- LL.M Students all set for their future ahead.

1) Centre For Environmental Law Policy, Education and Development

- To use the power of law to protect the environment, promote human rights and ensure a just and sustainable society.
- To focus on research and policy advocacy in the field of environmental law.
- To foster an evidence based conversation to ensure a clean and sustainable environment in growing India
- To take an initiative for propagation and advancement of legal education and research in the field of environment law.

2) Centre for Excellence in Alternate Dispute Resolution

- To create awareness about the Alternate Dispute Resolution in the legal profession.
- To train the students with techniques of various aspects of Alternate Dispute Resolution System, so that students can participate in Arbitration mooting and other Alternate Dispute Resolution Competitions
- To enhance research and publish scholarly articles in the field of ADR
- To conduct Workshops, Conferences and Training Courses.
- To develop basic and advance knowledge and skill for legal writing, National and International Alternate Dispute Resolution Mechanism skill.

3) Centre for Cyber Law and Innovation (In Collaboration with Rajiv Gandhi National Cyber Law Center (NLIU, Bhopal)

- To create more awareness about Cyber Law and Cybersecurity
- To contribute to the global debate on emerging Cyber Law and Cybersecurity
- To provide legal assistance and advice to people, who have been affected by misuse of cyberspace and connected services.
- To work on research and development on cutting-edge issues and challenges in cyberspace.

4) Center for Human Rights and Humanitarian Law

- To provide students, academicians and the wider community with a locus of intellectual and physical resources for engaging critically with how law impacts upon some of the compelling social problems of our modern era.
- To deepen interdisciplinary and transnational collaboration on the complex social, ethical, political and philosophical dimensions of human rights and humanitarian law.
- To provide legal assistance and advice to people who are victims of Human rights abuse.
- To work on research and development on cutting-edge issues and challenges of human rights and humanitarian law.

5) Intellectual Property Right Cell

- Yearly event organization for promotion and awareness on IPR (Intra/National).
- Discussion on new judgments and issues on IPR.
- Alumni database of IPR (Hons,) students (Guest lecture/ Workshop/Internship).
- Conducting of monthly quizzes and activities on IPR.

Unique Features of ICFAI Law School

Moot Court:

Moot Court activity is a part of clinical legal training which enables the students to gain practical experience, improve analytical reasoning, legal aptitude, presentation and communication skills. The moot courts help the students understand bar and bench relationship. It helps the students to inculcate good court-room techniques, processes and discipline.

The ICFAI Law School internalizes the moot court process into its curriculum throughout the program as it strongly feels that moot court helps the students in understanding the requirements of clients and courts in the real life situations. A student is made to learn the legal issues associated with the case and prepare the briefs and arguments. The moot courts help to understand the requirements of the clients and prepare for a case in that direction.

Students are encouraged to participate in the National and International Moot Court Competitions. In every semester, intra-college and National moot court competitions are organized by the ICFAI Law School so that students imbibe the qualities of professional lawyers.

Legal Aid Clinic:

The ICFAI Law School is committed to social cause and contributes to the society by way of spreading legal awareness, legal literacy and by providing legal services. It plans to coordinate with the District and State Legal Services Authorities in solving the disputes of the local people. As part of Legal Aid Program, the students undertake some of the programs under the supervision of the faculty and Legal Service Authorities. These programs help the poor and needy who cannot afford the services of a lawyer for the conduct of a case or a legal proceeding in any court, tribunal or before an authority. Students learn how to handle clients who are illiterate and poor. They create awareness among citizens about their rights guaranteed by the constitution of India and various other enactments. These initiatives aim at making the students independent before they enter into the competitive professional environment.

In the last academic session, the ICFAI Law School organized two Legal Aid Camps in the nearby rural areas and conducts one jail visit for the students. The University adopts two villages in nearby locality for legal aid.

Guest Lectures:

Guest lectures play an important role in enhancing knowledge base of the students. Eminent academicians and practicing legal professionals are invited for guest lectures where students understand the practical applications of various laws and management related concepts and ideas. The ICFAI Law School also arranges a series of lectures on technical and contemporary courses by the subject experts.

Clinical Courses:

Clinical courses are the compulsory courses for the students. These courses help the students to learn the skills of drafting, pleading and conveyancing. These courses prepare the students to learn advocacy skills and train them in professional ethics.

Mentoring and Grooming:

Students joining law programs are divided into groups and each group is mentored by one of the faculty members. All the faculty members are involved in the processes, based upon requirements. The process is aimed to help the students overcome their problems (academic and non-academic) in the absence of their parental guidance. It also helps to streamline the inherent skills of students and strengthen them for building up better careers. It enables the mentor to address performance deficiencies of the students.

Mentoring process is a unique program initiated by ICFAI Law School. It helps the students gain confidence, plan for the future and understand the expectations of the University. It involves the students in team building and social interactions. It helps to assess the psychological profile of students and help them to achieve attitudinal changes required in today's dynamic professional life. The faculty in-charge of group conducts relevant psychometric tests and gives feedback on their strengths, weaknesses, aptitude, behavioural traits and identifies opportunities for improvement of the students.

Legal Internships:

The internship forms an important component of Law programs at ICFAI Law School. It is an attempt to bridge the gap between the professional world and academic institutions. Internship is a vehicle for introducing students to get the professional and practical exposure. ICFAI Law School has a clearly defined and structured institutionalized process of internship to link up the real life situations with that of the academic learning. During the internships the students are encouraged to take up assignments, which are multi-disciplinary, goal-oriented, time bound and involves teamwork.

The students undertake the internship program for BBA-LL.B. (Hons.), BA-LL.B. (Hons.) and LL.B. program at the end of each year during the summer holidays. Students are required to seek internships in the law firms, corporates, nationalised banks, national commissions, NGOs and with advocates practising in various fields of law for practical knowledge. During this period, students attend the concerned office and also the court's proceedings. Each student is under continuous evaluation by the faculty guide and also the project guide. At the end of the internship each student submits a detailed report on all the cases studied and/or attended by him/her, duly evaluated by the advocate and faculty.

Faculty Profiles of ICFAI Law School

Ms. Monica Kharola

LL.B., LL.M., Pursuing Ph.D.

Designation: Assistant Dean and Academic Coordinator
Area of Interest: Human Rights & Humanitarian Law, Family Law, Labour Law

Dr. Ashish K Singhal

LL.B., LL.M., Ph.D. (in Law)

Designation: Associate Professor
Area of Interest: Environmental Law, Family Law

Dr. Susanta Kumar Shadangi

MA, MBA, PGDPMIR, DIM, PGDMM, PGDM, LL.M., Ph.D. (in Law)

Designation: Associate Professor
Area of Interest: Industrial and Labour Law

Dr. Avishek Raj

LL.B., LL.M., UGC-NET (Law), Ph.D. (in Law)

Designation: Assistant Professor
Area of Interest: Family laws, Property Laws and Criminal Laws

Mr. Suneel Kumar

BA-LL.B., LL.M., UGC-NET (Law), Pursuing Ph.D. (in Law)

Designation: Assistant Professor
Area of Interest: Criminal law, Constitutional Law and Procedural Laws

Mr. Saurabh Siddhartha

BA-LL.B. (Hons.), LL.M., Pursuing Ph.D. (in Law)

Designation: Assistant Professor
Area of Interest: Intellectual Property Laws, Healthcare Laws. Constitutional Law

Ms. Amita Sharma

MBA, Pursuing Ph.D. (in Management)

Designation: Assistant Professor
Area of Interest: Marketing, Human Resource Management, Managerial Economics

Mr. Aatm Prakash Rai

B.E., M.B.A., Pursuing Ph.D. (in Management)

Designation: Assistant Professor
Area of Interest: Management Information System, Big Data, ERP, MS-Excel

Mr. Rupaksh Sharma

BBA-LL.B. (Hons.), LL.M, Pursuing Ph.D. (in Law)

Designation: Faculty Associate
Area of Interest: International Law, Human rights law, Cyber laws

Dr. Vagish Upadhyay

LL.B., LL.M., UGC-NET (Law), Ph.D. (in Law)

Designation: Assistant Professor
Area of Interest: Constitutional Law, International Law, Procedural Law and Jurisprudence.

Ms. Ria Juneja

MA (Psychology) (Counseling & Clinical Psychology).

Designation: Assistant Professor
Area of Interest: Research domain- Social Legal Issues, Criminal Psychology, Environmental Psychology, Organizational Psychology & Mental Health and Well-being. Expert in delivering lectures and conducting workshops on Stress Management & Mental Health.

Mr. Abhishek Kukreti

BBA-LL.B., LL.M., UGC-NET (Law)

Designation: Assistant Professor
Area of Interest: Intellectual Property Rights, History

Faculty Profiles of ICFAI Law School

Dr. Mrigankshi Wilson

M.A., B.Ed., Ph.D. (in English)

Designation: Assistant Professor
Area of Interest: English Communication, Soft Skills

Dr. Rajiv Kumar Bhartiya

BA-LL.B., LL.M., UGC-NET (Law), Ph.D. (in Law)

Designation: Assistant Professor
Area of Interest: Criminal Law, Labour Law, Administrative Law

Mr. GyanendraTripathi

M.Sc., LL.B., LL.M., UGC-NET (Law), Pursuing Ph.D. (in Law)

Designation: Assistant Professor
Area of Interest: Corporate Law and Jurisprudence

Ms. Divyansha Dwivedi

LLB, LL.M, UGC NET (in Law)

Designation: Assistant Professor
Area of Interest: Constitutional Law And Administrative Law

Ms. Priya Chanana

LL.B. (Hons.), LL.M., Pursuing Ph.D (In Law)

Designation: Faculty Associate
Area of Interest: Constitutional Law, Administrative Law and Corporate

Dr. Vivek Kumar

LL.M, UGC NET, Ph. D. (in Law)

Designation: Assistant Professor
Area of Interest: Constitutional Law, C.P.C., Contract, I.P.C.

