About the University

Mizoram University was created by an Act of Parliament (No. 8 of 2000) and it became functional from 2nd July, 2001. The University is located at Aizawl, the capital city of Mizoram and is spread over 978.1988 acres in an area on the outskirts of the city. Prior to the existence of Mizoram University, the North-Eastern Hill University (NEHU) with headquarters at Shillong was operating a campus in Mizoram. Headed by a Pro-Vice Chancellor, the then Mizoram Campus of NEHU consisted of seven Post-Graduate Departments, namely, Economics, Education, English, Forestry, Mizo, Psychology and Public Administration. During the last 19 years of its existence, Mizoram University has made considerable progress in terms of infrastructure, academic programmes, manpower and support services.

Mizoram University was accredited 'A' grade by NAAC in 2014 and 2019. It was also awarded ISO Certification in 2018. The University was ranked as one of the top 100 Universities in India, assessed by the NIRF rankings from 2016 to 2020 under MHRD. In the Times Higher Education Impact Rankings 2021, Mizoram University secured 21st Rank in India and 1st Rank in North-East Region of India. The University has 39 functioning academic departments offering UG, PG and Ph.D. programmes under 9 Schools of Study. The University has 41 affiliated colleges and one constituent college. The University is one of the pioneering Universities in the country which has successfully implemented the Choice Based Credit System (CBCS) since 2013.

The University was awarded Grade 'A' by the Mizoram State Pollution Control Board which conducted a Green Audit of the University Campus during the months of March-April 2013. It is an eco-friendly University and is one of the first Universities in the country to run effectively on Solar Power System. The Academic Buildings, Hostels, Administrative Blocks and the streetlights within the Campus are all supported by the Solar photo voltaic power plant for electricity.

The University provides facilities for Disabled and Visually Challenged students and staff. All buildings in the University Campus have ramps for wheelchairs; disabled-friendly washrooms are also available in the hostels.

Faculty and students play an active role in extension activities like the Red Ribbon Club, Techno Club, NSS and SPIC MACAY- Heritage Club. Several members of the faculty and students are also actively involved in social services, some of which are curriculum stipulated.

The University from its inception encourages its students to take part in Sports and Cultural Activities. The University has a Sports department with different coaches. Every year the students participate in the East Zone Inter University Sports and in the All India Inter University Sports.

Mizoram University is about an hour's drive from the heart of the main city of Aizawl, the capital of the State of Mizoram. The University provides transportation at a highly subsidized rate. The City is connected by Air from Kolkata, Guwahati & Imphal. It is also well connected by road from Silchar, Guwahati, Shillong etc. The nearest Railhead is Silchar. Mizoram has a pleasant climate and is generally cool in summer and not very cold in winter. The temperature varies from 11°C to 21°C in winter and between 20°C and 29°C in summer. Mizoram has great natural beauty and is also very rich in flora and fauna.

- Kendriya Vidyalaya was established within the University premises in 2010.
- The University has implemented the required academic, examination and administrative reforms mandated by UGC in 2009. All PG and UG Programmes inside the campus are in CBCS mode.
- Automation of Examination and Finance Sections, as well as intra Campus network and Internet facilities contribute to enhanced efficiency of the University work and study culture.
- The University has achieved several measures to establishing an eco-friendly campus with 700KWp Solar voltaic power plant for electricity generation, solar Street light and Solar Water Heaters in the Campus.
- "Online Students Feedback System" for Administrative & Academic Quality Assurance monitored by the Internal Quality Assurance Cell (IQAC) is regularly implemented.
- Two (2) Helipads have been built.
- Amphitheatre for entertainment and performances is accessible to all.
- Mizoram University is differently-abled friendly with the following facilities:
  i) Concession and exemption of fees for blind students as per provisions of MZU Ordinance OF-1
  ii) Escort/Attendance Allowance @ Rs. 2000/- per month.
  iii) Reader Allowance @ Rs. 2000/- per month.
  iv) Digital Voice Recorders to enable them to comprehend Class Room Lecturers.
  v) One Basic Braille Embosser, Duxbury Braille Translator, 2 (two) Computer sets equipped with Readit Wand Scanner, Supernova Screen Reader and magnifier facilities has been installed at the Central Library of the University with the help from M/s Sparsh Products, Dehradun in 2011.
  vi) 5% of seats on admission to Post Graduate Departments is reserved for persons with disabilities.
- The mizoram University Auditorium located in the hearts of the University Campus has excellent acoustics, Stage Lighting System, Fire Fighting System, Central AC and an Exhibition Hall. The Auditorium is accessible to patrons with disabilities; ramps and spaces for wheelchairs are present.
- 173 Classrooms covering all the disciplines of the University, with ICT and LCD facilities in 152 classrooms and 20 Seminar Halls across the Campus. The entire campus is also Wi-Fi enabled.
- E-journals access is provided through campus LAN. The remote access of E-journal is also possible. 25 Departmental Libraries exist in addition to the Central Library.
- There are 20 Computer Laboratories across the departments. The University has around 98 laboratories with high end instruments for research and academic activities.
- The University has a Metrological Station, Soil Erosion Detection Centre, Water measuring Instrument and a Permanent Geodetic GPS Station has been installed to monitor ground motion in the region.
- Horticulture farm of 1.5 hectare, Mist/growth chamber, Forestry garden/experimental plot of 2-hectare, Plant Herbarium Chamber / Compact Storage System, Botanical garden of 7 hectare, Bamboo Setum, Arboratum Horticulture garden, Nursery house, Orchid house, Animal House of 2000 sqm.
- State Biotech Hub, DST-Bioinformatics Centre, DST-Incubation Centre, Tribal Museum and Archive, Material Gallery, Design cell, Studio for Architecture, MOOCs Studio, Central Instrumentation facility are available.
- Engineering Workshop for B.Tech. students with fitting and welding machinery, 3D printer, CNC, Router, 3DScanner, CNC Laser engraver, electric welding, Gas welding facility in DST Incubation Centre.

Today, Mizoram University looks ahead to the future with enthusiasm under the able leadership of our Vice Chancellor, in order to continue to be a blessing for its stakeholders, the region and the nation, while constantly striving to achieve greater goals in keeping with its motto, 'Greater Deeds Remain'.

THE STUDENT COMMUNITY

Mizoram University Students Council (MZUSC), formerly known as Mizoram University Students Union (MZUSU), since its inception in 2006 has been working in collaboration with the Dean of Students' Welfare, and assisting him in the performance of his multifarious functions and duties as prescribed by the Statute of Mizoram University.

MZUSC is run independently by students for students, the main focus of the Council is to help and guide their fellow students, and to confer any matters connected with the general welfare of the student community. The Council is an indispensable part of both the student and teaching Community, assisting them in streamlining, guiding and organizing activities within and outside the Campus.

