NCERT 3rd English (Poem) Chapter 3, class 3 English (Poem) Chapter 3 solutions

### Talk Time

**1.Look at the two pictures. Find four things that are different about these trees and talk about them.**

*Picture 1*  
*I give you this*

*Picture 2*  
*What do you given me?*

<https://www.indcareer.com/schools/ncert-solutions-for-3rd-class-english-poem-chapter-3-little-by-little/>

**Ans.** Four things that are different about these trees: ,

(i) Tree 'A' is happy while tree 'B' is sad.

(ii) Tree 'A' is getting everything that it needs to grow properly while tree 'B' is not getting these things.

(iii) Tree 'A' is able to give us several useful things as shown in Picture 1 while tree 'B' is not able to give us anything.

(iv) One can breathe fresh air under tree 'A' but not under tree 'B'

NCERT 3rd English (Poem) Chapter 3, class 3 English (Poem) Chapter 3 solutions

### **Let's Write**

**1. Look at Picture 1. Write three sentences on what the trees give us.**

**Ans.** (i) The trees give us fresh air to breathe.

(ii) They give us fruits and vegetables.

(iii) They give us valuable timber.

**2. Now look at Picture 2. Write three sentences on how we harm the trees.**

**Ans.** (i) We cut wood from trees for our needs.

(ii) We cause pollution by destroying trees.

(iii) We force birds and animals to go away by cutting trees.

**3. These words describe parts of a tree. Write them in the given space.**

**Ans.** stem – It helps the tree to stand upright.

bark – Outer covering (brown coloured) of a tree.

leaves – Green leaves prepare food for the tree.

<https://www.indcareer.com/schools/ncert-solutions-for-3rd-class-english-poem-chapter-3-little-by-little/>

branch -An arm-like part of a tree that bear leaves.

twigs – Small shoots growing from a branch or stem.

root – Part of a plant or tree that grows into the earth.

shoot – A young branch or new growth of a plant.

**4. Match the opposites. One has been done for you.**

|          |        |
|----------|--------|
| downward | weak   |
| slowly   | night  |
| little   | upward |
| slender  | fast   |
| mighty   | fat    |
| day      | big    |

**Ans.**

- downward — upward
- slowly — fast
- little — big
- slender — fat
- mighty — weak
- day — night

# About NCERT

The National Council of Educational Research and Training is an autonomous organization of the Government of India which was established in 1961 as a literary, scientific, and charitable Society under the Societies Registration Act. The major objectives of NCERT and its constituent units are to: undertake, promote and coordinate research in areas related to school education; prepare and publish model textbooks, supplementary material, newsletters, journals and develop educational kits, multimedia digital materials, etc. Organise pre-service and in-service training of teachers; develop and disseminate innovative educational techniques and practices; collaborate and network with state educational departments, universities, NGOs and other educational institutions; act as a clearing house for ideas and information in matters related to school education; and act as a nodal agency for achieving the goals of Universalisation of Elementary Education. In addition to research, development, training, extension, publication and dissemination activities, NCERT is an implementation agency for bilateral cultural exchange programmes with other countries in the field of school education. Its headquarters are located at Sri Aurobindo Marg in New Delhi. [Visit the Official NCERT website](https://www.ncert.nic.in/) to learn more.