Ms. Prachi Mishra

LL.M., BBA-LL.B. (Hons.), UGC-NET, Pursuing Ph.D. (in Law)

Designation: Assistant Professor
Area of Interest: Constitutional Law, Cyber Law, Criminal Law and Contract Law

Mr. Vishal Bera

BBA-LL.B. (Hons.), LL.M, Ph.D (Pursuing)

Designation: Faculty Associate
Area of Interest: Constitutional Law and Administrative Law & Environmental Law

Ms. Stuti Tiwari

BBA-LL.B, LL.M., Pursuing Ph.D. (in Law)

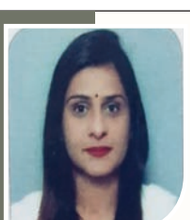

Designation: Faculty Associate
Area of Interest: Corporate Finance Law & Policy, Insolvency and Bankruptcy, Banking Law, Taxation Law

Ms. Anushmi Jain

BBA-LL.B. (Hons.), LL.M, Pursuing Ph.D. (in Law)

Designation: Faculty Associate
Area of Interest: Constitutional Law, Administrative Law, Media Law & Human Rights

Ms. Ekta Gahlawat

BA-LL.B., LL.M., UGC NET, Pursuing Ph.D (In Law)

Designation: Assistant Professor
Area of Interest: Constitutional Law, Administrative Law and Human Rights

Ms. Monika Kothiyal

LL.M., UGC NET (Law), Pursuing Ph.D. (in Law)

Designation: Assistant Professor
Area of Interest: Constitutional Law, Family Law and Contract Law

Faculty Profiles of ICFAI Law School

Mr. Parth Upadhyay

BA-LL.B, LL.M. (Corporate Law), 7 Years experience in Litigation and Corporate

Designation: Faculty Associate
Area of Interest: Corporate Law, Contract Law and PDC

Dr. Rajeev Ranjan

BA-LL.B.(Hons) Gold Medalist, LL.M., UGC-NET(JRF), PhD in Law

Designation: Assistant Professor
Area of Interest: Jurisprudence, Criminology, Constitutional Law and Administrative Law

Dr. Girijesh Kumar Singh

LL.B, LL.M. PhD in Law

Designation: Assistant Professor
Area of Interest: Company Law, Constitutional Law, Research Methodology and Labour Law

Ms. Surbhi Goyal

BA-LL.B , LL.M, UGC NET

Designation: Assistant Professor
Area of Interest: Corporate Law

Mr. Santosh Kumar

LL.M, UGC NET, Ph.D. (Pursuing)

Designation: Assistant Professor
Area of Interest: International Specialization Law

Mr. Rupak Kumar Joshi

LL.M, UGC NET, Ph.D. (Pursuing)

Designation: Assistant Professor
Area of Interest: Human Rights

Mr. Surya Saxena

BA-LL.B (Hons), LL.M, UGC NET, Ph.D (Pursuing)

Designation: Assistant Professor
Area of Interest: Corporate Law, Commercial Law

Ms. Komal Rohilla

LL.M, UGC NET

Designation: Assistant Professor
Area of Interest: Constitutional Law

Mr. Aman Gautam

LL.M, UGC NET, Ph.D. (Pursuing)

Designation: Assistant Professor
Area of Interest: Cyber Law, IPR

Dr. Razit Sharma

LL.M, UGC NET, Ph.D.

Designation: Assistant Professor
Area of Interest: IPR, Water Law

Ms. Sugandha Sharma

MBA, M.Com, Ph.D (Pursuing)

Designation: Faculty Associate
Area of Interest: Finance

Dr. Fahad Khan

MBA (Marketing),PGDM (HR), PGD (Retail Management), M.Com, MA (Eco), Ph.D

Designation: Assistant Professor
Area of Interest: Marketing Management, Human Resource Management

Faculty Achievements -ICFAI Law School

Mrs. Monica Kharola

- Edited a Book titled "Cyber Law and Emerging Trends in Information Technology"
- Published Paper titled "Right to Health with Special reference to Refugees During COVID-19 Pandemic" in Wesleyan Journal of Research
- Authored Book Chapter titled "Regulation of Online Protection of Children's Personal Information in India"
- Published Paper titled "An Analysis of Non- Refoulement as a Non-Derogable Right" in Shodh Sanchar Bulletin(An International Bilingual Peer Reviewed Refereed Research Journal)
- Coordinated several National and International Guest Lectures, Webinars, Conferences, etc.
- Coordinator of several Centres of Excellence established under ICFAI Law School, Dehradun.

Dr. Ashish Singhal

- Published Paper titled "The spread of pandemic CoVID-19 cases and mortality rate during Lockdown 2.0 in India" in SCOPUS indexed Journal.
- Published Paper titled Correctional Programs in the State Prisons of India: An Analysis with reference to Uttarakhand State" in ABDC indexed Journal.
- Published Paper Titled "Right to Health of Refugees during CoViD-19: International Mandate" in UGC Care Journal.
- Published Paper Titled "Agriculture Production and Labour by Women Prisoners: A step ahead for Empowerment " in UGC Care Journal.
- Presented a paper titled "EIA & Environmental Law: Implication of Basic Principles: Role of Judiciary" in the 'National Seminar on Issues & Challenges on Environment Impact Assessment' organized by Centre for Environmental Law, Policy, Education &Development, The ICFAI University, Dehradun on 2nd & 3rd April, 2021.
- Authored a book chapter "Legislative and Policy measures for protection of rights of children" in a Book on Protection of Child Rights, Bharti Publications, New Delhi ISSN No.978-93-90818-24-2 March 2021.
- Presented a paper titled "The spread of pandemic COVID-19(SARS-COV-2) cases and mortality rate during Lockdown-2.0 in India" organized by Apeejay School of Management, Dwarka, New Delhi during 10th International Conference on Management Practices and Research in January 2021.
- Presented a paper titled "Legislative and Policy measures for protection of Rights of children" in the National Seminar on Child Protection and Child Rights: Socio, Economic, Legal and Cultural Dimensions organized by department of law, Career Point University, Hamirpur (H.P.) on 23rd May 2020.

Dr. Susanta Sadangi

- Published Chapter titled "My Body, My Right- A Non- Criminalised Crime" in the Book titled "Global thoughts and Opinion on Criminal Law vis-a-vis Criminal Justice System"
- Published an article titled "Economic Potential of Over-the-top Platforms-Analysing the issues in the Indian Context".
- Published an Article titled "Data Evidence: The Concept, Retrospect and Judicial Outlook in the Conundrum of Scientific Evidence".
- Published an Article titled "Admissibility of Electronic Evidence in the Era of Information Technology: A Conceptual Analysis of Judicial Pronuncements".

Dr. Avishek Raj

- Awarded the degree of Ph.D. on 25/10/2021, Topic Titled "Conservation of Biological Diversity in India: A Critical Study of Legal Frameworks".
- Invited and chaired a Technical Session in International Seminar on Human Rights & Rights of Disabled which was organized by Law Mantra in collaboration with ICFAI Law School, ICFAI University Dehradun and others at Indian Law Institute on 11 Jan. 2020.
- Member of Editorial Board in DROIT PENALE: The Indian Law Journal on Crime and Criminology (ILJCC) "ISSN 2456-7280" in the year 2020.
- Member of Editorial Board in ICFAI Journal of Modern Law and Justice in the year 2020.

Mr. Suneel Kumar

- Published several Research Papers in UGC Care and Peer Reviewed Journals.
- Paper Presented in several International Seminars and Conferences.
- Delivered lecture "Nuances of Mooting", at G.G.V. Central University, Bilaspur, Chhattisgarh.
- Adjudged 1st Virtual National Moot court competition organized by CHRIST (Deemed to be University), Delhi NCR.
- Adjudged 1st NJY Virtual National Environmental Moot Court Competition organized by ICFAI Law School, The ICFAI University, Dehradun.
- Awarded Best Teacher for the Academic Year 2020-21 by ICFAI Law School, The ICFAI University, Dehradun.
- Organized several National workshops, competitions, Guest Lectures, Legal Aid Camps, Sensitization Programs etc. at ICFAI law School, The ICFAI University, Dehradun.
- Member of Editorial Board in National Journal of Criminal and constitutional Law and Member of Review Board for 'International Journal of Legal Research & Governance'.

Dr. Mrigankshi Wilson

- Adjudged All India Karate Championship 2021 held in Dehradun, Uttarakhand.
- Awarded best teacher on Teachers Day 2021.

Ms. Prachi Mishra

- Invited and Delivered Lecture on "Law and Economics" at Vietnam National University- Ho Chi Minh City University of Economics and Law.
- Awarded Academic Excellence by Institute of Scholars.
- Awarded Best Teacher for the Academic Year 2019-2020 by ICFAI Law School, The ICFAI University, Dehradun
- Edited a Book titled "Cyber Law and Emerging Trends in Information Technology" (ISBN: 978-1-956102-97-0)
- Paper Published in a Conference Proceeding titled "Copyright Law in the Digital Environment" (ISBN: 978-81949152-7-0).
- Authored Book Chapter titled "Cybersecurity: Challenges and Perspectives" (ISBN: 978-1-956102-97-0).
- Participated and Presented papers in various National and International Seminars and Conferences.
- Member of ILETS Online Global Academy which works in the field of Cybersecurity and Blockchain Technology.
- Awarded with Course Completion Certificates on "Artificial Intelligence and Law, Intellectual Property Rights in Digital Age and International Cyber Conflicts".
- Convenor of two Centres namely- Centre for Cyber Law and Innovation and Centre for Human Rights and Humanitarian Law established under ICFAI Law School, Dehradun.
- Founding Editor of ICFAI Journal of Modern Law and Justice.
- Senior Editor of Lex Valorem (Indian Journal of Law and Contemporary Issues).

Mr. Surya Saxena

- Edited a Book Titled, "Covid-19 and Pro-Active Measures by Judiciary" (ISBN 978-1914187414)
- Co – Authored a Book Titled, "Death Penalty for Rape and Murder in India" (ISBN: 978-9390176496)
- Paper Published Titled "The Control Conundrum: A Study on the Proposed Definition of 'Control' under the Draft Competition (Amendment) Bill, 2020", JIMS Journal of Law, (ISSN: 2581-6837).
- Paper Presented in Two Day Virtual National Conference on Changing Paradigm of Corporate and Commercial Laws organized by Faculty of Law, Jagran Lake City University, Bhopal in association with Taxmann on 19th and 20th June, 2021
- Participated in Two – Week Capacity Building Programme on "Comparative Public Law and Hindu Philosophy: Research and Teaching Dimensions in 21st Century India" organized by Himachal Pradesh National Law University, Shimla in Association with Indian Council for Social Sciences Research from 17th to 30th July, 2021.