Each year, the Council facilitates a number of activities such as the Inter Departmental Sports, Freshers' Social, Parting Social, Trekking, Study tours, and the Mizoram University Festival (Vibrio) which conducts various activities such as Cultural Dance, Quiz, Debate, Rock Fest, Fashion Show, Photography, Varsity Miss Contest and the famous music concert known as 'Inferno'. Participation to Festivals organized by other Educational Institutions in different parts of the Country is also constantly attended by the Student Community.

Out of the many Clubs and Forums formed by the student community, the MZUSDF (Mizoram University Students' Discussion Forum) has organized some remarkable State Level discussions with many public figures. The students' council has also formed the 'MZU Literature Club', for students interested in the field of literature, to learn, strengthen and expose the various local Literary works to other communities.

THE STUDENT COMMUNITY

Campus Life

As a student of Mizoram University, you will belong to one of the premier Universities in the Country. Each School and department has its own distinctive identity; you will be faced with many challenges - on and off academics – we hope the University life will enrich your ways of thinking and perception in life.

The Student Community is friendly and you will probably develop a fierce loyalty to it; University life can be fun, the more active you are with the programs and activities organized in the campus, the more experience you will gain.

The University is a large eco-friendly campus and no one knows all its corners, you can study here for years and still discover something new each year. For students coming from outside the state, any problem can be taken up to either the Dean of Students' welfare or the Students Council, and if you are interested to explore and learn more about the culture and traditions of the local people while you study here, we assure you there is much to explore.

The Campus life is safe, quiet and peaceful, free of traffic, suitable for cycling, jogging, long walks or meditation in the midst of nature. The students here learn from each other as well as from the faculty. Exchange of thoughts and ideas between students, researchers and the faculty is prevalent. Event planning and coordination of programs such as the seminars, conferences and workshops conducted by different departments are taken up by Students and research scholars.

The University is only an hour's drive from Aizawl by Bus which makes it easy for students to enjoy the Capital. University life can be the best years of your life, discovering and enjoying yourself while working hard and confronting many unexpected challenges. We hope Mizoram University can offer the experience you need to face life's challenges.

STUDENT EXPERIENCE

What to expect as a University fresher

Education is one of the most important requisite/means by which human aspirations can be fulfilled. K.C. Lalvunga had compared the path to education to an intertwined thread. So, to prospective students of MZU, there will be times when you are filled with doubts and apprehensions instead of enthusiasm. Even I was one of the many students who had experienced such emotions, but as Aristotle had stated "The roots of education is bitter, but the fruit is sweet."

Recently, MZU secured 21st place in India and bagged 1st place in North East as per declaration made by TIMES Higher Impact Ranking 2021. So, you can expect to be provided with standard and quality education along with an experience you won't ever forget.

MZU is situated on the western outskirts of Aizawl, a few kilometers away from the city. So, you will certainly have great moments to cherish with the people you move along with to and fro the journey. The peaceful and soothing campus of 978.398 acres provides a sense of serene tranquility, courtesy of its diverse species of flora and fauna. The beautiful parks and friendly restaurants complement the pleasant atmosphere where you can enjoy most of your spare time.

Being in the University not only mean that you are under the supervision of the best administrative authorities and the best teachers. You will also have access to state-of-the-art laboratories, internet facilities and libraries to help you dive head first into your academic research.To enhance your university life, the MZU Students' Council will often present you with various programmes and readily stand by you, if and when problems arise.

Last, but not least, it may be mentioned that the value and worth of MZU is often expressed by the amalgamation of various people from different regions that are filtered and refined by the education received in the University. The refinement thereby ensures job opportunities to its graduates.

I wish you the very best to get yourself enrolled in Mizoram University and transcend your aspirations to reality.

DAVID LALRINCHHANA
VICE PRESIDENT MZUSC (2019-2020)
PRESIDENT MZUSC (2020-2021)

10. **DRDO-NEST Centre**
North East Science & Technology Centre (NESTC) is established at Mizoram University, Aizawl with full support of Defence Research and Development Organization (DRDO), New Delhi. The centre is aimed to pursue Directed Basic and Applied Research in Technology thrust areas with multi-institutional collaboration to meet critical and futuristic defence technological requirements. NESTC will collaborate with the academic researchers & faculties, incubation centre at MZU and other institutions in the country, industries and DRDO laboratories and other scientific/industrial research laboratories for creating new knowledge and translating them into cutting-edge technologies for defence.

11. **Mizoram University Innovation Cell (MZU InnoCell)**
The Mizoram University Innovation Cell has been set up with the aim of identifying, encouraging and fostering innovative and entrepreneurial talent within the MZU fold as well as its environmental sectors and areas. The Innovation Cell aims to put in concerted efforts to identify grass-root innovators from formal and informal sectors in varied domains and to establish Innovation Clubs across the various departments within the university to foster and facilitate the student bodies in inculcating innovative ideas.

ACADEMIC CENTRES & PROGRAMS

Centre For Disaster Management

The Centre for Disaster Management under the School of Earth Sciences & Natural Resources Management started functioning on March, 2021 and offers the following Programmes:

M.Sc. in Disaster Management& Doctor of Philosophy (Ph.D.)

India is vulnerable in varying degrees to a large number of natural as well as man-made disasters such as floods, earthquakes, cyclones and landslides etc. Natural hazards and disaster strike the country with great regularity despite the great efforts rendered for preparedness and awareness.

The Programmes are developed to cater the needs of information and data through empirical studies and research. The Courses include basic scientific subjects as well as advanced disciplines such as Hydrology, Climatology, Climatic Hazard Management, Geomorphology, Environmental Hazards, Remote Sensing & GIS, Disaster Management Mechanisms, Disaster Risk Reduction and Development Planning, Geophysical Hazard Management, Cartographic Techniques etc.

Admission Criteria/Eligibility:

M.Sc. Programme: Graduate in B.A./B.Sc. Geography or Geology.
Ph.D. Programme: Open.

ACADEMIC CENTRES & PROGRAMS

Centre For Petroleum Exploration

The Centre for Petroleum Exploration under the School of Earth Sciences & Natural Resources Management started functioning on November, 2019. The Course is offered by joint efforts of the Centre for Petroleum Exploration, the Department of Industrial Chemistry, and the Department of Geology, Mizoram University and offers the following Programme:

M.Sc. in Petroleum Exploration

Human resource development in India may be achieved through academic excellence which enables all learners to reach their potential. Strategies for developing human resources should be based on broad and long-term perspectives of the regional needs and resources through capacity building.

