Page No 128:

Question 1:

You woke up one morning and found yourself in the land of dwarfs! Write a paragraph describing your experiences there and how you got back home finally. You may begin like this. *Everything around me looked different.* _____

<https://www.indcareer.com/schools/ncert-solutions-for-5th-class-english-chapter-14-gullivers-travels/>

Answer

Disclaimer: This is a sample answer. Students are advised to write the answer based on their own imaginative skills.

Everyone around me looked different. They were very small in height but at the same time also looked very cute. They looked at me with amazement. I had to pick them up on my hand to talk to them. They ate extremely less food. I was excited to see that I was the tallest of all. I helped them all in their daily work. Finally, it was time for me to go back home. They helped me in making a boat in which I could travel back home. It took six months for us to make the boat. They also arranged good quantity of food for me to take away in the boat. I realised that I was not very happy after reaching home. It was once again an ordinary life for me.

About NCERT

The National Council of Educational Research and Training is an autonomous organization of the Government of India which was established in 1961 as a literary, scientific, and charitable Society under the Societies Registration Act. The major objectives of NCERT and its constituent units are to: undertake, promote and coordinate research in areas related to school education; prepare and publish model textbooks, supplementary material, newsletters, journals and develop educational kits, multimedia digital materials, etc. Organise pre-service and in-service training of teachers; develop and disseminate innovative educational techniques and practices; collaborate and network with state educational departments, universities, NGOs and other educational institutions; act as a clearing house for ideas and information in matters related to school education; and act as a nodal agency for achieving the goals of Universalisation of Elementary Education. In addition to research, development, training, extension, publication and dissemination activities, NCERT is an implementation agency for bilateral cultural exchange programmes with other countries in the field of school education. Its headquarters are located at Sri Aurobindo Marg in New Delhi. [Visit the Official NCERT website](https://www.ncert.nic.in/) to learn more.
