VICE-CHANCELLOR MESSAGE

Bharathiar University, since its inception in 1982, has been growing to evolve as the nation's flagship – a research-led State University, known for its excellence in teaching and research, as well as its service to the society and to the nation. The University is a public State University with affiliating status, located in Coimbatore, a diverse cosmopolitan city, and placed in a peaceful environment, with more than 800 acres of lush green eco-friendly campus. It affords mesmerizing experiences for the higher achievements of the students and scholars, in addition to their academic and professional enrichment. The University significantly contributes to the physical, cognitive and intellectual growth of the students and scholars, thereby providing every student with ample opportunities of boundless growth through integrated curricular, co-curricular and extra-curricular activities. The campus life at Bharathiar is a blessing to its faculties, scholars and students.

The research programmes offered in the University range across all disciplines and we are in the process of establishing a pioneer position in cancer research and drug development, technology transfer, skill development and talent management. I am proud to share that our faculties and scholars have generated remarkable research outputs and achieved special status for their respective Departments and to the University through UGC's CPEPA, DST's FIST and PURSE programmes, and also through MoE's Rastriya Uchchatar Shiksha Abhiyan (RUSA) Programme.

Further, we stand 13th in NIRF Ranking (MoE – Govt. of India) among Indian Universities. Bharathiar University is the Winner of the Clarivate Analytics India Research Excellence - Citation Awards 2019 (powered by Web of Science). The University has placed 801-1000 in TIMES Higher Education World University Ranking and 901-1000 in SHANGHAI world University Ranking.

Our mission is to help our human resources generate innovative ideas that will benefit people and also to educate and train people to work in fields where they will be valued both for their specialized knowledge and for their ability to research, communicate and solve problems. Such challenges are met by building alliances and collaborative partnerships with internationally recognized Universities, business houses, Government entities, other premier research institutions and social communities. This helps to ensure the ongoing relevance of our academic programmes and the continued excellence of our teaching, learning and research.

In my journey as the Vice-Chancellor of this prestigious University, I find myself well-equipped to take up the challenges towards streamlining diverse aspects and aspirations in desirably better directions. Therefore, I take this opportunity to mobilize all our stakeholders towards our endeavour to move faster with synergy, hope and positivity headed for the achievement of innovating education. In the era of Industry 4.0 and 5.0, Education 4.0 and 5.0 would be our targets for the sustainable growth of our University, towards setting up various interdisciplinary, innovatory labs and systems for faculty development, futuristic environment for effective teaching-learning and research, and also for implementing suitable national and international standards in teaching and research.

The University has holistic plans to initiate growth in areas like cancer research, nanotechnology, communication, women development, skill and talent development, waste management, energy sector, water resource, environment, disaster mitigation, computing and allied technologies. We also work to keep the students updated in creativity, innovative research, design, development and technology management in shaping the future of our country with a special emphasis on national initiatives like Skill India, Digital India, Clean India, Make-In-India, and Smart Cities and Villages, thus contributing to the development and engagement of human capital and development.

ABOUT THE UNIVERSITY

Bharathiar University (BU) was established by the Government of Tamil Nadu in February 1982 under the provisions of the Bharathiar University Act 1981. Bharathiar University, named after the great visionary and the revolutionary national poet Subramania Bharathi, functioning with the motto of “Educate to Elevate,” has emerged as one of the strong pillars of higher education in this region. It is situated under the foothills of Marudhamalai, along the Western Ghats, with a sprawling area of 778.89 acres. It also has excellent connectivity through road, rail and air to other parts of the state and the country. The National Assessment and Accreditation Council (NAAC), has accredited Bharathiar University with 'A' Grade in third cycle of assessment. The University has 37 Departments under 13 schools. Through these Departments, 3 undergraduate programmes, 59 postgraduate and postgraduate diploma courses, M.Phil. and Ph.D. programmes are being offered. There are nearly 2900 post-graduate students and more than 1100 research scholars. This University covers Coimbatore, Erode, Tirupur and The Nilgiris districts, and is endowed with 133 affiliated colleges, of which 17 are Government colleges, 16 are aided colleges, 1 air force college and the remaining 99 are self-financing colleges; and 34 research institutions.

Bharathiar University has to its credit many notable achievements and it keeps on improving its standards to attain international acclaim. For the past four years, Bharathiar University has remained one among the top 50 Universities in India. Bharathiar University has been ranked 13th under the 'Universities' category by the National Institutional Ranking Framework (NIRF), MoE, Government of India, in 2020. Furthermore, the University is ranked 21st among the top 100 institutions in the overall category. The University has been ranked as 801 – 1000 (Global), 251 – 300 (Asia) and 901 – 1000 by Times Higher Education World University Ranking 2021 and Shanghai World University Ranking respectively.

Bharathiar University excels in its research domain. The University is the Winner of the most prestigious Clarivate Analytics India Research Excellence – Citation Awards 2019 (Powered by Web of Science) in the category “State University”. The number and quality of research publications are excellent; every year more than 900 high-quality research articles have been published by the faculty members in SCI journals.