Mr. Vishal Bera

- Awarded Best Teacher for the Year 2019-20 at The ICFAI University, Dehradun.
- Article Published titled "A Conceptual Analysis of The Environmental Human Rights Under International Legal Recognition" in Tumbe Group of International Journals (ISSN: 2581-8511).
- Paper Presented titled "A Conceptual Analysis of Environmental Human Rights" under International Legal Recognition" in one day International E- Seminar on "Protection Of Human Rights In The Era Of Globalization: Contemporary Issues And Challenges" organized by Centre for Environmental Studies, Geeta Institute of Law.
- Participated in Three Days Introductory programme for CLEA-MILAT Research Mentoring Programme, from 6th July- 8th July, 2021 by GLC, Chennai.
- Participated in Inter-Disciplinary Faculty Development Programme on "Constitutional Values and Fundamental Rights" organized by Amity Academic Staff College in association with Amity Law School, Amity University, Noida, Uttar Pradesh, from 7th – 12th June, 2021.

Ms. Anushmi Jain

- Awarded Best Teacher for the Year 2019-2020 at The ICFAI University, Dehradun.
- Paper Presented titled "A Conceptual Analysis of Environmental Human Rights" under International Legal Recognition" in one day International E- Seminar on "Protection Of Human Rights In The Era Of Globalization: Contemporary Issues And Challenges" organized by Centre for Environmental Studies, Geeta Institute of Law
- Article Published titled "A Conceptual Analysis of The Environmental Human Rights Under International Legal Recognition" in Tumbe Group of International Journals (ISSN: 2581-8511).

Ms. Stuti Tiwari

- Article Published titled "Insolvency and Bankruptcy Code: Walking at snail's pace with various speed humps" in The Daily Guardian.
- Faculty Convenor of Centre for Corporate Law and Governance established under ICFAI Law School, The ICFAI University, Dehradun.

Ms. Priya Chanana

- Awarded Best Employee on Teachers Day 2021
- Awarded with certificate of appreciation as a faculty convener in organizing intra mediation competition at ICFAI University Dehradun in January 2020.

ICFAI Tech School, Dehradun

ICFAI Tech School (Faculty of Science & Technology) is a constituent of The ICFAI University, Dehradun. It offers cutting-edge technology programs at UG, PG and Doctoral levels namely B.Tech., BSc.(Hons.) Mathematics, B.Sc.(Data Science), Diploma in Civil and Mechanical Engineering, BCA, MCA, M.Tech. and Ph.D.

The B.Tech. Program

The B.Tech. Program is a four-year, eight-semester, full-time, campus-based program. The Program provides cutting edge education to equip students with comprehensive and critical understanding in various branches of engineering. Students who have passed 3 year Diploma in Engineering are eligible for Lateral Entry (to join 3rd semester of the program).

Duration:

4 Years / 3 Years for lateral entry

Eligibility:

- B.Tech.: Pass in Class XII or equivalent (PCM group) with 50% and above aggregate marks. Class XII students awaiting their final examinations results can also apply.
- B.Tech. (Lateral Entry): Pass in 3 year 'Diploma in Engineering' (in the respective branch) with 50% and above aggregate marks. Students awaiting their final examinations results can also apply.

Admission Process:

Admission is based on Merit and Personal Interview.

Award of Degree:

Students who successfully complete the program will be awarded B.Tech. degree in respective discipline from The ICFAI University, Dehradun, subject to University regulations.

Program Structure		
	Semester-I	**Semester-II**
Year I	▸ Chemistry ▸ English Language Skills ▸ Linear Algebra ▸ Physics I ▸ Engineering Graphics ▸ Computer Programming I ▸ Environmental Science	▸ Thermodynamics ▸ Probability & Statistics ▸ Higher Calculus ▸ Physics II ▸ Scientific Measurements ▸ Workshop Practice ▸ Computer Programming
Year II	**Semester-III**	**Semester-IV**
	▸ Electrical Sciences I ▸ Digital Electronics ▸ Engineering Mechanics ▸ Principles of Economics ▸ Complex Variables ▸ Differential Equations & Fourier Series ▸ Discipline Core Course (1)	▸ Electrical Sciences II ▸ Engineering Measurements ▸ Professional Communication ▸ Principles of Management ▸ Optimization Techniques ▸ Structure & Properties of Materials ▸ Discipline Core Course (1)
Summer Term - Internship Program I (for Internship option)		
Year III	**Semester-V**	**Semester-VI**
	▸ Numerical Methods ▸ Control Systems ▸ Compulsory Discipline Courses (CDC) (4)	▸ Humanities Elective ▸ Compulsory Discipline Courses (CDC) (4) ▸ Elective (1) / Special Project
Year IV	**Semester-VII**	**Semester-VIII**
	▸ Internship Program II/ Thesis & Seminar (OR) ▸ Electives (5)	▸ Electives (5) (OR) ▸ Internship Program II/ Thesis & Seminar

The program structure is tentative, subject to change (if required).

The following branches of B.Tech. Program with specialization options are offered:

1. **Computer Science & Engineering with specialization in:**
   - Machine Learning
   - Cyber Security
   - Networks
   - Advanced Computing
   - Digital Transformation
   - Database
2. **Data Science and Artificial Intelligence with specialization in:**
   - Data Science
   - Artificial Intelligence
   - Cloud Computing
   - Blockchain
   - Internet of Things
3. **Database Administration and Big Data with specialization in:**
   - Database Security
   - Deep Learning
   - Machine Learning
   - Cloud Administration
   - Data Engineering
4. **Electronics and Communication Engineering with specialization in:**
   - Communication
   - Microwave
   - Very Large-scale Integration (VLSI)
   - Embedded
   - Controls
   - Power Electronics
5. **Mechatronics Engineering with specialization in:**
   - Robotics
   - Bio-Robotics
   - Medical Robotics
   - Manufacturing
6. **Civil Engineering with specialization in:**
   - Structural Engineering
   - Geotechnical Engineering
   - Transportation Engineering
   - Environmental Engineering
   - Construction Management
7. **Mechanical Engineering with specialization in:**
   - Automation and Control Systems
   - Renewable Energy
   - Automotive Design
   - Thermal Engineering

List of Discipline Core Courses

Civil Engineering (CE)

- Surveying
- Mechanics of Solids

Computer Science & Engineering (CSE)

- Discrete Structures for Computer Science
- Data Structures

Data Science and Artificial Intelligence (DS & AI)

- Discrete Structures for Computer Science
- Data Structures

Database Administration & Big Data

- Discrete Structures for Computer Science
- Data Structures

Electronics and Communication Engineering (ECE)

- Signals & Systems
- Data Structures

Mechatronics

- Elements of Mechatronics
- Kinematics & Dynamics of Machinery

Mechanical Engineering (ME)

- Mechanics of Solid
- Fluid Mechanics

Compulsory Discipline Courses (CDC)

Civil Engineering (CE)

- Fluid Mechanics
- Soil Mechanics
- Analysis of Structures
- Water Resource Engineering
- Construction Materials & Practices
- Design of Concrete Structures
- Transportation Engineering
- Design of Steel Structures

Computer Science & Engineering (CSE)

- Microprocessor Programming & Interfacing
- Operating Systems
- Theory of Computation
- Database Management Systems
- Programming Languages & Compiler Construction
- Computer Organization & Architecture
- Computer Networks
- Design & Analysis of Algorithms

Data Science and Artificial Intelligence (DS & AI)

- Artificial Intelligence
- Operating Systems
- Introduction to Data Science
- Data Warehousing and Mining
- Machine Learning
- Expert Systems
- Computer Networks
- Neural Networks & Fuzzy Logic

Database Administration & Big Data

- Database Management System
- Design Analysis & Algorithms
- Computer Organization and Architecture
- Operating Systems
- Computer Networks
- Introduction to Data Science
- Introduction to SQL / PL SQL
- Data Warehousing and Mining

Electronics and Communication Engineering (ECE)

- Microprocessor Programming & Interfacing
- Communication Systems
- Electromagnetic Fields & Waves
- Microelectronic Circuits
- Analog Electronics
- Analog & Digital VLSI Design
- RF & Microwave Engineering
- Digital Signal Processing

Mechatronics

- Introduction to Robotics
- Materials for Mechatronic Systems
- Instrumentation & Measurement
- Micro Processors & Controllers
- Mechatronics System Design
- Actuators, Drives &Sensors
- Manufacturing Processes
- Micro Electro Mechanical Systems

Mechanical Engineering (ME)

- Applied Thermodynamics-I
- Machine Drawing
- Hydraulics & Hydraulic Machinery
- Production Techniques
- Design of Machine Elements
- Kinematics and Dynamics of Machines
- Machine Tools & Metrology
- Computer Aided Design

International Conference on Innovations in Business Management organized by IBS Dehradun

List of Electives

Civil Engineering (CE)
- Finite Element Methods
- Computer Aided Design
- Design of Industrial Structures
- Stability of Structures
- Building Drawing, Estimation & Costing
- Foundation Engineering
- Ground Improvement Techniques
- Soil Dynamics and Machine Foundations
- Structures on Expansive Soils
- Environmental Geo-technology
- Geo-Informatics in Transportation Engineering
- Railway, Dock and Harbor Engineering
- Urban Transportation Planning
- Pavement Evaluation, Rehabilitation And Maintenance
- Hazardous Waste Management
- Remote Sensing & GIS
- Environmental Impact Assessment
- Environmental Systems
- Water Supply & Waste Water Engineering
- Project Planning and Management
- Natural Disaster Mitigation and Management
- Infrastructure Financing
- Policies, Reforms, Law and Risk Management in
- Infrastructure Projects
- Materials , Management and Estimation