Centre for Petroleum Exploration offers M. Sc. Degree in Petroleum Exploration which includes a wide range of innovative solutions particularly in the hydrocarbon exploration field for sustainable development of resources in India and worldwide. This program will be executed in collaboration with the **Department of Industrial Chemistry and the Department of Geology, Mizoram University.**

The designed course is to be considered for different sections of oil and gas explorations with a particular setup of geoscience and chemistry background.The course is expected to generate human resources equipped with basic scientific and technical understanding of the geological background of the petroleum exploration methods, production, behavior, and handling of hydrocarbon fuels and lubricants. The course is intended to enable students to contribute effectively in the technically demanding appointments in the field of oil & gas/petrochemical Industry.Petroleum geology is the study of origin, occurrence, movement, accumulation, and exploration of hydrocarbon fuels. It refers to the specific set of geological disciplines that are applied to the search for hydrocarbons (oil exploration).

Eligibility:

Candidates with a degree in Geology as major subject (Hons.), other subjects at B Sc. level may be Physics, Chemistry, Mathematics, Botany, Zoology or any other combination.

Intake capacity	:	10 + seats as per MZU guidelines.
Seats and reservations	:	As per Mizoram University ordinance/regulations.
Duration of Course	:	Four Semesters (2 Years)
Fee Structure	:	As per other M.Sc. degree programs of Mizoram University + Rs. 5000/ as Corpus Fund.

School of Social Sciences

The School of Social Sciences came into being as an entity in 2002. The School consists of the Departments of Psychology, Public Administration, Political Science, Social Work, History & Ethnography and Sociology. All the academic departments offer Post-Graduate programmes and Ph. D. programmes in accordance with the rules of the University and availability of academic facilities.

The students in different departments of the school are exposed to quality teaching and research endeavours with the active participation of qualified and experienced faculty. They are also given practical training, field exposure and similar academic and extension programmes, wherever necessary, along with facilities for participation in international and national seminars and workshops, documentation and publication activities.

The School publishes a bi-annual Refereed Journal Contemporary Social Scientist with ISSN number which caters to the academic and the research requirements of various social science disciplines, humanities and liberal arts. The School of Social Sciences arranges International and National seminars and interactive sessions with visiting dignitaries and experts in different fields of Social Sciences.

"School of Social Sciences, one of the largest schools in the University, is dedicated to the cause of teaching, research, innovation and academic excellence in the fields of social sciences with multi-disciplinary thrust and collaborative efforts".

SCHOOLS OF STUDIES

School of Earth Sciences & Natural Resources Management

The School was established in 2002 as “School of Forestry & Earth Sciences”. Later, it was renamed as “School of Earth Sciences & Natural Resources Management”, in 2006. The School comprises of 5 (five) functioning Academic Departments: Forestry, Geology, Environmental Science, Geography & Resource Management and Horticulture, Aromatic & Medicinal Plants (HAMP). All Academic Departments offer Post Graduate Studies and Ph.D Programmes, and a Pre-Ph.D Course (equivalent to M.Phil Programme).

Taking up the challenge and catering the need to fill up the gap of manpower requirement in the endeavor of sustainable rural development and to accelerate the pace of national as well as global economic development, Mizoram University established the Department of 'Extension Education and Rural Development' under this school on February, 2007. The department has been working on various number of research projects, since its inception and offers Ph.D programmes. Two new centres have been recently established under this school- Centre of Disaster Management and Centre for Petroleum Exploration offering M.Sc. and Ph.D Programmes.

The two year PG course and Ph.D. programmes, under these departments are demanding as students intake capacity has been increased considerably, allowing students unsurpassed contact to learn and interact with researchers and academicians in the school. The thrust areas of research of the School include exploration and management of human and crop resources, medicinal and aromatic plants, land and water resources, rocks and minerals, bio-resources, R&D activities and aims to address the following areas:

- To explore and develop sustainable utilization of water/land, natural / biological resources of NE Region and Mizoram, in particular.
- To address global and regional environmental problems and tackle the problems related to landslide, earthquakes, and potable water pollution at the local level.
- To equip with International and National Policies, Acts, Rules, Laws & Guidelines on Environmental Pollution, Biodiversity, Energy, Growth of Medicinal Plants and Environmental Impact Assessment notified by the Government from time to time.
- To offer extension services towards sustainable rural development
- To produce competent professionals and specialists of younger generations in the field of Land Use Planning, RS & GIS, Agro-forestry, Fossil fuels and minerals and Management of Environment, Biodiversity, Natural Resources etc., and to encounter natural disaster *viz.* earthquake and landslides in particular.

“ The School is marching ahead day by day to excellent evolution in research and teaching with an objective to have an impact on society with new technologies in order to achieve, enhance socio-economical conditions of North East India in general and the country in particular”.

SCHOOLS OF STUDIES

School of Economics, Management & Information Science

The six departments operating under the School are Economics, Commerce, Library and Information Science, Tourism & Hospitality Management, Management and Mass Communication. Students of different disciplines are exposed to latest knowledge and skills which help them in pursuing higher studies and research and getting employment in relevant fields. The School has initiated a number of relevant courses in the areas of Economics, Commerce, Library and Information Science, Tourism & Hospitality Management, Management and Mass Communication keeping in view the global trends and developments in the 21st Century.

It is a regular feature for the departments to organize workshops, seminars, refresher courses and field based practicals. Many students who have passed out from this school have been employed by reputed organizations, including private and public sector banks and the office of the Comptroller of Auditor and Accountant General, Govt. of India.

The Department of Management offers Programmes in Business Adminstration (MBA). The Department of Tourism & Hospitality Management offers MBA in Tourism & Hospitality Management. The courses are designed to offer students the experience of working in real world situations under the guidance of mentors. The Department of Commerce offers B.Voc programme for Handloom weavers under National Skill Qualification Framework.

The School also offers Ph.D. programmes in Economics, Commerce, Library & Information Science, Management, Mass Communication, and Tourism & Hospitality Management.

"The School believes in developing human resources by imparting a high quality and contemporary education in the field of Economics, Commerece, Management, Tourism, Library & Information Science and Commication & Media".

SCHOOLS OF STUDIES

School of Education & Humanities

The school came into existence with the establishment of Mizoram University in 2001. The school has four deciplines in its ambit viz. Education, English, Mizo and Hindi.

All the PG departments are running M.A. & Ph.D. courses in their respective disciplines. Besides, the department of Education has introduced B.Ed. from 2016 and M.Ed from 2018. The department of English has been awarded DRS-II/SAP (UGC) for the period 2017-2022. The department of Mizo is publishing a quarterly refereed literary journal with ISSN No. and focusing on the development of Mizo language and literature. The Hindi department, which is the youngest among all the departments, is focusing on popularizing and promoting the Hindi language in the North-East region in general and Mizoram in particular. In the absence of PG department of Philosophy in the university, the school takes care of UG matters in the discipline.

All the departments have well qualified, experienced, as well as young and dedicated faculties. Each department has a vision for introduction of new certificate/diploma courses. All PG Departments have well furnished attractive buildings with smart classrooms.