The University has been supported through research grants by the government agencies such as UGC – CPEPA, UGC-SAP, DST-FIST, DST-PURSE, MoE – RUSA, DRDO, etc.,

Bharathiar University campus also houses a research facility named DRDO –BU Centre for Life Sciences, a joint venture by DRDO, Ministry of Defense, Government of India, Bharathiar University, and the Government of Tamil Nadu. This autonomous research institute is pursuing both basic and applied research for defense.

The University provides an excellent ecosystem for the students and scholars to equip themselves with learning, research, co-curricular activities and the human values needed to excel in the society.

CAMPUS LIFE AT BHARATHIAR UNIVERSITY

History

The University is located in the foothills of Western Ghats of about 12 KM from Coimbatore City and in a sprawling area of 778.89 acres. Coimbatore is a cosmopolitan city which has many well established industrial sectors and it is a very busy industrial hub in South India. Bharathiar University is a leading Arts and Science University in the State and it is chartered by teaching excellence, innovation and industry – Institute Collaborations. Bharathiar University was established in the year 1982 with the motto of “Educate to Elevate”. In 2020, the University celebrated its 38th anniversary and the University is ranked 13th in NIRF 2020 in universities category.

The Faculty

We have committed and excellent faculty members in the campus. The competence of various departments over the years has been recognized by the Central and State Governments. The proven record of the scientists in the university has been recognized as “Centre with potential for excellence in a particular area (CPEPA)” by University Grants Commission, Government of India as well as DST-PURSE.

Amenities

The University has its own transport facilities for students, staff and faculty to commute across the city. The campus is also well-connected with very frequent buses from the city. The University runs five hostels for boys and five hostels exclusively for girl students and one hostel for international students. The University is offering well-equipped Library, Computer Centre, Health Centre and Sports Stadium. A Post-Office, Bank, Food Court, Travel Desk, Stationery Shop Spa, Gym and swimming pool are functioning in the University Campus for the benefit of the staff, faculty and students. The University departments and office are having ramp facilities for Differently abled candidates.

Computing Facilities

The data centre is equipped with the latest state-of-art technology with a 1 GBPS Broad band Connectivity. The Internet centre has high speed internet server, scanner, web camera, printer cum copier machines and multimedia accessibility. Apart from these facilities, each department has a broad band internet connectivity with LAN and Wi-Fi facility for the use of students and faculty members. Further the University is connected with national knowledge network (NKN).

Library

The Library is located in a vast building and plays a vital role in supporting the learning interest of the faculty members and students. It has a collection of over 1,90,000 books covering all the subjects taught in the University departments. The digital open access system has a range of services with its catalogue, which can be searched using computer terminals in the Library of UGC-INFLIBNET with internet access. The library also gives access to a wide range of electronic resources. Recently the library is updated with RFID Technology.

Scholarships and Awards

Government of India merit, backward class, most backward class, scheduled caste and scheduled tribe scholarships are available for P.G. students. UGC sponsored scholarships such as Single Girl Child, Rank holders, Rajiv Gandhi JRF & SRF are also available for students and scholars.

IPR Cell

Bharathiar University facilitates the protection and managing of inventions through filing different IP and encourages the faculty members and students innovative ideas and inventions resulting from University research outcomes.

Fitness Centre

The University fitness centre is functioning in the basement of the School of Distance Education Block. This facility is open to all the faculty, staff and students. Separate sections are available for men and women. Well qualified physical fitness instructors are available in the centre. The centre focuses its attention on maintaining and developing physical fitness, weight reduction, body building, yoga and meditation.

Health Centre and Counselling Cell

The health centre caters to the medical needs of the staff, faculty and students of the University. It functions from 10 A.M to 5 P.M on all working days with well experienced doctors and nurses. A specialized counsellor will be counselling the students.

NSS

The University extends its community services through the National Service Scheme (NSS) with 250 NSS units functioning in the University departments and affiliated colleges. Nearly 25,000 student volunteers are actively involved for social upliftment through NSS and Red Ribbon Club (RRC).

Online Services

The online services like, payment of tuition fees, exam fees, hostel fees and other relevant forms, information are being offered through the website of the University www.b-u.ac.in including National Academic Depository (NAD), an online store of all academic awards.

