NCERT Solutions for 3rd Class Environmental Studies: Chapter 23-A Beautiful Cloth

NCERT 3rd Environmental Studies Chapter 23, class 3 Environmental Studies Chapter 23 solutions

1.How do you think Sajida's dupatta was made?

<https://www.indcareer.com/schools/ncert-solutions-for-3rd-class-environmental-studies-chapter-23-a-beautiful-cloth/>

Ans. Sajida's dupatta is made from cloth, by machine or by weavers.

2. Take a dupatta or a long piece of unstitched cloth. Drape it in different ways. In how many ways, could you wear it?

Ans. A dupatta can be worn in many ways.

3. Did anyone wear it like a lungi or use it as a turban? In what other ways was the cloth worn?

Ans. Yes, we tried it like a lungi and also like a turban. Someone tried it like a sari and some other tried it like a dhoti.

NCERT 3rd Environmental Studies Chapter 23, class 3 Environmental Studies Chapter 23 solutions

4. Observe any six garments at home. What differences do you find in their texture, their colour and designs?

Ans. I could observe following differences:

- Some garments have soft texture, while some garments have rough texture.
- Some garments have bright colours, while some garments have dull colours.
- Some garments have simple design, while some garments have complex designs.

5. Look at a thick cloth or a sack carefully. Can you see threads "running along its length and breadth? You will find a similar pattern if you see any piece of cloth closely.

Ans. Yes, I can see threads running along its length and breadth.

About NCERT

The National Council of Educational Research and Training is an autonomous organization of the Government of India which was established in 1961 as a literary, scientific, and charitable Society under the Societies Registration Act. The major objectives of NCERT and its constituent units are to: undertake, promote and coordinate research in areas related to school education; prepare and publish model textbooks, supplementary material, newsletters, journals and develop educational kits, multimedia digital materials, etc. Organise pre-service and in-service training of teachers; develop and disseminate innovative educational techniques and practices; collaborate and network with state educational departments, universities, NGOs and other educational institutions; act as a clearing house for ideas and information in matters related to school education; and act as a nodal agency for achieving the goals of Universalisation of Elementary Education. In addition to research, development, training, extension, publication and dissemination activities, NCERT is an implementation agency for bilateral cultural exchange programmes with other countries in the field of school education. Its headquarters are located at Sri Aurobindo Marg in New Delhi. [Visit the Official NCERT website](https://www.ncert.nic.in/) to learn more.
