(A) 1598 (B) 1698 (C) 1798 (D) 1898

(7) In whose opinion do demographics include "population analysis" and "population studies"?

(A) William Patty (B) Horus and Duncan (C) John Grant (D) Frank Lorimer

(8) What is the number of children born per thousand human population during the year?

(A) Birth rate (B) Fertility (C) Gender ratio (D) Mortality rate

(9) What is the number of deaths per thousand human population during the year?

(A) Birth rate (B) Fertility (C) Gender ratio (D) Mortality rate

(10) Which of the following statistics is useful in determining population policy?

(A) Fertility (B) Mortality (C) Birth rate (D) Gender ratio

(11) What was the population of India in 2011?

(A) One billion (B) One billion twenty one crore (C) Fifty crore (D) Thirty five crore

(12) What is population growth?

(A) Biological (B) Economic (C) Political (D) Geographical

(13) Which of the following requires population studies?

(A) To increase the birth rate (B) To form a population policy (C) To increase the birth rate (D) None

(14) What is the rate of census every year?

(A) Two (B) Five (C) Seven (D) Ten

(15) What is the composition of the population and its size?

(A) Not stable (B) Stable (C) Not changeable (D) None

(16) For every thousand children born alive, they die before reaching the age of one year What is the number of children?

(A) Mortality rate (B) Infant mortality rate (C) Fertility (D) Death rate

(17) What is the system of registration with every birth and death authority in the country Called?

(A) Census (B) Model Registration System (C) Registration System (D) National Sample Survey

(18) When was the model registration system introduced in India?

(A) 1934 (B) 1944 (C) 1954 (D) 1964

(19) Whose text is "An Essay on the Principle of Population"?

(A) Thomas Robert Malthus (B) Cole and Hoover (C) Emile Durkheim (D) Karl Marx

(20) How many basic assumptions are shown in Malthus's population theory?

(A) One (B) Two (C) Three (D) Four

(21) What is the population of a country at a certain time when the size of the population is such that the per capita income is maximum?

(A) Evil (B) More (C) Desirable or Ideal (D) Less

(22) Who has given the theory of population transition?

(A) Malthus (B) Cole and Hoover (C) Emile Durkheim (D) Karl Marx

(23) How many stages of economic development are shown in the theory of population transition?

(A) One (B) Two (C) Three (D) Four

(24) A woman survives the separation of a child from her womb about nine months after conceptin What is the phenomenon that is born in the state called?

(A) Birth rate (B) Fertility (C) Sex ratio (D) Live birth

(25) What is the birth rate calculated per population?

(A) One thousand (B) Ten thousand (C) One lakh (D) Ten lakh

(26) What is the effective reproductive age group of a woman?

(A) 12 to 40 years (B) 15 to 40 years (C) 15 to 44 years (D) 12 to 49 years

- (27) A woman remains pregnant for 28 weeks but the baby is still alive from her womb. What is that event called when not born?
 (A) Mortality (B) Fertility (C) Fertility (D) Mortality
- (28) What is the concept of dead birth?
 (A) Demographic (B) Economic (C) Political (D) Psychological
- (29) What is the ratio of males to females in the population?
 (A) Birth rate (B) Fertility (C) Sex ratio (D) Live birth
- (30) What was the sex ratio in India in 2011?
 (A) 910 (B) 920 (C) 930 (D) 940
- (31) Who is involved in infant mortality?
 (A) Children who die after reaching the age of one year (B) Children who die before reaching the age of one year
 (C) Children who die before reaching the age of two (D) Children who die after attaining the age of two years
- (32) To whom does the overpopulation belong?
 (A) Low Birth Rate (B) High Birth Rate (C) High Mortality Rate (D) None
- (33) Which family is called a family of four members including parents and two children?
 (A) Joint family (B) Large family (C) Small family (D) None
- (34) Which of the following is the cause of increase in life expectancy?
 (A) Controlling infectious diseases (B) Economic (C) Poverty (D) Unemployment
- (35) Demonstrating the need to plan and control the ever-growing population. Who is an English scholar?
 (A) Frank Lorimer (B) William Petty (C) John Grant (D) Thomas Robert Malthus
- (36) What has Durkheim considered necessary to study population size as well?
 (A) Population density (B) Area of population (C) Proportion of population (D) None
- (37) What other term is used for population density?
 (A) Population density (B) Population size (C) Proportion of population (D) None
- (38) What is the population density in the mountainous regions of the Himalayas?
 (A) Too much (B) Too dense (C) Too little (D) None
- (39) Refer to migration as geographical mobility or residential mobility?
 (A) Ogburn and Nimkoff (B) Pro. Rao (C) Pro. Vidyut Joshi (D) Akshay Kumar Desai
- (40) What are the main types of migration?
 (A) Four (B) Three (C) Two (D) Five
- (41) What is called migration when citizens of one nation move to another country?
 (A) Interstate Migration (B) International Migration (C) Internal Migration (D) Rural city migration
- (42) "Poverty arises from lack of inadequate nutrition which is essential for survival. Is the situation that happens" - Who gave this definition of poverty?
 (A) Pro. Rohit Shukla (B) Prof. Rao (C) Prof. Vidyut Joshi (D) Akshay Kumar Desai
- (43) According to Bhardwaj, what are the main types of crime?
 (A) Five (B) Four (C) Three (D) Two
- (44) What is responsible for dirty living?
 (A) Overpopulation (B) Slow urbanization (C) Slow industrialization (D) None
- (45) What is the phenomenon of leaving the country and living abroad?
 (A) Immigration (B) Migration (C) Immigration (D) Occasional
- (46) Which of the following is the cause of migration?
 (A) Religious values (B) Natural disasters (C) Poverty (D) Farming business
- (47) When was the official launch of family planning program in India?
 (A) 1921 (B) 1931 (C) 1941 (D) 1951
- (48) Which first family planning center was opened by Shri R D Karve in 1925?
 (A) Mumbai (B) Calcutta (C) Madras (D) Bangalore
- (49) What are the main methods of family planning?
 (A) Four (B) Three (C) Two (D) Seven
- (50) Which of the following is a barrier to family planning in India?
 (A) Modern values (B) Religious values (C) Modern ideas (D) Modernity
