Ans. I help old people when I get a chance. I help my grandfather in searching his spectacles. I go with him for his evening walks.

2.What kind of problems do people have in old age?

Ans.People may face following problems in old age:

- They cannot see properly.
- They cannot hear properly.
- They cannot eat properly.
- They have pain in their knees and other joints.

3.How does Ravi bhaiya come to know so many things without seeing?

Ans. Ravi bhaiya comes to know so many things by hearing. Blind people have very strong sense of hearing.

4.Have you ever needed a stick? When?

Ans. No, I have never needed a stick.

NCERT 3rd Environmental Studies Chapter 13, class 3 Environmental Studies Chapter 13 solutions

5.Can you think when you may need a stick?

Ans. When we get a fracture or sprain in leg or when we have to climb a rock or a mountain.

6.How do we help those people who cannot see?

Ans.We can help visually challenged in following ways:

- By offering seat in buses.
- By helping them in climbing upstairs.
- By reading out news for them.

7. Is there any member in your family who cannot see, speak or hear? Do you know any such person? How do people help them with their work?

Ans. There is no such person in my family. There is a boy in my neighbourhood who cannot speak. He goes to the school for deaf and dumb.

8. Blindfold any one child in the group. One by one, the other children come to him or her quietly. The child who is blindfolded has to guess who the other child is, by touching him or her. Take care not to make any sound. Do you know why?

Ans. If someone makes a sound then the blindfolded child can recognise the voice.

Discuss and Tell

1. How many children could recognise the others by touching?

Ans. Two.

2. How many children could recognise the other children by only hearing them?

Ans. Four. Which was easier of the two?

Ans. It was easier to recognise by hearing.

3. How many things can you recognise by only touching?

Ans. I can recognise cloth, glass, metal, wood, clay, etc. only by touching.

4. By just smelling can you guess if it is some person close to you or if it is some animal?

Ans. Yes, I can guess if it is an animal or a person by smelling.

About NCERT

The National Council of Educational Research and Training is an autonomous organization of the Government of India which was established in 1961 as a literary, scientific, and charitable Society under the Societies Registration Act. The major objectives of NCERT and its constituent units are to: undertake, promote and coordinate research in areas related to school education; prepare and publish model textbooks, supplementary material, newsletters, journals and develop educational kits, multimedia digital materials, etc. Organise pre-service and in-service training of teachers; develop and disseminate innovative educational techniques and practices; collaborate and network with state educational departments, universities, NGOs and other educational institutions; act as a clearing house for ideas and information in matters related to school education; and act as a nodal agency for achieving the goals of Universalisation of Elementary Education. In addition to research, development, training, extension, publication and dissemination activities, NCERT is an implementation agency for bilateral cultural exchange programmes with other countries in the field of school education. Its headquarters are located at Sri Aurobindo Marg in New Delhi. [Visit the Official NCERT website](https://www.ncert.nic.in/) to learn more.