Organization of seminars and workshops are regular features of the departments. Departments have also undertaken research projects.

"The school is committed to impart quality education focusing on harmonious development of students."

SCHOOLS OF STUDIES

School of Physical Sciences

The School of Physical Sciences has 4 departments: Physics, Chemistry, Industrial Chemistry, and Mathematics & Computer Science. All the 4 departments under the School have excellent Laboratory facilities & departmental library developed with financial support from D.S.T., Govt. of India under DST-FIST Programme. The School has dedicated faculty & staff to support the students. Almost all the faculty members have research projects and research scholars working under their supervision. The School also renders its support in the teaching of B.Tech. courses.

The Physics department offers 3 specializations namely Condensed Matter Physics, Electronics and Laser & Spectroscopy for PG students. Chemistry department offers 4 specializations namely Physical, Inorganic, Organic & Analytical Chemistry at PG level. Mathematics & Computer Science department offers 2 special papers namely; Optimization Techniques and Numerical Solution to Differential Equations to PG students. Students can opt for any subject of their choice and can expect full support of Faculty and staff in pursuing their goals. The school is looking forward to admit sincere, hardworking and disciplined students.

Physics department is equipped with excellent laboratory facilities with 6-PG and 5-Research Labs. Faculty members often organize National & International Seminars/Conference/Workshop/Inv. Lectures etc., from time to time. Chemistry department is well equipped with excellent Laboratory facilities having 4 PG laboratories and 5 Research laboratories including one Spectroscopy lab. Mathematics & Computer Science department is also equipped with excellent Computational Laboratory facilities and a departmental library facility funded by NBHM.

The School offers good ambience for study and research work. Having good support structure in place, the students seeking admission to PG or Research are cordially invited to take admission in the departments & Research Projects under this School. The School is looking forward to introduce M.Sc. (Electronics) in the Department of Physics and MCA in the Department of Mathematics & Computer Science, in the near future.

"Our aim is to develop the School for excellence in experimental, theoretical, computational & emerging areas of science with quality teaching, research and cooperation".

SCHOOLS OF STUDIES

School of Life Sciences

The School of Life Sciences was established in the year 2005 and consists of the departments of Zoology, Botany and Biotechnology. All the Departments offer M.Sc. and Ph.D. degree courses.

The different departments of the school have well qualified faculty members actively involved in teaching & research. The school has developed a modern animal house, tissue culture laboratory, museum, transgenic glass and net houses. The School is engaged in the frontier areas of research in biological sciences including Cancer biology, Conservation biology, Molecular Entomology, algal physiology, oxidative stress, microbial diversity, forest ecology, ethno botany, plant and microbial biotechnology which are supported by ICMR,CSIR,DBT(twinning), UGC, DST, ICAR, Central Silk Board and Mizoram Govt. Health department. The School is equipped with state of the art equipment, Bioinformatics Infrastructure Facility (BIF) and Advanced-State Biotech Hub for teaching and research. The department has been able to develop with the best infrastructure for its teaching and research programme. The Department of Zoology has an Animal House Facility which is registered with the National Authority (Registration No. 1999/GO/REBI/S/18/CPCSEA) by an authorised body.

Institutional Animal Ethics Committee and Biosafety Committee are also active for smooth implementation of specific research programme. To strengthen collaborative research, inter-institution MOU with international (Bangor University, UK) and national institution (NIPER), and with education institute (Alagappa University) has been signed.

The Department of Zoology was awarded a DST-FIST programme for further strengthening its infrastructure and received a mega research project funded/sanctioned by G.B. Pant National Institute of Himalayan Environment and Sustainable Development (GBPNIHESD), Almora.

The School provides training and gives regional importance to research development in its programme. Several International / National / State Level Seminars /Conferences have been organised.

"The School imparts excellent teaching and research with the latest technology and aims to fulfill the aspiration of the region."

SCHOOLS OF STUDIES

School of Engineering & Technology

The school of Engineering and Technology (SET) is currently offering B.Tech programmes in six different branches of Engineering. The school was established in the year 2007 with the Department of Information Technology, the Department of Electronics & Communication Engineering in 2008, and in 2012, the Department of Electrical Engineering and Computer Engineering. The Department of Civil Engineering was started in 2015 and admissions in M.Sc Food Technology under the school started from 2019 Academic Session. The school now offers M.Tech programmes and Ph.D programmes in various department.

The school has young and dedicated faculty. ICT is used for facilitating teaching learning process. Experiments and hand –on training are provided as per requirement of the programme. Industrial training is a must. The academic syllabi are updated frequently to meet the requirements of the present technology and job market demands.

Seminar/conference/workshops are frequently conducted for the students and faculty in collaborations with other organisations/agencies. The school has a proactive Techno club which organises various types of co-curricular and extra-curricular activities. Placement services with corporate houses, government organisation and industries are conducted separately or jointly with other institutes. Various reputed organisations like Power Grid Corporation of India Ltd., Wipro, Capgemini, Infosys, Airtel etc. have conducted campus placement. Many of our alumni are pursuing higher studies abroad, IITs, NITs etc. Many are working in various reputed government organisation/industry/ company/organisation.

The School of Engineering and Technology is equipped with all the necessary facilities and proper ambience for imparting quality education in Engineering and Technology at par with other institutions.

"The school is committed to impart quality education and to empower the students with the necessary knowledge and skill in all disciplines of Engineering and Technology and to prepare them to face the challenges of life"

SCHOOLS OF STUDIES

School of Fine Arts, Architechture & Fashion Technology

The Department of Planning and Architecture formally recognised by the Council of Architecture (COA) offers a 5-year Bachelor degree program in Architecture. The program which is divided into 10 semesters incorporates a dynamic study that includes design and planning, arts and humanities, science and technology, practice and management .The program aims to provide architectural education that will help instill valuable practical knowledge, encourage craftsmanship and ways to materialize ideas and transform raw talents into skilful architects. The program includes regular study tours and case studies of various inspirational places from the past to keep the curriculum lively, participatory and engaging in the best possible way.

The department aims to provide students with all the required facilities and infrastructure for supporting architectural education. A fully equipped computer lab, a large material library for knowledge of latest advancements and technologies, an active workshop to support design experimentation and testing and a growing library are a few facilities to begin with. With a vision to further grow to providing post graduate courses in the future, the department will strive to maintain a high benchmark in architectural education by maintaining strong relations with highly acclaimed institutions, companies and firms that are active in the industry and other professional bodies.

The Department of Planning and Architecture now offers Ph.D Programmes in the Department and B.Voc in Interior Design, a 3(three) year programme with multiple exit point.

