Prof. Sharanappa V. Halse

VICE-CHANCELLOR

Greetings.....

I take this opportunity with great pleasure to extend a warm welcome to all the new students and other stake holders on behalf of the members of Syndicate, Academic Council, Deans, Teaching Faculty, Staff and the Administration. Davangere University strives earnestly to prepare our students to be incessant learners in this developing and competitive world. All of us at the University are dedicated to create successful future for our students. This dedication is exemplified in the quality of teaching, mentorship, research publications, obtaining research projects, awards and other recognitions by State, National and International institutions or organizations.

Our faculty/advisors will guide you through the prescribed course work in the first few days of the induction programme. The lectures, seminars, laboratories, group discussions, multidisciplinary activities and research projects are an important portion of your overall educational experience. I am to assure you that your growth will be asserted to greater heights in this temple of education. You will be enriched by a variety of pedagogical approaches by our faculty who are active scholars in their respective fields. Our University students are expected to be active participants in these scholarly activities which will contribute to their intellectual and professional growth. Development of Community engagement, responsible citizenship, ethics, leadership and effective communication skills are integral components of our University educational system. A specialised educational system in Arts, Sciences, Social Sciences and Humanities along with the depth of knowledge in your field of study, will prepare you for success in an ever dynamic, challenging, competitive world. NEP 2020 has been introduced to meet the diversified educational needs of the youth. Davangere University has taken due care to implement NEP-2020 at UG level from the Academic year 2021-22. It will certainly be a pioneering experience for all of us in NEP 2020.

You will be exposed to many curricular and extra-curricular experiences that will contribute to your personal growth in the next few years. Take this opportunity in your life to experiment with new activities and get to think out of the box. All of us are dedicated in helping you to make your learning journey a great success and I promise that Davangere University experience will be one of the best to cherish in your life with continued discovery of inner potential. Enjoy your time with hard work and make best use of these next few years. The time runs fast, make best use of it and be sure that the friendships you forge here with faculty and classmates are the ones that will last your lifetime. You will become part of the ever growing Davangere University and create history.

University Education system is interactive; you should interact, be creative and be active in the classroom. Life is like bank account, you only get back with interest what you deposit. Life is changing very fast with changing social, economic science & technological aspects. You need to keep pace with the same. In the wake of Corona virus outbreak, your safety and wellbeing are our first priority. During the COVID-19 pandemic situation, we had converted temporarily our conventional education system into virtual mode for the favour of students. Eventually, this made the mentor-mentee system stronger and lasting.

We are looking for the best minds to nurture. Students are our biggest assets. My appeal to all is that you should convert the competitive challenges into opportunities by establishing your own way of futuristic thinking. Weak persons wait for the opportunities while the strong ones create them. Failure is not final, success is not permanent. Therefore, keep trying hard with smart brain until you reach your goal.

Knowledge is power and I wish you all become powerful and be an asset to this University in particular and to the society at large.

Best Wishes,

Prof. S.V. Halse
Vice Chancellor

INTRODUCTION

Davangere University welcomes you to its unique knowledge treasure of Central Karnataka.

It is pertinent to introduce Davangere University to the stakeholders viz., students, their parents and the society in few words, it was established as a Statutory University on **18th August 2009** and is one of the youngest Universities in Karnataka by being carved out of Kuvempu University with a vision to meet the educational aspirations of the people of Davangere and Chitradurga regions. Prior to its present status, the University functioned as a Post-Graduate Centre of the University of Mysore from 1979 to 1987, and later functioned as Post-Graduate Centre of Kuvempu University from 1987 to 2009. The University has a land of 251 acres and the main campus Shivagangotri has 73 acres. The serene campus is flooded with the ambience of greenery, young students and energetic staff with aesthetic architectural spacious infrastructural facilities.

The University offers a wide range of PG courses in the faculties of Arts, Science, Commerce, Management, Education and Visual Arts. All possible measures are taken to impart quality higher education in accordance with the UGC; Higher Education Policies with a view to provide access to higher education for various sections of the society. There are 36 PG departments, 4 P.G. Diploma Courses offering 1056 courses, 22 Post Doctorate, PDF, DSc., D.Litt. Programmes. The University has been promoting social justice in accordance with the policy of the State/Central Government.

Choice Based Credit System (CBCS) is introduced to all the Under-Graduate and Post-Graduate programmes. The university has 118 Colleges affiliated, with two Constituent College and One Autonomous College, offering Graduate and Post-Graduate programmes in various disciplines catering to the educational needs of more than 66,000 students. In order to provide social justice to the needy and give recognition to the inclusive policy, reservation for admission to various courses is followed as per the provisions of government of Karnataka and Karnataka State Universities Act, 2000. State of the art, the University Central Library is well equipped with 44093 reference and text books, 52 journals on current subjects, more than 2300 back volumes of periodicals, and good number of government and Institution reports, providing services like internet, email and e-journals facilities.

Davangere University has good number of competent Scientists undertaking various research programmes on cutting edge technologies, deriving more than 6 crores worth extra-mural funds from different funding agencies such as ICMR, DST, DBT, DAE - BRNS, UGC, ISRO VGST, KSCST and others, and published more than 900 Research papers in highly reputed peer reviewed journals in addition to getting awards and recognitions. Davangere University has a marked recognition in increase in index from 3.8 to 6.1. The University takes due care of the students belonging to the SC/ST and OBC categories through its SC/ST and OBC wings. Ph.D., fellowships, EBL and other scholarships are also provided to the students. Special training is provided to the students belonging to SC/ST categories in order to nurture their potentialities and help them in getting jobs. Coaching classes are conducted to prepare them for examinations such as IAS, KAS, KPSC, CSIR-JRF, UGC-NET, SLET etc.

Students are encouraged to participate in NSS activities like Village adoption, campus cleaning, awareness creation, maintaining green campus under NSS-PG units of the University. The University Sports wing has been performing efficiently and secured various prizes at State/National/Inter University/Zonal levels. The University through its departments conducts various programmes like blood donation camps, Women's empowerment programmes, HIV Aids awareness, Environmental awareness and rain water harvesting methods etc. As a government drive, the ICT initiatives have been taken up, letter monitoring and file movement are done through it for the purpose of maintaining transparency and speedy governance. IQAC Cell was established during January 2015 in order to facilitate and assure internal quality in teaching, research, administration and it is rigorously making efforts to enrich the quality. The cell has made efforts in getting students' feedback and giving necessary directions after the thorough analysis for the improvement of teaching and administration. The University is in full swing preparation to get higher grade by NAAC grading system.

The focus of the University is for expansion and continuous development. The University is blessed with dedicated and committed faculty who continuously involve in welfare of the students and overall development of the University.

VISION AND MISSION OF DAVANGERE UNIVERSITY

VISION:

To achieve excellence through educational transformation for creating the knowledge society by providing quality, equity and social justice, with a motto of building innovative and constructive environment which aims at over all-inclusive and sustainable Development of the Country.

MISSION:

Achieving academic excellence to enhance global competitiveness of the **youths** of the country.

Create inclusive knowledge society and to enhance harmony and understanding of Nationality.

Inculcating culture of creativity and innovation among the **youths**.

Enhance Research Skills of the **youths** by introducing exemplary programmes and practices.

Introducing various programmes to meet the needs of various sections of the society through Value Addition programmes.

To imbibe in teachers and students the Universal Human Values such as truthfulness, non-violence, kindness, compassion, generosity which ensure happy, peaceful and healthy life.

