

EVS CREATIVE WORKSHEET

CLASS IV

Topic – Mapping our neighbourhood

Take a reference from your atlas and study the states of India and their capitals.

On the outline map of India, locate and label the following :

1. The States and Union Territories and their capitals.
2. Shade the largest and the smallest States of India in terms of size.
3. Complete the Index to the map.

ARE YOU A NATURE BUDDY?

Put a tick (✓) in the box next to the option you agree with the most. After answering all the questions, give yourself points according to the note given at the end of each section. Total the points of both the sections and find out whether you are a nature buddy or not!

SECTION 1

POINTS

- ☉ I leave the lights and fans switched on even if I am the last person to leave the room.

Always Sometimes Never

- ☉ I write on public property like lamp posts, walls, seats in the park, etc.

Always Sometimes Never

- ☉ I carry a polythene bag when I go out to buy something.

Always Sometimes Never

- ☉ I take much more food in my plate than I can finish.

Always Sometimes Never

- ☉ I keep my things strewn all over my room.

Always Sometimes Never

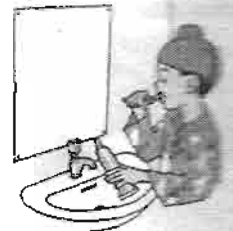

- ☉ I keep the tap open when I brush my teeth.

Always Sometimes Never

Give yourself the following points for every answer.

- ◇ 0 point for 'Always'
- ◇ 1 point for 'Sometimes'
- ◇ 2 points for 'Never'

TOTAL POINTS OBTAINED IN SECTION 1: _____

Activity

Symbols

Special days are recognised by their symbols. You have learnt a symbol for recycled product. You can find out more about some special days celebrated worldwide through their symbols. Draw the symbols for the following.

World Environment Day
(June 5)

No Tobacco Day
(May 31)

World Literacy Day
(Sept. 8)

Red Cross Day
(May 8)

UN Day
(Oct. 24)