Computer Science & Engineering (CSE)
- Database Administration
- SQL & DB Applications
- Database Security & Privacy
- Wireless Networks
- Network Administration
- Network Security
- Cyber Security
- Advanced JAVA
- Mobile Application Development
- Scripting Languages
- Web Enabled Technologies
- Computer Graphics
- Software Engineering
- Service Oriented Architecture
- Object Oriented Analysis & Design
- Software Testing Methodologies
- High Performance Computing
- Advanced Computer Architecture
- Multicore Architecture
- Parallel Computing

Data Science and Artificial Intelligence (DS & AI)
- Predictive Analytics
- System for Data Science
- Data Visualization
- Big Data Systems
- Real Time Analytics
- Natural Language Processing
- Soft Computing
- Human Computer Interaction
- Computer Vision
- Distributed Cloud Computing
- Internet of Things
- Security & Privacy in Cloud Computing
- Cloud Administration
- Fundamentals of Blockchain Technology
- Ethereum & Solidity Programming Essentials
- Blockchain with Artificial Intelligence
- Blockchain with IoT

Database Administration & Big Data
- Database Administration
- SQL & DB Applications
- Database Security & Privacy
- Artificial Intelligence
- Neural Networks & Fuzzy Logic
- Natural Language Processing
- Soft Computing
- Human Computer Interaction
- Computer Vision
- Distributed Cloud Computing
- Internet of Things
- Security & Privacy in Cloud Computing
- Cloud Administration

Electronics and Communication Engineering (ECE)
- MIMO Wireless Communication
- High Speed Communication Networks
- Wireless Communication Networks
- Optical Fiber Communications
- Satellite Communications
- Mobile Communication
- Antenna and wave propagation
- Radar Systems
- RF and Microwave MEMs
- Smart Antennas for Mobile Communication
- Low power VLSI Design
- Digital Design Using HDLS
- CMOS Analog Integrated Circuit Design
- VLSI Design for Testability
- Digital Systems
- Embedded Systems (H/W)
- Hardware Software Co- Design
- Embedded Real Time Operating System

Felicitation of Principals During Principals' Meet on Unity Day 2021

The BCA Program

"Ethos and Values" Launching Program-2021

A Bachelor's degree in Computer Application (BCA) has become a vital part of all industries, with the increasing use of information technology and communication systems, this domain is poised for rapid growth. BCA is a three year, six semester full time campus based program. The Program provides cutting edge education to equip students with comprehensive and critical understanding in the field of Computer applications.

Duration:

Three Years

Eligibility:

Pass in Class XII (or equivalent) in any discipline with 50% and above aggregate marks

Admission Process:

Admission is based on Merit and Personal Interview.

Award of Degree:

Students who successfully complete the program are awarded BCA Degree from The ICFAI University Dehradun, subjected to University regulations.

Program Structure

	Semester - I	Semester - II
Year I	Fundamental of IT Computer Programming I Mathematics I Soft Skills I Principles of Economics Environmental Studies	Data Structures with C++ Operating Systems with Unix Mathematics II Soft Skills II Discrete Mathematics System Analysis and Design
	Summer Internship Program	
	Semester - III	**Semester - IV**
Year II	Introduction to Algorithms Computer Organization & Architecture Introduction to Networks IT Services Management MOOC Course Value added Course I	Database Management Systems Java Programming Software Engineering Introduction to AI Elective I Value added Course II
	Summer Internship Program (8 Weeks) / Major Project/Certification course	
	Semester - V	**Semester - VI**
Year III	Introduction to Python Web Technologies Advanced Computer Networks Minor Project Elective II Elective III	IT Security Elective IV Major Project

The program structure is tentative, subject to change (if required).

Electives: Block Chain Technologies; Internet of Thing; Machine Learning; Data Science; Cyber Security; Cloud Computing; Mobile Application Development; Scripting Languages; High Performance Computing; Advanced Computer Architecture; Multicore Architecture; Parallel Computing.

The Diploma in Engineering Program (Polytechnic)

A glimpse of IUD Cultural Club Activities

ICFAI Tech School offers 3 years Diploma in Engineering (Polytechnic) in Civil and Mechanical.

Civil Engineering

Program Structure:

The Diploma in Civil Engineering is divided into 6 Semesters spread over 3 Years. The program comprises of 47 courses (of which 42 are compulsory and 5 are Professional Practice/Project courses).

Duration:

Three Years

Eligibility:

Pass in Class X or equivalent with 50% and above aggregate marks with Mathematics and General Science as subjects.

Award of Degree:

Students who successfully complete the Program are awarded Diploma in Civil Engineering by the ICFAI University, Dehradun, subject to University regulations.

Program Structure

	Semester - I	Semester - II
Year I	▸ Principles of Physics ▸ Principles of Chemistry ▸ Principles of Mathematics ▸ English Language ▸ Engineering Graphics ▸ Fundamentals of Computers ▸ Engineering Workshop	▸ English Communication ▸ Engineering Mathematics ▸ Engineering Materials ▸ Engineering Mechanics ▸ Engineering Economics ▸ Engineering Drawing ▸ Fundamentals of Electrical & Electronics Engineering
	Semester - III	**Semester - IV**
Year II	▸ Surveying ▸ Mechanics of Structures ▸ Building Design & Drawing ▸ Concrete Technology ▸ Cost Benefit Analysis ▸ Environmental Studies ▸ Development of life Skills	▸ Advance Surveying ▸ Building Material & Construction ▸ Highway Engineering ▸ Fluid Mechanics ▸ Soft Skill- I ▸ Computer Aided Drawing ▸ Project- I (Minor): Report & Seminar
	Semester - V	**Semester - VI**
Year III	▸ Water Resource Engineering ▸ Theory of Structures ▸ Geo Technical Engineering ▸ Project Cost Analysis ▸ Design of Reinforced Cement Concrete Structures ▸ Soft Skills- II ▸ Specialization (S) Elective- I ▸ Project - II (Minor): Report & Seminar	▸ Construction Planning and Management ▸ Design of Steel Structures ▸ Environmental Engineering ▸ Soft Skill- III ▸ Transportation Engineering ▸ Specialization (S) Elective- II ▸ Specialization (S) Elective- III ▸ Project - I (Major): Report, Seminar & Viva-voce

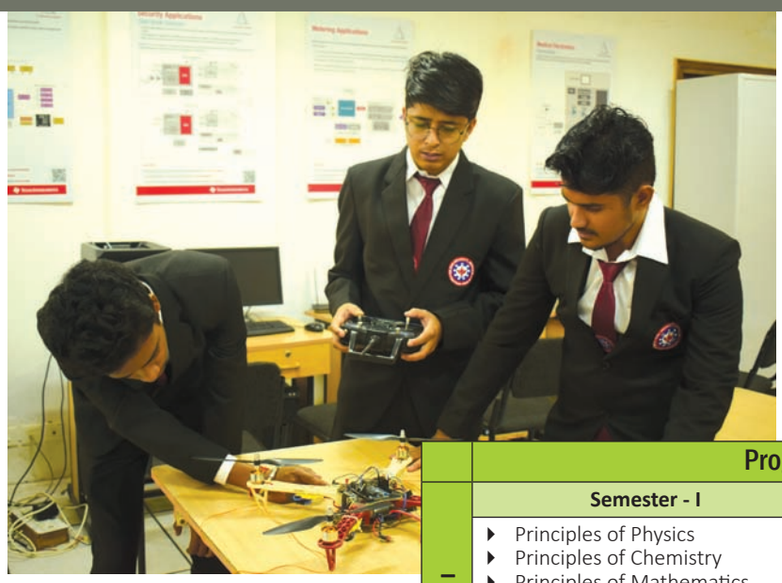

The program structure is tentative, subject to change (if required).

Electives by Specialization

	Specialization (S)		
Elective	**Transportation (S1)**	**Building (S2)**	**General (S3)**
I	Pavement Engineering	Advanced Construction Techniques and Equipment	Foundation Engineering
II	Pavement Analysis and Design	Building Science and Technology	Design of Formwork
III	Traffic Engineering and Management	Building Planning	Architectural Practices and Interior Design

Note: *After Semester IV, a student has to choose one specialization out of the three (S1, S2 & S3), and take Elective - I in Semester V and Electives II & III in Semester VI of the chosen specialization.*

The Diploma in Engineering Program (Polytechnic)

Students performing experiment at Texas Instrument Innovation Lab

Mechanical Engineering

Program Structure:

The Diploma in Mechanical Engineering is divided into 6 Semesters spread over 3 Years. The program comprises of 47 courses (of which 42 are compulsory and 5 are Professional Practice/project courses).

Duration:

Three Years

Eligibility:

Pass in Class X or equivalent with 50% and above aggregate marks with Mathematics and General Science as subjects.

Award of Degree:

Students who successfully complete the Program are awarded Diploma in Engineering (Mechanical Engineering) by the ICFAI University, Dehradun, subject to University regulations.

	Program Structure	
	Semester - I	**Semester - II**
Year I	▸ Principles of Physics ▸ Principles of Chemistry ▸ Principles of Mathematics ▸ English Language ▸ Engineering Graphics ▸ Fundamentals of Computers ▸ Engineering Workshop	▸ English Communication ▸ Engineering Mathematics ▸ Engineering Materials ▸ Engineering Mechanics ▸ Engineering Economics ▸ Engineering Drawing ▸ Fundamentals of Electrical & Electronics Engineering
	Semester - III	**Semester - IV**
Year II	▸ Machine Drawing ▸ Strength of Materials ▸ Fluid Mechanics ▸ Theory of Mechanics- I ▸ Cost-Benefit Analysis ▸ Environmental Studies ▸ Development of Life Skills	▸ Theory of Machines- II ▸ Industrial Automation ▸ Production Processes ▸ Thermal Engineering ▸ Manufacturing Technology ▸ Computer Programming ▸ Soft Skills- I ▸ Project- I (Minor): Report & Seminar
	Semester - V	**Semester - VI**
Year III	▸ Advance Manufacturing Processes ▸ Power Engineering- I ▸ Measurement & Control ▸ Fluid Machinery ▸ Soft Skill- II ▸ Specialization (S) Elective- I ▸ Project- II (Minor): Report & Seminar	▸ Power Engineering- II ▸ Design of Machine Elements ▸ Industrial Fluid Power ▸ Metrology & Quality Control ▸ Industrial Management ▸ Soft Skills- III ▸ Specialization (S) Elective- II ▸ Specialization (S) Elective- III ▸ Project (Major): Report, Seminar & Viva-voce

The program structure is tentative, subject to change (if required).