To build a student-friendly, interactive academic Environment.

DAVANGERE UNIVERSITY EMBLEM

ವಿದ್ಯಾದಾನೇನ ವರ್ಧತೆ, ವಿದ್ಯಾ ವಿನಯೇನ ಶೋಭತೆ, ವಿದ್ಯಯಾ ವಿಂಧತೆ ಅಮೃತಂ

The emblem of Davangere University symbolizes its **vision** and **motto**. The logo is conceptualized and designed on the theme to save the planet earth with **"Inclusion and Sustainability through Education".**

Inclusive development follows human development approach and integrates the standards and principles of human rights: participation, non-discrimination and accountability. The effects of exclusion based on gender, ethnicity, age, disability, poverty etc., are staggering and deepening inequality across the world. Development can be inclusive only if all groups of people contribute to creating opportunities, share the benefits and participate in decision-making.

Sustainable Development is seeking to meet the needs of the present without compromising those of future generations. It is a vision of development that encompasses population, animal and plant species, ecosystems, natural resources and the needed integrated concerns.

The outline of faces in the logo depicts the youth power moving ahead with a mission for all types of development for humanity. The leaves on either sides of globe signify the sustainable approach to protect the environment/earth. The book symbolise the knowledge which is open to everyone to achieve the end.

The motto is a famous saying in Sanskrit "Tamaso maa Jyotirgamaya" meaning "From Darkness lead me to Light". This light of awareness can only be through education. The colour scheme of the logo relates to the atmosphere, colour brown is for mother earth (soil), orange for learning, green for life and environment, and colour yellow for expansion.

UNIVERSITY-AT-GLANCE

Davangere University is one of the progressive University established in the Central Part of Karnataka on 18th August 2009. It has a territorial jurisdiction of Davangere and Chitradurga districts with its headquarters at Shivagangotri Campus, Davangere. This University has been recognized by the UGC under section 22 of UGC Act for award of Graduate/Post-Graduate degrees and also under section 12(B) and 2(f) by the said UGC Act for sanction of financial assistance for Academic, Research and infrastructure development of the University. It has also been accredited by NAAC in the first cycle after its inception. Davangere, in earlier years, known to be called as Manchester City has been emerged as an Educational Hub in the field of Art, Architecture, Engineering, Humanities, Medical Science, Social Science, Science & Technology and so on. It is connected by road and rail and 265km away from State headquarters, Bengaluru (265 km by road and 347 km by rail). Besides it is also very popular in Commercial and Industrial Development Sectors.

This University was established to meet the higher educational (including Post-Graduate education & research) aspirations of the rural youth and also to increase the higher education literacy percentage at all India level. It has 118 Affiliated Degree Colleges, 01 Autonomous and 02 Constituent colleges in its jurisdiction.

LOCATION:

Davangere and Chitradurga Districts are centrally located in the State of Karnataka on Pune-Bengaluru High Way NH-4. The main campus of the University is located 5 Kms., away from Bada Cross on National Highway 4. There are sufficient Government and Mofussil (private) service transport facility available from Davangere city to the Main Campus, Shivagangotri. This Campus is spread over 73 acres of land which is free from all kinds of pollutions. The greenery on the campus adds scenic beauty and learning ambience.

This University is offering Post Graduate education in 36 Programmes and 4 P.G. Diploma Courses disciplines at the main campus, Shivagangotri in the faculties of Arts, Commerce, Science & Technology and Education. It has also a Post-Graduate Centre at Guddada Rangavana Halli on the outskirts of Chitradurga Municipal area, in which 06 Post Graduate Programmes are in existence and 03 new Programmes are going to be introduced in this Academic Year.

The University College of Visual Arts is a very (well known as Fine Arts College) prestigious constituent college of the University located in the heart of the City Corporation of Davangere, wherein foundation course, Graduate Course and Post Graduate courses are being offered.

ಮಧ್ಯ ಕರ್ನಾಟಕ ಪ್ರದೇಶದ ಸಾಂಸ್ಕೃತಿಕ, ಭಾಷಾ, ಆರ್ಥಿಕ ಮತ್ತು ಶೈಕ್ಷಣಿಕ ಅಗತ್ಯಗಳನ್ನು ಪೂರೈಸಲು ದಾವಣಗೆರೆ ವಿಶ್ವವಿದ್ಯಾನಿಲಯವು 2009 ರಲ್ಲಿ ಅಸ್ತಿತ್ವಕ್ಕೆ ಬಂದಿತು. ಆಗ ಕನ್ನಡ ಅಧ್ಯಯನ ವಿಭಾಗವನ್ನು 2010 ರಲ್ಲಿ ಸ್ಥಾಪಿಸಲಾಯಿತು. ಡಾ.ಎಂ.ಚಿದಾನಂದಮೂರ್ತಿಯವರ ಅಮೋಘವಾದ ಸಾಹಿತ್ಯಿಕ ಸೇವೆಯನ್ನು ಗುರುತಿಸಿ ವಿಭಾಗಕ್ಕೆ ಡಾ.ಎಂ.ಚಿದಾನಂದಮೂರ್ತಿ ಕನ್ನಡ ಅಧ್ಯಯನ ಮತ್ತು ಸಂಶೋಧನಾ ಕೇಂದ್ರವೆಂದು ನಾಮಕರಣ ಮಾಡಲಾಯಿತು. ಈ ಕೇಂದ್ರವು ಬೋಧನೆ, ಸಂಶೋಧನೆ ಮತ್ತು ಪ್ರಕಟಣೆಗಳ ಚಟುವಟಿಕೆಗಳಲ್ಲಿ ತೊಡಗಿಕೊಂಡಿದೆ. ಈ ವಿಭಾಗದ ಅನೇಕ ವಿದ್ಯಾರ್ಥಿಗಳು ರಾಷ್ಟ್ರೀಯ ಅರ್ಹತಾ ಪರೀಕ್ಷೆ (ಎನ್.ಇ.ಟಿ.)/ರಾಜ್ಯ ಮಟ್ಟದ ಅರ್ಹತಾ ಪರೀಕ್ಷೆ (ಎಸ್.ಎಲ್.ಇ.ಟಿ.)ಗಳಲ್ಲಿ ತೇರ್ಗಡೆ ಹೊಂದಿರುತ್ತಾರೆ.

ದೃಷ್ಟಿ :

ಕನ್ನಡ ಸಾಹಿತ್ಯ ರಚನೆ ಮತ್ತು ಅಧ್ಯಯನದಿಂದ ವೈಯಕ್ತಿಕ ವ್ಯಕ್ತಿತ್ವ ಹಾಗೂ ಸಾಮಾಜಿಕ ಬೆಳವಣಿಗೆಯನ್ನು ಸಾಧಿಸುವುದು. ಸಾಹಿತ್ಯಿಕ ಪತ್ಯಗಳು ಹಿಂದಿನ ಮತ್ತು ಭವಿಷ್ಯದ ಪರಿಪೂರ್ಣ ಸಮ್ಮಿಳನವಾಗಿರುತ್ತವೆ. ಕನ್ನಡ ಸಾಹಿತ್ಯದೊಂದಿಗೆ ಸಂಪರ್ಕ ಇಟ್ಟುಕೊಂಡು, ಪ್ರತಿಯೊಬ್ಬ ವ್ಯಕ್ತಿ ಮತ್ತು ಸಮುದಾಯವನ್ನು ಪ್ರೇರೇಪಿಸಬಹುದು. ಹೀಗಾಗಿ ಅವರನ್ನು ಪ್ರಗತಿಯ ಪಥದಲ್ಲಿ ಮುನ್ನಡೆಸಲು ಖಂಡಿತವಾಗಿಯೂ ಸುಧಾರಿಸಬಹುದು.

