Disclaimer: This is a sample story provided to you. Students are advised to write the answers based on the student's imaginative skills.

There were five people who were neighbours. One of them was Girish. He was a carpenter. The other man was Harish. He was a plumber. The third man was Suresh. He was a painter. The fourth man was a labourer. His name was Jai. The fifth was a mason named Kisna. All of them were very hardworking. One day, they decided to build a common house where they can meet and spend their vacations together. They worked hard for six months and helped each other in building the house. Finally, the day came when their small yet beautiful house was built on the day of Diwali. They celebrated Diwali with their families in the same house. After that, they danced and enjoyed the night chatting with each other.