Electives by Specialization

Specialization (S)			
Elective	**Automobile Engineering (S1)**	**Plastic Mould Technology (S2)**	**Advanced Manufacturing Technology (S3)**
I	Automotive Petrol & Diesel Engines	Plastic Materials & Testing	Machine Tool Technology
II	Power Units & Transmission	Plastics Processing Techniques	Modern Practices in Manufacturing & Management
III	Automotive Chassis	Fundamentals of Plastics Product & Mould Design	CAD/CAM

Note: *After Semester IV, a student has to choose one specialization out of the three (S1, S2 & S3), and take Elective - I in Semester V and Electives II & III in Semester VI of the chosen specialization.*

The B.Sc. (Data Science) Program

ICFAI Tech School, a constituent of ICFAI University, Dehradun offers three-years B.Sc. Degree in Data Science. The candidates who have completed Class 12 with mathematics as one of the subjects are eligible for admission into the program. With the multiple entry and exit options, the candidates can enter at any level if they fulfil the prerequisites for those courses from other Institutes.

Objective: To provide amenable learning platform on Data Science / Analytics and facilitate the learner with multiple entry and exit options. At each exit level of the program, the candidates will be equipped with skills to take up challenging industry problems in the domain of Data Science.

Program Structure: The program structure consists of six semesters
a) Certificate in Data Science
b) Diploma in Data Science
c) B.Sc. in Data Science

A candidate is eligible to earn a Certificate in Data Science by entering at Entry Level I and Exit at Level I. A Diploma is awarded for a candidate who exits at Level II and B.Sc. Data Science degree is awarded for a candidate who is exiting through Exit Level III. A candidate can enter any level of the program based on their qualification. An equivalence committee of ICFAI Tech School will map the courses completed by the candidate and decides the number of units required to get either a Certificate, Diploma or B.Sc. Degree. Those who are entering in higher entry level, a suitable program chart is created for these candidates to manage their units and Academic Banking Credits (ABC).

Duration: Three Years

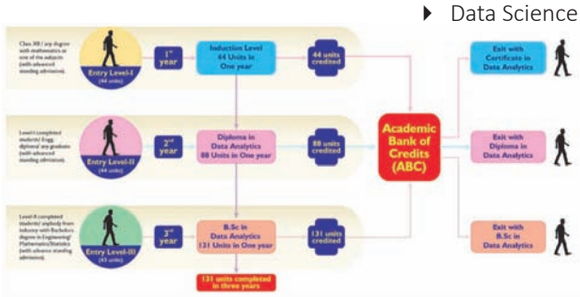

Eligibility: Pass in Class XII with Mathematics as one of the subjects with minimum 50%marks.

Admission Process: Admission is based on Merit and Personal Interview.

Award of Degree: Students who successfully completion first year may exits from the Program with a Certification in Data Science, if student's exits after 2nd year, students are be awarded with Diploma in Data Science and if students who successfully complete three years are be awarded with B.Sc. in Data Science degree from the ICFAI University, Dehradun, subject to University regulations.

Job Opportunities: The B.Sc (Data Science) will make the candidates skillful to solve the Industry on statistical analysis and computational tools (Python, R, Tableau for Data Visualization etc). Candidates who successfully complete the B.Sc program in Data Science can pursue careers in the following fields:

- Data Scientists
- Data Analysts
- Data Architect
- Data Engineer
- Data Science Consultant

	Program Structure	
Year I	**Semester - I**	**Semester - II**
	▸ English Language Skills ▸ Linear Algebra ▸ Differential Equations and Fourier series ▸ Programming in C ▸ Foundation of Data Science ▸ Introduction to FinTech	▸ Professional Communication ▸ Higher Calculus ▸ Probability & Statistics ▸ Data Operations ▸ Applied Data Science using Python ▸ Thermodynamics
	Summer Internship I Program (8Weeks)	
Year II	**Semester - III**	**Semester - IV**
	▸ Object Oriented Programming using C++ ▸ Data Wrangling ▸ Data Base Management System ▸ Discrete structures for computer science ▸ Complex variables ▸ Operating systems	▸ Enterprise JAVA applications ▸ Data Structures ▸ Optimization techniques ▸ Data Visualization in Data Science ▸ Machine Learning ▸ Data warehousing and mining
	Summer Internship II Program (8Weeks)	
Year III	**Semester - V**	**Semester - VI**
	▸ Numerical methods ▸ Electives (3) ▸ Humanities Elective (1) ▸ Capstone Project-I (TIC)	▸ Software Project Management ▸ Electives (3) ▸ Humanities Elective (1) ▸ Capstone Project-II (TIC)

The program structure is tentative, subject to change (if required).

List of Electives: *Database Administration, SQL & DB Applications, Database Security & Privacy, Wireless Networks, Network Administration, Network Security, Advanced JAVA, Mobile Application Development, Scripting Languages, Web Enabled Technologies, Computer Graphics, Software Engineering, Service Oriented Architecture, Object Oriented Analysis & Design, Software Testing Methodologies, High Performance Computing, Advanced Computer Architecture, Multicore Architecture, System for Data Science, Big Data Systems, Real Time Analytics, Soft Computing, Human Computer Interaction, Computer Vision, Distributed Cloud Computing, Internet of Things, Security & Privacy in Cloud Computing, Cloud Administration, Fundamentals of Blockchain Technology, Ethereum & Solidity Programming Essentials, Blockchain with Artificial Intelligence, Blockchain with IoT.*

The B.Sc (Hons.) Mathematics Program

Student Project Presentations

ICFAI Tech School offers the Bachelor of Science (Hons.) program in Mathematics.

Program Structure:

B.Sc. (Hons.) Mathematics is divided into 6 semesters spread over 3 years

Duration:

Three Years

Eligibility:

Pass in Class XII with Mathematics as one of the subjects with minimum 50% marks.

Admission Process:

Admission is based on Merit and Personal Interview.

Award of Degree:

Students who successfully complete the Program are awarded the Bachelor of Science (Hons.) degree in Mathematics from the ICFAI University, Dehradun, subject to University regulations.

	Program Structure	
Year I	**Semester - I**	**Semester - II**
	▸ English Communication ▸ Computer Fundamentals & Office Automation ▸ Principles of Mathematics- I ▸ Principles of Physics ▸ Principles of Chemistry ▸ Mechanics & Relativity ▸ Physics Practical ▸ Chemistry Practical	▸ Principles of Mathematics- II ▸ Differential Equations- I ▸ Statics and Dynamics ▸ Discrete Mathematics ▸ Algebra- I ▸ Analytical Geometry ▸ Soft Skills- I ▸ Environmental Studies
Year II	**Semester - III**	**Semester - IV**
	▸ Differential Equations- II ▸ Linear Programming and Game Theory ▸ Graph Theory ▸ Probability and Statistics ▸ Unix and C Programming ▸ Soft Skills- II ▸ Algebra- II ▸ Seminar	▸ Real Analysis- I ▸ Complex Analysis ▸ Linear Algebra ▸ Internal Transformations ▸ Numerical Analysis Using C/C++ ▸ Soft Skills- III ▸ Number Theory and Trigonometry ▸ Project (Minor)- (Report, Seminar & Viva-voce)
Year III	**Semester - V**	**Semester - VI**
	▸ Real Analysis – II ▸ Finite Element Methods ▸ Tensor Calculus ▸ Object Oriented Programming ▸ Elective-I ▸ Elective- II ▸ Mathematical Software- MATLAB ▸ Soft Skills- IV	▸ Differential Geometry ▸ Fuzzy Mathematics ▸ Mechanics ▸ Elective-III ▸ Elective- IV ▸ Project (Report, Seminar & Viva voce) ▸ Soft Skills- V

The program structure is tentative, subject to change (if required).

List of Electives - Semester V *(Select any Two):* Operations Research; Mathematical Modelling; Calculus of Variations and Internal Equations; Topology; Special Function; Portfolio Optimization; Bio-Mathematics; Financial Mathematics; Markovian Model and Stochastic Process.

List of Electives - Semester VI *(Select any Two)*: Complexity Analysis; Advanced Statistics; Fractional Calculus; Fluid Dynamics; Combinatorial Mathematics; Boolean algebra and Automata Theory; Mathematica; Artificial Neural Network;

The MCA Program

Hands on Training at Centre of Artificial Intelligence and Machine Learning Lab

Masters of Computer Applications (MCA) is a postgraduate program to help construct a sparkling profession in programming and application improvement. MCA is a two year, four semester full time campus based program. The Program provides enhanced skills to equip students with comprehensive and critical understanding in the field of Computers programming and Information Technology.

Duration:

Two Years

Eligibility:

Pass in Graduation with minimum 50% marks and Mathematics as one of the subjects either at XII or Graduation Level

Admission Process:

Admission is based on Merit and Personal Interview.

Award of Degree:

Students who successfully complete the program will be awarded MCA Degree from The ICFAI University Dehradun, subjected to University regulations.

	Program Structure	
Year I	**Semester - I**	**Semester - II**
	▸ POP & OOP Programming Languages ▸ Probability and Statistics ▸ Discrete Mathematics ▸ Data Base Management Systems ▸ Professional Communication ▸ Environmental Studies	▸ Computer Organization & Architecture ▸ R Programming ▸ Computer Networks ▸ IT Security ▸ Data Structures with C++ ▸ Introduction to AI
	8 Weeks Summer Internship/ Minor Project/ MOOCS	
Year II	**Semester - III**	**Semester - IV**
	▸ Machine Learning using Python Programming ▸ Design and Analysis of Algorithms ▸ Operating Systems with Unix ▸ Software Engineering ▸ Elective I ▸ Elective II	▸ Web technologies ▸ IT Services Management ▸ Data Warehouse and Data Mining ▸ Elective III ▸ Seminar ▸ Project

The program structure is tentative, subject to change (if required).