"Architecture is a technical profession intimately linked with the single largest sector of investment in the economy of the country and we are committed to offer outcome based quality education in this discipline"

SCHOOLS OF STUDIES

School of Medical and Paramedical Sciences

The School of Medical and Para Medical Sciences was established in the year 2008 to meet the high demands of medical and para medical services in the country especially for the local people of Mizoram. It has one Academic Department in the University Campus which is -Department of Clinical Psychology and many other courses in affiliated colleges.

Department of Clinical Psychology: It started functioning from 1st August, 2019, offering PG and Ph. D programme. The department is taking steps to open M.Phil in Clinical Psychology (that carry practicing license in disabilities) after getting RCI recognition which is under process. The department is functioning with 5 regular academic faculties, with a vision to establish Centre for Behavioral Intervention and Research Centre, here in Mizoram University Campus .

BACHELOR OF VOCATION (B.VOC.) PROGRAMMES & CERTIFICATE COURSES

It has been a long felt necessity to align higher education with the emerging needs of the economy so as to ensure that the graduates of higher education system have adequate knowledge and skills for employment and entrepreneurship. The higher education system has to incorporate the requirements of various industries in its curriculum, in an innovative and flexible manner while developing a holistic and well-groomed graduate.

The University Grants Commission (UGC) has launched a scheme on skills development based higher education as part of college/university education, leading to Bachelor of Vocation (B.Voc.) Degree with multiple exits such as Diploma/Advanced Diploma under the NSQF. The B.Voc. Programme is focused on universities and colleges providing undergraduate studies which would also incorporate specific job roles and their NOSs along with broad based general education. This would enable the graduates completing B.Voc. to make a meaningful participation in accelerating India's economy by gaining appropriate employment, becoming entrepreneurs and creating appropriate knowledge.

There is a provision for round the clock water and electricity facilities for the hostels.

A student seeking admission into a hostel has to apply through Online Form accessible at the University Website. Selection of Hostellers is done by the Office of Dean of Students' Welfare (DSW) on the basis of Merit. The allotted student, after submitting all the requirements, has to occupy the hostel room within 5 days with the approval of the warden of the hostel to which he/she is allotted. Joining of the hostel mess is compulsory for all the residents. Ragging, physical violence, and consumption of alcoholic or narcotics substances are strictly prohibited in the hostels.

Centre for Distance & Online Education

Online Education is diversifying and expanding at an astounding rate. As the digital world continues to expand and e-learning has reached new horizons, Mizoram University has taken the initiative to launch online degree programs that are equal in educational value to our traditional classes. Our online programs offer self-paced, open schedule, computer-based learning.

Mizoram University opened the Centre for Distance and Online Education (CDOE) in 2020.All online UG and PG courses offered are UGC approved. The University has also launched Apprenticeship linked Bachelor's degree programs that provide students with the perfect platform to start their careers.

Degree apprenticeships combine work with study. As an apprentice, students will not only earn a full-time bachelor's degree but also gain work experience while learning. Admissions are opened in the month of January and June.

Employment Linked Programme (ELSP)

The ELSP Program is India's ONLY finishing skills training program. It has been designed with the objective of getting the participants 'JOB-Ready' by meeting the skillset needs of prospective employers. The course has been developed with an emphasis on lending practical knowledge rather than just theoretical knowledge, thus remarkably improving the participants' employability skills. ELSP aims to bridge the gap between student skills and employer needs, thus creating a much efficient recruitment effort towards a workforce that is in sync with the growing needs of the industry.

Eligibility : A person who has completed graduation/diploma, or a person pursuing studies leading to graduation/diploma is eligible to apply.

Duration : The program includes 3 months of learning sessions followed by a paid apprenticeship.

Registration Fee : Rs. 100

Course Fee : Rs. 7000/- Payable after securing Internship/ Full Time Job.

PROGRAM FEATURES

This unique program trains the participant in certain essential Finishing Skills and endeavors to make them 'Job-Ready' professionals. These factors make them employable, giving them a large edge over other job applicants. Following are the features of ELSP:

Right Skills : The ELSP helps participants learn the right skills like Communication Skills, Sales Skills, Data Skills, Computer Applications and Domain Knowledge. These finishing skills will make you job-ready and employable.

Learn on Go : ELSP facilitates App Based Learning. Our innovative 'Lurningo' app helps the student learn and practice the skills on his/her smartphone. Students can take the assessment test without any difficulty on their devices.

Learn and Earn : Through our paid internship opportunities, you can learn on the job and start earning even before you graduate. You will also receive a work experience certificate recognised by the Ministry of Skill Development, GOI and AICTE.

Pay only if you Earn : The course fee of Rs 7000/- is payable only if we can get you either a paid internship (min 3 months-max 24 months' duration) or a placement offer upon confirming your interest in the available positions.

Placement Assistance : The ELSP team will evaluate your knowledge and competency levels during the Program. In collaboration with our Corporate Partners, the mentors will assign the field assignments and guide you on the areas of improvement.

The ELSP Edge enables the student the benefit of achieving work experience even before they graduate. This industry relevant experience helps them to have a competitive advantage over other job applicants.

The Online Education

SWAYAM is a programme initiated by Government of India and designed to achieve the three cardinal principles of Education Policy viz., access, equity and quality. The objective of this effort is to take the best teaching learning resources to all, including the most disadvantaged. SWAYAM seeks to bridge the digital divide for students who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy.

This is done through a platform that facilitates hosting of all the courses, taught in classrooms from Class 9 till post-graduation to be accessed by anyone, anywhere at any time. All the courses are interactive, prepared by the best teachers in the country and are available, free of cost to any learner. More than 1,000 specially chosen faculty and teachers from across the country have participated in preparing these courses.

The courses hosted on SWAYAM are in 4 quadrants – (1) video lecture, (2) specially prepared reading material that can be downloaded/printed (3) self-assessment tests through tests and quizzes and (4) an online discussion forum for clearing the doubts. Steps have been taken to enrich the learning experience by using audio-video and multi-media and state of the art pedagogy / technology.

In order to ensure that best quality content is produced and delivered, nine National Coordinators have been appointed. They are:

1. AICTE (All India Council for Technical Education) for self-paced and international courses
2. NPTEL (National Programme on Technology Enhanced Learning) for Engineering
3. UGC (University Grants Commission) for non technical post-graduation education
4. CEC (Consortium for Educational Communication) for under-graduate education
5. NCERT (National Council of Educational Research and Training) for school education
6. NIOS (National Institute of Open Schooling) for school education
7. IGNOU (Indira Gandhi National Open University) for out-of-school students
8. IIMB (Indian Institute of Management, Bangalore) for management studies
9. NITTTR (National Institute of Technical Teachers Training and Research) for Teacher Training programme

Courses delivered through SWAYAM are available free of cost to the learners, however learners wanting a SWAYAM certificate should register for the final proctored exams that come at a fee and attend in-person at designated centres on specified dates. Eligibility for the certificate will be announced on the course page and learners will get certificates only if this criteria is matched. Universities/colleges approving credit transfer for these courses can use the marks/certificate obtained in these courses for the same.

