NCERT Solutions for 6th Class Civics: Chapter 6-Rural Administration

NCERT 6th Civics Chapter 6, class 6 Civics Chapter 6 solutions

Questions Page No. 56

1. What is the work of the police?

<https://www.indcareer.com/schools/ncert-solutions-for-6th-class-civics-chapter-6-rural-administration/>

Solution 1:

Every police station works within a geographical area assigned to it. When there are any cases of theft, accident, injury, fight etc; it is the responsibility of the police to investigate and take action.

2. List two things that the work of a Patwari includes.**Solution 2:**

1. Measuring the land and keeping land records is the main job
2. Each Patwari is responsible for a group of villages.
3. Maintains and updates the records of the villages

3. What is the work of a Tehsildar?**Solution 3:**

1. Collecting land revenue
2. Providing caste certificates to the students
3. Keeping a track of the work done by the Patwari
4. Making sure that land records are kept safely.

4. What issue is the poem trying to raise? Do you think this is an important issue? Why?**Solution 4:**

The poem is trying to raise the issue of gender discrimination against women. When women cannot inherit their father's property, it always goes to the sons. It is a very important issue, because in the eyes of the constitution all are equal. Hence, they should be given equal rights over their parents' property.

5. In what ways are the work of the Panchayat, that you read about in the previous chapter, and the work of the Patwari related to each other?**Solution 5:**

Panchayat solves the land disputes and the Patwari maintains land records.

6. Visit a police station and find out the work that the police have to do to prevent crime and maintain law and order in their area especially during festivals, public meetings etc.

Solution 6:

This is an activity that needs to be done by the students.

7. Who is in charge of all the police stations in a district? Find out.

Solution 7:

Superintendent of Police is in charge of all the police stations in a district.

8. How do women benefit under the new law?

Solution 8:

Now they can own the property of their parents. This has brought about a sense of security in their minds, so that it can help them financially in times of their needs.

9. In your neighbourhood, are there women who own property? How did they acquire it?

Solution 9:

This is an activity for students.

About NCERT

The National Council of Educational Research and Training is an autonomous organization of the Government of India which was established in 1961 as a literary, scientific, and charitable Society under the Societies Registration Act. The major objectives of NCERT and its constituent units are to: undertake, promote and coordinate research in areas related to school education; prepare and publish model textbooks, supplementary material, newsletters, journals and develop educational kits, multimedia digital materials, etc. Organise pre-service and in-service training of teachers; develop and disseminate innovative educational techniques and practices; collaborate and network with state educational departments, universities, NGOs and other educational institutions; act as a clearing house for ideas and information in matters related to school education; and act as a nodal agency for achieving the goals of Universalisation of Elementary Education. In addition to research, development, training, extension, publication and dissemination activities, NCERT is an implementation agency for bilateral cultural exchange programmes with other countries in the field of school education. Its headquarters are located at Sri Aurobindo Marg in New Delhi. [Visit the Official NCERT website](https://www.ncert.nic.in/) to learn more.