A glimpse of students hands on training at Centre of AI & ML

The M.Tech. Program

The M.Tech. Program is designed to encourage future professionals to equip themselves with the latest tools and techniques in the field of Science and Technology. Program has been structured so as to identify and understand the commonality as well as the divergence amongst them. The University offers M.Tech. in following specialization areas:

- **Computer Science & Engineering**
- **Transportation Engineering**

Duration:

Two Years

Program Structure:

There are 4 semesters spread over two years. The University follows a Credit-based semester system of teaching, learning and evaluation. The program consists of 8 discipline courses and 5 discipline electives along with mathematical course, seminar and dissertation. Students are also required to deliver seminars and pursue M.Tech. Dissertation / Internship.

Eligibility:

Pass in B.Tech./ BE/ MCA/ M.Sc or equivalent in relevant area with 60% and above aggregate marks.

Admission Process:

Admission is based on Merit and Personal Interview.

Award of Degree:

Students who successfully complete the program will be awarded M.Tech. degree in respective discipline from The ICFAI University, Dehradun, subject to University regulations.

A glimpse of students hands on training at Centre of AI & ML

Program Structure

	Semester - I	Semester - II
Year I	▸ Advance Mathematics ▸ Discipline Courses (4) ▸ Discipline Electives (1)	▸ Discipline Courses (4) ▸ Discipline Electives (2)
	Semester - III	**Semester - IV**
Year II	▸ Discipline Electives (2) ▸ Seminar (Phase- I) ▸ Dissertation / Internship (Phase- I)	▸ Seminar (Phase- II) ▸ Dissertation / Internship (Phase- II)

The program structure is tentative, subject to change (if required).

Discipline Courses

Transportation Engineering

- Pavement Materials Characterization
- Transportation infrastructure design
- Planning, Design and Construction of Rural Roads
- Intersection Design and Analysis
- Traffic Engineering and Management
- Pavement Analysis and Design
- Road Traffic Safety
- Intelligent Transport Systems

Computer Science & Engineering

- Design and Analysis of Advanced Algorithm
- Advanced Computing Network
- Advanced Computer Architecture
- Advanced Programming
- Advanced Engineering Mathematics
- Cryptography and Network Security
- Machine Learning
- Modelling & Simulation
- Cloud Computing

Discipline Electives

Transportation Engineering

- Project Planning Management
- Urban Transportation Policy and Planning for Sustainable Development
- Advanced Concrete Technology
- Ground Improvement Technique
- Environmental Impact Assessment for Transportation Projects
- Remote Sensing & G.P.S for Transportation Engineering
- Traffic Analysis
- Pavement Evaluation and Management
- GIS Applications in Transportation Engineering
- Highway Project Formulation & Economics
- Airport Planning and Design
- Transportation System Management

Computer Science & Engineering

- Big Data Analytics
- Advanced Database Management System
- Internet of Things (IoT)
- Wireless Sensor Network
- Embedded System
- Natural Language Processing
- Mobile Computing
- Software metrics
- Advanced Software Engineering
- Service Oriented Architecture

Unique Features of ICFAI Tech School

Internship Programs:

For the development of institutionalized linkages with industry, unique Internship Programs are offered.

The Internship Programs ensure that linkages are developed and sustained with industrial and other organizations outside the world of academia. They serve as a formal method within the curriculum, to bring the realities of the world of work into the educational process.

The Internship Programs require that the students undergo the rigors of the professional world in form as well as in substance, and provide them with an opportunity to apply their classroom knowledge to live situations. They differ from "Practical Training" as well as "Sandwich Schemes" in that the entire student education during the Internship Programs is supervised by faculty member and forms a part of the students' total credits towards their degree.

There are two Internship Programs: IP-I of two months duration, implemented during the summer following the second year of study, and IP-II of five and a half months duration, implemented in either the VII Semester or the VIII Semester, during the final year.

The Internship Program offers several benefits to all the three partners in the conduct of the programs, viz., the students, the external organization and the University:

Benefits to the Students:

- Opportunity to work on real-life problems in actual working conditions
- Development of useful work-related skills
- Enhanced placement opportunities
- Opportunity to earn while learning.

Benefits to the External Organization

- Value addition through the participation of students and the faculty in project work directly relevant to the organization
- Direct contribution to industrial productivity
- Direct access to expertise available with the University

Benefits to the University:

- Hands-on training facilities to its students
- Faculty development through involvement with the students in real-time projects
- Curriculum updation through feedback from industry
- Consultancy opportunities.

Industry Networking:

ICFAI Tech School networks with several leading organizations to provide its students practical exposure in the form of projects and internships. Experts from a wide range of companies regularly deliver guest lectures and serve as members of advisory boards. These associations help ICFAI Tech School students in getting suitable final placements.

Companies where Internship for ICFAI Tech School students was offered (a partial list)

ABC Bearing Ltd. Dehradun
Agilent Technologies
Amrapali Constructions

The Central Library of The ICFAI University, Dehradun

Personality Development:

Apart from regular engineering courses, ICFAI Tech School also offers soft skills training to its students. This helps them to develop communication skills, presentation skills, negotiation skills, interview skills etc., thereby making them more industry ready.

Flexible Approach:

ICFAI Tech School offers a broad range of electives. These electives can be pursued in a flexible way providing various choices for students.

Broad-based Programs:

The programs are broad-based, innovative and inter-disciplinary. The hands-on training brings a real world into classroom and prepares the students to break the toughest shackles of competition.

Technology Driven:

ICFAI Tech School uses latest technology in its teaching methodology. Technology is entirely integrated into its teaching process and its usage is maximized through the most contemporary workshops and labs.

Hi-Tech Specialty Labs:

Texas Instrument (Lab) by Texas Incorporation, USA

- This facilitates imparting knowledge about Wi-Fi Technology and Internet of Things (IoT)

Northern Region Hub by FOSS Project (Ministry of HRD), IIT Bombay

- This facilitates conducting workshops and symposiums jointly sponsored by The ICFAI University, Dehradun and FOSS Project, IIT Bombay, in four States (UP, UK, HP and J&K)

Knowledge Partner, FOSS Project (Ministry of HRD), IIT Bombay

- This facilitates use of FOSS (Open Source Software) for developing course material online.

E-Yantra Robotics Lab by IIT Bombay

- This facilitates establishing Robotics Incubation Centre that serves as knowledge & resource centre for robotics.

Virtual Lab Resource Center by IIT Delhi

- This facilitates imparting knowledge to engineering graduates about conducting different types of experiments and use of simulators.

Advanced Centers:

Center for Artificial Intelligence & Machine Learning

- The Center facilitates the students to learn and develop automation systems by using AI and ML technology.

3D Printing Technology

- This trending technology facilitates imparting knowledge about 3D technology.

Faculty Profiles of ICFAI Tech School

Mr. G F Chakravarthi

M.Tech. (Production Engg.), Ph.D. (Pursuing)

Designation: In Charge ICFAI Tech School, Assistant Professor
Area of Interest: Production & Composite Materials

Dr. T. K. Mandal

Ph.D., Post Doc

Designation: Associate Professor
Area of Interest: Nanomaterials and Nanotechnology, Solid State chemistry

Dr. Sanjeev Kumar

M.Tech. (CSE), UGC-NET (CSE), GATE, Ph.D. (CSE)

Designation: Academic Coordinator, Assistant Professor
Area of Interest: Machine Learning, Artificial intelligence, Soft Computing and Meta-heuristic Algorithms

Mr. Amit Kumar Bera

M.Tech, Ph.D (Pursuing)

Designation: Assistant Professor
Area of Interest: Soil Stabilization with nano-composite, Advance highway materials, multimedia trasportion system.

Mr. Amit Das

MCA, M.Tech. Ph.D (Pursuing)

Designation: Assistant Professor
Area of Interest: Algorithm, Data mining, Wireless Sensor Network

Dr. Gaurav Bhandari

M.Tech., Ph.D.

Designation: Assistant Professor
Area of Interest: Communication Systems

Dr. Mukul Jain

M.Sc, Ph.D. (Mathematics)

Designation: Assistant Professor
Area of Interest: Goal Programming, Research Methodology

Mr. Nishant Mathur

M.Tech., Ph.D (Pursuing)

Designation: Assistant Professor
Area of Interest: Data Mining, Database, OOPs

Mr. Virendra Singh Rana

M.Tech., Ph.D (Pursuing)

Designation: Assistant Professor
Area of Interest: Thermal Engineering and Solar Energy

Mr. Mohit Kumar Arya

M.Tech, UGC-NET, Ph.D (Pursuing)

Designation: Assistant Professor
Area of Interest: Web Technologies, Operating Systems, Data Structures

Mr. Md Zia Ul Haq

M.Tech., GATE

Designation: Associate Professor
Area of Interest: Geopolymer concrete, Concrete technology, Highway engineering, Advance building materials, Geotechnical engineering, Non destructive testing, Nano filtration techniques.

Mr. Ajay Kumar

M.Tech., GATE

Designation: Assistant Professor
Area of Interest: WConcrete Structure

Mentoring Session

Faculty Achievements -ICFAI Tech School

Dr. T K Mandal

- He has established the Centre of Intellectual Capital and Institutional Building at ICFAI University Dehradun.
- He has been appointed a Reviewer for Science Direct Journals.
- He and his Ph.D Scholars achieved Patent in his name titled A System & Method for Bipedal Walking Trajectories Generations & Analysis of Gait Abnormity on 20.08.2021.
- He and his Ph.D Scholars achieved Patent in his name titled Improved Signum Error LMS Method For Directions-of Arrival Estimation of Radio Signals Using Rotational Invariance Technique on 16.07.2021.
- He has contributed as a Resource Person in the AICTE Training And Learning (ATAL) Academy Online Elementary FDP on "IOT" from 05/10/2021 to 09/10/2021 at Institute of Technology Gopeshwar, Uttarakhand
- He delivered talk on the title, "The Roles Of Nanotechnology And Internet Of Things In Healthcare Transformation".

