Answer:

(i) The given lines mean that when someone has a thought in one's head and does not know how to say it, one should just use English words to pick the most accurate words that express one's thought in the best possible way.

(ii) Through these lines, the poet says that there are so many beautiful things that have never been written. It is wrong to perceive that everything that is good, has already been said by someone or the other.

(iii) A fresh thought or idea is always welcomed by people as everyone is waiting for it.

(iv) The human mind is a huge treasure where all the thoughts and ideas take birth. To express those thoughts or ideas, only words can help.

About NCERT

The National Council of Educational Research and Training is an autonomous organization of the Government of India which was established in 1961 as a literary, scientific, and charitable Society under the Societies Registration Act. The major objectives of NCERT and its constituent units are to: undertake, promote and coordinate research in areas related to school education; prepare and publish model textbooks, supplementary material, newsletters, journals and develop educational kits, multimedia digital materials, etc. Organise pre-service and in-service training of teachers; develop and disseminate innovative educational techniques and practices; collaborate and network with state educational departments, universities, NGOs and other educational institutions; act as a clearing house for ideas and information in matters related to school education; and act as a nodal agency for achieving the goals of Universalisation of Elementary Education. In addition to research, development, training, extension, publication and dissemination activities, NCERT is an implementation agency for bilateral cultural exchange programmes with other countries in the field of school education. Its headquarters are located at Sri Aurobindo Marg in New Delhi. [Visit the Official NCERT website](https://www.ncert.nic.in/) to learn more.
