NCERT Solutions for 7th Class English: Chapter 1-The Tiny Teacher

NCERT 7th English Chapter 1, class 7 English Chapter 1 solutions

Question 1:

The story of an ant's life sounds almost untrue.

<https://www.indcareer.com/schools/ncert-solutions-for-7th-class-english-chapter-1-the-tiny-teacher/>

The italicised phrase means

1. highly exaggerated.
2. too remarkable to be true.
3. not based on facts.

Answer:

1. highly exaggerated.

Question 2:

Complete the following sentences.

1. An ant is the smallest, _____
2. We know a number of facts about an ant's life because _____

Answer:

1. insect we have seen.
2. people have kept the ants as pets and watched their behaviour closely.

Question 3:

In what ways is an ant's life peaceful?

Answer:

The ants live in peace because each one does its share of work honestly, wisely and bravely. They don't interfere in the work given to others. They never fight in their group.

(Page 5)

1. How long does it take for a grub to become a complete ant?
2. Why do the worker ants carry the grubs about?
3. What jobs are new ants trained for?
4. Name some other creatures that live in anthills.
5. Mention three things we can learn from the 'tiny teacher'. Give reasons for choosing these items.

<https://www.indcareer.com/schools/ncert-solutions-for-7th-class-english-chapter-1-the-tiny-teacher/>

Answers:

1. The grubs take in three to six weeks to become cocoons and then to be a complete ant.
2. The grubs are carried about daily for airing, exercise and sunshine.
3. The new ants learn their duties from old ants as workers, soldiers, builders, cleaners, etc.
4. Some other creatures that live in anthills are beetles, lesser breeds of ants and the open fly.
5. We can learn from the tiny ants the lessons of hard work, sense of duty and discipline, cleanliness, loyalty and care for the young ones. These lessons are necessary for the happiness and smooth working of the society.

Exercise

Discuss the following topics in groups.

Question 1:

1. **What problems are you likely to face if you keep ants as pets?**
2. **When a group of bees finds nectar, it informs other bees of its location, quantity, etc. through dancing. Can you guess what ants communicate to their fellow ants by touching one another's feelers?**

Answer:

1. Keeping ants as pets is very uncommon or rare. The reason is that they don't take orders. They follow their own rules. Above all, they bite and spoil the food.
2. By touching one another's feelers, the ants give message to others about new-found food.

Question 2:

Complete the following poem with words from the box below.

Soldiers live in barracks

And birds in (a)_____ ,

Much like a snake that rests

<https://www.indcareer.com/schools/ncert-solutions-for-7th-class-english-chapter-1-the-tiny-teacher/>

In a (b)_____ . No horse is able

To sleep except in a (c)_____ .

And a dog lives well,

Mind you, only in a (d)_____ .

To say 'hi' to an ant if you will,

You may have to climb an (e)_____ .

hole, kennel, nests, anthill, stable

Answer:

(a) nests

(b) hole

(c) stable

(d) kennel

(e) anthill.

About NCERT

The National Council of Educational Research and Training is an autonomous organization of the Government of India which was established in 1961 as a literary, scientific, and charitable Society under the Societies Registration Act. The major objectives of NCERT and its constituent units are to: undertake, promote and coordinate research in areas related to school education; prepare and publish model textbooks, supplementary material, newsletters, journals and develop educational kits, multimedia digital materials, etc. Organise pre-service and in-service training of teachers; develop and disseminate innovative educational techniques and practices; collaborate and network with state educational departments, universities, NGOs and other educational institutions; act as a clearing house for ideas and information in matters related to school education; and act as a nodal agency for achieving the goals of Universalisation of Elementary Education. In addition to research, development, training, extension, publication and dissemination activities, NCERT is an implementation agency for bilateral cultural exchange programmes with other countries in the field of school education. Its headquarters are located at Sri Aurobindo Marg in New Delhi. [Visit the Official NCERT website](https://www.ncert.nic.in/) to learn more.
