**11. Do you know any woman who has done something unusual?**

**Ans.** Yes, I know of many women who have done something unusual for their times. Let us take example of Kiran Bedi. She became the first officer in the Indian Police Service (IPS). It was a great achievement for her because women were not encouraged to even study in those times.

**12. Talk to her in the same way as we talked to Lt. Cdr. Wahida Prism. Think of the questions that you will ask. Find out why she has chosen that work. What were the difficulties she faced in her life?**

**Ans.** Interview Questions

Me : How did you feel when you were selected for the Indian Police Service?

Kiran Bedi : I felt as if I was on top of the world.

Me : Why did you want to join the police forces?

Kiran Bedi : I wanted to prove that women can also be strong in mind and take up any responsibility.

Me : Did you face problems during your career?

Kiran Bedi : Yes, I faced lot of discouragements during initial years of my career. Many of my seniors wanted me to go for easier assignments. Sometimes, my male colleagues viewed me with jealousy.

Me : How do you feel after serving for such a long period?

Kiran Bedi : I feel satisfied with the job well done. I feel proud of myself and my nation.

# About NCERT

The National Council of Educational Research and Training is an autonomous organization of the Government of India which was established in 1961 as a literary, scientific, and charitable Society under the Societies Registration Act. The major objectives of NCERT and its constituent units are to: undertake, promote and coordinate research in areas related to school education; prepare and publish model textbooks, supplementary material, newsletters, journals and develop educational kits, multimedia digital materials, etc. Organise pre-service and in-service training of teachers; develop and disseminate innovative educational techniques and practices; collaborate and network with state educational departments, universities, NGOs and other educational institutions; act as a clearing house for ideas and information in matters related to school education; and act as a nodal agency for achieving the goals of Universalisation of Elementary Education. In addition to research, development, training, extension, publication and dissemination activities, NCERT is an implementation agency for bilateral cultural exchange programmes with other countries in the field of school education. Its headquarters are located at Sri Aurobindo Marg in New Delhi. [Visit the Official NCERT website](#) to learn more.
