

## Class V

### Cycle I

#### English Assignment No. 4

#### Topic: Nouns (Abstract and Collective)

#### Q1. Circle the abstract nouns in the following passage.

Snow White ran away from her stepmother and joined the seven dwarfs in the woods. One day the stepmother came in disguise and gave snow white a poisoned apple. After eating the apple Snow White fell down dead. Her death filled the stepmother with delight. But the seven dwarfs were full of grief and sadness. They laid snow white in a glass coffin. One day a handsome prince saw her and was struck by her beauty. He fell in love with her. When he touched her she came back to life again. To everyone's joy, they married and lived in great happiness.

#### Q2. Form abstract nouns of the following words.

- |                            |                            |