ಗುರಿ:

ಸಾಹಿತ್ಯ, ಲಿಖಿತ ಮತ್ತು ಮೌಖಿಕ ಬೋಧನೆ ಶೈಕ್ಷಣಿಕವಾಗಿ ಭಾಗವಹಿಸುವವರಿಗೆ ಮಾತ್ರ ಸೀಮಿತವಾಗಿರಬಾರದು. ಆದರೆ ಸಮಾಜದ ಒಟ್ಟಾರೆ ಅಭಿವೃದ್ಧಿಗೆ ಸಹಾಯ ಮಾಡಲು ಮತ್ತು ಸಮಾನಾಂತರವಾಗಿ ಕೆಲಸ ಮಾಡಲು ಜ್ಞಾನದ ಮಿತಿಗಳನ್ನು ಮೀರಿ ವಿಸ್ತರಿಸಬೇಕು. ಪ್ರತಿಯೊಬ್ಬರೂ ಅದರಲ್ಲಿ ಭಾಗವಹಿಸಲು ಅವಕಾಶವನ್ನು ಹೊಂದಿರಬೇಕು. ಸಮಾನತೆಯ ಸಮಾಜವನ್ನು ರಚಿಸಲು ಮಾನವೀಯತೆಯು ಒಂದು ಎಂಬ ಮೂಲ ಕಲ್ಪನೆಯನ್ನು ಅಳವಡಿಸುವ ಗುರಿಯನ್ನು ಹೊಂದಿದೆ.

NSQF Level-5: Undergraduate Diploma (UGD) :Diploma in Digital Art (DDA)

Introduction:

Diploma in Digital Art has been established in the academic year 2020-21. One-year Undergraduate Diploma Course offered by Davangere University under the National Skills Qualifications Framework. (NSQF Level -5)

Eligibility:

Eligibility for this certificate course is passing certificate in PUC/its equivalent passing certificate. There is no age limitation for seeking admission.

Objectives:

To know the different levels of Digital Art.
Understanding the use of Digital Art.
To know applicability of Digital Art in different fields.

17. DEPARTMENT OF STUDIES IN COMMERCE

The Department of Studies in Commerce was established in the year 1979 as one of the two departments which were started along with establishment of Post-Graduate Centre by University of Mysore at Davangere. The Department was brought under the purview of Kuvempu University after its establishment in the year 1987. Currently, the Department of Studies in Commerce is functioning under Davangere University after its instituting on 18th August 2009 by being carved out of Kuvempu University.

The Department offers Masters, PG diploma and Doctoral programs in the field of Commerce. It believes in nurturing and developing professional competencies in students through quality education, research and continuous innovation. The students of the department graduate with a concrete understanding of relevant subject knowledge and strong problem solving skills in diverse areas with human values. It also grooms the students with an aim to make them industry ready professionals with hands on knowledge in their selected field of specialization to effectively contribute to society with commitment and integrity.

From the inception of the department, it has produced more than 4500 Post Graduate students. The students of the department are serving the society by occupying the prominent positions in various Universities, Corporates, Colleges, Government departments and also by their own business establishments etc. The Department provides various platforms for the students to nurture skills, innovate and build leadership through various curricular and extracurricular activities. The faculty members of the department are very active in research manuscript publications, books, edited volumes, etc., their research work is well cited by the research community.

Vision:

Business Education, Research and Extension based on Universal Human Values, which reduce stress, promote Peace and Harmony for Quality of Life Results.

Mission:

To be one of the best Commerce Departments in the country by focusing on growth and development.
To adopt world class Teaching and Learning methods.
To build a student friendly and interactive academic environment.

To carryout research, consultancy, extension and training activities useful to society.

To imbibe in teachers and students the Universal Human Values such as truthfulness, non-violence, kindness, compassion, generosity which ensure happy, peaceful & healthy life.

Highlights of the Department:

1. The Scheme of Teaching and Evaluation of the programs are designed by the team of seasoned academicians with the support of Chartered accountants and industry experts.
2. Emphasis on collaborative learning process through modern pedagogy.
3. Providing strong practical perspective through continuous interaction with business and industry professionals.
4. Conducts students' centric activities like Product lunch, Commerce quiz, Collage making, essay writing, Seminar presentation, Case studies, Problem solving etc., on regular basis.
5. Conducts Series of Special lectures by Eminent speakers, Seasoned academicians, Industrialist and Chartered accountants etc.,
6. Organizes regular local industrial visits, Grassroots visits, Practical training and excursions.
7. Encourages Faculty members and students to participate in the National and International Conferences and Conventions etc.,
8. Department has internal library with 5200 + high quality text books, more than 150 + Ph.D. theses for Students and Research scholars reference.
9. Conducts daily current event sessions for the students, encourages them to participate in the improvement of communication skills.
10. Regular mentoring for the students in terms academic and non-academic activities.

18. INSTITUTTE OF MANAGEMENT STUDIES

The Institute of Management Studies established in the year 1992.It is one of the oldest and largest Departments in the University approved by AICTE. The Department offers MBA, B.Voc. (NSQF)and Doctoral Programs in the field of Management. Since inception, Department has produced more than 3,000 Post Graduate students and 20 Ph.D. awardees

Vision

The Institute shall strive to become a center of excellence in teaching, training, research and consultancy in management by imparting relevant and quality education, thus empowering all sections of society to meet global challenges.

Mission

- Provide quality global education to meet ever changing needs of the business arena.
- Spread the essence of management knowledge for the benefit of different sections of the society.
- Provide high quality consultancy and research services to corporate world.

Programs offered

- PG : Master of Business Administration(MBA)
- B.Voc: Retail Management and Information Technology.
- Ph.D. : Doctor of Philosophy in Management

19. DEPARTMENT OF STUDIES IN BIOCHEMISTRY

The Department of Studies in Biochemistry was established during the academic year 1993-1994 with M.Sc., programme at P.G Center of Kuvempu University, Davangere. Later, with the establishment of Davangere University on August 18, 2009 the Department has come into the fold of Davangere University. The Department has succefully completed 28 years of its existence. The Department is presently offering M.Sc., P.G. Diploma, and Ph.D. Programmes in major fields of Biochemistry such as Cancer Biology, Plant Biochemistry and Natural Products, Biodegradation, Biotransformation and Biocatalysis.

The Department has produced about **672** Biochemistry Post-graduates, more than 98% of them passing either in First class or higher. Many of our students have been serving as faculty members in public and private Universities in Karnataka, Academic institutions, as Scientists in our students National Institutional R&D divisions, Quality control divisions in industries, some have started their own industries as enterpreuners, and some have been pursing Post-Doctoral research in reputed institutes and Universities in India and abroad. Many of our students of the Department have cleared CSIR-UGC/NET, ICAR-JRF, GATE and K-SET examinations.