For more details on SWAYAM please visit https://swayam.gov.in/

UGC Regulations On Curbing The Menace Of Ragging In Higher Educational Institutions, 2009

(under Section 26 (1)(g) of the University Grants Commission Act, 1956)

Objectives

To prohibit any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student, or indulging in rowdy or indisciplined activities by any student or students which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in any fresher or any other student or asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student, with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student; and thereby, to eliminate ragging in all its forms from universities, deemed universities and other higher educational institutions in the country by prohibiting it under these Regulations, preventing its occurrence and punishing those who indulge in ragging as provided for in these Regulations and the appropriate law in force.

What constitutes Ragging.- Ragging constitutes one or more of any of the following acts:

➪Any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student.

➪Indulging in rowdy or indisciplined activities by any student or students which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student.

➪Asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student.

UGC Regulations On Curbing The Menace Of Ragging In Higher Educational Institutions, 2009

(under Section 26 (1)(g) of the University Grants Commission Act, 1956)

Measures for prohibition of ragging at the institution level:

➪ No institution or any part of it thereof, including its elements, including, but not limited to, the departments, constituent units, colleges, centres of studies and all its premises, whether academic, residential, playgrounds, or canteen, whether located within the campus or outside, and in all means of transportation of students, whether public or private, accessed by students for the pursuit of studies in such institutions, shall permit or condone any reported incident of ragging in any form; and all institutions shall take all necessary and required measures, including but not limited to the provisions of these Regulations, to achieve the objective of eliminating ragging, within the institution or outside.

➪All institutions shall take action in accordance with these Regulations against those found guilty of ragging and/or abetting ragging, actively or passively, or being part of a conspiracy to promote ragging.

Measures for prevention of ragging at the institution level:

An institution shall take the following steps in regard to admission or registration of students; namely,

➪ Every public declaration of intent by any institution, in any electronic, audiovisual or print or any other media, for admission of students to any course of study shall expressly provide that ragging is totally prohibited in the institution, and anyone found guilty of ragging and/or abetting ragging, whether actively or passively, or being a part of a conspiracy to promote ragging, is liable to be punished in accordance with these Regulations as well as under the provisions of any penal law for the time being in force.

➪ The brochure of admission/instruction booklet or the prospectus, whether in print or electronic format, shall prominently print these Regulations in full. Provided that the institution shall also draw attention to any law concerning ragging and its consequences, as may be applicable to the institution publishing such brochure of admission/instruction booklet or the prospectus. Provided further that the telephone numbers of the Anti-Ragging Helpline and all the important functionaries in the institution, including but not limited to the Head of the institution, faculty members, members of the Anti-Ragging Committees and Anti-Ragging Squads, District and Sub-Divisional authorities, Wardens of hostels, and other functionaries or authorities where relevant, shall be published in the brochure of admission/instruction booklet or the prospectus.

➪ Where an institution is affiliated to a University and publishes a brochure of admission/instruction booklet or a prospectus, the affiliating university shall ensure that the affiliated institution shall comply with the provisions of clause (a) and clause (b) of Regulation 6.1 of these Regulations.

➪ The application form for admission, enrolment or registration shall contain an affidavit, mandatorily in English and in Hindi and/or in one of the regional languages known to the applicant, as provided in the English language in Annexure I to these Regulations, to be filled up and signed by the applicant to the effect that he/she has read and understood the provisions of these Regulations as well as the provisions of any other law for the time being in force, and is aware of the prohibition of ragging and the punishments prescribed, both under penal laws as well as under these Regulations and also affirm to the effect that he/she has not been expelled and/or debarred by any institution and further aver that he/she would not indulge, actively or passively, in the act or abet the act of ragging and if found guilty of ragging and/or abetting ragging, is liable to be proceeded against under these Regulations or under any penal law or any other law for the time being in force and such action would include but is not limited to debarment or expulsion of such student.

⇨ The application form for admission, enrolment or registration shall contain an affidavit, mandatorily in English and in Hindi and/or in one of the regional languages known to the parents/guardians of the applicant, as provided in the English language in Annexure I to these Regulations, to be filled up and signed by the parents/guardians of the applicant to the effect that he/she has read and understood the provisions of these Regulations as well as the provisions of any other law for the time being in force, and is aware of the prohibition of ragging and the punishments prescribed, both under penal laws as well as under these Regulations and also affirm to the effect that his/her ward has not been expelled and/or debarred by any institution and further aver that his/her ward would not indulge, actively or passively, in the act or abet the act of ragging and if found guilty of ragging and/or abetting ragging, his/her ward is liable to be proceeded against under these Regulations or under any penal law or any other law for the time being in force and such action would include but is not limited to debarment or expulsion of his/her ward.

⇨ The application for admission shall be accompanied by a document in the form of, or annexed to, the School Leaving Certificate/Transfer Certificate/Migration Certificate/Character Certificate reporting on the inter-personal/social behavioural pattern of the applicant, to be issued by the school or institution last attended by the applicant, so that the institution can thereafter keep watch on the applicant, if admitted, whose behaviour has been commented in such document.

⇨ A student seeking admission to a hostel forming part of the institution, or seeking to reside in any temporary premises not forming part of the institution, including a private commercially managed lodge or hostel, shall have to submit additional affidavits countersigned by his/her parents/guardians in the form prescribed in Annexure I and Annexure II to these Regulations respectively along with his/her application.

⇨ Before the commencement of the academic session in any institution, the Head of the Institution shall convene and address a meeting of various functionaries/agencies, such as Hostel Wardens, representatives of students, parents/ guardians, faculty, district administration including the police, to discuss the measures to be taken to prevent ragging in the institution and steps to be taken to identify those indulging in or abetting ragging and punish them.

⇨ The institution shall, to make the community at large and the students in particular aware of the dehumanizing effect of ragging, and the approach of the institution towards those indulging in ragging, prominently display posters depicting the provisions of penal law applicable to incidents of ragging, and the provisions of these Regulations and also any other law for the time being in force, and the punishments thereof, shall be prominently displayed on Notice Boards of all departments, hostels and other buildings as well as at places, where students normally gather and at places, known to be vulnerable to occurrences of ragging incidents.

⇨ The institution shall request the media to give adequate publicity to the law prohibiting ragging and the negative aspects of ragging and the institution's resolve to ban ragging and punish those found guilty without fear or favour.

⇨ The institution shall identify, properly illuminate and keep a close watch on all locations known to be vulnerable to occurrences of ragging incidents.

⇨ The institution shall tighten security in its premises, especially at vulnerable places and intense policing by Anti-Ragging Squad, referred to in these Regulations and volunteers, if any, shall be resorted to at such points at odd hours during the first few months of the academic session.