Dr. Sanjeev Kumar

- He was invited to Chair a Technical Session in the 1st International Virtual Conference on Integrated Intelligence Enable Networks & Computing IIENC-2020 on 05-07 September 2020.
- He has presented a research article in the International Symposium for Production Research 2020, organized by ISPR 2020 Antalya/ Turkey.
- He has published several research papers in Scopus indexed and other peer reviewed journals of national and international repute.

Mr. Nishant Mathur

- He has awarded course certificate from "The Hong Kong University Of Science And Technology" in the subject of Python and Statistics for Financial Analysis Jan 14 2021.

Mr. Amit Das

- He has established Centre of Excellence in Artificial Intelligence and Machine Learning at The ICFAI University, Dehradun.
- He was awarded Corona Warrior Award by Engineering and Management College Teacher Development, Ministry of corporate affairs, Government of India 2020.
- He has participated in the Virtual Global Summit on Artificial Intelligence: Responsible AI for Social Empowerment (RAISE 2020), Government of India.

Life @ ICFAI University, Dehradun

ICFAI Business School, Dehradun

ICFAI Business School (IBS) (Faculty of Management Studies) is a constituent of The ICFAI University, Dehradun. IBS offers management programs with latest pedagogy at UG, PG & Doctoral levels namely BBA, BBA (FIA), B.Com (Hons.) TCS iON, BA (Hons.) Economics, MBA and Ph.D respectively at The ICFAI University, Dehradun. IBS is focussed on creating the leaders of tomorrow.

The BBA Program

The BBA Program is a 3-year campus-based program designed to enhance the skills and competencies of talented and ambitious young aspirants.

Duration:

Three Years

Program Structure:

The BBA Program is divided into 6 semesters spread over 3 years. There are two summer internship programs embedded into the curriculum, one at the end of the first year and the second one at the end of the second year to provide corporate exposure to the students.

Eligibility:

Pass in Class XII or equivalent with 50% and above aggregate marks (any discipline).

Admission Process:

Admission is based on Merit and Personal Interview.

Award of Degree:

Students who successfully complete the program are awarded the Bachelor of Business Administration degree by The ICFAI University, Dehradun, subject to University regulations.

	Program Structure	
Year I	**Semester - I**	**Semester - II**
	▸ Environmental Science ▸ Fundamentals of Management & Organizational Behavior ▸ Statistics for Business Decisions ▸ Any One from the List of Generic Elective / Interdisciplinary Courses	▸ Business Communication (Language: English / MIL) ▸ Managerial Economics ▸ Business Accounting ▸ Any One from the List of Generic Elective /Interdisciplinary Courses
	Summer Internship Program	
Year II	**Semester - III**	**Semester - IV**
	▸ Macroeconomics ▸ Principles of Marketing ▸ Management Accounting ▸ Any One from the List of Generic Elective / Interdisciplinary Courses ▸ Any One from list of Skill Enhancement Course (SEC)	▸ Business Research ▸ Human Resource Management ▸ Financial Management ▸ Any One from the List of Generic Elective / Interdisciplinary Courses ▸ Any One from the list of Skill Enhancement Course (SEC)
	Summer Internship Program	
Year III	**Semester - V**	**Semester - VI**
	▸ Quantitative Techniques for Management ▸ Legal Aspects of Business ▸ Elective – I ▸ Elective – II	▸ Business Policy & Strategy ▸ Financial Institutions & Markets ▸ Elective – III ▸ Elective – IV

The program structure is tentative, subject to change (if required).

Discipline Specific Electives:

Finance (DSE - I): *International Finance; Investment Banking & Financial Services; Investment Analysis & Portfolio Management; Project Appraisal & Analysis; Business Analysis & Valuation; Strategic Corporate Finance; Research Project.*

Marketing (DSE - II): *Consumer Behavior; Personal Selling & Sales Force Management; Advertising & Brand Management; Retail Management; Distribution & Supply Chain Management; Marketing of Services; International Marketing; Research Project.*

Human Resource (DSE - III): HRD: *Systems & Strategies; Training & Development; Management of Industrial Relations; Performance & Compensation Management; Counselling & Negotiation Skills for Managers; Cross Cultural HRM; Talent & Knowledge Management; Research Project.*

Management of Global Business (DSE – IV): *International Trade : Policies & Strategies; Global Business Environment; Transnational & Cross Cultural Marketing; International Supply Chain Management; International Accounting & Reporting System; Multinational Business Finance; International Joint Ventures, Mergers & Acquisitions; Research Project.*

Skill Enhancement Course: *IT Tools for Business; Personality Development & Communication Skills; E Commerce; Statistical Software package (s); Financial Software package (s); Summer Internship (6-8 weeks).*

Generic Elective / Interdisciplinary Course: *Entrepreneurship Development; Business Ethics & Corporate Social Responsibility; Tax Planning; Econometrics; Production & Operations Management; India's Diversity & Business.*

The BBA (Financial Investment Analysis) Program

The BBA (Financial Investment Analysis) Program is a 3-year campus-based program designed to enhance the Financial Management skills and competencies of talented and ambitious young aspirants.

Duration:

Three Years

Program Structure:

The BBA (Financial Investment Analysis) Program is divided into 6 semesters spread over 3 years. There are two summer internship programs embedded in the curriculum, one at the end of the first year and the second one at the end of the second year to provide corporate exposure to the students.

Eligibility:

Pass in Class XII or equivalent with 50% and above aggregate marks (any discipline).

Admission Process:

Admission is based on Merit and Personal Interview.

Award of Degree:

Unique Features of ICFAI Business School

The Sports Club at The ICFAI University, Dehradun

Case Study Focus:

ICFAI Business School (IBS), Dehradun uses the case method as a very important teaching and evaluation tool. The case based learning is integrated as a dominant tool in the education methodology which reinforces the students' understanding of the concepts and their ability to apply them in real life and practical business situations. To be an effective professional, the student has to think and act like one. Case studies of reputed Indian and international companies are used. These cases help students understand the complexities in various business, political, legal and social environments.

Case based learning helps:

- Develop skills in problem solving and decision making in complex business situations
- Gain confidence in handling dynamic situations
- Acquire valuable experiential learning that simulates the business environment in a classroom.

Learning through cases is like learning by doing. What one learns by doing, one remembers for a long time. The case study advantage offered by IBS is a life-long advantage for the students.

Summer Internship:

The Summer Internships are undertaken after the second semester onwards and are faculty supervised. They enable the students to experience the rigor of business environment and combine the concepts learnt in classroom with the real-life situations in organizations. The broad objectives of summer internship are:

- To provide students with opportunities to apply the concepts learnt in the classroom to real life situations.
- To sensitize students to the nuances of a work place by assigning time bound projects in a company.
- To provide students a platform to work and develop a network which will be useful to enhance their career prospects.

Industry Interaction:

IBS consciously encourages industry interaction with a wide cross section of professionals in the industry. Summer Projects, industry interaction programs, guest lectures, seminars etc., organized in association with the industry offer students an opportunity to exhibit their organizational and communication skills, analytical abilities and awareness of contemporary issues to leading recruiters.

Teaching and Evaluation Methodology @ ICFAI Education School

ICT enabled Teaching

ICFAI Education School believes in concentric learning approach that is specifically designed to facilitate 'learning for wisdom and understanding'. The approach adopted aims at imparting intellectual and creative skills to the learners in an integrated and well-processed manner. The educational methodology followed here is an optimal blend of innovative teaching approaches that strengthen the learners in the age of mounting competition. It includes the following:

Classroom Instruction:

Students receive classroom instruction which help them to learn and consolidate their understanding of the Courses. Blended and Flipped Classroom are the pedagogical approaches which provide interactive learning environment for the learners.

Independent Study:

Independent studies provide students opportunities to explore their interests deeper and develop critical analytical skills.

Intensive Teaching Workshops:

Students undergo training in Intensive Teaching workshops that facilitate minds on learning, improving teaching effectiveness, interaction with students, class-room management and ensuring academic standards etc.

Soft Skills Development

Soft Skills training is provided to students in order to develop strong leadership, delegation, teamwork and communication abilities which will help them in their overall personality development.

IT Labs:

In the age of technological revolution, ICFAI Education School realizes the need to train its students on IT skills through its specially designed IT Labs, which are equipped with latest hardware and software infrastructure. Round the clock internet facility is available for the students for continuous search of knowledge.

Seminars:

Students are encouraged to take part in seminars on various topics related to education. The faculty evaluates these seminars and provides necessary inputs to the students for further improvement.

Co-curricular Activities:

Co-curricular activities are organized every week to promote personal development, problem-solving, reasoning, critical thinking, creative thinking, communication, and collaborative abilities outside the classroom.

Talk Fests:

ICFAI Education School has created a niche for itself in imparting quality Teacher Education through its Talk Fest Program. The objective behind Talkfest is to instill a research bent of mind among the students by helping them gain a pragmatic understanding of contemporary pedagogy.

Mentoring Sessions:

ICFAI Education School believes in making its Pupil Teachers better and effective listeners. Also helps in increasing social and academic confidence, developing strategies for dealing with both personal and academic issues.

Assignments and Projects:

ICFAI Education School believes in promoting hands on learning among the Pupil Teachers through Assignments and Projects to reinforce or provide Pupil Teachers an opportunity to demonstrate what they have learned.

Examinations:

Continuous Comprehensive Evaluation (CCE) system is adopted. The evaluation process serves to access and certify students' understanding and their level of knowledge and skill.

Teacher Internship Program:

The Teacher Internship Program forms an important component which is a simulation of real work environment. Preliminary School Engagement practical gives student teacher live experience to observe the functioning of school system and other duties and responsibilities.

Case Study Project:

This approach helps the B.Ed. trainee to have an overall picture of the child's environment and to have an observation on child's health: physical, emotional and social development.

The Ph.D Program (Full-time / Part-time)

Management | Science & Technology | Education | Law

"Ethos and Values" Launching Program-2021

The Ph.D. Program is designed for candidates interested in teaching and research. The key objective of the program is to develop researchers and scholars in the discipline of management, Science & Technology, Law and Education. The program fosters their academic and research interest in their respective areas. This helps the students, experienced executives and faculty members to develop quality skills teaching, research and consultancy.