The faculty members of the Department are active in teaching and research. Faculty members of the Department have published more than 150 papers in International and National peer-reviewed journals. Major research projects have been sanctioned to faculty members of the Department by DBT, DST, DAE-BRNS, UGC, ICMR and VGST with the grants to the tune of Rs.4.3 crore. The Department has adequate research facilities such as Animal Cell Culture Laboratory, Plant Tissue Culture Laboratory and Microbiology laboratory for Biodegradation and Biotransformation students. The Department has also entered into collaborative research with Industries, pioneer Institutes in the country. The Department organizes International/National seminars, workshops, symposia and webinars inviting eminent Professors and Scientists from various Universities, Institutes and Industries across the country, to enable the faculty, research scholars and students for updating their knowledge. The Department has Society of Biological Chemists (India), Davangere branch since March, 2001.

Vision:

To develop the Department into a high-tech research oriented Department with emphasis on value addition.

Mission:

Commitment to Teaching and Research, and to provide world-class teaching using modern laboratory facilities for our valued students at affordable fee.

Faculty Profile :

Sl. No	Name of Faculty	Qualification	Designation	Field of Specialization

1	Miss. Shalini K S	M.Sc.,	Guest Faculty	01 Year
2	Miss. Ranjitha G	M.Sc.,	Guest Faculty	01 Year

The Thrust Areas of Research includes:

Cancer Biology
Neurobiology
Plant Biochemistry and Natural Products.
Biodegradation, Biotransformation and Biocatalysis

Major Facilities in the Department:

Animal Cell Culture laboratory, Green house, CO_2 Incubators, Ultra Freezers (-20^0 C & -80^0C), Lyophilizers, Fluorescence Microscope, Ultra Sonicators, High-Speed Centrifuges, Fluorescence Spectrophotometer, Microplate Readers, UV-Vis Spectrophotometers, Orbital Shaking Incubators, Cooling Centrifuges, Analytical HPLC, Semi-preparative HPLC, RT-PCR, PCR Machines, Gel Documentation Systems, Fraction collector and Flourimeter.

Research:

The faculty members of the Department have received Extramural Research Funding in recognition of their research contributions. They include DBT, DST, DAE-BRNS, ICMR and UGC, VGST of Government of Karnataka. and also foreign Post-Doctoral Research Fellowships.

The Department so far has produced more than 40 Ph.D.'s and 11 M.Phils. Successfully, and 06 candidates have been currently registered for Doctoral programmes.

Workshops and Seminars:

The department organizes special lectures, workshops and seminars regularly during every academic year on emerging areas of Biochemistry, inviting renewed scientists and academicians from Universities and reputed Scientific organizations.

Student-Faculty Interaction:

Apart from the classroom teaching, there is a lot of scope for student-faculty interaction through the group discussions, seminars and project work. There are also interactions on the lighter side through the co-curricular, cultural activities, sports activities and annual educational tour.

Plan of Action of the Department:

To establish good collaborative / exchange programmes.

To achieve excellence in teaching and research.

To strengthen the department in teaching and research.

P.G. Diploma in "Clinical Dietics and Applied Nutrition"

Objectives of the Corse:

To develop the capabilities and knowledge of students in the areas of Physiology Basic, Clinical and Applied Nutrition Clinical Testing and Food Analysis Foods and Dietetics Diet Therapy Food Service Management Public Health.

To acquire relevant skills required to develop students to become efficient professionals in academics, healthcare institutions and community service Eligibility.

Eligibility:

A candidate for being eligible for admission to the Post graduate Diploma in Clinical Dietetics & Applied Nutrition must have taken either:

a) Bachelor of Science (Home Science) general or with specialization in Food Science and Nutrition
b) Bachelor of Science in Microbiology /Biochemistry /Biotechnology
c) Bachelor of Science in Life Science with a combination of the above subjects with Chemistry
d) Bachelor of Nursing of this University or a Degree of another University recognized as equivalent there to.

Programme Name:

NSQF Level-8: Post graduate Diploma (PGD) in "Clinical Dietics and Applied Nutrition (CDAN)" From Academic year 2020-21

Duration to complete the Corse: The candidates who can't able complete the course within a period of one academic year should complete the course within Two years from the date of joining the Course.

Guest Faculty:

Sl. No	Name of Faculty	Qualification	Designation	Experience
1	Dr. Prathap G. K.	M.Sc., Ph.D.	Guest Faculty	06 Months

20. DEPARTMENT OF STUDIES IN BIOTECHNOLOGY

Biotechnology has emerged as one of the leading fields in Biological Sciences. Most of the industries like pharmaceuticals, brewery, food and allied industries relay upon Biotechnology Post Graduation qualified candidates. In view of providing an opportunity to Biotechnology and other Biological science degree qualified students and to cater the need for industry/research, the University has introduced M.Sc. Biotechnology program in the year 2017-18 with CBCS scheme. It is revised in the year 2020-21. The syllabus has been framed in accordance with the modern trends with industrial relevance, research orientation and the curriculum requirement. Department of Biotechnology has qualified dedicated skilled research oriented faculty members. The Department of Biotechnology has well pledged laboratories and ICT enabled classrooms. The department has student forum named as Bio spark which acts as a platform for the students to showcase their talents in academic and also co curricular activities. The department has alumni association, mentor mentee system, Department library and research laboratories. The department has many funded projects from various funding agencies like UGC, VGST etc.

Along with M.Sc. programme, the Department is offering M.Phil, Ph.D., Post doc. and D.Sc. programmes.

Vision:

Department of Biotechnology is a platform to provide quality education as well as research in biotechnology focusing on innovative ideas of improving socioeconomic conditions responsive to regional and national needs.

Mission:

To facilitate comprehensive and effective training to the students in the application of biotechnological skills for the benefit of society.

Faculty:

Sl. No.	Name of the Faculty	Qualification	Designation	Specialization
1	Prof. Gopinath S M	M.Sc., Ph.D.	Professor & Chairman	Microbial Biotechnology, Phytochemistry

3	Dr. Niranjan M H	M.Sc., Ph.D.	Associate Professor	Plant Tissue Culture& Conservation of Medicinal Plants
4	Dr. Prabhurajeshwar	M.Sc., Ph.D.	Assistant Professor	Microbiology, Medical Microbiology, Probiotics, Nanotechnology and Phage Therapy
5	Dr. Navya H M	M.Sc., Ph.D.	Assistant Professor	Molecular plant pathology; plant protection; aflatoxin; PGPR; Bio fertilizer

6	Dr. Chandrashekar S	M.Sc., Ph.D.	Assistant Professor	Molecular Plant Pathology and Molecular Diagnostic of plant pathogens
7	Kavitha G C	M.Sc., M.Phil	Assistant Professor	Biotechnology, Plant tissue culture, pharmacology, phytochemistry

Value added Course: *Biotechnology for rural development*

Value added Course **"Biotechnology for rural development"** is offered by the Department of Studies in Biotechnology, Davangere University. The main objective of this course is to enhance skill in Students. They will be able to become Entrepreneur, Self-employable and will have scope to start small industry.

21. DEPARTMENT OF BOTANY

The Department of Botany was set up in 2012. The subject of Botany is a popular choice for students pursuing science specialisation in India and it deals with the study of plant life and its characteristics. The subject delves deep into the various plant forms along with their structures, growth, use, and about their life-cycle. The subjects of study range from the smallest algae or fungi to the largest species of trees. It also deals with the various aspects of Agriculture, Horticulture, Forestry and Environment-related issues. If you are someone who is keenly interested in the diverse range of flora on the planet, choosing to be a botanist is an ideal option for pursuing knowledge and subsequent career development.

