1.What kind of work are people doing in both the families?

<https://www.indcareer.com/schools/ncert-solutions-for-3rd-class-environmental-studies-chapter-14-the-story-of-food/>

Ans.

<i>Venu's family</i>	<i>Rani's family</i>
1. Mother is cooking food and father is cleaning the floor.	Mother is cooking food.
2. Mother, father and Venu are eating food. 3. Venu's mother and father are reading newspaper and Venu is riding bicycle.	Rani is serving food to her father and brother. Rani and her mother are doing work. Her father is reading newspaper.

2. Is your family like any one of these families? If yes, like which one? How is your family like theirs?

Ans. My family is like Venu's family. Everyone in my family shares work. All of us eat together.

3. Do all the people in your family eat together? If not, why?

Ans. All people in my family eat together during dinner time.

4. Who eats last in the family?

Ans. Nobody, as we try to eat together most of the time.

5. Who does not help in cooking food in the family and why?

Ans. I do not help in cooking because I do not know how to cook.

About NCERT

The National Council of Educational Research and Training is an autonomous organization of the Government of India which was established in 1961 as a literary, scientific, and charitable Society under the Societies Registration Act. The major objectives of NCERT and its constituent units are to: undertake, promote and coordinate research in areas related to school education; prepare and publish model textbooks, supplementary material, newsletters, journals and develop educational kits, multimedia digital materials, etc. Organise pre-service and in-service training of teachers; develop and disseminate innovative educational techniques and practices; collaborate and network with state educational departments, universities, NGOs and other educational institutions; act as a clearing house for ideas and information in matters related to school education; and act as a nodal agency for achieving the goals of Universalisation of Elementary Education. In addition to research, development, training, extension, publication and dissemination activities, NCERT is an implementation agency for bilateral cultural exchange programmes with other countries in the field of school education. Its headquarters are located at Sri Aurobindo Marg in New Delhi. [Visit the Official NCERT website](https://www.ncert.nic.in/) to learn more.
