Let's understand**5. How did a temple communicate the importance of a king?****Answer**

(i) Temple communicate the importance of a king as they were meant to demonstrate the power, wealth and devotion of the patron.

(ii) It help the king to appear like a god as the king took the god's name because it was auspicious.

(iii) It also gives a chance to the king to proclaim their close relationships with god.

(iv) The temple was a miniature model of the world ruled by the king and his allies.

(v) They worshiped their deities together in the royal temples, it seemed as if they brought the just rule of the gods on earth.

6. An inscription in Shah Jahan's diwan-i khas in Delhi stated: "If there is Paradise on Earth, it is here, it is here, it is here." How was this image created?**Answer**

<https://www.indcareer.com/schools/ncert-solutions-for-7th-class-history-chapter-5-rulers-and-buildings/>

- (i) During Shah Jahan's reign, the different elements of Mughal architecture were fused together in a grand harmonious synthesis.
- (ii) Shah Jahan's audience halls were specially constructed to resemble a mosque.
- (iii) The pedestal on which his throne was placed was frequently described as the qibla which means the direction of Muslims pray as everybody faced that direction when court was in session.
- (iv) The idea of the king as a representative of God on earth was suggested by these architectural features.

Therefore by the means of architecture style, this image was created.

7. How did the Mughal court suggest that everyone – the rich and the poor, the powerful and the weak – received justice equally from the emperor?

Answer

The Mughal court suggest that everyone – the rich and the poor, the powerful and the weak – received justice equally from the emperor:

- (i) By architectural features which highlight the idea of the king as a representative of God on earth.
- (ii) The connection between royal justice and the imperial court was emphasised by Shah Jahan in his newly constructed court in the Red Fort at Delhi.
- (iii) There were a series of pietra dura inlays behind the emperor's throne which depicted that legendary Greek god Orpheus playing the lute.
- (iv) The construction of audience hall aimed to communicate that the king's justice would treat the high and the low as equals creating a world where all could live together in harmony.