The scope of Botany also extends into interesting fields like space travel agriculture, artificial environments, hydroponics with plenty of scope for research. Anyone who loves plants and flowers, this is the right subject that will allow you to spend some productive hours with them. The subject also branches into various other specialized fields like Taxonomy, Ethnobotany, Pathology, Seed Technology, Palaeobotany, Phycology, Palynology, Plant Cytology, Plant Molecular Biology, Plant Genetics and Plant Ecology.

The Department received research grants sanctioned to its teachers from the University Grants Commission (UGC), Vision Group for Science and Technology, Karnataka (VGST) and Karnataka State Council for Science and Technology (KSCST). Faculty members of the Department have published research articles in national and international peer-reviewed journals. The Department offers Masters and Doctoral programmes in Botany. The students of Botany have wide career opportunities in Council of Scientific and Industrial Research (CSIR), Botanical Survey of India (BSI), Indian Council of Agricultural Research (ICAR), National Bureau of Plant Genetic Resources (NBPGR), Central Drug Research Institute (CDRI).

Every year, the Department conducts one week Botanical study tour to the vegetation rich areas, various national research laboratories, Biotechnology, Pharmaceutical, Clinical and Seed Technology industries in order to visualize and learn the ongoing research activities in

the field of plant sciences. Students are also being encouraged to participate in several conference/symposia organized by different institutes of the country.

Vision

To discover and exploit plant resources for the betterment of the environment and human welfare through systematic and focused research and teaching in frontier areas of Plant Sciences.

Mission

Providing high-quality education of international standards in plant sciences at masters and doctoral levels. Carrying-out research in cutting-edge areas of plant biology through sponsored research projects. Development of processes/technologies/methods of direct relevance to the industry/society through research in advanced areas. Establishing national/international collaborations with premier research institutes/universities for advancing scientific knowledge in interdisciplinary areas of plant sciences.

The students have been encouraged for competitive examinations such as Indian Administrative Service (IAS), Indian Forest Service (IFS), Karnataka Public Service Commission (KPSC), Forest Range Officer (RFO), Karnataka State Eligibility Test (KSET), UGC-JRF/NET, CSIR- JRF/NET, GATE/SLET/TOFEL/GRE/ICAR examinations. Various campus interview placements are through drug and seed industries etc.

22. DEPARTMENT OF STUDIES IN CHEMISTRY

The Department of Chemistry was established in June 2010. The department is well known for its excellence in teaching and research and it has produced about 654 Post–graduates, most of them passing either in first class or higher. The Department provides an opportunity for post graduates students to obtain thorough fundamental knowledge of all fields of chemistry. The students graduating from the department have been placed in industries, professional and academic institutions. The syllabus has been framed in accordance with the current trends in teaching, research and the curriculum requirement. The department has alumni association and mentor mentee system. The department has 11 teaching faculties. The faculty members of the department are actively engaged in research in frontier areas of chemistry and in interdisciplinary areas. The department has funded projects from various funding agencies like DST, UGC, VGST etc. The department is offering Ph.D. program including course work and subsequent research in various topics. The department having MOU with industries and R&D organizations.

Vision:

To achieve excellence in academics and research through national and international collaborations.

To harness the precious human resources drawn from youth force for the industrial and overall development of the nation through the pursuit of excellence in Chemical Sciences.

Mission:

To ensure quality education.

To promote scientific temperament.

To disseminate assortment of theoretical knowledge with practical skills.

To pursue academic excellence through quality teaching, research and publications.

23. DEPARTMENT OF STUDIES IN COMPUTER SCIENCE

The Department of Computer Science was started in the year 2010 and offers post graduate degree programs. The Department provides a student centric learning environment with well-equipped lab spaces, studio mode classrooms and smart classrooms. The vibrant learning environment is supported by large gathering areas for open houses, department seminars and discussion forums.

The Department, in principle, aims to develop research activities all the areas of Computer Science and Technology. The Department is making multiyear efforts significantly expanding and building collaborations with industries and academic institutions for teaching, learning and research. The ambition of the department is to provide the quality education and practical training and conduct the research of international standards and repute.

The curriculum is well designed by Board of Studies (BoS) constituted of experts from academia and industries. The curriculum encompasses core Computer Science courses, facilitates and experiential learning. A few courses are co-designed and co-delivered by experts from the industries. The curriculum structure provides opportunity for students to enhance the research skills by providing current research problems to solve. The structure also gives space for developing entrepreneurial skills by offering projects at knowledge plaza.

The Department has well experienced faculties with expertise in the areas of Artificial Intelligence, Digital Image Processing, Pattern Recognition, Video and Scene text analysis, the same specialization offered for PhD aspirants too. The Department of Computer Science is a hub of activities in the areas of Artificial Intelligence, High Performance Computing (HPC), Bid data, Cloud Computing and Networking. To enhance the research eco system, state-of-the-art research infrastructure in the above areas has been setup.

Co-curricular and extra-curricular activities are conducted by the Department to enhance interpersonal and leadership qualities. Due to which Students have been participated in various national and state level events**.**

VISION

The Department should excel and lead the education, research and innovation in computing and information technology by contributing to the evolving needs of the world we live in.

MISSION

To foster a dynamic academic environment with a cutting-edge curriculum and innovative educational experience to prepare graduates to succeed and lead in-wide range of computing and information technology businesses and occupations.

To be at the forefront of research through new and exciting innovations leading to the future of computing technologies.
To collaborate within and beyond discipline to create solutions that benefit humanity and society.
To seek innovation and excellence in teaching.
To encourage and understand the diverse view points and logical thinking.

P.G. Diploma: M.Voc., in Cyber Security

The Department of Studies in Computer Science offers a Two years PG Programme M.Voc in Cyber Security funded by UGC-NSQF. The National Skills Qualifications Framework (NSQF) is a competency-based framework that organizes qualifications according to a series of knowledge, skills and aptitude. The NSQF levels, graded from one to ten, are defined in terms of learning outcomes which the learner must possess regardless of whether they are obtained through formal, non-formal or informal learning.

This programme enables students to get PG Diploma in Cyber Security after successful completion of first two semesters. After Completion of Two Years (Four Semesters) students will get M.Voc in Cyber Security.

VALUE ADDED COURSE:

Internet of Things: Challenges, Advances, and Applications

24. DEPARTMENT OF ELECTRONICS

The University has introduced The Post Graduate Department of Electronics in the year 2019-20 with the sole aim of producing the most energetic, enthusiastic and professionally competent manpower with ability to take up the challenges posed to them. The department aims to deepen the knowledge and skills of the students on the basic concepts and theories that will equip them in their professional work involving analysis, systems implementation, operation, production, and maintenance of the various applications in the field of Electronics.

The Department offers a two year M. Sc. course in Electronics. The aim of this programme is to provide the necessary theoretical background and practical experience in order to meet the requirements of the R&D Organizations and Industries.

The department will function along with the Physics department in Shivagangothri campus. The new faculties are being inducted to department and basic infrastructure is being developed.

25. DEPARTMENT OF STUDIES IN ENVIRONMENTAL SCIENCE

Environment plays a **vital** role in the healthy living of human beings. It matters because it is the only home that humans have and it provides air, food and other needs. Humanity's entire life support system depends on the well-being of all the **environmental** factors. For the last six decades, several environmental problems such as pollution, global warming, ozone layer depletion, acid rain, deforestation and desertification have remained a major focus of scientists, policy makers and common public across the world. These problems are perceived as the major threats to the life-supporting environment of the earth. Thus making our survival on the planet increasingly unsafe. In order to tackle these challenges, complete knowledge about working of our life-supporting environment and thorough understanding of the dynamics of these problems become imperious. Since no other academic discipline covers the above knowledge requirements completely. Environmental science evolved as an academic discipline to fill in this gap. The life supporting environment and various environmental problems are highly complex and require interdisciplinary efforts to understand them. Environmental science, therefore, integrates approaches of various academic disciplines to fulfil its objectives.