⇨ The institution shall utilize the vacation period before the start of the new academic year to launch a publicity campaign against ragging through posters, leaflets and such other means, as may be desirable or required, to promote the objectives of these Regulations.

⇨ The faculties/departments/units of the institution shall have induction arrangements, including those which anticipate, identify and plan to meet any special needs of any specific section of students, in place well in advance of the beginning of the academic year with an aim to promote the objectives of this Regulation.

⇨ Every institution shall engage or seek the assistance of professional counsellors before the commencement of the academic session, to be available when required by the institution, for the purposes of offering counselling to freshers and to other students after the commencement of the academic year.

⇨ The head of the institution shall provide information to the local police and local authorities, the details of every privately commercially managed hostels or lodges used for residential purposes by students enrolled in the institution and the head of the institution shall also ensure that the Anti-Ragging Squad shall ensure vigil in such locations to prevent the occurrence of ragging therein.

An institution shall, on admission or enrolment or registration of students, take the following steps, namely:

⇨ Every fresh student admitted to the institution shall be given a printed leaflet detailing to whom he/she has to turn to for help and guidance for various purposes including addresses and telephone numbers, so as to enable the student to contact the concerned person at any time, if and when required, of the Anti-Ragging Helpline referred to in these Regulations, Wardens, Head of the institution, all members of the anti-ragging squads and committees, relevant district and police authorities.

⇨ The institution, through the leaflet specified in clause (a) of Regulation 6.2 of these Regulations shall explain to the freshers, the arrangements made for their induction and orientation which promote efficient and effective means of integrating them fully as students with those already admitted o the institution in earlier years.

⇨ The leaflet specified in clause (a) of Regulation 6.2 of these Regulations shall inform the freshers about their rights as bona fide students of the institution and clearly instructing them that they should desist from doing anything, with or against their will, even if ordered to by the seniors students, and that any attempt of ragging shall be promptly reported to the Anti-ragging Squad or to the Warden or to the Head of the institution, as the case may be.

⇨ The leaflet specified in clause (a) of Regulation 6.2 of these Regulations shall contain a calendar of events and activities laid down by the institution to facilitate and complement familiarization of freshers with the academic environment of the institution.

⇨ The institution shall, on the arrival of senior students after the first week or after the second week, as the case may be, schedule orientation programmes as follows, namely; (i) joint sensitization programme and counselling of both freshers and senior students by a professional counsellor, referred to in clause (o) of Regulation 6.1 of these Regulations; (ii) joint orientation programme of freshers and seniors to be addressed by the Head of the institution and the anti-ragging committee;(iii) organization on a large scale of cultural, sports and other activities to provide a platform for the freshers and seniors to interact in the presence of faculty members ; (iv) in the hostel, the warden should address all students; and may request two junior colleagues from the college faculty to assist the warden by becoming resident tutors for a temporary duration.(v) as far as possible faculty members should dine with the hostel residents in their respective hostels to instil a feeling of confidence among the freshers.

⇨ The institution shall set up appropriate committees, including the course-incharge, student advisor, Wardens and some senior students as its members, to actively monitor, promote and regulate healthy interaction between the freshers, junior students and senior students.

⇨ Freshers or any other student(s), whether being victims, or witnesses, in any incident of ragging, shall be encouraged to report such occurrence, and the identity of such informants shall be protected and shall not be subject to any adverse consequence only for the reason for having reported such incidents.

⇨ Each batch of freshers, on arrival at the institution, shall be divided into small groups and each such group shall be assigned to a member of the faculty, who shall interact individually with each member of the group every day for ascertaining the problems or difficulties, if any, faced by the fresher in the institution and shall extend necessary help to the fresher in overcoming the same.

⇨ It shall be the responsibility of the member of the faculty assigned to the group of freshers, to coordinate with the Wardens of the hostels and to make surprise visits to the rooms in such hostels, where a member or members of the group are lodged; and such member of faculty shall maintain a diary of his/her interaction with the freshers under his/her charge.

⇨ Freshers shall be lodged, as far as may be, in a separate hostel block, and where such facilities are not available, the institution shall ensure that access of seniors to accommodation allotted to freshers is strictly monitored by wardens, security guards and other staff of the institution.

⇨ A round the clock vigil against ragging in the hostel premises, in order to prevent ragging in the hostels after the classes are over, shall be ensured by the institution.

⇨ It shall be the responsibility of the parents/guardians of freshers to promptly bring any instance of ragging to the notice of the Head of the Institution.

⇨ Every student studying in the institution and his/her parents/guardians shall provide the specific affidavits required under clauses (d), (e) and (g) of Regulation 6.1 of these Regulations at the time of admission or registration, as the case may be, during each academic year.

⇨ Every institution shall obtain the affidavit from every student as referred to above in clause (m) of Regulation 6.2 and maintain a proper record of the same and to ensure its safe upkeep thereof, including maintaining the copies of the affidavit in an electronic form, to be accessed easily when required either by the Commission or any of the Councils or by the institution or by the affiliating University or by any other person or organisation authorised to do so.

⇨ Every student at the time of his/her registration shall inform the institution about his/her place of residence while pursuing the course of study, and in case the student has not decided his/her place of residence or intends to change the same, the details of his place of residence shall be provided immediately on deciding the same; and specifically in regard to a private commercially managed lodge or hostel where he/she has taken up residence.

⇨ The Head of the institution shall, on the basis of the information provided by the student under clause (o) of Regulation 6.2, apportion sectors to be assigned to members of the faculty, so that such member of faculty can maintain vigil and report any incident of ragging outside the campus or en route while commuting to the institution using any means of transportation of students, whether public or private.

⇨ The Head of the institution shall, at the end of each academic year, send a letter to the parents/guardians of the students who are completing their first year in the institution, informing them about these Regulations and any law for the time being in force prohibiting ragging and the punishments thereof as well as punishments prescribed under the penal laws, and appealing to them to impress upon their wards to desist from indulging in ragging on their return to the institution at the beginning of the academic session next.

Every institution shall constitute the following bodies; namely,

⇨ Every institution shall constitute a Committee to be known as the Anti-Ragging Committee to be nominated and headed by the Head of the institution, and consisting of representatives of civil and police administration, local media, Non Government Organizations involved in youth activities, representatives of faculty members, representatives of parents, representatives of students belonging to the freshers' category as well as senior students, non-teaching staff; and shall have a diverse mix of membership in terms of levels as well as gender.

⇨ It shall be the duty of the Anti-Ragging Committee to ensure compliance with the provisions of these Regulations as well as the provisions of any law for the time being in force concerning ragging; and also to monitor and oversee the performance of the Anti-Ragging Squad in prevention of ragging in the institution

⇨ Every institution shall also constitute a smaller body to be known as the AntiRagging Squad to be nominated by the Head of the Institution with such representation as may be considered necessary for maintaining vigil, oversight and patrolling functions and shall remain mobile, alert and active at all times. Provided that the Anti-Ragging Squad shall have representation of various members of the campus community and shall have no outside representation.