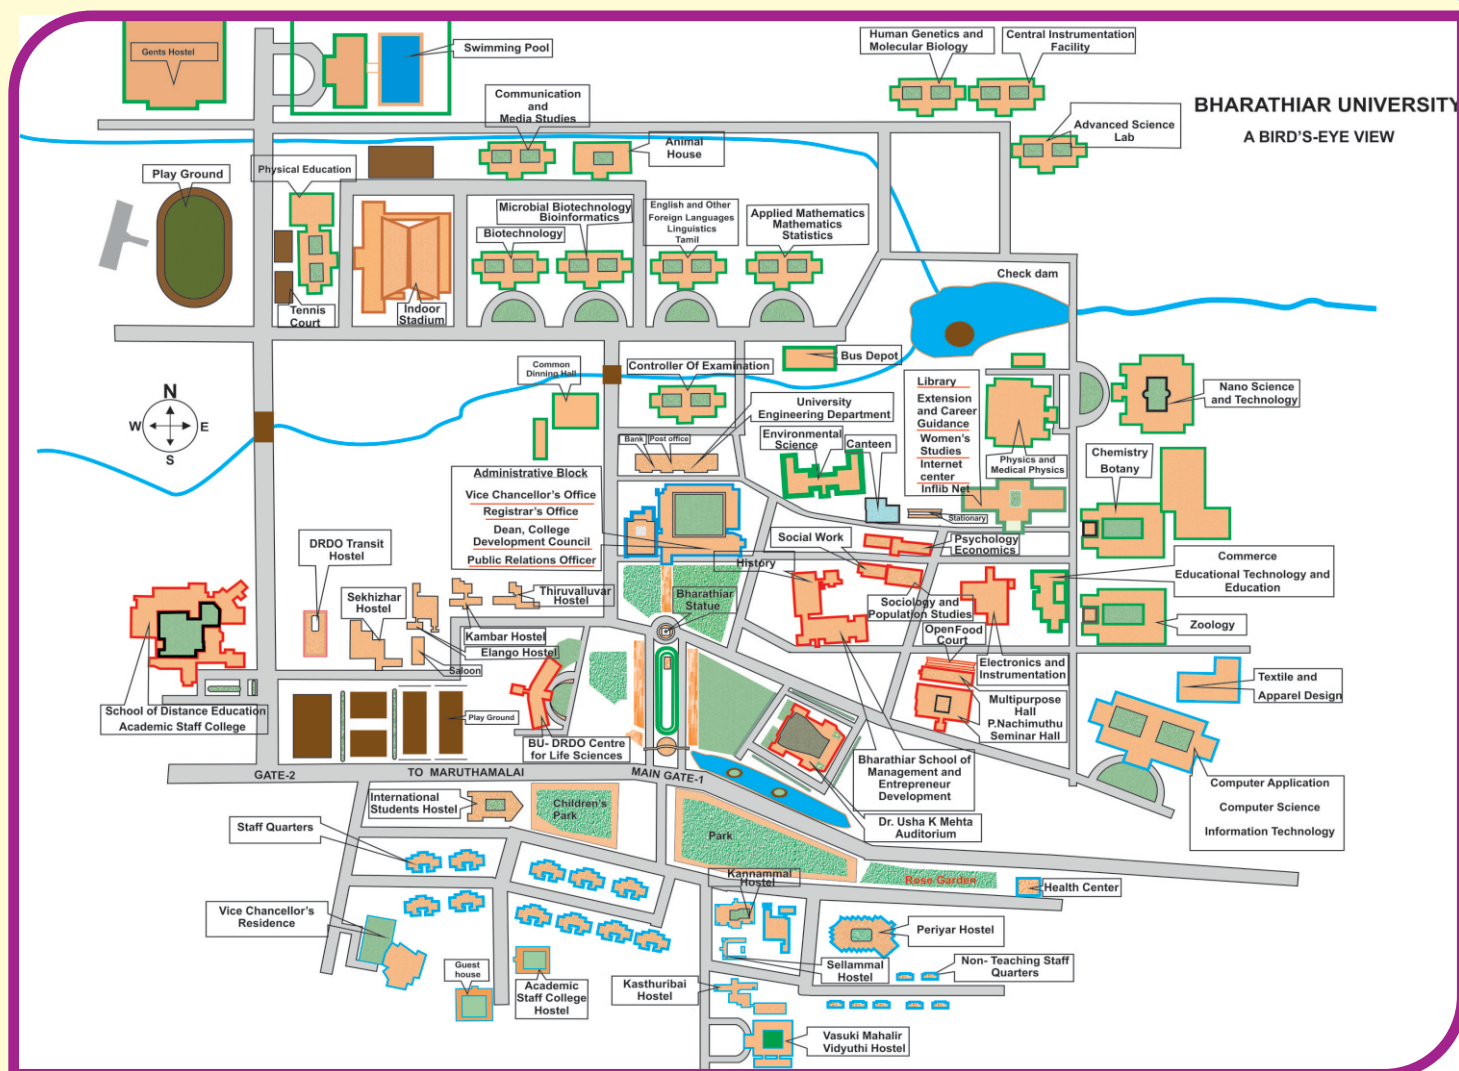

Hostels

Separate hostel facilities are available for Men and Women with single and twin bed rooms, solar heater, common mess with Indian food and recreation rooms. Students who are seeking hostel shall contact the hostel office immediately after admission. Hostel accommodation will be subject to the availability of rooms.