In this regard university has taken steps to start a vital branch of science to promote scientific temperament and prepare our students to address environmental issues.

Vision:

Focus on providing, facilitating achieving and sustaining quality education.
A commitment of student academic success by providing proper academic guidance for betterment.
Balance in our core academic endeavour (teaching and research)
Producing and disseminating knowledge through national and international conference's, papers, peer reviewed journals.
Develop one certification course or diploma courses.
Organising 3 to 5 invited talks from industry or institute experts.
Apply for research proposals to a national funding agency.
Conduct 2 to 3 workshops for students to enhance to advance practical knowledge.
Organise 1 or 2 FDP Programme.
Improve communication with our senior professors about faculties professional programme and work with department.

Mission:

To create conducive environment in the department, and to maintain good relation with colleagues and students.
Involve in providing inputs to improve programme curricular.
Use of advance teaching aids to improve the teaching quality.
Focus on providing, facilitating, achieving and sustaining quality education.
A commitment of student academic success by providing proper academic guidance for betterment.
Focus on ensuring student academic and personal development and success the link between good teaching and good research.

26. DEPARTMENT OF STUDIES IN FOOD TECHNOLOGY

The Department of Studies in Food Technology was established in the year 2005-06 in a single room at PG Centre of Kuvempu University, Davangere under the eminent leadership of Prof. Basavaraj Madhusudhan and the supporting teaching staff from Department of Biochemistry with M.Sc., (Food technology) programme. In the year 2009 the Department of studies in Food Technology has become independent and fully functional under newly established Davangere University. In 2019, the department is expanded with the greater facilities and moved into the present new building and empowered with highly skilled young and energetic permanent faculties who are the academic catalyst at the department to build and

prosper the academic and research initiatives at the department. The department has fully completed 16 glorious years of inception. The department besides M.Sc. programme also offers Ph.D. programmes in major fields of Food Technology such as Food, Drug Nanotechnology, Natural Products, Functional Foods, Therapeutic food formulation, Nutrition, Cancer biology, Food Microbiology, Food immunology, Food Biochemistry and Food Biotechnology, Food Bioactive molecules from dietary sources, Bioremediation and Biotransformation.

The Food Technology Department has successfully established Research centre for Nanoscience and technology (RCNT), Food processing centre (FPC) to provide research and skill training to students. It had established MoU with institutes, industries and universities of national and international repute and excellence in Food technology to promote student exchange and collaborative research in various streams of Food Technology. The department had received research grant from national and state funding agencies and efficiently integrating many projects related to food applications. Currently, department is looking towards a megaproject on establishment of Food processing centre to promote food research and socio-economic support to the indigenous food commodities with better value and nutrition and diverse food products.

VISION: To be a leading Food Technology department that imparts quality technical education with strong research component, to develop solutions in the field of food & nutrition, health and environment.

MISSION: To provide quality technical education in a conducive learning environment to produce professionals, researchers with a zeal for lifelong learning and a commitment to society.

PROGRAMMES OF THE DEPARTMENT

The department presently executes two academic programmes to nurture the need and interest of students to pursue academic degree the field of Food technology in the jurisdiction of Davangere University.

Master of Science (M Sc) in Food Technology

Doctor of Philosophy (PhD) in Food Technology

PROGRAM ELIGIBILITY:

Master of Science (MSc) in Food Technology:

ELIGIBILITY: Students from the streams of Bachelor of science (BSc) degree who has studied Biochemistry/chemistry/Biotechnology/Microbiology/Food Science and Nutrition/Dairy Science/Fishery Science/Agriculture/Horticulture/Agricultural Engineering/Veterinary Science/Homo science, BE in Chemical engineering/ Biotechnology/food technology are eligible to apply.

SKILL BASED/VALUE ADDED COURSES AT THE DEPARTMENT

SKILL BASED COURSES: Department of Food Technology presently executes two skilled based courses which are framed to increase the research and industry skills among students. The courses are designed as per the guidelines of skill enhancement programmee frame work.

1. **Food Nanotechnology**
2. **Food formulation and product development**

VALUE ADDED COURSES: Department of Food Technology presently executes two value added courses which are framed to increase the research ethics and to understand the value and application of the learning from the programme. The course focuses on providing the importance and benefits of Food in daily life and provides insight about the practice of Food safety and hygiene in food product process in industry or in food business.

1. **Food, Safety, Security and Regulations**
2. **Food Hygiene and Culinary Science**
3. **Online certificate course on "FOOD and NUTRITION"**

INFRASTRUCTURE AND FACILITIES AT THE DEPARTMENT

The department Food Technology has well established two ICT enabled class rooms and two adequate well equipped student teaching laboratories. The Labs are wide, spacious and provided with all the amenities with minor and major laboratory equipments that are required for the execution of skill based practical experiments for Food technology studies and training.

The department also has two research centers (Research centre for Nano Science and Technology-RCNT and Food processing centre (FPC) which house all the major equipments for the execution of research work. Along with these facilities the department houses individual research laboratories in diverse research specialization of Food Technology that includes, Functional Foods, Natural Products, Dietary Phyconstituents, Food Biotechnology, Nanotechnology, Cancer and nutrition, Food Microbiology, Food Immunology and Nutrition sciences.

11	Dr. Venkatesh	Assistant Professor	Ph.D., PDF	Food Biotechnology
12	Dr. Santosh Kumar S.R	Assistant Professor	Ph.D.,	Food Biotechnology

The Faculty members of the Food Technology Department are highly skilled and are experienced in research and teaching. They cater high quality learning in various discipline of Food Technology that trains the student in food processing, nutrition and technology application in food product development.

27. FASHION DESIGN

Fashion designing is one of the exceptionally beneficial and dazzling career option which opens to the various domain of opportunities for anyone with a passion in this field.

The Department of Studies in Fashion Design was established in the year 2019 at Davangere University to offer students an opportunity for designing their career in Fashion & Apparel Industry with the scaffolding of highly-qualified, disciplined and dedicated staff-members. Fashion design course covers the gamut of basic construction of clothing, textiles, patternmaking, tailoring, and computer assisted drawing and portfolio development so that prospective designers have a fighting chance in a competitive world.

The programme comprises of four semesters including, communication skills, language labs, overall personality development, fashion illustration, styling, ornamentation, textile and design studies, fashion illustration, sewing technology, fashion merchandising, apparel quality, pattern development and comprehending the transformation of garment making by the art and science of Apparel Design, Construction & Production to the ever flourishing Fashion Industry, Fashion Marketing and Retailing.

There is plethora of opportunities for the students who have pursued M. Sc in Fashion design in various industries across the world. Some of which have been listed below:

Fashion Designer, Fashion consultant, Fashion stylist.
Garment Manufacturing Industry
Merchandisers, managers, trainers.
Textile research, designing and Development
Fashion Journalism
Research and development

Vision:

The Department of studies in Fashion Design will focus on creating globally-competitive, creative and innovative graduates for the garment industry through a strong emphasis on holistic education, research, training, industrial linkages and social responsibility initiatives.