⇨ It shall be the duty of the Anti-Ragging Squad to be called upon to make surprise raids on hostels, and other places vulnerable to incidents of, and having the potential of, ragging and shall be empowered to inspect such places.

⇨ It shall also be the duty of the Anti-Ragging Squad to conduct an on-the-spot enquiry into any incident of ragging referred to it by the Head of the institution or any member of the faculty or any member of the staff or any student or any parent or guardian or any employee of a service provider or by any other person, as the case may be; and the enquiry report along with recommendations shall be submitted to the Anti-Ragging Committee for action under clause (a) of Regulation 9.1. Provided that the Anti-Ragging Squad shall conduct such enquiry observing a fair and transparent procedure and the principles of natural justice and after giving adequate opportunity to the student or students accused of ragging and other witnesses to place before it the facts, documents and views concerning the incident of ragging, and considering such other relevant information as may be required.

⇨ Every institution shall, at the end of each academic year, in order to promote the objectives of these Regulations, constitute a Mentoring Cell consisting of students volunteering to be Mentors for freshers, in the succeeding academic year; and there shall be as many levels or tiers of Mentors as the number of batches in the institution, at the rate of one Mentor for six freshers and one Mentor of a higher level for six Mentors of the lower level.

⇨ Every University shall constitute a body to be known as Monitoring Cell on Ragging, which shall coordinate with the affiliated colleges and institutions under the domain of the University to achieve the objectives of these Regulations; and the Monitoring Cell shall call for reports from the Heads of institutions in regard to the activities of the Anti-Ragging Committees, Anti - Ragging Squads, and the Mentoring Cells at the institutions, and it shall also keep itself abreast of the decisions of the District level Anti-Ragging Committee headed by the District Magistrate.

⇨ The Monitoring Cell shall also review the efforts made by institutions to publicize anti-ragging measures, soliciting of affidavits from parents/guardians and from students, each academic year, to abstain from ragging activities or willingness to be penalized for violations; and shall function as the prime mover for initiating action on the part of the appropriate authorities of the university for amending the Statutes or Ordinances or Bye-laws to facilitate the implementation of antiragging measures at the level of the institution.

Every institution shall take the following other measures, namely;

⇨ Each hostel or a place where groups of students reside, forming part of the institution, shall have a full-time Warden, to be appointed by the institution as per the eligibility criteria laid down for the post reflecting both the command and control aspects of maintaining discipline and preventing incidents of ragging within the hostel, as well as the softer skills of counselling and communicating with the youth outside the class-room situation; and who shall reside within the hostel, or at the very least, in the close vicinity thereof.

⇨ The Warden shall be accessible at all hours and be available on telephone and other modes of communication, and for the purpose the Warden shall be provided with a mobile phone by the institution, the number of which shall be publicised among all students residing in the hostel.

⇨ The institution shall review and suitably enhance the powers of Wardens; and the security personnel posted in hostels shall be under the direct control of the Warden and their performance shall be assessed by them.

⇨ The professional counsellors referred to under clause (o) of Regulation 6.1 of these Regulations shall, at the time of admission, counsel freshers and/or any other student(s) desiring counselling, in order to prepare them for the life ahead, particularly in regard to the life in hostels and to the extent possible, also involve parents and teachers in the counselling sessions.

⇨ The institution shall undertake measures for extensive publicity against ragging by means of audio-visual aids, counselling sessions, workshops, painting and design competitions among students and such other measures, as it may deem fit.

⇨ In order to enable a student or any person to communicate with the AntiRagging Helpline, every institution shall permit unrestricted access to mobile phones and public phones in hostels and campuses, other than in class-rooms, seminar halls, library, and in such other places that the institution may deem it necessary to restrict the use of phones.

⇨ The faculty of the institution and its non-teaching staff, which includes but is not limited to the administrative staff, contract employees, security guards and employees of service providers providing services within the institution, shall be sensitized towards the ills of ragging, its prevention and the consequences thereof.

⇨ The institution shall obtain an undertaking from every employee of the institution including all teaching and non-teaching members of staff, contract labour employed in the premises either for running canteen or as watch and ward staff or for cleaning or maintenance of the buildings/lawns and employees of service providers providing services within the institution, that he/she would report promptly any case of ragging which comes to his/her notice.

⇨ The institution shall make a provision in the service rules of its employees for issuing certificates of appreciation to such members of the staff who report incidents of ragging, which will form part of their service record.

⇨ The institution shall give necessary instructions to the employees of the canteens and messing, whether that of the institution or that of a service provider providing this service, or their employers, as the case may be, to keep a strict vigil in the area of their work and to report the incidents of ragging to the Head of the institution or members of the Anti-Ragging Squad or members of the Anti-Ragging Committee or the Wardens, as may be required.

⇨ All Universities awarding a degree in education at any level, shall be required to ensure that institutions imparting instruction in such courses or conducting training programme for teachers include inputs relating to antiragging and the appreciation of the relevant human rights, as well as inputs on topics regarding sensitization against corporal punishments and checking of bullying amongst students, so that every teacher is equipped to handle at least the rudiments of the counselling approach.

⇨ Discreet random surveys shall be conducted amongst the freshers every fortnight during the first three months of the academic year to verify and crosscheck whether the institution is indeed free of ragging or not and for the purpose the institution may design its own methodology of conducting such surveys.

⇨ The institution shall cause to have an entry, apart from those relating to general conduct and behaviour, made in the Migration/Transfer Certificate issued to the student while leaving the institution, as to whether the student has been punished for committing or abetting an act of ragging, as also whether the student has displayed persistent violent or aggressive behaviour or any inclination to harm others, during his course of study in the institution.

⇨ Notwithstanding anything contained in these Regulations with regard to obligations and responsibilities pertaining to the authorities or members of bodies prescribed above, it shall be the general collective responsibility of all levels and sections of authorities or functionaries including members of the faculty and employees of the institution, whether regular or temporary, and employees of service providers providing service within the institution, to prevent or to act promptly against the occurrence of ragging or any incident of ragging which comes to their notice.

⇨ The Heads of institutions affiliated to a University or a constituent of the University, as the case may be, shall, during the first three months of an academic year, submit a weekly report on the status of compliance with AntiRagging measures under these Regulations, and a monthly report on such status thereafter, to the Vice-Chancellor of the University to which the institution is affiliated to or recognized by.

⇨ The Vice Chancellor of each University, shall submit fortnightly reports of the University, including those of the Monitoring Cell on Ragging in case of an affiliating university, to the State Level Monitoring Cell.