The Ph.D. program is rigorous and interdisciplinary. It is regularly updated, benchmarking the academic delivery against the best standards. The intensity of the program demands energy and zeal in pursuit of greater insight into the chosen topic and a willingness to master all essential components of academic research.

Duration:

Ph.D (Full-time)	Minimum duration of Three years, including the course work and a maximum of six years.
Ph.D (Part-time)	Minimum duration of Four years, including the course work and a maximum of six years.

Eligibility:

Pass in two-year postgraduate degree or equivalent with 55% marks or equivalent CGPA.

Award:

Students who successfully complete the program are awarded Doctor of Philosophy Degree by The ICFAI University, Dehradun subject to fulfillment of University regulations.

Admission Procedure:

Admission to the Ph.D. program (both formats) is based on Academic Record, Performance in the Admission Test and Interview. Candidates with valid NET/ SLET/GATE qualified are exempted from the Admission Test. Admission Test will consist of two papers, each comprising 50 objective type questions.

Paper-I shall be general nature, intended to assess the teaching/research aptitude of the candidate.

It will primarily be designed to Test reasoning ability, comprehension, divergent thinking and general awareness of the candidate.

Paper-II shall be based on the discipline selected by the candidate.

Stipend/Fellowship:

The students admitted in the Full-Time Ph.D. Program may be given a stipend of ₹ 15,000 (Rupees fifteen thousand only) per month, till the student successfully defends the Thesis proposal, subject to maximum of two years.

After successful defense of his/her Thesis proposal, the students will be paid a stipend of ₹ 20,000 (Rupees twenty thousand only) till the completion of his/her Ph.D. program or three years (36 months) from the date of commencement of the program, whichever is earlier.

A Professional Development Grant of up to ₹ 10,000 (Rupees ten thousand only) per annum is also given to the student for three years, for attending conferences, Workshops, seminars, data collection etc. this is applicable from the time the student successfully clears his/her Pre-Ph.D. course work Phase.

Program Structure for Ph.D Program:

Phase I - Course Work:

First Year	**First Semester**	
	▸ Research Methodology I	▸ 3 Credits
	▸ One paper related to the core area of discipline	▸ 3 Credits
	▸ Research & Publication Ethics	▸ 2 Credits
	Second Semester	
	▸ Research Methodology II	▸ 3 Credits
	▸ Paper related to the area in which the candidate will work for Ph.D.	▸ 3 Credits
	▸ Literature review in the relevant field and seminar on the same	▸ 3 Credits

Phase II - Preparation of Research Proposal (Second Year)

Phase III - Thesis Writing, Pre-Submission Seminar and Submission (Third Year Onwards)

Program Guidelines

Publication Requirement: Every student should publish at least two research papers in peer reviewed journal/ transact his/her area of doctoral research in a refereed journal before submission of the Thesis and produce evidence of the same in the form of acceptance letter or the reprint which is to be appended.

Submission of the Ph.D. Thesis and Evaluation: After submission of the Ph.D. Thesis in the prescribed format, it will be evaluated by a panel of examiners. If the panel is satisfied with the Thesis, Viva-Voce examination will be conducted and the student's performance is graded accordingly.

Antardrishti IUD Journal of Interdisciplinary Research

The ICFAI University Dehradun strives to create an intellectually stimulating environment for research. Antardrishti IUD Journal of Interdisciplinary Research (AIJIR) is a refereed bi-annual International Journal published by IUD. The Journal is multidisciplinary in nature focusing on the areas of Management, Science & Technology, Law and Education. The objective of the Journal is to disseminate knowledge in all these areas. The AIJIR is intended to provide forum for debate and deliberation for academics, policy makers, research students and faculties with different research areas. The journal welcomes the submission of manuscripts that meet the criteria of Management, Science & Technology, Law and Education with valued areas of excellence. The Journal publishes original research and reviews up to 4000 words. The Journal is proud to have highly experienced Editorial Board members. The AIJIR devoted for high standard quality publications which will create an environment of research among the research scholars and faculty members of IUD.

Convocation- 2021 at The ICFAI University, Dehradun

Education Methodology

Seminar on "Accountability of Teachers"

The education methodology adopted by The University encourages independent thinking and helps the students in developing holistic perspectives, strong domain knowledge, contemporary skill-sets and positive attitudes.

Case-based Learning:

University uses the case method as an important teaching and evaluation tool. The case based learning is integrated as a dominant tool in the education methodology which reinforces the students' understanding of the concepts and their ability to apply them in real life and practical business situations. Case studies of reputed Indian and international companies are used which help the students to understand the complexities in various business, political, legal and social environments. The case study advantage is of life-long advantage for the students.

IT Lab:

Assignments related to computers will require the students to spend significant time in the lab. All students will have access to well-equipped computer lab, for their practical work.

Soft Skills Lab:

Special emphasis is given to impart soft skills to meet the corporate requirements. The exclusive design and the right mix of training processes help the students to add a new dimension to their personality.

Summer Internship:

The Summer Internship enables the students to experience the rigor of business environment and combine the concepts learnt in classroom with the real-life situations in organizations.

Projects:

Students are encouraged to pursue live projects in each of the courses to enhance their learning by applying theoretical concepts to industry situations. This is done under the guidance of experienced faculty for proper focus and implementation.

Evaluation:

Student performance in each course is assessed by means of continuous evaluation. Students are evaluated on the basis of assignments, presentations, seminars, case discussions, projects and tests.

Student Life

A glimpse of IUD Cultural Club Activities

Careers and Skills Development Center

The University gives utmost importance to assist students in getting suitable placements after successful completion of the program.

Career and Skills Development Center:

Career and Skills Development Center (CSDC) wing at the University looks after the training and placement activities on a continuing basis. Staffed by senior professionals and placement executives, the team initiates and maintains the University-Industry dialogue and manages the summer internship program and final placement activities. The team evaluates student performance levels and ensures relevant preparation for their corporate placements. Working both at the supply and demand sides of the placement, the team plays the vital intermediary role of matching academic excellence and industry expectations and counseling the students appropriately.

Yoga Session

A Joint Effort:

The University believes that the entire placement exercise is a joint effort between the University and the students. While the University provides guidance, support and network with potential employers, the students have the responsibility to put in the maximum possible efforts to obtain suitable placements.

Placements depend upon not only the performance of student at degree level but also on previous academic record.

Resources and Facilities

IUD Family on the eve of New Year

Faculty:

The faculty brings their extensive knowledge, professional experience and advanced education to their task. The faculty members have very good academic backgrounds and sound conceptual knowledge in their respective disciplines.

Computing Facilities:

The campus is provided with the necessary latest hardware and software infrastructure to cater to the computing needs of all students, faculty and the training needs of information technology related courses. It is equipped with Servers and terminals with multiple operating systems enabling a Client - Server environment. High speed Internet connectivity is provided to all students.

Library Facilities:

The campus has well-stocked library. Students have access to the finest selection of contemporary books and journals which supplement the prescribed reference books and textbooks. The library is augmented with books, periodicals, journals, magazines and other publications on a regular basis.

Seminars:

Students may participate in seminars on different topics and make presentations of the same in the class. These are done under the guidance of the faculty to hone the reading, summarizing and presentation skills of the students apart from inculcating the reading habit in students.

Guest Lectures:

Eminent academicians and practicing professionals are invited for guest lectures. Students get an opportunity to interact closely with them and understand the practical applications of various management concepts and ideas pertaining to management, law and science & technology.

The Fashion Club, The ICFAI University Dehradun

Co-curricular Activities

Students are encouraged to organize, manage & participate in several co-curricular activities like:

- Group Discussions
- Games
- Management Games
- Elocution
- Seminars
- Debating
- Industrial Visits
- Quizzes
- Sports Meets
- Skits & Plays
- Cultural Meets
  T-Group Sessions
- Management Fora
- Publications/Magazines
- Social Service
- Blood Donation
- Alumni Meets

Dehradun - An Education Hub

Dehradun has been the most happening city in the country with very high per capita income, establishment of Software Technology Parks of India (STPI) and various SEZs (special economic zones) throughout the city. Dehradun has been home to India's elite educational institutions namely The Doon School, Welhams School, St. Joseph's Academy, St. Thomas' College, Indian Military Academy, etc., and as such is a major education hub in India.

Since ages, Dehradun has been a major tourist attraction with beautiful mountains, mesmerizing valleys, forests and scenic locales. During the last 15 years, Dehradun has emerged as a center for Retail market in North India. Malls and multiplexes like Pacific Mall, Cross Road Mall, Glitz Cinemas, Vikas Mall, Silvercity Multiplex etc., have opened and they are getting a huge response from the city. In terms of connectivity, Dehradun is well-connected with all the places in India.

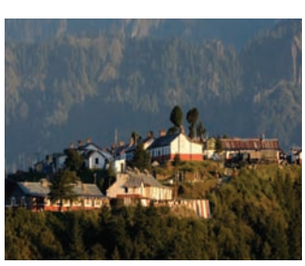

The food habits in Dehradun are generally of the north Indian type and have a lot of variety. The city being a cosmopolitan place, it caters to different people and their varied food habits. The culture of Dehradun has played a key role in the development of the city which weaves together its cuisine, festivals, music, literature and art, making it stand out distinctively. Fairs and festivals are the best way to display the rich culture in Dehradun. A few of the major festivals and fairs in Dehradun are Jhanda Fair, Tapkeshwar Fair, Bissu Fair and Uttarakhand Mahotsav. Sports and outdoor adventure activities also contribute to the city's character. The city along with Auli, recently hosted the South Asian Winter Games.

The ICFAI University, Dehradun campus is in the vicinity of majestic Himalayas and tranquil Shivalik ranges. It represents cultural diversity of India as its students are from all parts of the country. University organizes and participates through its students and faculty in almost all the festivals, fairs, functions and sports events held in Dehradun. The students of the University, apart from academics are exposed to various regional, cultural and sports activities.