Mission:

To provide education with innovative, contemporary and structured curriculum, up-to-date technology, pedagogy, industry & foreign collaborations.

The programme helps to streamline the students to collaborate with fashion, textiles and design industries which concurrently help to achieve a sustainable progress and apply professional knowledge for the betterment of mankind.

Program offered:

28. DEPARTMENT OF LIBRARY AND INFORMATION SCIENCE

The department of Library and Information Science started during the academic 2021-22 as a new addition to the Faculty of Science and Technology, DU Davanagere. The Department offers a professional two years Master's Degree Programme (MSLIS) and a PhD degree programme in Library and Information Science.

More and more organizations in India are embarking on new concepts in handling information. With the changing times, information formats also have changed rapidly from print on paper to digital. There is a need for qualified and trained Library and Information Science professionals to take the lead and guide developments in helping the end users in the knowledge society. Davanagere University has started the Master of Science in Library and Information Science (MSLIS) with a view to produce trained professionals in the areas of information science and management. Being part of an institution funded by the central government makes in its unique programme. The MSLIS is offered as cutting edge programme that incorporates the latest developments in the field of Library and Information Science. It is envisaged that this master's programme (MSLIS) will cater to the growing need for library and information professionals in India. The programme covers wide range of subjects such as concepts of Digital Library and the

information management, legal framework, preservation of digital objects, information file formats, standards, protocols, inter-operability, use of Digital Library, and many other related issues. Much emphasis is given in this course on integration of research, communication and education on a digital library management platform. Students are given practical training in the actual use of Digital Library software and management of library. The MSLIS programme designed to match the requirements of academia and industries, imparting knowledge and skill sets required for the emerging information society and preparing the next generation of information professionals.

Vision

The Department strives to reach out to the star of perfection through an earnest academic pursuit for excellence.

Mission:

To impart and train the students both theoretically and practically on the latest developments in the profession.

To prepare and provide high quality and competent professionals to be on par with any of the professionals in general.

To nurture, develop and support faculty members in achieving high standard professional development.

To enable faculty members to develop expertise in respective subjects, teaching strategies, use of technologies, interaction with experts and other essential elements to raise the level of teaching to high standards.

To periodically arrange lectures by eminent professionals, organize conferences / workshops on latest developments in the field to benefit the students, working librarians as well as faculty members.

To continuously upgrade the infrastructure facilities on par with the best LIS departments in the country.

29. DEPARTMENT OF MATHEMATICS

The Department of Studies in Mathematics was established in the year 2010. Since then the department is serving as a seat of learning and research imparting higher education in Mathematics. The Department is offering M. Sc. and Ph.D. Programmes in Mathematics. The Department has published more than 200 research papers in reputed journals. Presently active research is being carried out in the areas of Computational Fluid Mechanics, Solid Mechanics, Differential Geometry, Fractional Calculus, Numerical Analysis, Complex Analysis, Advanced Graph Theory, etc. Our faculty members are consistently honoured for their academic leadership and excellence, receiving peer recognition from associations and societies, across ranks and disciplines from all over the world.

Vision:

To mould and prepare budding mathematicians equipped with strong fundamental principles and logical understanding of Mathematics, to face the challenges of future and multidisciplinary environment providing aid to the real world problems.

To cultivate hard work as well as smart work so as to be recognized as the intellectual academic body globally in all the aspects in order to support the best practices and provides opportunities to the researchers of this field.

Mission:

To have a long lasting impact of mathematical education on the society in order to imbibe the aid to multidisciplinary streams, to come out as a leading department throughout India and getting worldwide recognition for the efficient research work.

30. DEPARTMENT OF MICROBIOLOGY

Department of Microbiology offers education to students at post-graduation level, at Davangere University Central Campus, Shivagangothri. It is one of the oldest established departments in the campus started then by Kuvempu University in the year 1994. Students who have passed degree in biological science are eligible for admission. The department also offers M.Phil. and Ph.D. programme in Microbiology. Post-graduation course covers both basic and applied aspects of Microbiology like Medical Microbiology, Immunology, Microbial diversity, Physiology, Genetics, Environmental Microbiology, Molecular Biology, Agricultural Microbiology, Phytopathology, Food Microbiology, Industrial Microbiology, Biotechnology. The students are required to submit a project work based on experimental work. The Department has qualified, experienced and highly motivated teachers involving themselves in teaching, research and extension activities and published more than 150 national and international research papers in highly reputed journals with Springer, Elsevier, Wiley publishers, popular articles and books. In recognition of their research contribution the faculty members have obtained a number of awards/ recognitions like, Outstanding project award, Project of the year award, Best paper award, Research fund for Talented teachers award, Young scientist award to name a few. The Department has produced nine Ph.D. and seven M.Phil., degree and other ten candidates are pursuing their Ph.D. programs. All types of audio-visual equipment are available for knowledge transfer. This Department is one of the leading centers in Microbiology education in Karnataka state carving its own niche. Our Department alumni are working in various University and Industries of international repute.

The basic training in microbiological methods and sound theoretical background make the student an appropriate candidate to take-up research program and also competent enough to join Pharmaceutical, Diagnostics, Food, Agriculture and allied industries. The practical training is exemplary including hands-on experience in most of the microbiological techniques. Field trips and industry/institute visits are compulsory component of the curriculum.

In order to encourage the students to take up research program and to update knowledge every year the department has been organizing special lecture series and seminars by inviting eminent scientists from reputed institutes/universities. These programs are highly useful for providing a platform for direct interaction of students with scientists. Sponsored (KSTA) Symposium/Seminars also have been organized regularly. The students who have successfully finished the course have joined to reputed research institutes, industries and Universities. Several students have qualified UGC /CSIR-NET/ SLET/GATE examinations and also won several awards.

Presently, the department is functioning in first floor of Bioscience building in Shivagangotri campus, comprising of five research laboratories, two student laboratories and one instrumentation laboratory. The department has procured all the basic instrumentation required. Six Major Research projects with external funding agencies UGC, DBT-R&D, DAE-BRNS, RFTT-VGST, and few KSCST Sponsored SPP student Biofuel projects have been completed, and few sponsored students projects are underway. Students are also encouraged to participate in extracurricular activities like sports, cultural events, talent shows, academic festivals, exhibitions etc.

Departmental Thrust Areas of Research:

Microbial diversity, Fungal Biochemistry, Secondary metabolites.

Immunodetection of Microbial Antigens, Probiotics, Bioremediation, Lichen biology

Microbial enzymes, Fermentation, Environmental Biotechnology and MDR strains

31. DEPARTMENT STUDIES IN PHYSICS

The Department of Physics was established in August, 2010, offers a two year M.Sc. course in Physics. The department has adequate infrastructure for M.Sc. programme and committed to achieve academic excellence and overall growth of the student community. The course curriculum is designed to make the students understand both basic and applied aspects of Physics like, General Physics, Quantum Mechanics, Condensed Matter Physics, Nuclear Physics, Spectroscopy and Electronics. In order to orient the students to modern and contemporary research in various branches of Physics, seminars and symposia are organized in the department every year inviting renowned scientists and eminent scholars from the reputed institutions in the country. The department offers M. Phil. and Ph. D. Programmes along with M. Sc. course. The faculty members are actively involved in research and development activity along with teaching learning practices.

Vision:

To strive for quality in education for the comprehension of a vivacious and comprehensive society through knowledge construction and dissemination.

