1. Answer the following questions.

(i) Pick out the line that suggests that the child is afraid of snakes.

**(ii) Which line shows a complete change of the child's attitude towards snakes?
Read it aloud.**

(iii) "But mother says that kind is good..." What is mother referring to?

Answer

(i) The line that suggests that the child is afraid of snakes is 'I saw a snake and ran away...'

(ii) 'I'll stand aside and watch him pass,

And tell myself, "There's no mistake,

It's just a harmless garden snake!"'

(iii) The mother is referring to the harmless garden snake.

Page No: 138

2. Find the word that refers to the snake's movements in the grass.

Answer

The word that refers to the snake's movements in the grass is 'wiggles'.

3. There are four pairs of rhyming words in the poem. Say them aloud.

Answer

(i) 'Away' - 'say'

(ii) 'Good' - 'food'

(iv) 'Grass' - 'pass'

(iv) 'Mistake' - 'snake'

**4. A snake has no legs or feet, but it moves very fast. Can you guess how?
Discuss in the group.**

Answer

A snake has no legs or feet, but it moves very fast as it slides over the grass with the help of its scales.

5. Can you recall the word used for a cobra's long sharp teeth? Where did you come across this word first?

Answer

Cobra's long sharp teeth are like two bows or forks that are ready to chase you down. It makes me frightened. They are called fangs which is hollow tube attached to a poisonous gland on one side. I came across these words as it looks very dangerous and sharp like knife.

About NCERT

The National Council of Educational Research and Training is an autonomous organization of the Government of India which was established in 1961 as a literary, scientific, and charitable Society under the Societies Registration Act. The major objectives of NCERT and its constituent units are to: undertake, promote and coordinate research in areas related to school education; prepare and publish model textbooks, supplementary material, newsletters, journals and develop educational kits, multimedia digital materials, etc. Organise pre-service and in-service training of teachers; develop and disseminate innovative educational techniques and practices; collaborate and network with state educational departments, universities, NGOs and other educational institutions; act as a clearing house for ideas and information in matters related to school education; and act as a nodal agency for achieving the goals of Universalisation of Elementary Education. In addition to research, development, training, extension, publication and dissemination activities, NCERT is an implementation agency for bilateral cultural exchange programmes with other countries in the field of school education. Its headquarters are located at Sri Aurobindo Marg in New Delhi. [Visit the Official NCERT website](https://www.ncert.nic.in/) to learn more.