Mission:

To ensure quality education.

To promote scientific temperament.

Assortment of theoretical knowledge with practical skills.

Pursue academic excellence through quality teaching, research and publications.

Provide access to all sections of the society to pursue higher education.

Inculcate right values among students.

Promote leadership qualities among students & produce socially sensitive citizens.

Accelerate the process of creating a knowledge society.

32. DEPARTMENT OF STATISTICS

Statistics has gained its importance all fields Department of statistics of Education to Students at post-graduation level at Davangere University Campus, Shivagangotri, Davangere. The Basic Training in Statistical methods and strong theoretical Knowledge make the student to take-up research or component to join as data analyst, Statistical officers at central & State Government Departments, Railway Departments, industries at statistical quality control section and Hospitals as statistical officer or take up teaching profession.

Vision:

To impart quality teaching with relevant syllabus and meet the challenges of job market.

Mission:

To import Statistical skills to the students and prepare the solve different problems

To prepare the students to face the competitive world.

The department aims at training the students with different Statistical software packages and enable them to use it for research and analysis.

33. DEPARTMENT OF YOGIC SCIENCE

Yoga is a unique contribution to the world from our ancient culture. It is a universal and evolutionary science that deals with philosophical as well as practical aspects of life. Yogic Science teaching lead to tensionless life enrolling body, mind and soul trinity taking into cognizance. In modern times the yogic portion has became extremely useful in therapy intellectual and blissful life. Davangere University has started the M.Sc., programme in Yogic Science, with present day need for the first time in the regain with an objective to train the young students. The course will provide large avenues to the students to learn practice and propagate the techniques for the societal need.

Yoga was one of the most important subjects of study in our ancient schools opening avenues in modern university in recent time. The world community is looking towards India for an application of yoga and yogic practices to holistic health of mankind. After the declaration by on "International yogic day" on January 21st in the year 2015. At this juncture it is necessary to evolve good yoga trainers, provide to yoga therapy and research to develop Yogic science. Davangere University has started M.Sc. Yogic Science programme in year 2018 with an objective to train the young students in this important area. A full-fledged teaching will provide an opportunity to scholars to work in this area of Indian's rich heritage. In a span of two years of its establishment, students of the department have qualified JRF and NET, and brought laurels to the University by winning prizes and awards at University, State and National level competitions. Some of the students qualified to compete at International level championship.

34. DEPARTMENT OF STUDIES IN ZOOLOGY

The Department of studies in Zoology, Davangere University, Shivagangotri, Davangere had its inception in the year 2014. The Department has outstanding record results. The department offers courses that cover both basic and applied aspects in life sciences. The syllabus is oriented towards clearing NET/SLET and competitive examinations. The department has UGC Start-up grant for research and grants under DUSMYTR for minor research projects.

The students understand the concepts by performing experiments, undertaking study tour to the places of zoological importance and learn about animal interaction insitu. Field visits are regularly conducted for better understanding of the concepts of observation, collection and identification. The students get exposed to research work by undertaking project work in fourth semester and learn scientific writing skills. Students are also encouraged to participate in extracurricular activities like cultural events, academic festivals, science exhibitions and sports. The main objective is to create competency among the students and let them out as ambassadors of zoology and competent leaders in the field of zoology in particular and life sciences in general.

VISION:

To be center of excellence through the process of learning, teaching and research in animal sciences.

MISSION:

To develop competent and responsible Zoologists
To inculcate new tools and techniques for high quality research.
To create awareness regarding protection and conservation of environment.
To train students who would become teachers par excellence and excel in quality research and innovations.

35. DEPARTMENT OF STUDIES IN EDUCATION (M.Ed.)

Department of Studies in Education was established in 2006-07 and recognized by the National Council of Teacher Education (NCTE). The department committed to deliver qualitative pre-service teacher programmes and research. The department offers M.Ed., M.Phil., and Ph.D. programmes to prepare reflective teachers and school administrators who possess the professional knowledge, skills and dispositions necessary for effective teaching in a globalized society. In addition, the department focuses on developing in every student the foundations of education and skills required for teaching. Major thrust areas of the development include Inclusive Education, Curriculum Development and Research methodology.

DURATION:

The M.Ed. The programme shall be of two academic years, including field attachment for a minimum of 4 weeks and a research dissertation. Students shall be permitted to complete the two-year programme's programme requirements within a maximum period of three years from the date of admission to the programme. The summer should be used for field attachment/practicum/other activities.

INTERNSHIP AND ATTACHMENT:

Field attachments/internships/immersion will be facilitated with organizations and institutions working in teacher education. Students are allowed to undertake the defined activities under the close mentorship of faculty. The activities will end up in a recorded form. The assessment is based on their performance while doing the training and based on records prepared by them. The internship's focus is to engage the students with field-based situations and provide opportunities for reflection and writing.

ASSESSMENT:

For each theory course, 30% weightage shall be assigned for continuous internal assessment and 70% for examination conducted by the examining body. The weightage for the internal and external assessment for theory and practicum courses shall be as prescribed by the university.

VISION:

Creating enlightened teachers to enlighten the World.

MISSION:

To provide excellent pre-service teacher education to develop professional teaching competencies among student teachers.

To undertake, assist, promote and coordinate research in all the aspects of teacher education to address significant challenges.

To establish linkages between national, state, and district-level bodies to bring about quality improvement.

Develop and maintain exemplary programs that serve as teaching models, research, and service for education administrators, teachers, and children.

Aiming towards the ideal of enabling student teachers to emerge as efficient teachers and take leadership positions to improve the quality of education around the globe.

36. DEPARTMENT OF PHYSICAL EDUCATION (B.P.Ed)

Davangere University introduced B.P.Ed course the year of 2018-19. The classes of the Department have commenced in the academic year 2018-19. B.P.Ed class adopted the four semester aggregate system. Each semester carries 1024 hours of teaching. Each student should submit dissertation work in 4th semester, the syllabus of the course has made with the vision of the employment and social concerns with reference to current affairs. The process of admission begins in the months of July- August students should ensure the minimum marks in U.G. course, the minimum marks will be considered by the University.

VISION:

The department is run by the young enthusiastic and energetic teachers guiding the students, with being a coordinator Dr.Venkatesha K cooperating in all educational activities in the department. In between the busy teaching schedule teachers guiding students in creative and literary activities like story, poetry, Drama, Sports Etc. the special guests are being invited to the department for special lectures. Seminars and debates are conducting to grow additional knowledge and special skills in the students.

MISSION:

The department of B.P.Ed. Has staff room, Office and gymnastic room and ground/field essential infrastructure.

37. DEPARTMENT OF MASTER OF PHYSICAL EDUCATION (M.P.Ed)

The Department of Physical Education is being newly introduced from 2019-20. The classes of the Department have commenced in the academic year 2019-20. M.P.Ed class adopted the four semester aggregate system. University campus, considering the significance progress made in the field. The University Administration felt the need for Introduction of M.P.Ed Programme. The objective of the course in generating competent professional teachers with an aim to meet the challenges in the field of physical education and sports. The syllabus of the course has made with the vision of the employment and social concerns with reference to current affairs. The process of admission begins in the months of July- August students should ensure the minimum marks in P.G. course, the minimum marks will be considered by the University.

VISION:-

The department is run by the young enthusiastic and energetic teachers guiding the students, with being a coordinator **Dr**.**Venkatesha K** cooperating in all educational activities in the department.
